Item 8.01. Other Events.

On October 29, 2015, Allergan plc (Allergan) announced that its indirect subsidiary, Warner Chilcott Sales (US) LLC (Warner Chilcott Sales), has reached a resolution with the federal government, as well as 50 states and the District of Columbia, concluding the previously disclosed federal investigation into certain sales and marketing practices involving several Warner Chilcott products during the time period January 2009 through March 2013.

Under the settlement agreements, Warner Chilcott Sales will pay a total of approximately \$102 million, plus interest, to the federal government and the states to resolve civil claims. The settlements will resolve claims regarding a range of alleged sales and marketing activities by Warner Chilcott Sales.

In addition to the civil settlement, Warner Chilcott Sales agreed to plead guilty to a charge of health care fraud in violation of 18 U.S.C. § 1347 related to certain of the company's sales and marketing practices prior to its acquisition by Allergan. In connection with the criminal plea, Warner Chilcott Sales will pay a total of approximately \$23 million in criminal fines and forfeiture amounts.

The company previously recorded charges of approximately \$125 million in connection with the government's investigation.

Following its acquisition of Warner Chilcott Sales, Allergan fully cooperated in the government's investigation and in reaching these civil settlements and plea agreement.
