You are cordially invited to attend the Annual Meeting, which will begin at 10:00 a.m., eastern time. The meeting will be held at 4 Gateway Center, 100 Mulberry St., 14th Floor, Newark, NJ.

We are first mailing this proxy statement and proxy card (including voting instructions) on or about June 16, 2003, to persons who were shareholders at the close of business on June 10, 2003, the record date for the meeting.

Our fiscal year begins on January 1 and ends on December 31. References in this proxy statement to fiscal 2002 refer to the 12-month period from January 1, 2002 through December 31, 2002. References in this proxy statement to fiscal 2003 refer to the 12-month period from January 1, 2003 through December 31, 2003.

PROXIES AND VOTING PROCEDURES

What Is the Purpose of the Annual Meeting?

At the Annual Meeting, shareholders will vote on the following:

- o The election of the entire board of directors;
- o The ratification of the selection of L J Soldinger Associates, Ltd. as independent auditors for fiscal 2003; and
- o Such other business as may properly come before the meeting and any adjournment or postponement thereof.

Who Can Vote?

You are entitled to vote at the Annual Meeting all shares of Astralis common stock that you held as of the close of business on the record date, June 10, 2003. Each share of common stock is entitled to one vote with respect to each matter properly brought before the meeting.

On June 1, 2003, there were 37,538,189 shares of common stock outstanding.

In accordance with Delaware law, a list of shareholders entitled to vote will be available at the Annual Meeting.

Who Is the Record Holder?

You may own common stock either (1) directly in your name, in which case you are the record holder of such shares, or (2) indirectly through a broker, bank or other nominee, in which case such nominee is the record holder.

Edgar Filing: ASTRALIS LTD - Form DEF 14A

If your shares are registered directly in your name, we are sending these proxy materials directly to you. If the record holder of your shares is a nominee, you will receive proxy materials from such nominee.

How Do I Vote?

Record Holders:

- o By Mail. If you choose to vote by mail, mark your proxy card, date and sign it, and return it in the postage-paid envelope provided. Your proxy card must be received by the close of voting at the Annual Meeting on July 16, 2003.
- o By Attending the Annual Meeting. If you attend the Annual Meeting, you can vote your shares in person.

Stock Held by Brokers, Banks and Nominees:

- o If your common stock is held by a broker, bank or other nominee, such nominee will provide you with instructions that you must follow in order to have your shares voted.
- o If you plan to attend the Annual Meeting and vote in person, you will need to contact the broker, bank or other nominee to obtain evidence of your ownership of common stock on June 10, 2003.

How Many Votes Are Required to Transact Business at the Annual Meeting?

A quorum is required to transact business at the Annual Meeting. We will have a quorum and be able to conduct the business of the Annual Meeting if the holders of a majority of the shares entitled to vote are present at the meeting, either in person or by proxy. Abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present for purposes of determining whether a quorum is present.

What is a Broker Non-Vote?

A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received voting instructions from the beneficial owner.

-2-

How Many Votes Are Required to Approve a Proposal?

If a quorum is present, a plurality of votes cast is required to elect directors. Thus, a nominee for director may be elected even if the nominee receives less than a majority of the shares represented at the meeting. Proxies cannot be voted for a greater number of nominees than are named in this proxy statement. To ratify the selection of independent auditors, an affirmative vote of a majority of the votes cast is required.

How Will The Shares Represented By My Executed Proxy Card Be Voted?

All shares entitled to vote and represented by properly completed proxy cards that are not revoked will be voted in accordance with the instructions provided on the proxy cards.

Edgar Filing: ASTRALIS LTD - Form DEF 14A

What If I Return My Proxy Card But Do Not Provide Voting Instructions?

If you sign and return your proxy card, but do not specify how you wish your shares to be voted, your shares represented by that proxy card will be voted "for" the nominees for director and "for" the ratification of the appointment of L J Soldinger Associates, Ltd. as our independent auditors for fiscal 2003.

How Are Abstentions and Broker Non-Votes Counted?

Shares not voted as a result of a marked abstention or a broker non-vote will not be counted as votes for or against a particular matter. Accordingly, marked abstentions and broker non-votes will have no effect on the outcome of a vote.

How Can I Revoke My Proxy or Change My Vote?

You can revoke your proxy prior to the close of voting at the Annual Meeting by either:

- o Sending written notice of revocation to our Secretary;
- o Sending a signed proxy card bearing a later date to our Secretary;
or
- o Attending the Annual Meeting and voting in person.

Who Will Pay the Expenses of Proxy Distribution?

We will pay the expenses for the preparation of the proxy materials and the solicitation of proxies. Our directors, officers or employees may solicit proxies on our behalf in person or by telephone, e-mail, facsimile or other electronic means. These directors, officers and employees will not receive additional compensation for such services. In accordance with the regulations of the Securities and Exchange Commission, we may reimburse brokerage firms and other custodians, nominees and fiduciaries for their expenses incurred in sending proxies and proxy materials to beneficial owners of our common stock.

PROPOSAL 2 -- RATIFICATION OF INDEPENDENT AUDITORS

Appointment of Auditors for Fiscal 2003

The audit committee has appointed L J Solding Associates, Ltd. as our independent auditors for 2003. We are not required to have the shareholders ratify the selection of L J Solding Associates, Ltd. as our independent auditors. We are doing so because we believe it is a matter of good corporate practice. If the shareholders do not ratify the selection, the audit committee will reconsider whether or not to retain L J Solding Associates, Ltd. but may retain such independent auditors. Even if the selection is ratified, the audit committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interests of Astralis and its shareholders. Representatives of L J Solding Associates, Ltd. are not expected to be present at the Annual Meeting, will not have an opportunity to make a statement and will not be available to respond to questions.

-5-

The board of directors recommends a vote FOR the ratification of the appointment of L J Solding Associates, Ltd. as our independent auditors for fiscal 2003.

Change in Auditors

Our board of directors appointed the independent certified accounting firm of L J Solding Associates, Ltd. to audit our financial statements for the year ended December 31, 2001. Accordingly, our prior accounting firm, Cordovano and Harvey, P.C., was dismissed as our independent auditors effective November 28, 2001, the date when written notification was delivered to that firm. The appointment of L J Solding Associates, Ltd. as our independent auditors was effective as of November 2, 2001. Our board of directors approved the change in independent auditors and our stockholders approved the change in independent auditors at a special meeting held on November 1, 2001.

The audit reports of Cordovano and Harvey, P.C. on our financial statements as of December 31, 2000 and 1999, for the fiscal year ended December 31, 2000 and for the period from June 30, 1999 (the date our inception) through December 31, 1999, did not contain any adverse opinion or disclaimer of opinion, nor were such audit reports qualified or modified as to uncertainty, audit scope or accounting principles. In addition, there were no disagreements between us and Cordovano and Harvey, P.C. on any matters of accounting principles or practices, financial statement disclosure, or auditing scope and procedures which, if not resolved to the satisfaction of Cordovano and Harvey, P.C., would have caused Cordovano and Harvey, P.C. to make reference to the matter in their

Edgar Filing: ASTRALIS LTD - Form DEF 14A

reports.

We provided Cordovano and Harvey P.C. with a copy of the foregoing disclosure.

Fees Paid to Our Independent Auditors

	-----	-----
	\$152,311	\$ 87,798
	-----	-----

(1) Audit fees consist of services rendered to us for the audit of our annual financial statements, review of our quarterly financial statements, consents, assistance with and review of documents (including a registration statement) filed with the Securities and Exchange Commission.

-6-

(2) Audit related fees consist of accounting consultations and audits in connection with business combinations and consultations concerning financial accounting and reporting standards.

(3) Tax fees consist of tax compliance, tax consultations and tax return preparation.

Policies Regarding Pre-Approval of Audit and Non-Audit Services

All audit and non-audit services performed by our independent auditor must be pre-approved by the audit committee or a designated member of the audit committee, whose decisions must be reported to the entire audit committee at its next scheduled meeting. Approval may be for a general class of permitted services, such as annual audit services. The term of any general pre-approval is twelve months from the date of pre-approval, unless the audit committee specifically provides for a different period. Any services that have not received general pre-approval will require specific pre-approval. In addition, specific pre-approval will be required for any service that exceeds pre-approval fee levels established annually by the audit committee. Requests to provide services that require specific pre-approval must be submitted to the audit committee by both the independent auditor and our Chief Financial Officer and must include a joint statement as to whether, in their view, the request is consistent with the SEC's rules on auditor independence.

GOVERNANCE OF THE COMPANY

Pursuant to the Delaware General Corporation Law and our by-laws, our business, property and affairs are managed by or under the direction of our board of directors. Members of the board of directors are kept informed of the

Edgar Filing: ASTRALIS LTD - Form DEF 14A

company's business through discussions with the Chief Executive Officer and other officers, by reviewing materials provided to them and by participating in meetings of the board of directors and its committees. We currently have seven members on our board of directors. With the exception of Mr. Ajnsztajn and Ms. Tedesco who are husband and wife, and Mr. Liebhaber who is Mr. Ajnsztajn's uncle, there are no familial relationships among our directors and/or officers.

During fiscal 2002, the board of directors held six meetings and the audit committee held six meetings. The nominees for director attended more than 75% of the total number of meetings of the board of directors and the committees of which they were a member during fiscal 2002.

AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The board of directors has an audit committee which currently consists of Steven Fulda and Fabien Pictet. The board of directors does not maintain a separate compensation committee or nominating committee. The functions of the audit committee are described in its report, which is included in this proxy statement.

COMPENSATION OF DIRECTORS

Our directors do not receive compensation pursuant to any standard arrangement for their services as directors. We reimburse all outside directors for travel and lodging expenses related to scheduled board meetings. During fiscal 2002, we paid \$1,000 to each outside director for each board meeting attended and paid an additional \$4,500 to the acting chairman of the audit committee.

-7-

REPORT OF THE AUDIT COMMITTEE

As described more fully in its charter, the purpose of the Audit Committee is to assist the Board of Directors in its general oversight of Astralis' financial reporting, internal control and audit functions. Management, not the Audit Committee nor the independent auditor, is responsible for the preparation, presentation and integrity of Astralis' financial statements, accounting and financial reporting principles, internal controls and procedures designed to ensure compliance with accounting standards, applicable laws and regulations. L J Soldinger Associates, Ltd., Astralis' independent auditing firm, is responsible for performing an independent audit of the consolidated financial statements in accordance with U.S. generally accepted auditing standards.

The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent auditor. The Audit Committee acts only in a board-level oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of Astralis' management, which has the primary responsibility for financial statements and reports, and of the independent auditors, who, in their report, express an opinion on the conformity of Astralis' annual financial statements to U.S. generally accepted accounting principles.

Each of the directors who serves on the committee is "independent" for purposes of the NASDAQ listing standards. That is, the board of directors has determined that neither Mr. Pictet nor Mr. Fulda has a relationship with Astralis that may interfere with his independence from Astralis and its management.

Edgar Filing: ASTRALIS LTD - Form DEF 14A

The board of directors has adopted a written charter setting out the audit related functions the committee is to perform and has amended and restated the charter to reflect recent changes in law and applicable regulations of the Securities and Exchange Commission. A copy of the Amended and Restated Audit Committee Charter is attached to this proxy statement as Appendix A.

In connection with the preparation and filing of our Annual Report on Form 10-KSB for the year ended December 31, 2002 the Audit Committee:

- a. reviewed and discussed the audited financial statements with Astralis' management and the independent auditors in separate sessions,
- b. discussed with L J Soldinger Associates, Ltd., Astralis' independent auditors, the matters required to be discussed by Statement of Auditing Standards No. 61 (as modified or supplemented),
- c. received the written disclosures and the letter from L J Soldinger Associates, Ltd. required by Independence Standards Board Standard No. 1 (as modified or supplemented) and discussed the independence of L J Soldinger Associates, Ltd., and

-8-

- d. had private sessions, at each of its meetings in person or telephonically, with Astralis' independent auditors and, separately, with Astralis' financial management team, at which candid discussions of financial management, accounting and internal control issues took place.

Management has reviewed the audited financial statements in the Annual Report with the Audit Committee including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. In addressing the quality for management's accounting judgments, members of the Audit Committee asked for management's representations that the audited consolidated financial statements of Astralis have been prepared in conformity with generally accepted accounting principles.

Based on the review and discussions referred to above, among other things, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Astralis Ltd. Annual Report on Form 10-KSB for the year ended December 31, 2002.

Relationship with SkyePharma

We entered into a Purchase Agreement dated as of December 10, 2001 with SkyePharma PLC, a company incorporated under the laws of England and Wales. Pursuant to the Purchase Agreement, SkyePharma purchased 2,000,000 shares of our Series A Convertible Preferred Stock, par value \$.001 per share, at a purchase price of \$10.00 per share, or an aggregate purchase price of \$20 million. Each

-11-

share of preferred stock issued pursuant to the Purchase Agreement was initially convertible into four shares of common stock at the option of SkyePharma at a conversion price of \$2.50 per share of common stock. The conversion price is subject to multiple adjustments for three years from the date of the Purchase Agreement depending on our stock price maintaining certain levels. The ratio is also subject to anti-dilution protection. However, the conversion ratio will not adjust to a level greater than approximately 50 shares of common stock for each share of preferred stock. On December 10, 2002, the first anniversary date, the conversion price was reset to \$1.60 per share of common stock. If on the second or third anniversary of the original issuance date, the current market price per share of common stock is less than the current conversion price, then the conversion price will be reset to the average closing price of the stock for the ten days prior to the anniversary date. However, the conversion price will not be reset for the second anniversary date lower than the lower of (a) \$1.60 or (b) the price which results from multiplying \$1.60 by a fraction the numerator of which is the then applicable conversion price (taking into account the reset provisions not contingent on stock price and which generally provide anti-dilution protection and ignoring any reset provision related to the first anniversary date) and the denominator of which is \$2.50. The conversion price will not be reset for the third anniversary date lower than the lower of (a) \$0.20 or (b) the price which results from multiplying \$0.20 by a fraction the numerator of which is the conversion price (taking into account the reset provisions not contingent on stock price and which generally provide anti-dilution protection and ignoring any applicable conversion price related to the previous anniversary dates) and the denominator of which is \$2.50. The conversion price will not be reset on the third anniversary date if, prior to that date, the United States Patent and Trademark Office has issued a patent or notice of allowance with claims having substantially the same scope as the patent application filed by Dr. O'Daly and covering a psoriasis vaccine marketed and commercialized by us. Furthermore, the conversion price will not be reset if the average closing price calculated is greater than the conversion price.

As a result of the Purchase Agreement, SkyePharma is the beneficial owner of 25.41% of our outstanding common stock based on our current conversion price. In addition to other rights under the Purchase Agreement, SkyePharma, as the sole holder of shares of our preferred stock, holds the right to elect one member of our board of directors. In the event of a merger or acquisition resulting in a change in control, SkyePharma also has a right to a premium equal to its purchase price for the preferred stock plus 30% of such purchase price per annum commencing on the date of issuance of the preferred stock. Pursuant to the Purchase Agreement, we and certain of our stockholders holding an aggregate of 66.07% of our outstanding common stock executed a Stockholders' Agreement, dated as of December 10, 2001, with SkyePharma, whereby each stockholder agreed to vote its shares of common stock to elect the independent directors nominated by our board of directors and, once SkyePharma no longer owns its preferred

stock, to elect a nominee designated by SkyePharma to our board of directors. We also granted SkyePharma certain registration rights effective as of December 10, 2002 pursuant to a Registration Rights Agreement, dated as of December 10, 2001.

We also entered into two agreements concerning the formulation and development of our initial injectable product candidate, Psoraxine, with SkyePharma. Under the terms of the Technology Access Option Agreement, dated December 10, 2001, we paid to SkyePharma a \$5 million fee for the option to acquire a license for DepoFoam and other relevant drug delivery technologies owned by SkyePharma. The option we received under the Technology Access Option Agreement expires on December 10, 2008. In addition, pursuant to a Service Agreement, dated December 10, 2001, SkyePharma agreed to provide us with development, manufacturing, pre-clinical and clinical development services. We paid SkyePharma \$7,980,000 in 2002 for the services provided. The Service

Agreement terminated on December 31, 2002. We have entered into an Amendment to the Service Agreement with SkyePharma, effective as of January 1, 2003, to extend the term of the Service Agreement and modify the services to be provided by SkyePharma such that SkyePharma will continue to provide certain services to us through December 31, 2004 in consideration for payments made during 2002. In addition, the amendment sets forth milestones expected to be reached during the twenty-four month period following January 1, 2003.
