Item 3. Source and Amount of Funds or Other Consideration

The source of funds for the acquisition of the securities of the Company reported in this Statement as beneficially owned by the Reporting Persons was the available capital of LB 2, Red Beard and Mr. Smith, as applicable, except that the securities reported as beneficially owned by the GRAT were transferred to the GRAT from another Reporting Person. None of the funds used to acquire the reported securities were borrowed or otherwise obtained for the purpose of acquiring the securities.

For additional information about the acquisition of the reported securities, see the disclosure in Item 4 of this Statement, which is incorporated by reference into this Item 3.

Item 4. Purpose of Transaction

The securities of the Company to which this Statement relates have all been acquired by the Reporting Persons for investment purposes. A summary of the transactions pursuant to which the reported securities were acquired is set forth below.

Purchase of Series C Preferred Stock and Warrants by LB 2 (February and March 2015)

On February 20, 2015, LB 2 entered into a Securities Purchase Agreement with the Company, as amended by Amendment No. 1 to Securities Purchase Agreement, dated as of March 26, 2015 (as amended, the February Purchase Agreement), pursuant to which LB 2 purchased 67,000 shares of the Company's Series C Convertible Preferred Stock, par value \$0.001 per share (the Series C Preferred) for \$100 per share. Each share of Series C Preferred has a stated value of \$100 per share (the Stated Value), and is immediately convertible, at the option of each respective holder, into that number of shares of Common Stock equal to the Stated Value, divided by \$0.15 per share. As a result, the 67,000 shares of Series C Preferred are convertible into 44,666,667 shares of Common Stock (the February Conversion Shares). The terms of the Series C Preferred are more fully described in that certain First Amended and Restated Certificate of Designation, Preferences, Rights and Limitations of Series C Convertible Preferred Stock of the Company filed with the Secretary of State of Nevada on March 26, 2015 (the Certificate of Designation).

Pursuant to the February Purchase Agreement, LB 2 also acquired warrants (the February Warrants) to purchase an aggregate of 15,633,333 shares of Common Stock (the February Warrant Shares), which reflects a number of shares equal to 35% of the February Conversion Shares. The February Warrants have a five-year term and are immediately

exercisable for \$0.15 per share.

Stockholder Consent to Increase Authorized Shares of Common Stock

Pursuant to that certain Information Statement on Schedule 14C, which was filed by the Company with the SEC on May 19, 2015, the Company disclosed that its stockholders had previously approved an increase in the number of authorized shares of the Common Stock (the Stockholder Consent). Pursuant to Rule 14c-2 under the Act, the Stockholder Consent became effective on

June 8, 2015, at which time the increase in the number of authorized shares of Common Stock became effective, resulting in the outstanding shares of Series C Preferred becoming eligible to be converted into the February Conversion Shares, and the February Warrants becoming eligible to be exercised for the February Warrant Shares. Prior to June 8, 2015, the Reporting Persons did not have the right or ability to convert the outstanding shares of Series C Preferred into the February Conversion Shares or to exercise the February Warrants for the February Warrant Shares because there were insufficient authorized shares of Common Stock to allow for the conversion or exercise.

Transfer of Shares of Series C Preferred Stock and Warrants to the GRAT

In June 2015, all of the shares of Series C Preferred and all of the February Warrants acquired pursuant to the February Purchase Agreement were transferred to the GRAT. Mr. Smith is the sole trustee of the GRAT and has retained investment control over the securities held by the GRAT.

Additional Purchases of Common Stock by LB 2

Through a series of open-market purchases made during July 2015, LB 2 acquired an aggregate of 577,185 additional shares of Common Stock. For additional information, see the disclosure in Schedule A of this Statement under the heading LB 2, LLC .

As a result of these transactions, as well as additional open-market purchases of Common Stock (some of which were completed more than 60 days prior to the date on which the Schedule 13D was originally filed), LB 2 is reporting beneficial ownership of 1,459,329 shares of Common Stock.

Conversion of Series C Preferred Stock by the GRAT

On July 30, 2015, the GRAT delivered a notice of conversion to the Company with respect to the full amount of the February Conversion Shares. As a result of the conversion, the 67,000 shares of Series C Preferred were converted into 44,666,667 shares of Common Stock. The GRAT continues to hold all of the February Conversion Shares. In addition, the GRAT continues to hold all of the February Warrants, which are immediately exercisable for 15,633,333 shares of Common Stock for \$0.15 per share.

As a result of these transactions, the GRAT is reporting beneficial ownership of 60,300,000 shares of Common Stock.

Purchase of Series C Preferred Stock and Warrants by Red Beard (August through October 2015)

On August 13, 2015, Red Beard entered into a Securities Purchase Agreement with the Company (as amended, the August Purchase Agreement), pursuant to which Red Beard (i) purchased 7,942 shares of the Series C Preferred for \$113.33 per share effective as of August 13, 2015, (ii) agreed to purchase an additional 6,177 shares of the Series C Preferred for \$113.33 per share on August 28, 2015, and (iii) acquired an option to purchase an additional 3,529 shares of the Series C Preferred for \$113.33 per share on or before September 15, 2015 (the Option), in each case for \$113.33 per share. On September 11, 2015, Red Beard delivered a notice of exercise to the Issuer with respect to the 3,529 shares of Series C Preferred covered by the Option. On October 16, 2015, Red Beard and the Company entered into Amendment No. 1 to the Securities Purchase Agreement (the October Amendment) pursuant to which Red Beard purchased an additional 8,823 shares of the Series C Preferred for \$113.33 per share. As a result, Red Beard purchased an aggregate of 26,471 shares of the Series C Preferred pursuant to the August Purchase Agreement.

Each share of Series C Preferred has a Stated Value of \$100 per share, and is immediately convertible, at the option of each respective holder, into that number of shares of Common Stock equal to the Stated Value, divided by \$0.15 per share. Accordingly, the shares of Series C Preferred purchased pursuant to the August Purchase Agreement are convertible into an aggregate of 17,647,333 shares of Common Stock. In connection with the August Purchase Agreement, the Company filed a Second Amended and Restated Certificate of Designation, Preferences, Rights and Limitations of Series C Convertible Preferred Stock with the Secretary of State of Nevada on August 12, 2015 (the Amended Certificate of Designation).

Pursuant to the August Purchase Agreement, Red Beard acquired warrants (the August Warrants) to purchase that number of shares of Common Stock equal to 35% of the number of shares of Common Stock determined by dividing (x) the Stated Value of the aggregate number of shares of Series C Preferred acquired pursuant to the August Purchase Agreement (including shares acquired pursuant to the exercise of the Option) by (y) the exercise price of the August Warrants, which was initially \$0.17 per share. As a result, the August Warrants provide Red Beard the right to acquire 5,449,911 shares of Common Stock. In connection with the execution of the November Purchase Agreement (as defined below), the exercise price of the August Warrants was subsequently reduced to \$0.15 per share pursuant to the anti-dilution provisions set forth therein. The August Warrants have a five-year term and are immediately exercisable.

Purchase of Series C Preferred Stock and Warrants by Red Beard (November 2015 through January 2016)

On November 25, 2015, Red Beard entered into a Securities Purchase Agreement with the Company (the November Purchase Agreement), pursuant to which Red Beard (i) purchased 10,000 shares of the Series C Preferred for \$100.00 per share effective as of November 25, 2015 (the Initial Investment), (ii) agreed to purchase an additional 10,000 shares of the Series C Preferred for \$100.00 per share on December 18, 2015 (the Second Investment), and (iii) agreed to purchase an additional 10,000 shares of the Series C Preferred for \$100.00 per share on January 18, 2016 (the Final Investment). Because Red Beard has completed the Initial Investment, is irrevocably committed to complete the Second Investment, and presently intends to complete the Final Investment, Red Beard is reporting the acquisition of all 30,000 shares of Series C Preferred acquired (or to be acquired) pursuant to the November Purchase Agreement.

Each share of Series C Preferred has a Stated Value of \$100 per share, and is immediately convertible, at the option of each respective holder, into that number of shares of Common Stock equal to the Stated Value, divided by \$0.15 per share. Accordingly, the shares of Series C Preferred purchased pursuant to the November Purchase Agreement are convertible into an aggregate of 20,000,000 shares of Common Stock (the November Conversion Shares). In connection with the November Purchase Agreement, the Company filed Amendment No. 1 to the Amended Certificate of Designation on November 24, 2015.

Pursuant to the November Purchase Agreement, Red Beard also acquired warrants (the November Warrants) to purchase that number of shares of Common Stock equal to 35% of the November Conversion Shares, which have an exercise price of \$0.15 per share. Because Red Beard has irrevocably committed to complete the Second Investment, and presently intends to complete the Final Investment, Red Beard is reporting that the November Warrants provide it with the right to acquire 7,000,002 shares of Common Stock. The November Warrants have a five-year term and are immediately exercisable.

As a result of these transactions, Red Beard is reporting beneficial ownership of (i) the 17,647,333 shares of Common Stock into which the shares of Series C Preferred issued pursuant to the August Purchase Agreement are convertible, (ii) the 5,449,911 shares of Common Stock for which the August Warrants are exercisable, (iii) the 20,000,000 shares of Common Stock into which the shares of Series C Preferred issued (or to be issued) pursuant to the November Purchase Agreement are convertible, and (iv) the 7,000,002 shares of Common Stock for which the November Warrants are exercisable. Accordingly, Red Beard is reporting beneficial ownership of an aggregate of 50,097,246 shares of Common Stock.

Beneficial Ownership of Mr. Smith

Mr. Smith is the Manager of LB 2 and has the sole right to vote and dispose of the securities held by LB 2. In addition, Mr. Smith is the sole trustee of the GRAT and has the sole right to vote and dispose of the securities held by the GRAT. Furthermore, Mr. Smith is the Manager of Red Beard and has the sole right to vote and dispose of the

securities held by Red Beard. As a result, Mr. Smith has sole voting and dispositive power over the securities reported by him and by each of the other Reporting Persons, and each of the other Reporting Persons has shared voting and dispositive power over the securities reported by that Reporting Person.

In addition to the shares of Common Stock reported as being beneficially owned by the Reporting Persons above, Mr. Smith holds 1,021,445 shares of Common Stock (some of which were acquired more than 60 days prior to the date on which the Schedule 13D was originally filed), in an Investment Retirement Account of which he is the sole owner. For additional information, see the disclosure in Schedule A of this Statement under the heading Vincent C. Smith .

Furthermore, on October 9, 2015, in connection with, and as partial consideration for, Mr. Smith executing a Personal Guaranty of Bottling Agreement, the Company executed a warrant to purchase Common Stock (the October Warrant) pursuant to which Mr. Smith acquired the right to purchase up to 17,500,000 shares of Common Stock at an initial exercise price of \$0.188 per share. In connection with the execution of the November Purchase Agreement, the exercise price of the October Warrant was subsequently reduced to \$0.15 per share pursuant to the anti-dilution provisions set forth therein. The October Warrant has a five-year term and is immediately exercisable.

As a result of the aforementioned transactions and relationships, Mr. Smith is reporting beneficial ownership of an aggregate of 130,378,020 shares of Common Stock.
