SECTION 1. REGISTRANT'S BUSINESS AND OPERATIONS.

Item 1.01. Entry into a Material Definitive Agreement.

On September 25, 2018, International Paper Company (the Company) entered into an agreement (the Agreement) with The Prudential Insurance Company of America (Prudential) relating to the Retirement Plan of International Paper Company (the Plan). Under the Agreement, the Company will purchase a group annuity contract from Prudential and transfer to Prudential the future benefit obligations and annuity administration for approximately 23,000 retirees (or their beneficiaries) receiving less than \$1,000 monthly benefit payments from the Plan (Transferred Participants).

Upon issuance of the group annuity contract, the pension benefit obligations and annuity administration for the Transferred Participants will be irrevocably transferred to Prudential, which will irrevocably guarantee the pension benefits of the Transferred Participants. By transferring these obligations to Prudential, the Company will reduce its U.S. qualified pension plan liabilities by approximately \$1.6 billion, or 13%. The purchase of the group annuity contract will be funded directly by the Plan's assets. The transactions contemplated by the Agreement are subject to closing conditions that are customary for transactions of this nature, including certain termination clauses. Assuming all of the closing conditions are met, the Company expects the transactions to be completed on October 2, 2018. Subject to certain conditions set forth in the Agreement, all Transferred Participants will continue to receive their benefits from the Plan until the end of 2018, at which time Prudential will assume responsibility for administrative and customer service support, including distribution of payments to the Transferred Participants.

As a result of the transactions contemplated by the Agreement, the Company expects to recognize a non-cash pension settlement charge of approximately \$400 million before tax (\$300 million after tax) in the fourth quarter of 2018.

The foregoing summary of the Agreement is qualified in its entirety by reference to the text of the Agreement, a copy of which will be filed as an exhibit to the Company's quarterly report on Form 10-Q for the fiscal quarter ended September 30, 2018.

Certain statements in this Current Report on Form 8-K are or may be considered forward-looking statements, such as statements relating to the financial impact of the transactions contemplated by the Agreement. These statements reflect Company management's current views and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied in these statements. Factors which could cause actual results to differ include but are not limited to (i) the successful fulfillment or waiver of all closing conditions contained in the Agreement without unexpected delays or conditions; (ii) the successful closing of the transactions contemplated by the Agreement within the estimated timeframe; (iii) the failure to realize the expected benefits from the transaction or delay in realization thereof; (iv) the amount and timing of the expected settlement charge; and (v) other factors that can be found in the Company's press releases and Securities and Exchange Commission filings. The Company undertakes no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.
