Item 1.01 Entry into a Material Definitive Agreement.

On March 8, 2016, Smith Micro Software, Inc. (the Company) and Birdstep Technology ASA (Birdstep) entered into a Share Purchase Agreement (the Share Purchase Agreement) pursuant to which the Company agreed to acquire 100% of the outstanding capital stock (the Shares) of Birdstep's wholly owned Swedish subsidiary, Birdstep Technology AB. The completion of the acquisition is subject to customary closing conditions, including the approval by Birdstep's shareholders at an extraordinary general meeting, and is expected to close around April 1, 2016.

Under the terms of the Share Purchase Agreement, the aggregate consideration for the acquisition will be \$2.0 million in cash. The Share Purchase Agreement contains customary representations and warranties of Birdstep and provides that Birdstep will, subject to certain limitations, indemnify the Company against claims and losses incurred or suffered by the Company as a result of, among other things, any inaccuracy of any representation or warranty of Birdstep contained in the Share Purchase Agreement.

The foregoing description of the Share Purchase Agreement does not purport to be complete and is qualified in its entirety by the Share Purchase Agreement attached as Exhibit 2.1 to this Current Report on Form 8-K and incorporated herein by reference. The Company issued a press release on March 8, 2016 regarding the execution of the Share Purchase Agreement, a copy of which is attached as Exhibit 99.1 to this Current Report on Form 8-K.

The Share Purchase Agreement has been included to provide investors with information regarding its terms. It is not intended to provide any other factual information about the Company or Birdstep. The Share Purchase Agreement contains representations and warranties that each of the Company and Birdstep made to the other. The assertions embodied in those representations and warranties are qualified by information in confidential disclosure schedules that the parties have exchanged in connection with signing the Share Purchase Agreement. The disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Share Purchase Agreement. Accordingly, investors should not rely on the representations and warranties as characterizations of the actual state of facts at the time they were made or otherwise.
