**PROXY STATEMENT**

**2016 ANNUAL MEETING OF SHAREHOLDERS**

**MAY 3, 2016**

Mailed to Shareholders on or about March 28, 2016

**FREQUENTLY ASKED QUESTIONS AND ANSWERS**

*Q. WHO IS ENTITLED TO VOTE?*

- A. Shareholders as of the close of business on February 16, 2016 (the voting record date) are entitled to vote, and each share of common stock is entitled to one vote.

*Q. HOW DO I VOTE?*

- A. There are several methods. You may vote online via the Internet, by telephone, by completing and mailing your proxy, or by attending the meeting and voting in person. (See page 3 for more details.)

*Q. HOW DOES DISCRETIONARY AUTHORITY APPLY?*

- A. If your shares are held in an account at a bank, brokerage firm, broker-dealer or other similar organization, then you are a beneficial owner of shares held in street name. In that case, you will have received these proxy materials from that organization holding your account and, as a beneficial owner, you have the right to instruct your broker, bank, trustee, or nominee how to vote the shares held in your account. If no voting instructions are given, your broker or nominee has discretionary authority to vote your shares on your behalf on routine matters. A broker non-vote results on a matter when your broker or nominee returns a proxy but does not vote on a particular proposal because it does not have discretionary authority to vote on that proposal and has not received voting instructions from you. We believe that your broker or nominee only has discretionary voting power with respect to the proposal regarding the ratification of the appointment of the independent registered public accounting firm. You may not vote shares held in street name at the annual meeting unless you obtain a legal proxy from that organization holding your account.

If you appropriately mark, sign and return the enclosed proxy card or voting instruction card, as the case may be, in time to be voted at the annual meeting, or if you vote by telephone or Internet in accordance with the instructions on the proxy card or voting instruction card, as the case may be, the shares represented thereby will be voted in accordance with your instructions. Signed proxies not marked to the contrary will be voted FOR the election of the nominees for our Board of Directors, FOR an advisory (non-binding) vote on the compensation of our named executive officers, and FOR the ratification of the appointment of our independent registered public accounting firm for the year ending December 31, 2016.

*Q. IS MY VOTE CONFIDENTIAL?*

- A. Yes. Only the Judges of Elections, our transfer agent, Computershare, proxy holders and Secretary have access to your proxy. All comments remain confidential unless you ask that your name be disclosed.

*Q. WHO WILL COUNT THE VOTES?*

- A. Kathy I. Bordner, Justin T. Webb and Cortney E. Wilbert will review the tabulations of the votes as provided by Computershare and act as Judges of Elections.

*Q. WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY?*

- A. Your shares are probably registered differently or are in more than one account. Vote all proxies you receive to ensure that all your shares are voted. If you have all of your accounts registered in the same name and address, you should only receive one set of proxy materials in future years. If you are receiving multiple statements and reports and wish to receive only one, please notify your broker if your shares are held in a brokerage account or our transfer agent, Computershare at (800) 368-5948, if you hold registered shares.

*Q. WHAT CONSTITUTES A QUORUM?*

- A. At the close of business on February 16, 2016, 4,226,717 shares of our common stock were outstanding and eligible to vote. A majority of the outstanding shares of common stock, present or represented by proxy, constitutes a quorum for the transaction of business at the meeting. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the annual meeting for purposes of determining the presence of a quorum.

*Q. WHAT PERCENTAGE OF STOCK DO THE DIRECTORS AND OFFICERS OWN?*

- A. Approximately 11.1% of our common stock, as of close of business on February 16, 2016, is owned by the directors and officers. (See page 23 for more details.)

*Q. WHEN ARE THE 2017 SHAREHOLDER PROPOSALS AND DIRECTOR NOMINATIONS DUE?*

- A. As a shareholder, you must submit your shareholder proposal or director nomination in writing by November 28, 2016, to Cindy L. Wetzel, Secretary, Mid Penn Bancorp, Inc., 349 Union Street, Millersburg, Pennsylvania 17061. (See page 26 with regard to shareholder proposal and director nomination procedures.)

*Q. HOW MAY I SUBMIT A QUESTION FOR THE ANNUAL MEETING?*

- A. In order for management to thoroughly answer any questions that you may have about the Corporation or our annual shareholder materials including financial statements, we ask that you submit your questions prior to the Annual Meeting of Shareholders. You may submit questions either by mail, email or telephone by contacting Cindy L. Wetzel, Secretary, Mid Penn Bancorp, Inc., 349 Union Street, Millersburg, Pennsylvania 17061, [cindy.wetzel@midpennbank.com](mailto:cindy.wetzel@midpennbank.com), (717) 692-2133. Questions received in advance of the meeting will be compiled by the Secretary and relayed promptly to management and the Board. Management and the Board will endeavor to address all relevant questions submitted at the Annual Meeting of Shareholders.

**PROXY STATEMENT**

**MID PENN BANCORP, INC.**

**MAY 3, 2016**

**GENERAL INFORMATION**

*Date, Time and Place of Annual Meeting*

Mid Penn Bancorp, Inc. (the Corporation), a Pennsylvania business corporation and registered bank holding company, furnishes this proxy statement in connection with the solicitation by the Corporation's Board of Directors (the Board) of proxies to be voted at the 2016 Annual Meeting of Shareholders. The annual meeting will be held at Halifax Area Ambulance and Rescue Association, Inc., 31 Bunker Hill Road, Halifax, Pennsylvania 17032, on Tuesday, May 3, 2016, at 10:00 a.m., local time. The Corporation's principal executive office is located at 349 Union Street, Millersburg, Pennsylvania 17061; the telephone number is (717) 692-2133. All inquiries regarding the annual meeting should be directed to Rory G. Ritrievi, President and Chief Executive Officer of the Corporation.

*Reduce Duplicate Mailings*

In accordance with Securities Exchange Act Rule 14a-3(e)(1), the Corporation, in the future intends to deliver only one annual report and proxy statement to multiple shareholders sharing an address unless the Corporation receives contrary instructions from one or more of the shareholders. This method of delivery is known as householding. Upon written or oral request, the Corporation will promptly deliver a separate copy of the annual report or proxy statement, as applicable, to a shareholder at a shared address to which a single copy of the documents was delivered. Further, shareholders should notify Cindy L. Wetzel at Mid Penn Bancorp, Inc., 349 Union Street, Millersburg, Pennsylvania 17061 or call (717) 692-2133 and inform us that the shareholder wishes to receive a separate copy of an annual report or proxy statement in the future. If you are receiving multiple statements and reports and wish to receive only one, please notify your broker if your shares are held in a brokerage account or the Corporation's transfer agent, Computershare, at (800) 368-5948, if you hold registered shares.

**VOTING PROCEDURES**

*Solicitation and Voting of Proxies*

The Board solicits this proxy for use at the Corporation's 2016 Annual Meeting of Shareholders. The Corporation's directors, officers and Bank employees may solicit proxies in person or by telephone, facsimile, email or other similar means without additional compensation. The Corporation will pay the cost of preparing, assembling, printing, mailing and soliciting proxies and any additional material that the Corporation sends to its shareholders. The Corporation will make arrangements with brokerage firms and other custodians, nominees and fiduciaries to forward proxy solicitation materials to the beneficial owners of stock held by these entities. The Corporation will, upon request, reimburse these third parties for their reasonable expenses in forwarding solicitation material to the beneficial owners of stock.

Only shareholders of record as of the close of business on February 16, 2016, may vote at the annual meeting. The Corporation's records show that, as of the voting record date, 4,226,717 shares of common stock were outstanding and eligible to vote. On all matters to come before the annual meeting, shareholders may cast one vote for each share held. Cumulative voting rights do not exist with respect to the election of directors. See *Principal Shareholders* on page 23 for a list of the persons known by the Corporation to be beneficial owners of 5% or more of the Corporation's common

stock.

If your shares are registered directly in your name with the Corporation's transfer agent, Computershare, you are considered, with respect to those shares, the shareholder of record, and these proxy materials are being sent directly to you by the Corporation. As the shareholder of record, you have the right to grant your voting proxy directly to the proxy holders or to vote in person at the meeting. The Corporation has enclosed a proxy for your use or you may vote online via the Internet or by telephone.

If your shares are held in an account at a bank, brokerage firm, broker-dealer or other similar organization, then you are a beneficial owner of shares held in street name. In that case, you will have received these proxy materials from that organization holding your account and, as a beneficial owner, you have the right to instruct your broker, bank, trustee, or nominee how to vote the shares held in your account. If no voting instructions are given, your broker or nominee has discretionary authority to vote your shares on your behalf on routine matters. A broker non-vote results on a matter when your broker or nominee returns a proxy but does not vote on a particular proposal because it does not have discretionary authority to vote on that proposal and has not received voting instructions from you. We believe that your broker or nominee only has discretionary voting power with respect to the proposal regarding the ratification of the appointment of the independent registered public accounting firm. You may not vote shares held in street name at the annual meeting unless you obtain a legal proxy from that organization holding your account.

If you appropriately mark, sign and return the enclosed proxy card or voting instruction card, as the case may be, in time to be voted at the annual meeting, or if you vote by telephone or Internet in accordance with the instructions on the proxy card or voting instruction card, as the case may be, the shares represented thereby will be voted in accordance with your instructions. Signed proxies not marked to the contrary will be voted **FOR** the election of each of Robert A. Abel, Matthew G. DeSoto, Theodore W. Mowery and William A. Specht, III as Class C directors for three-year terms expiring in 2019, **FOR** the non-binding proposal on executive compensation and **FOR** the ratification of BDO USA, LLP as the Corporation's independent registered public accounting firm for 2016.

#### *Quorum and Vote Required For Approval*

In order to hold the annual meeting, a quorum of shareholders must be present. Under Pennsylvania law and the Corporation's By-laws, the presence, in person or by proxy, of the holders of a majority of the shares entitled to vote is necessary to constitute a quorum for the transaction of business at the meeting. Broker non-votes and abstentions will be counted for the purpose of determining whether a quorum is present, but broker non-votes will not be included for determining whether shareholder approval of a matter has been obtained.

If a quorum is present, the four candidates for director receiving the highest number of votes cast, even if less than a majority, by shareholders will be elected. Consequently, any shares not voted (whether by abstention, broker non-vote or otherwise) will not be included in determining which nominees received the highest number of votes. A properly executed proxy that withholds authority with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

If a quorum is present, approval of the non-binding proposal on executive compensation and ratification of the appointment of BDO USA, LLP as the Corporation's independent registered public accounting firm for 2016 will require the affirmative vote of the holders of at least a majority of the votes cast at the annual meeting. Under Pennsylvania law, abstentions are not considered votes cast and, accordingly, will not affect the outcome of the voting on the non-binding proposal on executive compensation and ratification of the appointment of BDO USA, LLP.

#### *Revocability of Proxy*

Shareholders of record who sign proxies may revoke them at any time before they are voted by:

delivering a written notice of revocation to Cindy L. Wetzel, Secretary of Mid Penn Bancorp, Inc., at 349 Union Street, Millersburg, Pennsylvania 17061, before the vote is taken at the annual meeting;

Edgar Filing: MID PENN BANCORP INC - Form DEF 14A

voting online via the Internet, by telephone, or delivering a duly executed proxy bearing a later date to the Secretary of the Corporation, before the vote is taken at the annual meeting; or

voting in person after giving written notice to the Secretary of the Corporation. (Your attendance at the annual meeting, in and of itself, will not revoke the proxy.)

*You have the right to vote and, if desired, to revoke your proxy any time before the vote is taken at the annual meeting. Should you have any questions, please call Cindy L. Wetzel at (717) 692-2133.*

Shareholders may submit questions either by mail, email or telephone by contacting

Cindy L. Wetzel, Secretary, Mid Penn Bancorp, Inc., 349 Union Street, Millersburg, Pennsylvania 17061, cindy.wetzel@midpennbank.com, (717) 692-2133. Management and the Board will endeavor to address all relevant questions submitted at the Annual Meeting of Shareholders.

### **GOVERNANCE OF THE CORPORATION**

#### *Governance*

The Board believes that the purpose of corporate governance is to ensure that it maximizes shareholder value in a manner consistent with legal requirements and the highest standards of integrity. The Board has adopted and adheres to corporate governance practices, which the Board and senior management believe promote this purpose, are sound and represent best practices. These governance practices, Pennsylvania law (the state of incorporation), the rules and listing standards of The NASDAQ Stock Market LLC ( NASDAQ ) and the Securities and Exchange Commission (the SEC ) regulations, as well as best practices suggested by recognized governance authorities are continually reviewed.

Currently, the Board has thirteen members. Under the NASDAQ standards for independence, the following directors meet the standards for independence: Robert A. Abel, Steven T. Boyer, Matthew G. DeSoto, Robert C. Grubic, Gregory M. Kerwin, Robert E. Klinger, Vincent J. Land, Robert J. Moisey, Theodore W. Mowery, John E. Noone, Noble C. Quandel, Jr. and William A. Specht, III. This constitutes more than a majority of the Board. Only independent directors serve on the Audit, Compensation and Nominating and Corporate Governance Committees.

In determining the directors' independence, the Board considered loan transactions between the Bank and the directors, their family members and businesses with whom they are associated, as well as any contributions made to non-profit organizations with whom they are associated.

The table below includes a description of other categories or types of transactions, relationships or arrangements considered by the Board (in addition to those listed above) in reaching its determination that the directors are independent.

<b>Name</b>	<b>Independent</b>	<b>Other Transactions/Relationships/Arrangements</b>
Mr. Abel	Yes	None
Mr. Boyer	Yes	None
Mr. DeSoto	Yes	None
Mr. Grubic	Yes	Leasehold arrangements/Engineering consultant fees
Mr. Kerwin	Yes	Legal services
Mr. Klinger	Yes	Supplies/Sponsorship
Mr. Land	Yes	None
Mr. Moisey	Yes	None
Mr. Mowery	Yes	Insurance commissions
Mr. Noone	Yes	Leasehold arrangements
Mr. Quandel	Yes	Leasehold arrangements
Mr. Specht	Yes	None

In each case, the Board determined that none of the transactions above impaired the independence of the director. For more information, please refer to *Certain Relationships and Related Transactions* on page 22.

During the year ended December 31, 2015, the Corporation's and Bank's Boards of Directors each held fourteen meetings. In addition, the Corporation's independent Board members held one independent Board Meeting during 2015.

#### *Board Leadership Structure*

The Board is led by a non-executive Chairman selected by the Board from time to time. The Chairman of the Board organizes Board activities to enable the Board to effectively provide guidance to and oversight and accountability of management. To fulfill that role, the Chairman, among other things: creates and maintains an effective working relationship with the Chief Executive Officer and other members of management and with other members of the Board; provides the Chief Executive Officer ongoing direction as to Board needs, interests and opinions; and assures that the Board agenda is appropriately directed to the matters of greatest importance to the Corporation. In carrying out his responsibilities, the Chairman preserves the distinction between management and oversight, maintaining the responsibility of management to develop corporate strategy and the responsibility of the Board to review and express its views on corporate strategy. The functions of the Chairman include:

presiding over all meetings of the Board and shareholders, including regular executive sessions of non-management directors of the Board;

establishing the annual agenda of the Board and the agendas of each meeting in consultation with the Chief Executive Officer;

advising committee chairs, in consultation with the Chief Executive Officer, on meeting schedules, agenda and information needs for the committees of the Board;

defining the subject matter, quality, quantity and timeliness of the flow of information between management and the Board and overseeing the distribution of that information;

coordinating periodic review of management's strategic plan for the Corporation;

leading the Board review of the succession plan for the Chief Executive Officer and other key members of senior management;

serving as Acting Chief Executive Officer in concert with the Board or appointing an interim CEO until a President/CEO is selected in the event there is a separation with the existing Chief Executive Officer;

coordinating the annual performance review of the Chief Executive Officer and other key members of senior management;

consulting with committee chairs about the retention of advisors and experts;

acting as the principal liaison between the independent directors and the Chief Executive Officer on sensitive issues;

working with the Nominating and Corporate Governance Committee to develop and maintain the agreed-on definitions of the role of the Board and the organization, processes and governance guidelines necessary to carry it out;

after consulting with other members of the Board and the Chief Executive Officer, making recommendations to the Nominating and Corporate Governance Committee as to the membership of various Board committees and committee chairs;

working with management on effective communication with shareholders, including being available for consultation and direct communication upon the reasonable request of major shareholders;

encouraging active participation by each member of the Board; and

performing such other duties and services as the Board may require.

#### *Risk Oversight by Board*

The Board oversees all business, property and affairs of the Corporation. The Chairman and the Corporation's officers keep the members of the Board informed of the Corporation's business through meetings and by providing reports and other materials to Board members.

In addition to the general oversight of Bank business, the Board also reviews a comprehensive quarterly Risk Management Report, prepared by the Bank's Chief Risk Officer, which includes metrics and trends on ten major risk areas, including asset quality, interest rate risk, capital adequacy and liquidity.

#### *Code of Ethics*

The Corporation's and the Bank's Board have adopted a Code of Ethics that applies to its directors, officers and employees. The Code of Ethics encourages individuals to report any conduct that they believe in good faith to be an actual or apparent violation of the Code of Ethics. The Code of Ethics is available under the *Corporate Information* section of the *Investors* page of the Bank's website at [www.midpennbank.com](http://www.midpennbank.com).

#### *Shareholder Communications*

Any shareholder who wishes to communicate with the Board may send correspondence to Rory G. Ritrievi, President and Chief Executive Officer, Mid Penn Bancorp, Inc., at 349 Union Street, Millersburg, Pennsylvania 17061. Written communications received from shareholders are shared with the full Board or appropriate committee as warranted. The Board has a complaint procedure for communicating accounting, internal accounting controls and auditing matters. Complaints generated are directed to a separate mailing address, which is under the control of the

Chairman of the Audit Committee. Please refer to the *Corporate Information* section of the *Investors* page of Mid Penn's website at [www.midpennbank.com](http://www.midpennbank.com) for complete details.

A shareholder who intends to nominate an individual for election to the Board (other than a candidate proposed by the Board) must notify the Secretary of the Corporation in compliance with the requirements of Article 10, Section 10.1 of the Corporation's By-laws. Any shareholder who intends to nominate a candidate for election to the Board must notify the Secretary of the Corporation in writing not less than the earlier of (1) 120 days prior to the anniversary date of the initial proxy materials or of a notice of the meeting by the Corporation in connection with the immediately preceding Annual Meeting of Shareholders (which would be November 28, 2016 for the 2017 annual meeting), or (2) the deadline for submitting shareholder proposals for inclusion in a proxy statement and form of proxy as calculated under Rule 14a-8(e) promulgated by the SEC (which is also November 28, 2016 for the 2017 annual meeting).

**Meetings  
Held in  
2015**

(1) Retiring from the Board at the 2016 annual meeting.

Each of the directors attended at least 75% of the total number of Board meetings and committee meetings for the Corporation and the Bank during their tenure on the Board in 2015.

The function of each of the Corporation's committees is described below.

**NOMINATING AND CORPORATE GOVERNANCE.** This committee identifies individuals qualified to become members of the Board. It also evaluates and recommends to the Board, nominees for each election of directors. This committee monitors and makes recommendations to the Board on other matters of policies and practices relating to corporate governance. All members of the Nominating and Corporate Governance Committee are independent (as independence is currently defined by NASDAQ listing standards). Robert C. Grubic serves as Chairman of this committee.

The Nominating and Corporate Governance Committee has a charter which is available under the *Corporate Information* section of the *Investors* page of the Bank's website at [www.midpennbank.com](http://www.midpennbank.com). Candidates for director must be qualified in terms of education, professional experience, business contacts and special skills. Other less tangible, but equally important qualifications include general representation from the markets served, enthusiasm, maturity, reputation, compatibility with other members of the Board, diplomacy and independent judgment. In addition, candidates should have a vested interest in the Corporation through ownership of Corporation stock. Board candidates, upon their appointment, are required to own 500 shares with the understanding that they accumulate a minimum of 2,500 shares in total by the end of their second year on the Board. The Board recognizes that its members have various abilities to acquire shares beyond the minimum threshold depending on their personal circumstances and may, in special

circumstances, extend the two-year period for accumulating 2,500 shares to a longer period of time as determined by the Board. Members of the Board are encouraged to continue to accumulate shares over time to the extent possible considering their personal circumstances.

The Nominating and Corporate Governance Committee does not have a formal policy with respect to the diversity of the Corporation's Board members. However, the committee believes it is essential that Board members represent diverse view points and experiences. In considering candidates for the Board, the committee considers the entirety of each candidate's credentials in the contexts of these standards.

When developing a list of potential nominees, the Nominating and Corporate Governance Committee may take into consideration names provided by shareholders, directors or executive management. Information is gathered concerning the potential Board member's location of business and residence, shares owned, profession or business, and deposit and loan relationship with the Bank. Personal information about the individual is also gathered to determine if he/she meets the criteria listed in the Nominating and Corporate Governance Committee Policy and Charter. The Nominating and Corporate Governance Committee screens this information to narrow its search of final candidates to be interviewed. Upon completion of the interviews, the Nominating and Corporate Governance Committee makes a final recommendation to the full Board for appointment. All potential candidates are screened by the same process regardless of whether they are recommended by a shareholder or by another party.

**EXECUTIVE.** This committee may exercise the authority of the Board in the intervals between the meetings of the Board so far as may be permitted by law. Robert C. Grubic serves as Chairman of this committee.

**AUDIT.** This committee oversees audit coverage, selects the independent registered public accounting firm, reviews the annual and quarterly financial statements of the Corporation and auditor's reports, and monitors with management and the auditor the system of internal controls and its accounting and reporting practices. All members of the Audit Committee are non-employee directors and are independent (as independence is currently defined by NASDAQ listing standards). The Audit Committee has a charter which is available under the *Corporate Information* section of the *Investors* page of the Bank's website at [www.midpennbank.com](http://www.midpennbank.com). Matthew G. DeSoto serves as Chairman of this committee, and Robert A. Abel and John E. Noone serve as the Audit Committee Financial Experts.

**COMPENSATION.** This committee assures that senior executives are compensated effectively in a manner consistent with the Bank's compensation strategy, internal equity considerations, competitive practice and the requirements of the appropriate regulatory bodies. This committee also reviews salary adjustments, compensation and benefits programs for all employees and makes recommendations to the Board. All members of the Compensation Committee are independent (as independence is currently defined by NASDAQ listing standards). The Compensation Committee has a charter which is available under the *Corporate Information* section of the *Investors* page of the Bank's website at [www.midpennbank.com](http://www.midpennbank.com). Theodore W. Mowery serves as Chairman of this committee.

#### **PROPOSAL NO. 1: ELECTION OF DIRECTORS**

##### *Qualifications and Nomination of Directors*

The Corporation's By-laws authorize the number of directors to be not less than five (5) nor more than twenty-five (25). The By-laws also provide for three classes of directors with staggered three-year terms of office. Terms of the members of each Class expire at successive annual meetings. Currently, Class A consists of four directors; Class B consists of four directors; and Class C consists of five directors. At the 2016 Annual Meeting, Mr. Land will retire as a Class C director.

The Board nominated the four persons named below to serve as directors until the 2019 Annual Meeting of Shareholders and until their successors are duly elected and qualified or until their earlier death, resignation, retirement or removal from office. The nominees are presently members of the Board and have consented to serve another term as a director if re-elected. If the nominees should be unavailable to serve for any reason, a majority of the

Board then in office may select someone to fill the vacancy until the expiration of the term of the Class of directors to which he or she is appointed.

The proxy holders intend to vote proxies for the election of each of the four nominees named below, unless you indicate that your vote should be withheld from any or all of them. Brokers holding shares beneficially owned by their clients do not have the ability to cast votes with respect to the election of directors unless they have received instructions from the beneficial owner of the shares. **It is therefore important that you provide instructions to your broker if your shares are held by a broker so that your vote with respect to directors is counted.**

Participating directors may elect to receive either a lump sum or equal monthly installments in an amount equal to his deferral account (plus interest) upon retirement, early termination, disability, change in control or a hardship. If a director dies before distribution of his deferral account commences, his designated beneficiary is entitled to

receive the amounts in his deferral account or the projected account balance at the time the Bank adopted the deferred fee plan (limited by the amount of net coverage purchased by the Bank), whichever is greater. For 2015, Messrs. Abel, Grubic, Klinger, Mowery and Noone each deferred \$15,000, and Mr. Specht deferred \$5,000.

In May 1995, the Bank adopted the Mid Penn Bank Director Retirement Plan, which we refer to as the Director Retirement Plan. Under the Director Retirement Plan, Bank directors who terminate their service on the Board other than for cause with at least five years of service are eligible to receive a retirement benefit. The five-year service requirement is waived if a director's service is terminated for disability or within 90 days of a change in control. The annual benefit is determined by multiplying the base retirement amount for the director's position (\$611.86 for the Chairman, \$305.93 for all other directors, which reflect the inflationary adjusted rates for 2015) by the number of full years the member served. The plan contains an annual inflationary adjustment provision. Benefits are paid in cash on a quarterly basis and continue for 60 quarterly payments or the director's death, if earlier.

The following table summarizes the total compensation that non-employee directors earned for service as directors of the Corporation and the Bank for the year ended December 31, 2015.

### **COMPENSATION DISCUSSION AND ANALYSIS**

#### *Introduction*

Our Compensation Discussion and Analysis describes the key elements of our compensation program for the following named executive officers:

Rory G. Ritrievi, President and Chief Executive Officer of the Corporation and Bank

Edward P. Williams, Interim Principal Financial Officer of the Corporation and Senior Vice President and Chief Financial Officer of the Bank

Scott W. Micklewright, Executive Vice President and Chief Lending Officer of the Bank

Justin T. Webb, Executive Vice President and Chief Risk Officer of the Bank

Kelly K. Neiderer, Executive Vice President and Chief Retail Officer of the Bank

The Board has delegated the task of administering the Bank's compensation program to the Compensation Committee, the primary responsibility of which is to assure that the executive officers of the Corporation and its subsidiaries are compensated effectively in a manner consistent with the stated compensation strategy of the Corporation and the Bank, competitive practice and the requirements of the appropriate regulatory bodies.

#### *Compensation Objectives and Design*

The Corporation and Bank seek to serve its shareholders and customers. To better accomplish this, our compensation objectives include offering a fair and competitive compensation package to attract and maintain competent, dedicated and ambitious managers whose efforts will enhance the products and services of the Corporation and the Bank, resulting in higher profitability, increased dividends to the Corporation's shareholders and appreciation in market value of the Corporation's common stock.

The main elements of compensation for 2015 for the named executive officers were base salary, bonus, restricted stock awards and retirement and insurance benefits. To provide additional incentive for its named executive officers to meet performance targets or to remain in the employ of the Corporation, in 2014, the Corporation adopted, and the shareholders approved a restricted stock plan. Such plan is consistent with the Corporation's compensation objectives to attract and retain competent individuals.

#### *Management's Role in Determining Compensation*

The Compensation Committee considers the views and recommendations of the Chief Executive Officer in making compensation decisions affecting executive officers who report to him. The Chief Executive Officer's role in recommending compensation and compensation programs is to develop and recommend appropriate performance measures and targets for each individual, to report on the respective individual's performance, to provide data and background material to enable the Compensation Committee to assess the labor market and to make specific recommendations on each named executive officers' respective salary. The Chief Executive Officer does not recommend his own salary and is not present during the Compensation Committee's or Board's discussions or decisions regarding his specific compensation.

#### *Compensation Consultant's Role in Determining Compensation*

In 2015, the Compensation Committee did not hire a compensation consultant to specifically assist in determining the named executive officers' compensation. The Compensation Committee was provided data in the form of salary ranges excerpted from the L.R. Webber Salary/Benefits Survey for Financial Institutions for its review of the Chief Executive Officer's recommendations for base salary for the named executive officers who report to him and in determining if the Compensation Committee's recommendation of base salary for the Chief Executive Officer was appropriate.

#### *Results of Shareholder Say on Pay Vote in Determining Compensation*

The Compensation Committee reviewed the shareholder response to the Say on Pay Vote in the Proxy Statement dated April 2, 2015. Since the Annual Meeting of Shareholders held in 2015 occurred after the increase in base salary was awarded in 2015, the Compensation Committee did not have the opportunity to consider the shareholders' overwhelming approval of executive compensation as described in the Compensation Discussion and Analysis and the tabular disclosure when reviewing whether to significantly change the Corporation's compensation policies and practices.

The Compensation Committee did consider the overwhelming approval of executive compensation as described in the Compensation Discussion and Analysis and the tabular disclosure from the Annual Meeting of Shareholders held in 2014, and considering that the compensation and compensation programs did not change significantly, the

Compensation Committee continued with its current approach of compensating executives in 2015. The Compensation Committee will consider the results of the meeting held in 2015 in awarding compensation in 2016.

### *Components of Compensation*

#### *Base Salary*

Base salary levels are set to attract and retain executives who can further the Corporation's and Bank's strategic objectives. Base salary is the most significant component of the named executive officers' compensation, and the Compensation Committee reviews it every year to determine whether the salary for each respective named executive officer is at the appropriate level. As mentioned above, the Chief Executive Officer reviews each named executive officer's performance, other than his own, in making specific salary recommendations to the Compensation Committee. The Compensation Committee reviews the Chief Executive Officer's performance in making a specific salary recommendation to the Board of Directors. The Chief Executive Officer and the Compensation Committee consider the named executive officer's general management performance; policy, procedure, and regulatory compliance; public relations; strategic objectives management; length of service with the Corporation and Bank; and the named executive officer's position in making its determination of the appropriate level of base salary.

#### *Benchmarking*

The Compensation Committee did not benchmark the named executive officers' salary. However, the Bank participated in the 2015 L.R. Webber Salary/Benefits Survey for Financial Institutions, which provides salary levels in ranges for financial institutions in the Bank's asset size and in its geographic region. Data excerpted from the survey was provided to the Compensation Committee in order to educate its members on the current trends in compensation and benefits for financial institutions. The Compensation Committee did not rely directly upon the survey in determining increases in salaries, but used it as background material in judging whether the proposed increases were consistent with industry standards.

#### *Cash Bonus Plan*

The Compensation Committee established an incentive compensation plan pursuant to which our named executive officers are eligible to receive a cash bonus for the achievement of corporate performance goals and individual performance goals. In order to receive a payment under the plan, a participant has to be employed prior to September 30<sup>th</sup> of the previous year and on the date of payout, and both the corporate performance and individual performance goals, which include actions that can only be taken by a named executive officer between January and March of the year of the payout, must be achieved. With respect to the corporate performance goals for bonuses to be paid in 2015, we based incentive award opportunities on an annual company-wide budgeted net income available to common shareholders target of \$4.79 million for the year ended December 31, 2014. No specific bonus amount was set at that time, but the maximum amount payable under this plan for bonuses to be paid in 2015 was capped at \$250,000. The Compensation Committee believes it set the performance measures for bonuses to be paid in 2015 such that the performance goals were aggressive and, therefore, were reasonably difficult to attain. Based upon publicly reported results for the year ended December 31, 2014, we achieved net income available to common shareholders of \$5.35 million, after taking into account an accrual for the maximum payout under this plan.

Previously, no bonuses had been awarded or paid to the named executive officers since they have been named executive officers. The bonus payouts ranged between 8.6% and 3.5% of such executive's base salary amounts and are more closely tied to both company and individual performance. In 2015, we granted a \$30,000 cash bonus to Mr. Ritrievi, a \$13,000 cash bonus to each of Messrs. Micklewright and Webb and Ms. Neiderer; and a \$4,000 cash bonus to Mr. Williams.

#### *2014 Restricted Stock Plan*

On May 6, 2014, the shareholders approved the Mid Penn Bancorp, Inc. 2014 Restricted Stock Plan. Restricted stock is common stock granted to an employee or director that does not vest until specific conditions are met. Typical conditions include performance goals for the individual or the Corporation or the individual being required to remain employed with the Corporation or Bank for a specific number of years. Once the conditions are met, then the stock vests and the employee obtains the shares without restrictions. The Board believes that restricted stock awards can serve as an important element in attracting and retaining employees and directors who the Board expects to contribute to the Corporation's growth and success. By compensating employees and directors with shares of Corporation stock, the

employees and directors have additional incentive to ensure that the Corporation is successful. Based on the recommendations of the Compensation Committee, the Board determines to whom specifically it grants restricted stock. The number of shares of common stock which may be issued under the Restricted Stock Plan may not exceed 100,000 shares. The Compensation Committee may suspend or terminate the Restricted Stock Plan at any time and may amend the Restricted Stock Plan at any time provided that no such amendment shall be made without shareholder approval to the extent that such approval is required by law, agreement or the rules of any exchange upon which the shares of common stock are listed, and further provided that no such amendment, suspension or termination shall impair the rights of participants in respect of then outstanding awards awarded under the Restricted Stock Plan without the consent of the participants affected thereby.

#### *Benefit Plans Available for All Employees*

Benefit plans are not tied to Bank or individual performance. The cost of providing such plans to all eligible employees and executive officers is not taken into account when determining specific salaries of the named executive officers and is seen as a cost of doing business.

#### *Group Insurance Plans*

The named executive officers participate in benefit plans that are generally available to all employees. These plans include group life insurance, group disability, health insurance and dental and vision benefits. Such plans are standard in the industry and in the geographic area for all industries, as well as necessary to compete for talented employees at all levels of the Bank. Under the group long-term disability plan, Mr. Ritrievi is unable to get the same percentage of coverage as other employees due to the maximum benefit provided for in the plan. In order to afford Mr. Ritrievi the same long-term disability coverage as other employees, an individual policy was purchased with the premium (and Mr. Ritrievi's associated income tax liability) reimbursed by the Bank.

#### *Retirement Plan*

In an effort to encourage its employees, including the named executive officers, to save for retirement, the Bank has established a tax-qualified 401(k) retirement plan for employees. The Bank believes that it is important to assist employees in saving for retirement and believes that by providing a mechanism to save for retirement, the Bank is providing the named executive officers with incentive to continue in the employ of the Bank.

#### *Employee Stock Purchase Plan*

In 2010, the Board of Directors approved an Employee Stock Purchase Plan (the Plan) effective January 1, 2011, to provide eligible employees of the Corporation or the Bank, including the named executive officers, with an opportunity to purchase shares of common stock of the Corporation at fair market value through payroll deductions. The Plan provides participants with a convenient method to acquire an interest in the long-term performance and success of the Corporation, thereby providing them an incentive to ensure the success of the Corporation.

#### *Company Vehicle*

The President/Chief Executive Officer, the Executive Vice President/Chief Lending Officer, and the Executive Vice President/Chief Risk Officer are provided a company vehicle. Provision of a company vehicle or for a car allowance is standard in the financial services industry as named executive officers frequently meet clients and business associates offsite.

#### *Accounting and Tax Treatments*

There were no decisions or changes made to compensation or benefit plans as a result of accounting and/or tax treatments.

*Material Differences in Named Executive Officers Compensation*

The differential between salary levels for each of the named executives is primarily driven by their respective positions with consideration also given to the experience and time in their respective positions.

*Employment Agreements*

There are no employment agreements with the named executive officers at this time. The Compensation Committee will consider whether such agreements are in the best interest of the Corporation and Bank in the future.

*Risk Analysis of Compensation Practices and Policies*

The Bank reviewed its compensation policies and practices for all employees and determined that they do not create risks that are reasonably likely to have a material adverse effect on the Corporation or Bank.

**COMPENSATION COMMITTEE REPORT**

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management, and based on the review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in the Corporation's proxy statement.

**COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION**

The Corporation has no Compensation Committee interlocks. Messrs. Mowery, Abel, Boyer, DeSoto, Quandel and Specht constitute all of the directors who served on the Compensation Committee at any time during 2015. Each of them is an independent outside director. None of them is a current or former officer or employee of the Corporation. During 2015, the Bank engaged in customary banking transactions and had outstanding loans to certain of its directors, executive officers, members of the immediate families of certain directors and executive officers and their associates. These loans were made in the ordinary course of business and were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with persons not related to the lender. In the opinion of management, these loans do not involve more than normal risk of collectability or present other unfavorable features. Rory G. Ritrievi, President and Chief Executive Officer of the Corporation, attended Compensation Committee meetings only when and to the extent requested by the Committee. Mr. Ritrievi did not participate in determining his own compensation.

**EXECUTIVE COMPENSATION**

The following discussion provides details of the various components of executive compensation.

*Summary Compensation Table*

We calculated these amounts using the provisions of ASC Topic 718. Amounts represent the full grant date fair value of the restricted stock awards granted on August 27, 2014 and July 24, 2015. Generally, the shares of restricted stock granted vest 25% on each anniversary of the date of grant (each, a vesting tranche ), but only if such named executive officer (i) remains continuously employed through the applicable anniversary date and (ii) during each vesting tranche, purchases and holds an equal number of shares. We include the assumptions used in the calculation of these amounts in the footnotes to our audited financial statements included in this Annual Report on Form 10-K for the fiscal years ended December 31, 2014 and 2015.

#### *Retirement Plans*

The Corporation does not maintain a defined benefit pension plan for its employees. Mr. Ritrievi, however, participates in the Director Retirement Plan in connection with his service on our Board. We describe the Director Retirement Plan under the caption Compensation of the Board.

The Bank also maintains the Mid Penn Bank Retirement Plan, created in 1949, restated in 1994, and last amended in 2014, which is a defined contribution plan and covers all Bank employees who meet eligibility requirements. The Board of Directors instituted a 401(k) provision as part of the Retirement Plan effective January 1, 2007, for all Bank employees who satisfy eligibility requirements. Eligible employees are entitled to receive a share of the Bank's profit sharing contribution to the plan for a year if they are Bank employees on December 31<sup>st</sup> of the year. For the plan year 2015, the Board approved a safe harbor matching contribution rate of 100% on the first 3% of the employee deferral contributions plus 50% on the next 2% of the employee deferral contributions, up to a maximum Bank contribution of 4%. The Board may adjust its matching rate on an annual basis at its discretion.

The annual contribution to the Retirement Plan is determined by the Bank's Board of Directors based on the recommendation of the Compensation Committee. Distribution under the plan can be made to participating employees upon retirement, either normal or early retirement as defined in the plan, at death or disability of the participating employee or upon severing employment if either partially or fully vested. The plan provides for percentage vesting of 20% after the first two years of service increasing annually thereafter to 100% vesting after six full years of service. As of December 31, 2015, each of the named executive officers was 100% vested in their 401(k) plan accounts, except for Mr. Webb and Ms. Neiderer, who were each 40% vested in their accounts.

The following table sets forth information concerning outstanding equity awards held by each named executive officer as of December 31, 2015.

### Outstanding Equity Awards at Fiscal 2015 Year End

Scott W. Micklewright	800	12,880
Justin T. Webb	800	12,880
Kelly K. Neiderer	800	12,880

On August 27, 2014 and on July 24, 2015, we awarded restricted stock to each of our named executive officers under the Restricted Stock Plan, which we describe above under the caption 2014 Restricted Stock Plan. Each named executive officer's shares vest 25% on each anniversary of the date of grant (each, a vesting tranche), but only if the named executive officer (i) remains continuously employed through the applicable anniversary date and (ii) during each vesting tranche, purchases and holds an equal number of shares. In general, a participant will forfeit shares then unvested upon his or her termination of employment for any reason. Upon a participant's death, the participant will vest in unvested shares with respect to the vesting tranche in the year of the participant's death as if the participant remained employed and purchased and held the requisite number of shares for such vesting tranche.

The following table sets forth the number of shares acquired upon the vesting of stock awards by our named executive officers during the fiscal year ended December 31, 2015.

### **POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE OF CONTROL**

As of December 31, 2015, no named executive officer was a party to an employment, change of control, or similar agreement with the Corporation or Bank. Upon a named executive officer's termination of employment or disability on December 31, 2015, such named executive officer would have only been entitled to benefits under the Bank's retirement plan or disability plan, as applicable, which do not discriminate in scope, terms or operation, in favor of the named executive officers and are available generally to all salaried employees.

If Messrs. Ritrievi, Williams, Micklewright, or Webb or Ms. Neiderer had died on December 31, 2015, he or she would have vested in the vesting tranche for the year of his or her death of his or her restricted stock award had he or she remained employed and purchased and held the requisite number of shares. The values of the restricted stock that would have vested upon such death are set forth in the table below:

<b>Name</b>	<b>Value of Shares Vesting Upon Death</b>
Rory G. Ritrievi	\$ 6,038
Edward P. Williams	\$ 2,979
Scott W. Micklewright	\$ 3,623
Justin T. Webb	\$ 3,623
Kelly K. Neiderer	\$ 3,623

In the event of our change of control on December 31, 2015, Messrs. Ritrievi, Williams, Micklewright, and Webb and Ms. Neiderer would have become fully vested in his or her restricted stock award provided he or she was employed by us at the time of the change of control or was terminated after the execution of a written agreement to effectuate our change of control. The values of the restricted stock at December 31, 2015, that would have vested upon a change of control are set forth in the table below:

<b>Name</b>	<b>Value of Shares Vesting Upon Change of Control</b>
Rory G. Ritrievi	\$ 22,138
Edward P. Williams	\$ 10,546
Scott W. Micklewright	\$ 12,880
Justin T. Webb	\$ 12,880
Kelly K. Neiderer	\$ 12,880

### **CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

The Bank is party to a lease agreement with an entity that is an affiliate of Mr. Noone, a member of the Corporation's Board of Directors, in connection with a retail branch property located in Mechanicsburg, Pennsylvania, which has a remaining initial term of 19 years. Following our acquisition of Phoenix Bancorp, Inc., the Bank assumed a lease agreement with the same entity in connection with a retail branch property located in Frackville, Pennsylvania, which has a remaining initial term of 21 years. The aggregate lease payments to such entity, of which Mr. Noone is a 49% limited partner, totaled approximately \$156,000 during 2015. In determining director independence, the Board considered these lease arrangements and concluded they do not impact the independence of Mr. Noone.

Neither the Corporation nor the Bank have entered into any other material transactions, proposed or consummated, with any other director or executive officer of the Corporation or the Bank, or any associate of the foregoing persons. From time to time, the Bank has engaged in and intends to continue to engage in banking and financial transactions in the ordinary course of business with directors and officers and their associates on comparable terms with similar interest rates as those prevailing from time to time for other customers.

Related party transactions greater than \$10,000 must be approved by the Board prior to any commitment by the Bank to any such transaction. Directors do not participate in the discussions and are not present for voting on their own related party transactions. All of the material terms, conditions and purpose of the transaction shall be described in writing and provided to the Board, together with the written request for approval of any such related party transaction. The transaction should be reviewed and approved by the appropriate senior officer before being submitted to the Board for approval. Related party transactions for ongoing or continuing services can be reviewed and pre-approved within reasonable parameters by the Board on an as-needed basis. If the terms, pricing or conditions change so as to go outside the specified parameters cited in the request, the transactions shall be resubmitted for review and approval after the fact.

The Bank has made loans to the Corporation's and the Bank's officers and directors and their immediate families and companies in which they had an ownership interest of 10% or more. Loans to such persons were made in the ordinary course of business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to the lender and did not involve more than the normal risk of collectability or present other unfavorable features.

### **BENEFICIAL OWNERSHIP OF MID PENN BANCORP'S STOCK**

#### **HELD BY PRINCIPAL SHAREHOLDERS AND MANAGEMENT**

##### *Principal Shareholders*

To the best of the Corporation's knowledge, no person or entity owns of record or beneficially, on February 16, 2016, more than 5% of the outstanding shares of the Corporation's common stock.

##### *Share Ownership by the Directors, Officers and Nominees*

The following table shows, as of February 16, 2016, the amount and percentage of the Corporation's common stock beneficially owned by each director, each nominee, each named executive officer and all directors, nominees and executive officers of the Corporation as a group.

Beneficial ownership of shares of the Corporation's common stock is determined in accordance with Rule 13d-3 promulgated by the SEC, which provides that a person should be credited with the ownership of any stock held, directly or indirectly, through any contract, arrangement, understanding, relationship, or otherwise has or shares:

voting power, which includes the power to vote or to direct the voting of the stock; or

investment power, which includes the power to dispose or direct the disposition of the stock; or

the right to acquire beneficial ownership within 60 days after February 16, 2016.

Unless otherwise indicated in a footnote appearing below the table, all shares reported in the following table are owned directly by the reporting person. The number of shares owned by the directors, nominees and executive officers is rounded to the nearest whole share.

**PROPOSAL NO. 2: NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION**

In accordance with the requirements of Section 14A of the Securities Exchange Act of 1934, as amended (the Exchange Act ) (which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act (the Dodd-Frank Act )) and the related rules of the SEC, we are including in these proxy materials a separate resolution subject to shareholder vote to approve, in a non-binding vote, the compensation of our named executive officers.

The shareholders approved a proposal at the Corporation's 2013 Annual Meeting of Shareholders to conduct an annual advisory vote on the Corporation's executive compensation for the named executive officers. The next shareholder advisory vote on the frequency by which shareholders will vote on executive compensation will take place at the 2019 Annual Meeting of Shareholders.

As described in detail in this proxy statement, our executive compensation programs are designed to attract, motivate, reward and retain our named executive officers, who are critical to our success. We are asking our shareholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal, commonly known as a "say on pay" proposal, gives our shareholders the opportunity to express their views on our named executive officer compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we ask our shareholders to vote "FOR" the following resolution at the Annual Meeting of Shareholders:

Resolved, that the shareholders hereby approve the executive compensation, as described in the Compensation Discussion and Analysis and the tabular disclosure (together with the accompanying narrative disclosure), regarding named executive officers in this proxy statement.

Because your vote is advisory, it will not be binding upon the Board. However, the Compensation Committee will take into consideration the outcome of the vote when considering future executive compensation arrangements.

**THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR APPROVAL OF THE EXECUTIVE COMPENSATION, AS DESCRIBED IN THE COMPENSATION DISCUSSION AND ANALYSIS AND THE TABULAR DISCLOSURE REGARDING NAMED EXECUTIVE OFFICERS (TOGETHER WITH THE ACCOMPANYING NARRATIVE DISCLOSURE) IN THIS PROXY STATEMENT.**

**PROPOSAL NO. 3: RATIFICATION OF THE APPOINTMENT OF BDO USA, LLP AS THE CORPORATION'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2016**

The Audit Committee of the Board has appointed BDO USA, LLP as its independent registered public accounting firm for the year ending December 31, 2016. Services provided to the Corporation and the Bank by BDO USA, LLP in 2015 and 2014 are described under the "Audit Committee Report," above.

The Corporation is asking its shareholders to ratify the selection of BDO USA, LLP as its independent registered public accounting firm. Although this ratification is not required by the Corporation's By-laws or otherwise, the Board is submitting the selection to its shareholders for ratification as a matter of good corporate practice.

Representatives of BDO USA, LLP will be present at the annual meeting to respond to appropriate questions and to make such statements as they may desire.

**THE BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR RATIFICATION OF THE APPOINTMENT OF BDO USA, LLP AS THE CORPORATION'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2016.**

No determination has been made as to what action the Audit Committee would take if shareholders do not ratify the appointment. In the event that shareholders do not ratify the appointment of BDO USA, LLP, the Audit Committee would take a number of factors into account in determining its course of action, including its evaluation of the services provided by BDO USA, LLP and the remaining term of the Corporation's engagement of BDO USA, LLP. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public

accounting firm at any time during the year if it determines that such a change would be in the best interests of the Corporation.

**SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934 requires that officers and directors, and persons who own more than 10% of a registered class of the Corporation's equity securities, file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than 10% shareholders are required by SEC regulation to furnish the Corporation with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of these forms, or written representations from certain reporting persons, the Corporation believes that, during the period from January 1, 2015 through December 31, 2015, its officers and directors complied with all applicable filing requirements.

**SHAREHOLDER PROPOSALS OR NOMINATIONS**

Any shareholder who desires to submit a proposal for inclusion in the proxy materials relating to our 2017 Annual Meeting of Shareholders in accordance with the rules of the SEC must submit such proposal in writing, addressed to the Corporation at 349 Union Street, Millersburg, Pennsylvania 17061, Attn: Cindy Wetzel, Secretary, no later than November 28, 2016.

In accordance with the Corporation's By-laws, a shareholder who desires to propose a matter for consideration at an annual meeting of shareholders, even if the proposal is not submitted by the deadline for inclusion in the Corporation's proxy materials, must comply with the procedures specified in the Corporation's By-laws, including providing notice thereof in writing, delivered or mailed by first-class United States mail, postage prepaid, to the Corporation's Secretary, no later than 120 days prior to the anniversary date of the initial proxy materials or of a notice of the meeting by the Corporation in connection with the immediately preceding Annual Meeting of Shareholders. For the 2017 Annual Meeting of Shareholders, this period will end on November 28, 2016.

In accordance with the Corporation's By-laws, a shareholder who desires to nominate candidates for election to the Board must comply with the proceeding specified in the By-laws, including providing proper notice of the nomination in writing, delivered or mailed by first-class United States mail, postage prepaid, to the Corporation's Secretary no later than the earlier of (i) 120 days prior to the anniversary date of the initial proxy materials or of a notice of the meeting by the Corporation in connection with the immediately preceding Annual Meeting of Shareholders or (ii) the deadline for submitting a proposal for inclusion in the Corporation's proxy materials in accordance with the rules of the SEC. For the 2017 Annual Meeting of Shareholders, this period will end on November 28, 2016. See page 5 for more information about nominations to the Board.

**OTHER MATTERS THAT MAY COME BEFORE THE ANNUAL MEETING**

The Board knows of no matters other than those discussed in this proxy statement or referred to in the accompanying Notice of Annual Meeting of Shareholders that properly may come before the annual meeting. However, if any other matter should be properly presented for consideration and voting at the annual meeting or any adjournments of the meeting, if the shareholder does not also comply with the requirements of Rule 14a-4(c)(2) under the Exchange Act, proxy holders may exercise discretionary voting authority under proxies that the Corporation solicits to vote in accordance with their best judgment on any such shareholder proposal or nomination.
