PROXY STATEMENT

2015 Annual Meeting of Stockholders

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Apollo Investment Corporation, a Maryland corporation (the Company, we, us or our), for use at the Company's 2015 Annual Meeting of Stockholders (the Meeting) to be held on Wednesday, August 5, 2015 at 9:30 a.m., Eastern Daylight Time, at **The Peninsula New York, 700 Fifth Avenue, New York, New York 10019** and at any postponements or adjournments thereof. This Proxy Statement, the Notice of Annual Meeting of Stockholders, the accompanying white proxy card and the Company's Annual Report for the fiscal year ended March 31, 2015, are first being sent to stockholders on or about June 16, 2015.

We encourage you to vote your shares, either by voting in person at the Meeting or by granting a proxy (i.e., authorizing someone to vote your shares). If you properly sign, date and mail the accompanying white proxy card or authorize your proxy by telephone or through the Internet, and the Company receives it in time for voting at the Meeting, the persons named as proxies will vote your shares in the manner that you specify. **If you give no instructions on the white proxy card you execute, the shares covered by the white proxy card will be voted FOR the election of the nominees as Directors and FOR the ratification of the Company's independent registered public accounting firm.**

You may revoke a proxy at any time before it is exercised by notifying the Company's Secretary in writing, by submitting a properly executed later-dated proxy, or by voting in person at the Meeting. Any stockholder of record attending the Meeting may vote in person whether or not he or she has previously authorized his or her shares to be voted by proxy.

If your shares are registered in the name of a bank, brokerage firm or other nominee, you will receive instructions from your broker, bank or other nominee that you must follow in order to instruct how your shares are to be voted at the Meeting.

Purpose of Meeting

At the Meeting, you will be asked to vote on the following proposals:

- 1a. To consider and vote upon the election of two Class II directors of the Company, who will each serve until the Company's 2018 Annual Meeting of Stockholders and until his successor is duly elected and qualified;
- 1b. To consider and vote upon the election of one Class III director of the Company, who will serve until the Company's 2016 Annual Meeting of Stockholders and until his successor is duly elected and qualified;

2. To consider and vote upon ratifying the selection of PricewaterhouseCoopers LLP to serve as the Company's independent registered public accounting firm for the year ending March 31, 2016; and
3. To transact such other business as may properly come before the meeting and any postponement or adjournment thereof.

Voting Securities

You may vote your shares at the Meeting only if you were a stockholder of record at the close of business on June 11, 2015 (the Record Date). There were 236,741,351 shares of the Company's common stock outstanding on the Record Date. Each share of the common stock is entitled to one vote on each matter to be voted on at the Meeting. Stockholders do not have the right to cumulate votes in the election of directors.

Quorum Required

A quorum must be present at the Meeting for any business to be conducted. The presence at the Meeting, in person or by proxy, of holders of shares of stock of the Company entitled to cast a majority of the votes entitled to be cast on the Record Date will constitute a quorum. Abstentions and broker non-votes will be deemed to be present for the purpose of determining a quorum for the Meeting. If a stockholder of the Company does not vote in person at the Meeting or does not submit voting instructions to its broker, bank or nominee, the broker, bank or other nominee will not be permitted to vote the stockholder's shares on non-routine proposals. The ratification of the selection of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the year ending March 31, 2016 (Proposal 2) is considered routine under applicable rules. The election of directors (Proposals 1a and 1b) is considered non-routine under applicable rules. For non-routine proposals, a broker, bank or other nominee that holds shares in street name on behalf of a stockholder must receive voting instructions from the beneficial owner of the shares in order for the shares to be voted at the Meeting. A broker non-vote with respect to a matter occurs when a broker, bank or nominee holding shares on behalf of a beneficial owner has not received voting instructions from the beneficial owner on a particular proposal and does not have, or chooses not to exercise, discretionary authority to vote the shares on such proposals.

Vote Required

Election of Directors. The election of a Director requires the affirmative vote of a majority of the total votes cast for and affirmatively withheld as to such nominee. If you vote *Withhold Authority* with respect to a nominee, your shares will not be voted with respect to the person indicated. **Because Directors are elected by an affirmative vote of the majority of the total votes cast for and affirmatively withheld, votes to withhold authority will have the effect of a vote against a nominee. Broker non-votes will not be included in determining the number of votes cast and as a result will have no effect on this proposal.**

Ratification of Independent Registered Public Accounting Firm. The affirmative vote of a majority of the votes cast at the Meeting in person or by proxy is required to ratify the appointment of PricewaterhouseCoopers LLP (PricewaterhouseCoopers) to serve as the Company's independent registered public accounting firm for the fiscal year ending March 31, 2016. **Abstentions and broker non-votes, if any, will not be included in determining the number of votes cast and as a result will have no effect on this proposal.**

Additional Solicitation. If there are not enough shares represented at the Meeting for a quorum or votes to approve or ratify a proposal at the Meeting, the Chairman of the Meeting may adjourn the Meeting to permit the further solicitation of proxies.

A stockholder vote may be taken on any proposal in this Proxy Statement prior to any such adjournment if a quorum is present and there are sufficient votes for approval of such proposal.

Information Regarding This Solicitation

The Company will bear the expense of the solicitation of proxies for the Meeting, including the cost of preparing, printing and mailing this Proxy Statement, the accompanying Notice of Annual Meeting of Stockholders, and white

proxy card. If brokers, trustees, or fiduciaries and other institutions or nominees holding

shares in their names, or in the name of their nominees, which are beneficially owned by others, forward the proxy materials to, and obtain instructions from, such beneficial owners, we will reimburse such persons for their reasonable expenses in so doing.

In addition to the solicitation of proxies by mail, proxies may be solicited in person and/or by telephone, e-mail or facsimile transmission by Directors, officers or employees of the Company and/or officers or employees of Apollo Investment Management, L.P. (AIM), the Company's investment adviser. AIM is located at 9 West 57th Street, New York, New York 10019. No additional compensation will be paid to Directors, officers or regular employees of the Company or AIM for such services.

The Company has retained Georgeson Inc. (Georgeson) to assist in the solicitation of proxies. The Company expects to pay market rates for such services, with an estimated fee not to exceed \$10,000, plus expenses. As the Meeting date approaches, certain stockholders of the Company may receive a telephone call from a representative of Georgeson if their votes have not yet been received. Authorization to permit Georgeson to execute proxies may be obtained by telephonic or electronically transmitted instructions from stockholders of the Company. Proxies that are obtained telephonically will be recorded in accordance with the procedures described below. The Company believes that these procedures are reasonably designed to ensure that both the identity of the stockholder casting the vote and the voting instructions of the stockholder are accurately determined.

In all cases where a telephonic proxy is solicited, the Georgeson representative is required to ask for each stockholder's full name and complete address and to confirm that the stockholder has either received the proxy materials in the mail or has been provided a notice and access notification. If the stockholder is a corporation or entity, the Georgeson representative is required to ask for the person's title and confirmation that the person is authorized to direct the voting of the shares. If the information solicited matches the information provided to Georgeson, then the Georgeson representative has the responsibility to explain the process, read the proposals listed on the white proxy card and ask for the stockholder's instructions on the proposals. Although the Georgeson representative is permitted to answer questions about the process, he or she is not permitted to recommend to the stockholder how to vote, other than to read any recommendation set forth in this Proxy Statement. Georgeson will record the stockholder's instructions on the card. Within 72 hours, the stockholder will be sent a letter to confirm his or her proxy authorization and asking the stockholder to call Georgeson immediately if his or her instructions are not correctly reflected in the confirmation.

Stockholders also may provide their voting instructions by telephone or through the Internet. These options require stockholders to input the Control Number which is located on their white proxy card. After inputting this number, stockholders will be prompted to provide their voting instructions. Stockholders will have an opportunity to review their voting instructions and make any necessary changes before submitting their voting instructions and terminating their telephone call or Internet link. Stockholders who authorize proxies through the Internet, in addition to confirming their voting instructions prior to submission, also will receive an e-mail confirming their instructions upon request.

If a stockholder wishes to participate in the Meeting, but does not wish to give a proxy by telephone or electronically, the stockholder may submit the proxy card originally sent with this Proxy Statement by mail or attend the Meeting in person.

Any proxy given pursuant to this solicitation may be revoked by notice from the person giving the proxy at any time before it is exercised. Any such notice of revocation should be provided in writing and signed by the stockholder who gave the proxy, even if the proxy being revoked was given by telephone or electronically, and should be delivered to the Company's Secretary. The notice of revocation may be delivered by mail or in person at the Meeting. In addition, a later dated proxy granted by any means will automatically revoke any prior proxy.

Corporate Governance

Director Independence. NASDAQ rules require listed companies to have a board of directors with at least a majority of Independent Directors. Under NASDAQ rules, in order for a director to be deemed independent, the board of

directors must determine that the individual does not have a relationship that would interfere with the director's exercise of independent judgment in carrying out his or her responsibilities. On an annual basis, each member of our Board of Directors is required to complete an independence questionnaire designed to provide information to assist the Board of Directors in determining whether the Director is independent under NASDAQ

rules and our corporate governance guidelines. Our Board of Directors has determined that each of our Directors, other than Messrs. Hannan, Wechsler and Zelter, is independent under the listing standards of NASDAQ Marketplace Rule 5605 (a)(2). Our governance guidelines require any Director who has previously been determined to be independent to inform the Chairman of the Board of Directors, the Chairman of the Nominating and Corporate Governance Committee and our Corporate Secretary of any change in circumstance that may cause his or her status as an Independent Director to change. The Board of Directors limits membership on the Audit Committee and the Nominating and Corporate Governance Committee to Independent Directors.

Board of Directors Oversight Role in Management. The Board of Directors' role in management of the Company is oversight. As is the case with virtually all investment companies, including externally managed business development companies such as the Company (as distinguished from operating companies), service providers to the Company, primarily AIM, Apollo Investment Administration, LLC (AIA) and their affiliates, have responsibility for the day-to-day management of the Company, which includes responsibility for risk management (including management of investment performance and investment risk, valuation risk, issuer and counterparty credit risk, compliance risk and operational risk). As part of its oversight, the Board of Directors, acting at its scheduled meetings, or the Chairman or the lead Independent Director acting between Board of Directors meetings, regularly interacts with and receives reports from senior personnel of service providers, including the Company's Chief Executive Officer, its President and Chief Operating Officer and its Chief Financial Officer (or a senior representative of their respective offices), the Company's and AIM's Chief Compliance Officer and portfolio management personnel. The Audit Committee of the Board of Directors (which consists of all Independent Directors) meets regularly, and between meetings the Audit Committee Chair maintains contact with the Company's independent registered public accounting firm, the Company's Chief Financial Officer and the internal auditor. In addition, at its quarterly meetings, the Audit Committee meets with the independent valuation services that evaluate certain of the Company's securities holdings for which there are not readily available market values. The Board of Directors also receives periodic presentations from senior personnel of AIM or its affiliates regarding risk management generally, as well as periodic presentations regarding specific operational, compliance or investment areas such as business continuity, personal trading, valuation, credit and investment research. The Board of Directors has adopted policies and procedures designed to address certain risks of the Company. In addition, the Company, AIM, AIA and other service providers to the Company have adopted a variety of policies, procedures and controls designed to address particular risks to the Company. However, it is not possible to eliminate all of the risks applicable to the Company. The Board of Directors also receives reports from counsel to the Company or counsel to AIM and the Board of Directors' own independent legal counsel regarding regulatory compliance and governance matters. The Board of Directors oversight role does not make the Board of Directors a guarantor of the Company's investments or activities or the activities of any of the Company's service providers on behalf of the Company.

Board of Directors Composition and Leadership Structure. The 1940 Act requires that at least a majority of the Company's Directors be Independent Directors. Currently, five of the Company's eight Directors are Independent Directors. The Chairman of the Board of Directors is an interested person of the Company, and the Independent Directors have designated a lead Independent Director, Mr. Stein, who chairs meetings or executive sessions of the Independent Directors, reviews and comments on Board of Directors meeting agendas, represents the views of the Independent Directors to management and facilitates communication among the Independent Directors and their counsel and between management and the Independent Directors. The Board of Directors has determined that its leadership structure, in which over 60% of the Directors are not affiliated with AIM, is appropriate in light of the services that AIM and its affiliates provide to the Company and potential conflicts of interest that could arise from these relationships.

Information About Each Director's Experience, Qualifications, Attributes or Skills. Additional information about each Director follows (supplementing the information provided in the table above) that describes some of the specific experiences, qualifications, attributes or skills that each Director possesses which the Board of Directors believes has prepared them to be effective Directors. The Board of Directors believes that the significance of each Director's

experience, qualifications, attributes or skills is an individual matter (meaning

that experience that is important for one Director may not have the same value for another) and that these factors are best evaluated at the board level, with no single Director, or particular factor, being indicative of board effectiveness. However, the Board of Directors believes that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Company management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties; the Board of Directors believes that its members satisfy this standard. Experience relevant to having this ability may be achieved through a Director's educational background; business, professional training or practice (e.g., medicine, accounting or law), public service or academic positions; experience from service as a board member (including the Board of Directors of the Company) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. To assist them in evaluating matters under federal and state law, the Directors are counseled by their own independent legal counsel, who participates in Board of Directors meetings and interacts with AIM, and also may benefit from information provided by the Company's or AIM's counsel; both the Board of Directors and Company counsel have significant experience advising funds and fund board members. The Board of Directors and its Committees have the ability to engage other experts as appropriate. The Board of Directors evaluates its performance on an annual basis.

All Directors who were Directors during the fiscal year ended March 31, 2015 attended at least 75% of the aggregate number of meetings of the Board of Directors and of the respective Committees on which they served.

The Company requires each Director to make a diligent effort to attend all Board of Directors and committee meetings, and encourages Directors to attend the annual meeting of stockholders. At the 2014 Annual Meeting, all of the Independent Directors at the time attended in person.

Audit Committee. The Audit Committee operates pursuant to an Audit Committee Charter approved by the Board of Directors. The charter sets forth the responsibilities of the Audit Committee, which include selecting or retaining each year an independent registered public accounting firm (the auditors) to audit the annual financial statements of the Company; reviewing and discussing with management and the auditors the annual audited financial statements of the Company, including disclosures made in management's discussion and analysis, and recommending to the Board of Directors whether the audited financial statements should be included in the Company's annual report on Form 10-K; reviewing and discussing with management and the auditors the Company's quarterly financial statements prior to the filing of its quarterly reports on Form 10-Q; pre-approving the auditors' engagement to render audit and/or permissible non-audit services; evaluating the qualifications, performance and independence of the auditors; reviewing preliminary valuations of the investment adviser and independent valuation firms and recommending valuations to the Board of Directors; and recommending compensation of the Chief Financial Officer to the Board of Directors for determination. The Audit Committee is composed of five persons: Messrs. Puleo, Reinfrank, Spielvogel and Stein and Ms. Loeb, all of whom are Independent Directors and are otherwise considered independent under NASDAQ Marketplace Rule 5605(a)(2). Each member of the Audit Committee is expected to continue to serve on the Audit Committee after the Meeting. Mr. Reinfrank serves as the Chairperson of the Audit Committee. The Company's Board of Directors has determined that Mr. Reinfrank is an audit committee financial expert as that term is defined under Item 401 of Regulation S-K under the Securities Exchange Act of 1934, as amended (the Exchange Act). The Audit Committee Charter is available on the Company's website (<http://www.apolloic.com>).

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is responsible for selecting qualified nominees to be elected to the Board of Directors by stockholders; identifying, selecting or recommending qualified nominees to fill any vacancies on the Board of Directors or a committee thereof; developing and recommending to the Board of Directors a set of corporate governance principles applicable to the Company; overseeing the evaluation of the Board of Directors and management; and undertaking such other duties and responsibilities as may from time to time be delegated by the Board of Directors to the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is composed of five persons: Messrs. Puleo, Reinfrank, Spielvogel and Stein and Ms. Loeb. Mr. Stein currently serves as the Chairman of the Nominating and Corporate Governance Committee. Each member is expected to continue to serve on the Nominating and Corporate Governance Committee after the Meeting. The Nominating and Corporate Governance Committee has

adopted a written Nominating and Corporate Governance Committee charter which is available on the Company's website (<http://www.apolloic.com>).

The Nominating and Corporate Governance Committee will consider stockholder recommendations for possible nominees for election as Directors when such recommendations are submitted in accordance with the Company's current bylaws, the Nominating and Corporate Governance Committee Charter and any applicable law, rule or regulation regarding Director nominations. Nominations should be sent to Joseph D. Glatt, Corporate Secretary, Apollo Investment Corporation, 9 West 57th Street, New York, New York 10019. To have a candidate considered by the Nominating and Corporate Governance Committee, a stockholder must submit the recommendation in writing and must include the following information:

The name of the stockholder and evidence of the person's ownership of Company stock, including the number of shares owned and the length of time of the ownership;

The name of the candidate, the candidate's resume or a listing of his or her qualifications to be a Director of the Company and the person's consent to be named as a Director if selected by the Nominating and Corporate Governance Committee and nominated to the Board of Directors; and

If requested by the Nominating and Corporate Governance Committee, a completed and signed Director's Questionnaire.

Criteria considered by the Nominating and Corporate Governance Committee in evaluating the qualifications of individuals for election as members of the Board of Directors include, to the extent required, compliance with the independence and other applicable requirements of the federal securities laws, the listing standards of NASDAQ, and any other applicable laws, rules, or regulations; the ability to contribute to the effective management of the Company, taking into account the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with the Company's management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties; educational background, business, professional training or practice (e.g., medicine, accounting or law), public service or academic positions, experience from service as a board member (including the Board of Directors) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations, and/or other life experiences; and personal and professional integrity, character, time availability in light of other commitments, dedication, conflicts of interest and such other relevant factors that the Nominating and Corporate Governance Committee considers appropriate. The Board of Directors also believes it is appropriate for members of the Company's management to serve as a member of the Board of Directors. In addition, although the Nominating and Corporate Governance Committee does not have a formal policy with regard to consideration of diversity in identifying Director candidates, the Nominating and Corporate Governance Committee may consider whether a potential candidate's professional experience, education, skills and other individual qualities and attributes, including gender, race or national origin, would provide beneficial diversity of skills, experience or perspective to the Board of Directors' membership and collective attributes. Such considerations will vary based on the Board of Directors' existing membership and other factors, such as the strength of a potential nominee's overall qualifications relative to diversity considerations.

Compensation Committee. The Compensation Committee is responsible for determining, or recommending to the Board of Directors for determining, the compensation of our Chief Executive Officer and all other executive officers, paid directly by us, if any. The Compensation Committee also assists the Board of Directors with all matters related to compensation, as directed by the Board of Directors. The current members of the Compensation Committee are Messrs. As shown below, none of our executive officers is directly compensated by us and, as a result, the Compensation Committee does not produce and/or review and report on executive compensation practices. The Compensation Committee Charter is available on our website

(www.apolloic.com).

PROPOSAL II: RATIFICATION OF

SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

At a meeting held on May 18, 2015, the Company's Audit Committee approved and the Board of Directors, including a majority of the Independent Directors, approved and ratified the selection of PricewaterhouseCoopers as the Company's independent registered public accounting firm for the fiscal year ending March 31, 2016. The Company expects that a representative of PricewaterhouseCoopers will be present at the Meeting, and will have an opportunity to make a statement (if the representative so desires) and to respond to appropriate questions. After reviewing the Company's audited financial statements for the fiscal year ended March 31, 2015, the Board of Directors' Audit Committee recommended to the Board of Directors that such statements be included in the Company's Annual Report on Form 10-K. A copy of the Audit Committee's Report appears below.

Audit Fees: Audit fees consist of fees billed for professional services rendered for the audit of our year-end financial statements and services that are normally provided by PricewaterhouseCoopers in connection with statutory and regulatory filings. Audit fees billed during the fiscal years ended March 31, 2015 and March 31, 2014 were \$1,219,434 and \$1,431,080 respectively.

Audit-Related Fees: Audit-related services consist of fees billed by PricewaterhouseCoopers for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under Audit Fees. These services include attest services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards. Audit-related fees billed during the fiscal years ended March 31, 2015 and March 31, 2014 were \$460,000 and \$147,689, respectively.

Tax Services Fees: Tax services fees consist of fees billed by PricewaterhouseCoopers for professional tax services. These services also include assistance regarding federal, state, and local tax compliance. Tax services and fees billed during the fiscal years ended March 31, 2015 and March 31, 2014 were \$40,000 and \$40,000, respectively, which represented work related to, among other things, preparation of tax returns, our regulated investment company (RIC) qualification, excise tax distribution requirements and form extensions.

All Other Fees: Other fees would include fees billed by PricewaterhouseCoopers for products and services other than the services reported above, of which there were none in the fiscal years ended March 31, 2015 and March 31, 2014.

The Audit Committee has established a pre-approval policy that describes the permitted audit, audit-related, tax and other services to be provided by PricewaterhouseCoopers, the Company's auditors. The policy requires that the Audit Committee pre-approve the audit and non-audit services performed by the auditors in order to assure that the provision of such service does not impair the auditors' independence.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated reports any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent auditor to management.

All services described above under Audit-Related Fees and Tax Services Fees were pre-approved by the Audit Committee.

The Audit Committee included in its review results of PricewaterhouseCoopers LLP's examinations, the Company's internal controls, and the quality of the Company's financial reporting. The Audit Committee also reviewed the Company's procedures and internal control processes designed to ensure full, fair and adequate financial reporting and disclosures, including procedures for certifications by the Company's chief executive officer and chief financial officer that are required in periodic reports filed by the Company with the Commission. The Audit Committee is satisfied that the Company's internal control system is adequate and that the Company employs appropriate accounting and auditing procedures.

The Audit Committee also has discussed with PricewaterhouseCoopers LLP matters relating to PricewaterhouseCoopers LLP's judgments about the quality, as well as the acceptability, of the Company's accounting principles as applied in its financial reporting as required by the statement on Auditing Standards No. 61 as amended (Professional Standards). In addition, the Audit Committee has discussed with PricewaterhouseCoopers LLP their independence from management and the Company, as well as the matters in the written disclosures received from PricewaterhouseCoopers LLP and required by Statement on Auditing Standard No. 114, as amended (Codification of Statements on Auditing Standards, AU Section 380, as adopted by the Public Company Accounting Oversight Board in Rule 3200T), Public Company Accounting Oversight Board Rule 3526, "Communication with Audit Committees Concerning Independence". The Audit Committee received a letter from PricewaterhouseCoopers LLP confirming their independence and discussed it with them. The Audit Committee discussed and reviewed with PricewaterhouseCoopers LLP the Company's critical accounting policies and practices, internal controls, other material written communications to management, and the scope of PricewaterhouseCoopers LLP's audits and all fees paid to PricewaterhouseCoopers LLP during the fiscal year. The Audit Committee has adopted guidelines requiring review and pre-approval by the Audit Committee of audit and non-audit services performed by PricewaterhouseCoopers LLP for the Company. The Audit Committee has reviewed and considered the compatibility of PricewaterhouseCoopers LLP's performance of non-audit services with the maintenance of PricewaterhouseCoopers LLP's independence as the Company's independent registered public accounting firm.

Based on the Audit Committee's review and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board of Directors has approved) that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended March 31, 2015 for filing with the Commission. In addition, the Audit Committee has engaged PricewaterhouseCoopers to serve as the Company's independent registered public accounting firm for the fiscal year ending March 31, 2016, and has directed that the selection of PricewaterhouseCoopers LLP be submitted to the Company's stockholders for ratification.

HOUSEHOLDING OF PROXY MATERIALS

The Commission has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies.

This year a number of brokers with account holders who are stockholders of the Company will be householding its proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. If you have received notice from your broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. We will promptly deliver a separate copy of these documents to you upon written or oral request to Joseph D. Glatt, Corporate Secretary, 9 West 57th Street, New York, New York 10019 or investorrelations@apolloic.com or 212-515-3450. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker. Stockholders who currently receive multiple copies of the proxy statement and annual report at their addresses and would like to request householding of their communications should contact their brokers.

FINANCIAL STATEMENTS AND OTHER INFORMATION

We will furnish, without charge, a copy of our most recent annual report and the most recent quarterly report succeeding the annual report, if any, to any stockholder upon request. Requests should be directed to the Company at 9 West 57th Street, New York, New York 10019 (Telephone Number 212-515-3450).

You are cordially invited to attend the Annual Meeting of Stockholders in person. Whether or not you plan to attend the Meeting, you are requested to complete, date, sign and promptly return the accompanying white proxy card in the enclosed postage-paid envelope or to vote by telephone or through the Internet.
