Grupo Financiero Galicia S.A. (the Company) is notifying the Securities and Exchange Commission that the Company is utilizing Rule 12b-25, which allows for a filing of its Annual Report on Form 20-F for the year ended December 31, 2018 (the Form 20-F) to be deemed timely if filed within the 15-day extension period.

As a result of the first time application of IFRS Standards in the preparation of the Company's financial statements, the Company is unable to timely file its Form 20-F. In addition, as a result of Argentina being qualified as a hyperinflationary economy in 2018 and as the Company uses the Argentine Peso as its functional currency, the Company is therefore required to apply IAS 29 (Financial Reporting in Hyperinflationary Economies) for accounting periods ending on or after July 1, 2018. Due to the considerable time and resources required to be devoted by management and the administrative requirements related to the application of IFRS Standards and IAS 29 and the restatement of its financial statements, the Company has been unable to complete the preparation of its 20-F without unreasonable effort or expense and the restatement procedures are still in process.

The Company expects that the application to IFRS Standards and the adjustments related to the application to IAS 29 will significantly impact its financial statements however, as such restatement procedures remain in process, the Company is unable to provide a quantitative estimate of such changes.
