On May 27, 2016, The Madison Square Garden Company (the Company) entered into a Rule 10b5-1 stock repurchase plan (the Plan). The Plan was adopted to permit the Company to effect additional stock repurchases under its existing \$525 million stock repurchase authorization, including during periods when the Company might otherwise be prevented from making open market purchases.

The plan is part of the Company s previously articulated capital allocation strategy to both invest in new businesses and return capital to shareholders. On May 25, 2016, the Company announced an agreement with Sands Las Vegas to construct in Las Vegas a venue devoted to music and entertainment. The Company is continuing to pursue other investment and acquisition opportunities, including in adjacencies that strengthen the Company s position in delivering live experiences.

Purchases under the Plan will be made through a broker in accordance with the instructions and limitations set forth in the Plan. The volume and timing of repurchases will depend on market conditions. The Plan will terminate on September 30, 2016 (unless terminated earlier in accordance with its terms).
