SCHEDULE TO

This Amendment No. 1 (Amendment No. 1) amends and supplements the Tender Offer Statement on Schedule TO originally filed with the United States Securities and Exchange Commission (the SEC) by Chesapeake Energy Corporation, an Oklahoma corporation (the Company), on August 15, 2016 (the Original Schedule TO), in connection with the Company's offers to purchase (the Tender Offers) for cash, upon the terms and subject to the conditions set forth in the Offer to Purchase dated August 15, 2016 (as it may be amended or supplemented from time to time, the Offer to Purchase) and the related Letter of Transmittal (as it may be amended or supplemented from time to time, the Letter of Transmittal), the Company's 2.5% Contingent Convertible Senior Notes due 2037 (the 2037 Notes) and 2.25% Contingent Convertible Senior Notes due 2038.

The purpose of this Amendment No. 1 is to amend and supplement the Original Schedule TO to reflect amendments to the information contained in the Offer to Purchase related to (i) the satisfaction of the Financing Condition (as defined in the Offer to Purchase) to the Tender Offers, (ii) an increase to the Aggregate Maximum Purchase Amount (as defined in the Offer to Purchase) from \$500,000,000 to \$750,000,000 and (iii) the establishment of a tender cap with respect to the 2037 Notes. Only those items amended are reported in this Amendment No. 1. Except as specifically provided herein, the information contained in the Original Schedule TO remains unchanged and this Amendment No. 1 does not modify any of the information previously reported on the Original Schedule TO. You should read this Amendment No. 1 together with the Original Schedule TO, the Offer to Purchase, as amended hereby, and the Letter of Transmittal, as amended hereby.

Item 1. Summary Term Sheet.

The information in the Offer to Purchase under the heading Summary, in the Letter of Transmittal and Item 1 of the Original Schedule TO, to the extent such Item 1 incorporates by reference the information contained in the Offer to Purchase, are hereby amended and supplemented by the information set forth under Item 4, which information is incorporated herein by reference.

Item 4. Terms of the Transaction.

(a) The information set forth in the Offer to Purchase on the cover page and under the headings Summary, The Terms of the Tender Offers, Certain Considerations, Source of Funds and Certain U.S. Federal Tax Consequences and Item 4(a) of the Original Schedule TO, to the extent such Item 4(a) incorporates by reference the information contained in the Offer to Purchase, are hereby amended and supplemented by the following information:

(1) The Aggregate Maximum Purchase Amount is increased to \$750,000,000 and, accordingly, each reference in the Offer to Purchase to \$500,000,000 (as it relates to the Aggregate Maximum Purchase Amount) is replaced with a reference to \$750,000,000. Corresponding amendments shall apply to the Letter of Transmittal.

(2) On August 23, 2016, the Company entered into a new \$1.5 billion term loan facility (the **Term Loan**). The Term Loan has a five-year term and bears interest at a rate of LIBOR plus 7.50% per annum, subject to a 1.00% LIBOR floor. The Term Loan was made at par without original issue discount. The loan is being secured by the same collateral securing the Company's revolving credit facility (with a position in the collateral proceeds waterfall junior to the credit facility). The Term Loan is unconditionally guaranteed on a joint and several basis by the Company's direct and indirect wholly owned domestic subsidiaries that are guarantors under the Company's revolving credit facility. The Company's consummation of the Term Loan satisfies the Financing Condition as set forth in the Offer to Purchase. The description of the Term Loan included in the Current Report on Form 8-K filed by the Company on August 24, 2016 is hereby incorporated by reference.

Upon the terms and subject to the conditions described in this Offer to Purchase (as it may be amended or supplemented from time to time, this **Offer to Purchase**) and the accompanying Letter of Transmittal (as it may be amended or supplemented from time to time, the **Letter of Transmittal** and, together with this Offer to Purchase, the **Offer Documents**), Chesapeake Energy Corporation, an Oklahoma corporation (the **Company** or **Chesapeake**), hereby offers to purchase for cash for an aggregate purchase price (exclusive of Accrued Interest (as defined herein)) of up to \$750,000,000 (subject to increase or decrease by the Company, the **Aggregate Maximum Purchase Amount**) the outstanding notes listed in the table below (collectively, the **Notes**, and each series, a **series of Notes**). Subject to the Aggregate Maximum Purchase Amount, the Tender Caps (as defined herein) specified below and

proration as described herein, the amount of a series of Notes that is purchased in the Tender Offers on the Settlement Date (as defined herein) will be based on the order of priority (the **Acceptance Priority Level**) for such series of Notes set forth in the table below. The Company refers to the offers to purchase the Notes collectively as the **Tender Offers**, and each offer to purchase a series of Notes individually as a **Tender Offer**. Each Tender Offer is a separate offer, and each Tender Offer may be individually amended, extended, terminated or withdrawn without amending, extending, terminating or withdrawing the other Tender Offer.

(5) The table and its corresponding footnotes on the front cover of the Offer to Purchase are hereby amended and restated in their entirety as follows:

(6) The first and second paragraphs of page i of the Offer to Purchase are hereby amended and restated in their entirety as follows:

The Notes accepted for purchase on the Settlement Date (as defined herein) will be accepted for purchase in accordance with their Acceptance Priority Levels set forth on the front cover of this Offer to Purchase (with 1 being the higher Acceptance Priority Level and 2 being the lower Acceptance Priority Level), provided that the Company will only accept for purchase Notes having an aggregate purchase price (exclusive of Accrued Interest) of up to the Aggregate Maximum Purchase Amount. In addition, the Company will only accept for purchase the 2.5% Contingent Convertible Senior Notes due 2037 (the **2037 Notes**) having an aggregate purchase price (exclusive of Accrued Interest) of up to \$600,000,000 (such aggregate purchase price, subject to increase or decrease by the Company, the **2037 Tender Cap**) and the 2.25% Contingent Convertible Senior Notes due 2038 (the **2038 Notes**) having an aggregate purchase price (exclusive of Accrued Interest) of up to \$275,000,000 (such aggregate purchase price, subject to increase or decrease by the Company, the **2038 Tender Cap** and, together with the 2037 Tender Cap, the **Tender Caps** and each individually, a **Tender Cap**). The Company reserves the right, in its sole discretion, to increase or decrease the Aggregate Maximum Purchase Amount and either Tender Cap at any time, subject to compliance with applicable law, which could result in the Company's purchasing a greater or lesser amount of Notes in the Tender Offers.

Subject to the Aggregate Maximum Purchase Amount, Tender Caps and proration as described herein, all 2037 Notes validly tendered will be accepted for purchase before any 2038 Notes validly tendered are accepted for purchase. If the aggregate purchase price (exclusive of Accrued Interest) of 2037 Notes validly tendered at or prior to the Expiration Date exceeds the 2037 Tender Cap, 2037 Notes validly tendered will be accepted for purchase on a pro rata basis, based on the aggregate principal amount of 2037 Notes validly tendered. Once all 2037 Notes validly tendered have been accepted for purchase, subject to the Aggregate Maximum Purchase Amount, the Tender Caps and proration as described herein, 2038 Notes validly tendered will be accepted for purchase. If the aggregate purchase price (exclusive of Accrued Interest) of 2038 Notes validly tendered at or prior to the Expiration Date exceeds the 2038 Tender Cap or if the aggregate purchase price of 2037 Notes and 2038 Notes validly tendered exceeds the Aggregate Maximum Purchase Amount, 2038 Notes validly tendered will be accepted for purchase on a pro rata basis, based on the aggregate principal amount of 2038 Notes validly tendered. The Settlement Date is expected to occur on the second business day following the Expiration Date, assuming the conditions to the Tender Offers have been either satisfied or waived by the Company at or prior to the Expiration Date.

In the event that one or both Tender Offers are terminated or otherwise not completed, the Total Consideration relating to the applicable Notes will not be paid or become payable to Holders of such Notes, without regard to whether such Holders have validly tendered their Notes (in which case, such tendered Notes will be promptly returned to Holders). The Company will

publicly announce any extension, termination or amendment in the manner described under The Terms of the Tender Offers Announcements. There can be no assurance that the Company will exercise its right to extend, terminate or amend the Tender Offers.
