Item 1.01 Entry into a Material Definitive Agreement.

On February 28, 2019, Montage Resources Corporation (f/k/a Eclipse Resources Corporation) (the Company) entered into the Third Amended and Restated Credit Agreement (the Amended Credit Agreement) among the Company, Bank of Montreal, as administrative agent, the lenders party thereto, and BMO Capital Markets Corp., Capital One, National Association, and KeyBank National Association, as joint lead arrangers and joint bookrunners. The Amended Credit Agreement amends and restates the Second Amended and Restated Credit Agreement of the Company, dated as of June 11, 2015, as amended (the Former Credit Agreement).

The Amended Credit Agreement amends the Former Credit Agreement to, among other things, (i) increase the borrowing base of the revolving credit facility provided for therein from \$225 million to \$375 million (subject to scheduled and interim redeterminations based on the Company's oil and gas reserves and other adjustments as described in the Amended Credit Agreement), and (ii) extend the maturity date thereof to February 28, 2024 (subject to earlier maturity in the event that the Company's 8.875% Senior Notes due 2023 in an aggregate principal amount exceeding \$50,000,000 remain outstanding on the date that is 180 days prior to their stated maturity date of July 15, 2023).

The Amended Credit Agreement also adjusts the ratio of Consolidated Total Funded Net Debt to EBITDAX (as such terms are defined in the Amended Credit Agreement) to provide that the Company will not, as of the last day of any fiscal quarter (commencing with the fiscal quarter ending March 31, 2019), permit its ratio of Consolidated Total Funded Net Debt to EBITDAX for the four previous fiscal quarters to be greater than 4.00 to 1.00.

Indebtedness under the Amended Credit Agreement will be secured by mortgages on at least 85% of the total value of the Company's proved reserves and guarantees from its operating subsidiaries, including Blue Ridge Mountain Resources, Inc. (Blue Ridge). Interest will generally be payable at variable rates (generally based upon LIBOR, the prime rate, or the federal funds rate, with specified adjustments), plus an applicable margin as specified in the Amended Credit Agreement, based on the Company's election at the time of borrowing. The Amended Credit Agreement contains financial, restrictive, and affirmative covenants and events of default generally consistent with those under the Former Credit Agreement.

The description of the Amended Credit Agreement set forth above does not purport to be complete and is qualified in its entirety by reference to the Amended Credit Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Item 1.02 Termination of a Material Definitive Agreement.

On February 28, 2019, in connection with the consummation of the Merger (as defined below), the Stockholders Agreement, dated June 25, 2014, by and among the Company, CKH Partners II, L.P., The Hulburt Family II Limited Partnership, Kirkwood Capital, L.P., EnCap Energy Capital Fund VIII, L.P., EnCap Energy Capital Fund VIII Co-Investors, L.P., and EnCap Energy Capital Fund IX, L.P., was terminated by the parties thereto. The Stockholders Agreement had provided for the parties thereto, as stockholders of the Company, to take certain actions to cause certain persons to be elected or appointed to the board of directors and board committees of the Company.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On February 28, 2019, the Company completed its previously announced business combination transaction with Blue Ridge pursuant to that certain Agreement and Plan of Merger, dated as of August 25, 2018 and amended as of January 7, 2019 (the Merger Agreement), by and among the Company, Everest Merger Sub Inc., a Delaware corporation and a wholly-owned subsidiary of the Company (Merger Sub), and Blue Ridge. Pursuant to the Merger

Edgar Filing: Montage Resources Corp - Form 8-K

Agreement, Merger Sub merged with and into Blue Ridge with Blue Ridge continuing as the surviving corporation and a wholly-owned subsidiary of the Company (the Merger).

As a result of the Merger, each share of common stock, par value \$0.01 per share, of Blue Ridge issued and outstanding immediately prior to the effective time of the Merger (the Effective Time), excluding certain Excluded Shares (as such term is defined in the Merger Agreement), was converted into the right to receive from the

Company 0.29506 of a validly issued, fully-paid, and nonassessable share of Common Stock, par value \$0.01 per share, of the Company. The exchange ratio reflects an adjustment to account for the 15-to-1 reverse stock split described in Item 5.03 of this Current Report on Form 8-K. Former stockholders of Blue Ridge will receive cash for any fractional shares of the Company's Common Stock to which they might otherwise be entitled as a result of the Merger. In addition, upon completion of the Merger, all shares of Blue Ridge restricted stock and all Blue Ridge restricted stock units and performance interest awards were converted into the right to receive shares of Common Stock of the Company or cash, in each case as specified in the Merger Agreement.

The issuance of shares of the Company's Common Stock in connection with the Merger was registered under the Securities Act of 1933, as amended (the Securities Act), pursuant to the Company's registration statement on Form S-4 (File No. 333-227815), which became effective on January 27, 2019. The consent solicitation statement/information statement/prospectus included in the registration statement (the Consent Solicitation Statement/Information Statement/Prospectus) contains additional information about the Merger.

The foregoing description of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, a copy of which is filed as Exhibits 2.1 and 2.2 to this Current Report on Form 8-K and incorporated herein by reference.

The information included in Item 1.01 of this Current Report on Form 8-K is incorporated by reference into this Item 2.03 of this Current Report on Form 8-K.

Item 2.05 Costs Associated with Exit or Disposal Activities.

In connection with the business combination transaction with Blue Ridge consummated on February 28, 2019 and described under Item 2.01 above, the Company began the process of consolidating the principal offices of the Company and Blue Ridge and undertaking a headcount reduction with respect to certain positions held with the Company and its subsidiaries. The Company anticipates the foregoing process will be completed during the third quarter of 2019. The Company will disclose by amendment to this Current Report on Form 8-K the Company's estimates of the total amount or range of amounts expected to be incurred with respect to this process following the date the Company makes such determination.
