### **CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS**

This Prospectus and the documents incorporated herein by reference contain forward-looking statements about Bell Canada's and BCE's business outlook, objectives, strategies, plans, strategic priorities and results of operations as well as other statements that are not historical facts. A statement we make is forward-looking when it uses what we know and expect today to make a statement about the future. Forward-looking statements are typically identified by the words *assumption, goal, guidance, objective, outlook, project, strategy, target* and other similar expressions or future or conditional verbs such as *aim, anticipate, believe, could, expect, intend, may, plan, seek, should, strive* and *will*. All such forward-looking statements are made pursuant to the "safe harbour" provisions of applicable Canadian securities laws and of the United States Private Securities Litigation Reform Act of 1995.

Unless otherwise indicated by us, forward-looking statements contained in this Prospectus describe Bell Canada's and BCE's expectations, as applicable, as at the date of this Prospectus and forward-looking statements contained in the documents incorporated herein by reference describe Bell Canada's and BCE's expectations, as applicable, as of the date of such documents, unless otherwise indicated in such documents. Except as may be required by Canadian securities laws, we do not undertake any obligation to update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.

Forward-looking statements, by their very nature, are subject to inherent risks and uncertainties and are based on several assumptions, both general and specific, which give rise to the possibility that actual results or events could differ materially from our expectations expressed in or implied by such forward-looking statements and that Bell Canada's and BCE's business outlook, objectives, strategies, plans, strategic priorities, results of operations and other statements that are not historical facts may not be achieved. As a result, we cannot guarantee that any forward-looking statement will materialize and we caution prospective investors against relying on any of these forward-looking statements. Forward-looking statements are provided in this Prospectus and in the documents incorporated by reference for the purpose of assisting investors and others in understanding our business outlook, objectives, strategies, plans and strategic priorities as well as our anticipated operating environment. Readers are cautioned, however, that such information may not be appropriate for other purposes.

Forward-looking statements made in this Prospectus and in the documents incorporated herein by reference are based on a number of assumptions that BCE or Bell Canada, as applicable, believed were reasonable on the day they made the forward-looking statements. Refer, in particular, to the Sections of the BCE 2017 Annual MD&A entitled "Business outlook and assumptions", on pages 44, 45, 61, 62, 69, 70, 76 and 77 of the BCE 2017 Annual Report for a discussion of certain key economic, market and operational assumptions that BCE or Bell Canada have made in preparing forward-looking statements, as such disclosure shall be updated from time to time in BCE's and Bell Canada's continuous disclosure documents incorporated by reference herein. If our assumptions turn out to be inaccurate, our actual results could be materially different from what we expect.

## Table of Contents

Important factors that could cause actual results or events to differ materially from those expressed in or implied by the forward-looking statements contained in this Prospectus or the documents incorporated by reference are disclosed in Section 9 of the BCE 2017 Annual MD&A included in the BCE 2017 Annual Report on pages 97 to 102, under the heading "Business risks", as well as in the other sections of the BCE 2017 Annual MD&A referred to therein, as such disclosure shall be updated from time to time in BCE's and Bell Canada's continuous disclosure documents incorporated by reference herein.

Readers are cautioned that the risks referred to above are not the only ones that could affect BCE and Bell Canada. Additional risks and uncertainties not currently known to BCE or Bell Canada or that BCE or Bell Canada currently deem to be immaterial may also have a material adverse effect on BCE's or Bell Canada's financial position, financial performance, cash flows, business or reputation.

Except as otherwise indicated by us, forward-looking statements do not reflect the potential impact of any special items or of any dispositions, monetizations, mergers, acquisitions, other business combinations or other transactions that may be announced or that may occur after the date hereof. The financial impact of these transactions and special items can be complex and depends on the facts particular to each of them. We therefore cannot describe the expected impact in a meaningful way or in the same way we present known risks affecting our business.

### ***Guarantee***

The Guarantor has irrevocably and unconditionally guaranteed the full and timely payment when due, whether at stated maturity, by required payment, acceleration, declaration, demand or otherwise, of all of the payment obligations of Bell Canada under the MTN Indenture and Subordinated Indenture, and the Guarantor has fully, irrevocably and unconditionally guaranteed the full and prompt payment when due, whether at stated maturity, by required payment, acceleration, declaration, demand or otherwise, of all of the payment obligations of Bell Canada under the U.S. Indenture, in each case existing at the time the Guarantor entered into such guarantee and, unless otherwise provided in a supplemental trust indenture, incurred thereafter (the **Guarantee** ). Such Guarantee therefore includes all of the payment obligations of Bell Canada under the Debt Securities in accordance with the terms of such Debt Securities and of the Indentures. The Guarantor has agreed that its obligations under the Guarantee shall be irrevocable and unconditional, irrespective of, shall not be affected or limited by, and shall not be subject to any defense, set-off, counterclaim or termination by reason of: (i) the legality, genuineness, validity, regularity or enforceability of the Guarantee or the liabilities of Bell Canada guaranteed thereby; (ii) any provision of applicable law or regulation prohibiting the payment by Bell Canada of the Debt Securities; or (iii) any other fact or circumstance which might otherwise constitute a defense to a guarantee. Under the MTN Indenture and the Subordinated Indenture, the Guarantor has no right of subrogation, reimbursement or indemnity whatsoever against Bell Canada, nor any right of recourse to security for its obligations under the Guarantee, unless and until all Debt Securities have been finally and irrevocably paid in full. Under the U.S. Indenture, the Guarantor is subrogated to all rights of the holders of U.S. Debentures of each series against Bell Canada in respect of any amounts paid to such holder by the Guarantor pursuant to the provisions of the Guarantee; *provided, however*, that the Guarantor shall not be entitled to enforce, or to receive any payments arising out of or based upon, such right of subrogation until the principal of (and premium, if any) and interest on all U.S. Debentures of such series have been paid in full. The obligations of the Guarantor under the Indentures and the Guarantee shall be continuing obligations. The liability of the Guarantor shall be discharged or satisfied only upon full payment and performance by either Bell Canada or the Guarantor of all the payment obligations of Bell Canada under the Debt Securities.

In addition to Mortgages permitted by paragraph (1) above, Bell Canada may issue, assume or guarantee any Debt secured by, or secure after the date of the MTN Indenture any Debt by, a Mortgage upon any property of Bell Canada (whether now owned or hereafter acquired) if, after giving effect thereto, the aggregate principal amount of Debt secured by Mortgages of Bell Canada permitted only by this paragraph (2) does not at such time exceed 5% of the Net Worth of Bell Canada.

The terms **Current Debt** , **Debt** , **Mortgage** , **Net Worth of Bell Canada** and **Purchase Money Mortgage** are defined in the MTN Indenture

### ***Consolidation, Merger, Conveyance or Transfer***

The MTN Indenture provides that Bell Canada will not consolidate with, amalgamate with or merge into any other person and will not transfer or convey its properties and assets as a whole or substantially as a whole to any person, unless (i) the successor corporation or person that acquires all or substantially all the assets of Bell Canada is a corporation, partnership or trust organized and existing under the laws of Canada or any province or territory thereof and expressly assumes all of the covenants to be performed by Bell Canada under the Indenture (except where such assumption is deemed to have occurred by the sole operation of law), and (ii) immediately after giving effect to such transaction, no event of default under the MTN Indenture, and no event which, after notice or lapse of time, or both, would become an event of default under the MTN Indenture, shall have happened and be continuing.

### ***Modification***

The rights of the holders of MTN Debentures under the MTN Indenture may in certain circumstances be modified. For that purpose, among others, the MTN Indenture contains provisions making extraordinary resolutions binding upon all holders of MTN Debentures issued thereunder. **Extraordinary Resolution** is defined, in effect, as a resolution passed at a meeting of such holders by the affirmative votes of the holders of at least 66 2/3% of the principal amount of MTN Debentures voted on the resolution at a meeting of holders at which a quorum, as specified in the MTN Indenture, is present or as one or more instruments in writing signed by the holders of at least 66 2/3% in principal amount of all outstanding MTN Debentures. In certain cases, modifications may require separate extraordinary resolutions of the holders of a specific series of MTN Debentures outstanding under the MTN Indenture.

Holders of at least 50% in principal amount of the outstanding MTN Debentures will constitute a quorum for a meeting of holders with respect to an Extraordinary Resolution. In the absence of a quorum, the meeting may be adjourned for a period of not less than 10 days as determined by the chairman of the meeting. Not less than five days notice shall be given of the time and place of such adjourned meeting. At the adjourned meeting, the holders of MTN Debentures present in person or by proxy shall form a quorum and may transact the business for which the meeting was originally called.

Certain changes can be made only with the consent of each holder of an outstanding series of MTN Debentures. In particular, each holder must consent to changes in the right of a holder of MTN Debentures to receive payment of the principal of and interest on such MTN Debentures, on or after the respective due dates expressed in such MTN Debentures, or to institute suit for the enforcement of any such payment on or after such respective dates.

### ***Events of Default***

The MTN Indenture provides that any of the following constitutes an event of default: (i) default in the payment of the principal of or premium, if any, on any MTN Debenture when the same becomes due and payable and continuation of such default for a period of five days; (ii) default in the payment of any installment of interest on any MTN Debenture when the same becomes due and payable and continuation of such default for a period of 90 days; (iii) default in the payment of any purchase or sinking fund installment on any MTN Debenture when the same shall become due and payable and continuation of such default for a period of 30 days; (iv) default in the performance or observance of any covenant, agreement or condition of the MTN Indenture and continuation of such default for a period of 90 days after written notice has been given by the Trustee to Bell Canada specifying such default and requiring Bell Canada to remedy the same or after written notice by the holders of not less than 25% in principal amount of the MTN Debentures at the time outstanding; (v) certain events of insolvency or bankruptcy and, in certain cases, continuation of such events for a period of 60 days; and (vi) default, as defined in one or more instruments evidencing indebtedness for borrowed money of Bell Canada, shall happen

If an event of default has occurred under the MTN Indenture and is continuing, the Trustee may in its discretion and shall upon the request in writing of the holders of at least 25% of the principal amount of the MTN Debentures issued and outstanding under the MTN Indenture, subject to any waiver of default under the MTN Indenture, by notice in writing to Bell Canada declare the principal and interest on all MTN Debentures then outstanding under the MTN Indenture and other money payable thereunder to be due and payable.
