State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Symantec Corporation (the Company) does not expect it will be able to timely file its Form 10-K for the fiscal year ended March 30, 2018 (the Form 10-K). The Audit Committee of the Company's Board of Directors has commenced an internal investigation in connection with concerns raised by a former employee. The Audit Committee has retained independent counsel and other advisors to assist it in its investigation. As a result, the Company has not finalized its financial statements pending completion of the investigation, and the Company is not in a position to file its Form 10-K until after the Audit Committee completes its internal investigation and the Company's independent public accountants assess the conclusions of the Audit Committee in connection with their audit of the Company's annual financial statements included in the Form 10-K. The Audit Committee continues to work diligently with its independent counsel and advisors to complete its internal investigation as soon as possible.

The Company has voluntarily contacted the Securities and Exchange Commission to advise it that an internal investigation is underway, and the Audit Committee intends to provide additional information to the SEC as the investigation proceeds. The investigation is in its early stages and the Company cannot predict the duration or outcome of the investigation.
