**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On February 18, 2019, the Board of Directors (the Board ) elected Robert J. Hugin as a director of Allergan plc (the Company ), effective immediately. There are currently no arrangements pursuant to which Mr. Hugin was appointed to the Board, and Mr. Hugin will receive compensation in accordance with the Company's standard arrangements for non-employee directors.

Mr. Hugin previously served as Chief Executive Officer of Celgene Corporation ( Celgene ) from June 2010 until March 2016 and as Executive Chairman of the Board of Directors from June 2011 to January 2018. Mr. Hugin joined Celgene in 1999 as Chief Financial Officer. Prior to joining Celgene, Mr. Hugin served as a Managing Director at J.P. Morgan & Co. Inc., which he joined in 1985. Previously, Mr. Hugin served on the boards of Danaher Corporation, The Medicines Company, Coley Pharmaceutical Group and Atlantic Health System as well as Chairman of the Board of The Pharmaceutical Research and Manufacturers of America.

Mr. Hugin holds a Bachelor of Arts degree from Princeton University and an MBA from the Darden School of Business at the University of Virginia. He currently serves on the Board of Trustees of Princeton University.

**Item 8.01 Other Events.**

On February 19, 2019, the Company issued a press release announcing the election of Mr. Hugin to the Board; the Board's support for a pending shareholder proposal, which will also appear in Allergan's 2019 Proxy Statement, requiring an independent Board Chair to be phased in during the next leadership transition; and the Board's ongoing commitment to active Board refreshment, governance best practices and continuous shareholder engagement. A copy of the press release is attached to this report as Exhibit 99.1 and incorporated herein by reference.

On February 19, 2019, the Company issued a separate press release from its Board responding to a public letter from one of the Company's shareholders, Appaloosa LP ( Appaloosa ), relating to a shareholder proposal Appaloosa has submitted in connection with the Company's Annual General Meeting of Shareholders to be held on May 1, 2019. The Board noted that while it appreciates input from its shareholders, it strongly disagrees that an immediate separation of the CEO and Chair positions is warranted. The Board believes that such an immediate separation, in contrast to the shareholder proposal that the Board supports which allows for the separation of the Chair and CEO positions with the next leadership change, would be disruptive to the Company. A copy of the press release is attached to this report as Exhibit 99.2 and incorporated herein by reference.

Shareholders will be able to obtain free copies of the Proxy Statement and any other documents relating to the Annual General Meeting of Shareholders filed with the SEC by Allergan through the website maintained at the SEC at <http://www.sec.gov/> or on Allergan's website at <http://www.allergan.com>. **Shareholders are advised to read the Proxy Statement when it is available because it contains important information.**
