ITEM 1. SECURITY AND ISSUER:

This Amendment No. 1 to Schedule 13D relates to the common stock, \$0.001 par value per share (the "Shares"), of Workflow Management, Inc., a Delaware corporation ("Workflow"). The principal executive offices of Workflow are located at 240 Royal Palm Way, Palm Beach, Florida 33480. This Amendment No. 1 amends and supplements the Schedule 13D initially filed jointly by Pacific Coast Investment Partners LLC, Pacific Coast Investment Fund, L.P. and Jonathan J. Ledecy (collectively, the "Reporting Persons") on March 24, 2004. The items of the Schedule 13D are further amended and supplemented as set forth below.

ITEM 4. PURPOSE OF TRANSACTION:

In a Schedule 13D filed on March 24, 2004, the Reporting Persons disclosed that they had identified two lending institutions that had proposed to arrange a new revolving credit facility and two new term loan facilities for Workflow (see Exhibit B to the Reporting Person's initial Schedule 13D).

The Reporting Persons were informed by letter dated March 26, 2004 that Bank of America was withdrawing the financing proposal because it "was threatened with a claim that the Bank had accepted an agreement restricting the Bank's ability to provide the proposed financing." The withdrawal letter is attached to this filing as Exhibit E. Shortly after the Reporting Persons received this letter, Workflow issued a release stating that it had received a copy of the withdrawal letter as well. Although the Bank of America letter does not specify who threatened Bank of America, the Reporting Persons believe that it was representatives of Perseus, L.L.C. and/or The Renaissance Group, LLC, the principals controlling WF Holdings, Inc., which has entered the Agreement and Plan of Merger dated as of January 30, 2004 by and among Workflow, WF Holdings, Inc. and WFM Acquisition Sub, Inc. (the "Proposed Merger"), which the Reporting Persons have previously announced that they oppose. The Reporting Persons are unaware of any role that Workflow or any of its representatives may have played in the events leading to the withdrawal of Bank of America's financing proposal.

The Reporting Persons are currently investigating all facts involved in the withdrawal of the financing proposal by Bank of America, including the apparent receipt of the withdrawal letter by Workflow nearly concurrently with its delivery to the Reporting Persons (which was unexpected given that the letter did not indicate that Workflow or any other persons were copied), and are evaluating the legal remedies and responses the Reporting Persons may have against any of the involved parties.

Subsequent to receiving the Bank of America letter, the Reporting Persons (i) secured a proposal from a new institutional lender (LaSalle Business Credit) to provide Workflow with a new senior revolving credit facility and term loan in the maximum combined amount of \$115 million to replace the previously proposed Bank of America financing facilities in the identical amount, and (ii) confirmed that Silver Point Finance intends to provide Workflow with its proposed \$60 million junior "Term B" loan on the same terms it had previously proposed in combination with Bank of America. The LaSalle proposal letter is attached hereto as Exhibit G, and the Silver Point Finance proposal letter is attached hereto as Exhibit H, each of which are incorporate herein by reference.

CUSIP No. 98137N109

As set forth more fully in the letter dated March 29, 2004, from PCI Partners to the Board of Directors of Workflow, a copy of which is attached hereto as Exhibit F and is incorporate herein by reference, the Reporting Persons informed the Board that the Company's press release of Friday, March 26 concerning the withdrawal of Bank of America's financing proposal was incomplete and misleading. In its letter to the Workflow Board, PCI Partners accused the Board of Directors of a breach of their fiduciary obligations to Workflow's shareholders and stated that Workflow's Board failed to disclose the true reason for Bank of America's rescission of its financing proposal. PCI Partners also stated that Workflow's Board did not disclose that Bank of America's withdrawal was personal to it, and did not impact the continuing interest of Silver Point Finance, LLC in providing its previously proposed \$60 million junior "Term B" loan to Workflow in combination with a new potential senior lender to replace Bank of America. The Reporting Persons urged the Workflow Board to work with the Reporting Persons to timely refinance and recapitalize the company prior to the scheduled maturity date of its existing bank debt and to withdraw its support of the Proposed Merger.

The Reporting Persons continue to believe that Proposed Merger is not in the best interests of Workflow and its shareholders and intend to continue to oppose it. The Reporting Persons believe that a refinancing and recapitalization of Workflow is a better alternative and believe that such a transaction remains viable. As set forth in Exhibit A to the Reporting Persons' initial Schedule 13D, the Reporting Persons believe that existing shareholders (and others) are prepared to invest an aggregate of \$30 million in new equity into Workflow, subject to defeat of the Proposed Merger and refinancing of the Company's existing indebtedness.

The Reporting Persons filed a press release on March 29, 2004 to announce the new financing proposal and the other events listed above. A copy of the press release is attached hereto as Exhibit I and is incorporate by reference herein.
