OVERVIEW

CyberAds, Inc., a Florida corporation ("CYAD" or the "Company"), was organized on April 12, 2000, under the laws of the State of Florida. On August 10, 2005 the Company changed domiciles to Nevada. We initially compiled member lists through an Internet based opt in email list and marketed cellular phone services through an affiliate program. Our affiliate program worked by paying participating third party web sites commissions for referring cellular phone customers to our "freecellular.com" website. A third party website would receive a commission if a customer it refers to us purchases a cellular phone or cellular service. All of our revenues during 2004 were derived from our cellular phone marketing services. In December 2004, we determined that our previously announced acquisition of a 22% interest in The Vineyards Country Club ("The Vineyards") would not be completed due to due diligence items discovered during our review that management determined were too risky and not in the best interest of our over business development strategy.

During 2004, we focused on reviewing potential business models in both the Internet and real estate sectors for the possible acquisition of a business opportunity. After considerable review, we determined our Internet business model on cellular phones was not profitable and we discontinued active marketing via third party affiliate web sites. We have remained in the cellular phone business through a telemarketing agreement with a third party affiliate that is compensated only on sales of cellular services after confirmation by our third party fulfillment center. The telemarketing agreement model has reduced our liability on cancellations and returns as we now are paid on net sales after the termination period has passed. As of 2005 we discontinued marketing of cellular phones. During 2004, we became involved with the extreme sports industry through an affiliation with Aqua Xtremes Inc. and their product XBoard to assist with development of Aqua Xtremes web site for consumers and Distributors. Aqua Xtremes designs, manufactures and markets personal water sports equipment. Its most notable product is the Xboard, a jet-powered personal watercraft. During the course of our investigation and research for the web site, we developed a sales and marketing plan that has subsequently been adopted by Aqua Xtremes. We have entered into a letter agreement with Aqua Xtremes to provide sales and marketing support both online and for the development of the distribution network in North America. We plan to develop a network of distributors and dealers for Aqua Xtremes and implement a strategic marketing plan that we expect will provide revenues as Aqua Xtremes begins delivery of the XBoard. To maximize this opportunity, we will expect to enter into contracts with consultants for the representation and recruitment of distributors and dealers. We anticipate that we will be involved in the development of additional product lines and services for extreme sports market.

During 2005, we expanded our involvement with extreme sports products and secured relationships with Rhino Off Road Industries, and Planet X TV. These relationships provide for the Company to market and develop distribution, dealers, and advertisers, and are compensated through commissions based on successful recruiting of Distributors, Dealers and Advertisers to each company. During 2005 we were focused on development stage activities on both Rhino and Planet X. As of December 31, 2005 XBoard has not been released for sale to consumers or Distributors.

GOVERNMENT REGULATION

At present, there are no specific regulations or approvals required by or from the Federal Government or state agencies for marketing the extreme sports products we offer over the Internet. We are aware of no proposed regulations that may have an effect upon our business as a seller of extreme sports products.

Edgar Filing: CYBERADS INC - Form 10KSB/A

Laws and regulations that apply to Internet communications, commerce and advertising are becoming more prevalent. These regulations could affect the cost of communicating on the Internet and negatively affect the demand for our direct marketing solutions or otherwise harm business. Laws and regulations may be adopted covering issues such as user privacy, pricing, libel, acceptable content, taxation, and quality of products and services. This legislation could hinder growth in the use of the Internet generally and decrease the acceptance of the Internet as a communications, commercial, and direct marketing medium. The laws governing the Internet remain largely unsettled, even in areas where there has been some legislative action. It may take years to determine whether and how existing laws apply to the Internet and Internet advertising. In addition, the growth and development of the market for Internet commerce may prompt calls for more stringent consumer protection laws, both in the United States and abroad. This may impose additional burdens on companies conducting business over the Internet.

PERSONNEL

As of the date of this report, we have two full time employee as well as a number of part time relationships with contractors for certain services. None of CYAD's personnel are covered by collective bargaining agreements.

ITEM 2. PROPERTIES

During 2005, our offices were located in a 2,000 square foot facility located at 370 Amapola, Suite 202, Torrance, California. We do not own any real property.

ITEM 3. LEGAL PROCEEDINGS

None.

ITEM 4. SUBMISSION OF MATTERS TO VOTE OF SECURITY HOLDERS Effective August 19, 2005, the Registrant amended its Articles of Incorporation to increase its authorized capital stock to 500 million shares of common stock. In addition, effective August 10, 2005, the Registrant changed its state of incorporation from Florida to Nevada. These actions were taken pursuant to the consent action of the holder of the majority voting power of the Registrant. An Information Statement pursuant Regulation 14C under the Securities Exchange Act of 1934. was furnished to all of the Company's shareholders in connection with the consent action taken.

PART II

ITEM 5. Market for Common Equity, Related Stockholder Matters and Small Business Issuer Purchases of Equity Securities

The principal United States market for our common stock is the OTC Bulletin Board. The following are the high and low closing sale prices for our common stock for each quarter during the previous two years.

	HIGH	LOW

The above prices presented are bid prices that represent prices between broker-dealers and do not include retail mark-ups and markdowns for any commissions paid to the dealer. These prices may not reflect actual transactions.

The Company has not paid any dividends

There are 72 shareholders of record as May 17, 2006 holding 132,846,915 shares of common stock.

ITEM 6. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

Management's discussion and analysis contains various forward-looking statements within the meaning of the Securities and Exchange Act of 1934. These statements consist of any statement other than a recitation of historical fact and can be identified by the use of forward looking terminology such as "may", "expect", "anticipate", "estimates", or "continue" or use of negative or other variations of comparable terminology. We caution that these statements are further qualified by important factors that could cause actual results to differ materially from those contained in our forward looking statements, that these forward looking statements are necessarily speculative, and there are certain risks and uncertainties that could cause actual events or results to differ materially from those referred to in our forward looking statements.

Management's discussion and analysis should be read in conjunction with the financial statements and the notes thereto.

OVERVIEW

CyberAds did not record revenues during 2005. We discontinued the third party affiliate sales of Cellular phones and services during 2004, and discontinued all cellular sales in 2005 due to the financial losses inherent with the commission structure paid to third party affiliates. The affiliates commission was earned on "leads" provided, rather than on sales made, therefore the cancellations and returns on cellular phones were not recouped from the third party affiliate and the losses became CyberAds expense. During 2005 we focused on developing a new business plan in the extreme sports sector and marketing of its lifestyle. We engaged with three primary products during 2005, XBoard, Rhino, and Planet X TV.

RELATED PARTIES AND RELIANCE ON CERTAIN PROVIDERS We rely on the manufacturers of XBoard, Rhino, and Planet X TV for the inventory and production of products specific to our reselling rights.

RECENT EVENTS

As noted above we entered into relationships with Aqua Xtremes, Inc., and its products XBoard, whereby the company was provided exclusive rights to resell distribution and dealers within a defined territory. During 2005 we developed a resell relationship with Rhino Off Road Industries whereby the company would recruit and demonstrate the Rhino product line to Distributors, Dealers, and consumers. During 2005 we developed a relationship with Planet X TV whereby the company would be compensated for recruiting advertisers and sponsors for the Planet X TV shows.

During 2005 we engaged in multiple negotiations with Internet and Extreme Sports

Edgar Filing: CYBERADS INC - Form 10KSB/A

/ Lifestyle companies on merger and acquisition discussions, as of December 31, 2005 we were not party to any binding letter of intents.

PATENTS AND PROPRIETARY RIGHTS

We do not hold any trademark, copyright or patent protection.

RESULTS OF OPERATIONS

YEARS ENDED DECEMBER 31, 2005 AND 2004

We reported revenues of \$0 and \$303,120 for the years ending December 31, 2005 and 2004, respectively, losses of \$7,783,970 and \$520,520 during the years ended December 31, 2005 and 2004, respectively. The reduction in revenue from 2005 to 2004 is attributed to the change in business plan, and our effort to develop into an extreme sports and lifestyle sector company. The Increase in losses was due to the developmental stage of the company, and the delay in delivering XBoard to the market in 2005.

RESULTS OF OPERATIONS

Twelve months ended December 31, 2005 compared to the twelve months ended December 31, 2004.

				Decrease	
		2005	2004	Amount	Percentage
	Revenue	\$ 0	\$ 303,120	\$ 303,120	- 100%

Revenue for the twelve months ended December 31, 2004 resulted from the sale of Cellular phone plans through Inphonic. In 2005 we discontinued marketing of cellular phones. The Company did not recognize revenue in 2005 for the sales of XBoard, Rhino, or Planet X. In 2005, all efforts were put towards the sales and marketing of XBoard, Rhino, and Planet X, and the recruitment of extreme sports oriented product distribution for which no revenue has been obtained to date.

				Decrease	
		2005	2004	Amount	Percentage
	G&A Expenses	\$ 681,731	\$ 812,824	\$ 131,093	16%

G & A Expenses for the twelve months ended December 31, 2005 resulted from the sale of the XBoard distribution, recruitment of new products, and expenses for consultants and management relating to the extreme sports segment. G&A expenses decreased in 2005 vs 2004 as a result of the discontinuance of sales of cellular phone plans, specifically the cost of administrating the sales.

				Increase

	2005	2004	Amount	Percentage
Marketing Expenses	\$ 5,605,613	\$ 0	\$ 5,605,613	100%

Marketing Expenses for the twelve months ended December 31, 2005 increased due to efforts on securing distribution for XBoard, Rhino, and Planet X TV. Marketing costs include production of TV spots, trade shows, product demonstrations, consultants, and efforts toward recruitment of extreme sports products for the company to resell.

	2005	2004	Amount	Percentage
Selling Expenses	\$ 1,412,253	\$ 0	\$ 1,412,253	100%

Selling Expenses for the twelve months ended December 31, 2005 increased as a result of additional management and consulting expenses primarily in an effort to represent additional business opportunities, and present distribution opportunities of XBoard, Rhino, and Planet X.

	2005	2004	Amount	Percentage
Other Income	\$ 5,430	\$ 4,847	\$ 583	12%

Other Income for the twelve months ended December 31, 2005 was derived by a marketing activity related to a promotion on a product line.

	2005	2004	Amount	Percentage
Gain on Forgiveness of debt	\$ 2,500	\$ 0	\$ 2,500	100%

Gain on Forgiveness of debt for the twelve months ended December 31, 2005 was provided through forgiveness of debt by note holder at time of conversion.

Interest Expense	\$ 78,132	\$ 15,663	\$ 62,469	398%
	=====	=====	=====	=====

Interest expense for the twelve months ended December 31, 2005 increased to \$78,132 versus \$15,663 in 2004. The increase of \$62,469 was attributable to interest on notes to related parties, and advances from stockholder.

			Increase	
	2005	2004	Amount	Percentage
Loss on Abandonment Of Assets	\$14,171	\$0	\$14,171	100%
	=====	=====	=====	=====

Loss on Abandonment of Assets for the twelve months ended December 31, 2005 increased by \$14,171 over year end 2004. The Company abandoned fixtures, furnishings and equipment in its Florida offices upon its relocation to offices in California. The equipment abandoned was miscellaneous desks, computer equipment and filing type cabinets.

FINANCIAL POSITION & LIQUIDITY AND CAPITAL RESOURCES

As of December 31, 2005 compared to December 31, 2004:

			As of December 31, 2005 Increase	
	2005	2004	Amount	Percentage
Marketing rights	\$ 210,000	\$ 0	\$ 210,000	100%
	=====	=====	=====	=====

Marketing rights increased as a result of the Company's purchase of rights to resale X-Board dealerships to others.

			As of December 31, 2005 Increase	
	2005	2004	Amount	Percentage
Deferred net Revenue	\$ 172,453	\$ 0	\$ 172,453	100%
	=====	=====	=====	=====

Deferred net revenue consisted of the resale of X-Board dealerships, net of commissions. The X-Board product has not yet come to market. Accordingly, the Company has not recorded the sales as revenue.

LIQUIDITY AND CAPITAL RESOURCES

CYAD has not been profitable and has experienced negative cash flow from operations due to its development stage,

Edgar Filing: CYBERADS INC - Form 10KSB/A

and substantial ongoing investment in development efforts. Consequently, CYAD has been dependent on the sales of equity to fund cash requirements.

ITEM 7. FINANCIAL STATEMENTS

The financial statements of CYAD are included (with an index listing all such statements) in a separate financial section at the end of the Annual Report on Form 10-KSB.

ITEM 8. CHANGES IN AND DISAGREEMENTS WITH ACCOUNTANTS ON ACCOUNTING AND FINANCIAL DISCLOSURE

Effective January 4, 2006, the Registrant's terminated the services of its certifying auditors, Timothy L. Steers, CPA, LLC ("Steers"). During the period of engagement from December 2003, through January 4, 2006, there were no disagreements between the Registrant and Steers on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure which, if not resolved to the satisfaction of Steers would have caused Steers to make reference to the matter in its reports on the Registrant's financial statements, had any such reports been issued. During the period of engagement from December 2003 through September 20, 2005, there were no reportable events as the term described in Item 304(a)(1)(iv) of Regulation S-B. Effective January 6, 2006, the Registrant has engaged Williams & Webster, P.S. Certified Public Accountants, Spokane, Washington, as the Registrant's certifying auditors.

ITEM 8A. CONTROLS AND PROCEDURES

As required by Rule 13a-15 under the Securities Exchange of 1934, within 90 days prior to the filing of this report, we carried out an evaluation of the effectiveness of the design and operation of our disclosure controls and procedures. This evaluation was carried out under the supervision and with the participation of our management, principally our President and Chief Executive Officer. Based on that evaluation, we concluded that our disclosure controls and procedures are effective. There have been no significant changes in our internal controls subsequent to the date we carried out our evaluation. Disclosure controls and procedures are controls and other procedures that are designed to ensure that information required to be disclosed in our reports filed or submitted under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the Securities and Exchange Commission's rule and form. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed in our reports is accumulated and communicated to management.

PART III

ITEM 9. DIRECTORS, EXECUTIVE OFFICERS, PROMOTERS AND CONTROL PERSON; COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT.

INCENTIVE AND NON-QUALIFIED STOCK OPTION PLAN

On November 1, 2001, we adopted a 2001 Incentive and Non-Qualified Stock Option Plan. We have reserved 500,000 shares of our common stock for issuance under the Plan. The Plan authorizes the granting of awards of up to 500,000 shares of common stock to our key employees, officers, directors and consultants. Awards consist of stock options (both nonqualified options and options intended to qualify as incentive stock options under Section 422 of the Internal Revenue Code of 1986), restricted stock awards, deferred stock awards, stock

Edgar Filing: CYBERADS INC - Form 10KSB/A

appreciation rights and other stock-based awards, as described in the Plan.No stock options are outstanding under the Plan at this time The plan is administered by our board of directors which determines the persons to whom awards will be granted, the number of awards to be granted

and the specific terms of each grant, including their vesting schedule, subject to the provisions of the plan. In connection with incentive stock options, the exercise price of each option may not be less than 100% of the fair market value of the common stock on the date of grant (or 110% of the fair market value in the case of a grantee holding more than 10% of our outstanding stock). The aggregate fair market value of shares for which incentive stock options are exercisable for the first time by an employee during any calendar year may not exceed \$100,000. Nonqualified stock options granted under the plan may be granted at a price determined by the board of directors, not to be less than the fair market value of the common stock on the date of grant.

ITEM 11. SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND RELATED STOCKHOLDER MATTERS.

The following table sets forth information known to us, as of the date of this report, relating to the beneficial ownership of shares of common stock by each person who is known by us to be the beneficial owner of more than five percent of the outstanding shares of common stock; each director; each executive officer; and all executive officers and directors as a group. We believe that all persons named in the table have sole voting and investment power with respect to all shares of common stock shown as being owned by them.

Cyberads, Inc.
Torrance, California

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

We have audited the accompanying consolidated balance sheet of Cyberads, Inc. (a development stage company) as of December 31, 2005 and the related consolidated statements of operations, stockholders' deficit and cash flows for the year then ended and for the period from January 1, 2005 (inception of the current development stage) through December 31, 2005. These financial statements are the

Edgar Filing: CYBERADS INC - Form 10KSB/A

responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit. The financial statements of Cyberads, Inc. as of December 31, 2004, were audited by other auditors whose report dated April 7, 2005, except with respect to Note 15 of the December 31, 2004 amended financial statements as to which the date is January 24, 2006, included an explanatory paragraph that described the conditions present which raised substantial doubt about the Company's ability to continue as a going concern.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Cyberads, Inc., as of December 31, 2005 and the results of its operations, stockholders' deficit and its cash flows for the year then ended and for the period from January 1, 2005 (inception of the current development stage) through December 31, 2005 in conformity with accounting principles generally accepted in the United States of America.

The accompanying consolidated financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 2 to the financial statements, the Company has suffered recurring losses and has an accumulated deficit at December 31, 2005. These factors raise substantial doubt about its ability to continue as a going concern. Management's plans in regard to these matters are also described in Note 2. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders of CyberAds, Inc.

We have audited the accompanying consolidated balance sheets of CyberAds, Inc. as of December 31, 2004 and 2003 and the related consolidated statements of

Edgar Filing: CYBERADS INC - Form 10KSB/A

operations, net capital deficiency and cash flows for each of the years in the two-year period ended December 31, 2004. These consolidated financial statements are the responsibility of the company's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of CyberAds, Inc. as of December 31, 2004 and 2003, and the results of its operations and its cash flows for each of the years in the two-year period ended December 31, 2004 in conformity with accounting principles generally accepted in the United States of America.

The accompanying consolidated financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 2 to the consolidated financial statements, the Company had a loss from operations of \$520,520 and a working capital deficiency of \$2,623,105. These matters raise substantial doubt about the Company's ability to continue as a going concern. Management's plans in regards to these matters are also described in Note 2. The consolidated financial statements do not include any adjustments that might result from the outcome of this uncertainty.

As described in Note 15 to the consolidated financial statements, the Company incorrectly reported in 2003 the acquisition of an investment in real estate aggregating \$10,700,000 and common stock to be issued aggregating \$440,000 in transactions that had not yet been completed.

CYBERADS, INC
(A DEVELOPMENT STAGE COMPANY)
CONSOLIDATED NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2005

Edgar Filing: CYBERADS INC - Form 10KSB/A

NOTE 1 - DESCRIPTION OF BUSINESS

Cyberads, Inc, was incorporated on April 12, 2000 in the State of Florida. On August 10, 2005 the Company changed domicile from Florida to Nevada.

The Company provides management and sales support to businesses focused in the Extreme Sports/Lifestyle market segment. The Company earns commissions/fees on securing distribution for the businesses and products it represents. Additionally, the Company will earn commissions when product deliveries are made through the distribution channel. The Company and its management has devoted their attention toward restructuring debt and seeking profitable products in 2005. The Company's year-end is December 31.

As of January 1, 2005, the Company abandoned its previous business plan of marketing cellular phone services and began a new development stage where it intends to provide management and sales support to businesses focused in the Extreme Sports/Lifestyle market segment.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES

This summary of significant accounting policies of Cyberads, Inc, is presented to assist in understanding the Company's financial statements. The financial statements and notes are representations of the Company's management, which is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America, and have been consistently applied in the preparation of the financial statements.

Accounting Method

The Company's financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Advertising Expenses

Advertising expenses consist primarily of costs incurred in the design, development, and printing of Company literature and marketing materials. The Company expenses all advertising expenditures as incurred. The Company's advertising expenses were \$2,337 and \$0 for the years ended December 31, 2005 and December 31, 2004, respectively.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Company considers all highly liquid investments and short-term debt instruments with original maturities of three months or less to be cash equivalents.

Derivative Instruments

The Financial Accounting Standards Board issued Statement of Financial Accounting Standards No. 133, "Accounting for Derivative Instruments and Hedging Activities" (hereinafter "SFAS No. 133"), as amended by SFAS No. 137, "Accounting for Derivative Instruments and Hedging Activities - Deferral of the Effective Date of FASB No. 133", and SFAS No. 138, "Accounting for Certain Derivative Instruments and Certain Hedging Activities", and SFAS No. 149, "Amendment of Statement 133 on Derivative Instruments and Hedging Activities". These statements establish accounting and reporting standards for derivative instruments, including certain derivative instruments embedded in other contracts, and for hedging activities. They require that an entity recognize all derivatives as either assets or liabilities in the balance sheet and measure

Edgar Filing: CYBERADS INC - Form 10KSB/A

those instruments at fair value.

If certain conditions are met, a derivative may be specifically designated as a hedge, the objective of which is to match the timing of gain or loss recognition on the hedging derivative with the recognition of (i) the changes in the fair value of the hedged asset or liability that are attributable to the hedged risk or (ii) the earnings effect of the hedged forecasted transaction. For a derivative not designated as a hedging instrument, the gain or loss is recognized in income in the period of change.

F-10

CYBERADS, INC
(A Development Stage Company)
CONSOLIDATED NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2005

At December 31, 2005 and 2004, the Company has not engaged in any transactions that would be considered derivative instruments or hedging activities.

Development Stage Activities

The Company has been in the development stage since its inception of the current development stage which was January 1, 2005 and has not realized any revenue from operations. It will be engaged by various companies to provide management and sales support to businesses focused in the Extreme Sports/Lifestyle market segment.

Earnings Per Share

The Company has adopted Statement of Financial Accounting Standards No. 128, which provides for calculation of "basic" and "diluted" earnings per share. Basic earnings per share includes no dilution and is computed by dividing net income (loss) available to common shareholders by the weighted average common shares outstanding for the period. Diluted earnings per share reflect the potential dilution of securities that could share in the earnings of an entity similar to fully diluted earnings per share. Although there are common stock equivalents outstanding, they were not included in the calculation of earnings per share because they would have been considered anti-dilutive for the periods presented. At December 31, 2005 and 2004, the Company had 1,900,000 and 2,400,000 potentially dilutive securities outstanding.

Going Concern

As shown in the accompanying financial statements, the Company had negative working capital of approximately \$3,720,000 and an accumulated deficit of approximately \$27,018,000 incurred through December 31, 2005. The Company is currently putting business plans in place which will, if successful, mitigate these factors which raise substantial doubt about the Company's ability to continue as a going concern. The financial statements do not include any adjustments relating to the recoverability and classification of recorded assets, or the amounts and classification of liabilities that might be necessary in the event the Company cannot continue in existence.

Management has established plans designed to increase the sales of the Company's products and decrease debt. These plans will include providing management and sales support to businesses focused in the Extreme/Lifestyle market segment where the Company anticipates earning commissions/fees on securing distribution from business and products it represents.

An estimated \$2 million is believed necessary to continue operations and increase development through the next fiscal year. The timing and amount of

Edgar Filing: CYBERADS INC - Form 10KSB/A

capital requirements will depend on a number of factors, including demand for products and services and the availability of opportunities for international expansion through affiliations and other business relationships. Management intends to seek new capital from new equity securities issuances to provide funds needed to increase liquidity, fund internal growth, and fully implement its business plan.

Fair Value of Financial Instruments

The Company's financial instruments as defined by Statement of Financial Accounting Standards No. 107, "Disclosures about Fair Value of Financial Instruments," include cash, trade accounts receivable, and accounts payable and accrued expenses. All instruments are accounted for on a historical cost basis, which, due to the short maturity of these financial instruments, approximates fair value at December 31, 2005 and December 31, 2004.

F-11

CYBERADS, INC
(A Development Stage Company)
CONSOLIDATED NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2005

Principles of Consolidation

The accompanying consolidated financial statements for 2005 include the accounts of Cyberads and its wholly owned subsidiary IDS Cellular, Inc. ("IDS"). All significant transactions and balances among the companies included in the consolidated financial statements have been eliminated. The operations of IDS are currently idle.

Provision for Taxes

Income taxes are provided based upon the liability method of accounting pursuant to Statement of Financial Accounting Standards No. 109 "Accounting for Income Taxes." Under this approach, deferred income taxes are recorded to reflect the tax consequences in future years of differences between the tax basis of assets and liabilities and their financial reporting amounts at each year-end. A valuation allowance is recorded against deferred tax assets if management does not believe the Company has met the "more likely than not" standard imposed by SFAS No. 109 to allow recognition of such an asset. See Note 4.

Recent Accounting Pronouncements

In March 2006, the Financial Accounting Standards Board issued Statement of Financial Accounting Standards No. 156, "Accounting for Servicing of Financial Assets, an Amendment of FASB Statement No. 140," (hereinafter "SFAS No. 156"). This statement requires an entity to recognize a servicing asset or servicing liability each time it undertakes an obligation to service a financial asset by entering into a servicing contract in any of the following situations: a transfer of the servicer's financial assets that meets the requirements for sale accounting; a transfer of the servicer's financial assets to a qualifying special-purpose entity in a guaranteed mortgage securitization in which the transferor retains all of the resulting securities and classifies them as either available-for-sale securities or trading securities; or an acquisition or assumption of an obligation to service a financial asset that does not relate to financial assets of the servicer or its consolidated affiliates. The statement also requires all separately recognized servicing assets and servicing liabilities to be initially recorded at fair value, if practicable and permits

Edgar Filing: CYBERADS INC - Form 10KSB/A

an entity to choose either the amortization or fair value method for subsequent measurement of each class of servicing assets and liabilities. The statement further permits, at its initial adoption, a one-time reclassification of available-for-sale securities to trading securities by entities with recognized servicing rights, without calling into question the treatment of other available-for-sale securities under Statement No. 115, provided that the available-for-sale securities are identified in some manner as offsetting the entity's exposure to changes in fair value of servicing assets or servicing liabilities that a servicer elects to subsequently measure at fair value and requires separate presentation of servicing assets and servicing liabilities subsequently measured at fair value in the statement of financial position and additional disclosures for all separately recognized servicing assets and servicing liabilities. This statement is effective for fiscal years beginning after September 15, 2006, with early adoption permitted as of the beginning of an entity's fiscal year. Management believes the adoption of this statement will have no immediate impact on the Company's financial condition or results of operations.

In February 2006, the Financial Accounting Standards Board issued Statement of Financial Accounting Standards No. 155, "Accounting for Certain Hybrid Financial Instruments, an Amendment of FASB Standards No. 133 and 140," (hereinafter SFAS No. 155). This statement established the accounting for certain derivatives embedded in other instruments. It simplifies accounting for certain hybrid financial instruments by permitting fair value remeasurement for any hybrid instrument that contains an embedded derivative that would otherwise require

F-12

CYBERADS, INC
(A Development Stage Company)
CONSOLIDATED NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2005

bifurcation under SFAS No. 133 as well as eliminating a restriction on the passive derivative instruments that a qualifying special-purpose entity may hold under SFAS No. 140. This statement allows a public entity to irrevocably elect to initially and subsequently measure a hybrid instrument that would be required to be separated into a host contract and derivative in its entirety at fair value (with changes in fair value recognized in earnings) so long as that instrument is not designated as a hedging instrument pursuant to the statement. SFAS No. 140 previously prohibited a qualifying special-purpose entity from holding a derivative financial instrument that pertains to a beneficial interest other than another derivative financial instrument. This statement is effective for fiscal years beginning after September 15, 2006, with early adoption permitted as of the beginning of an entity's fiscal year. Management believes the adoption of this statement will have no immediate impact on the Company's financial condition or results of operations.

In May 2005, the Financial Accounting Standards Board, issued Statement of Financial Accounting Standards ("SFAS No. 154"), "Accounting Changes and Error Corrections," which replaces Accounting Principles Board Opinion No. 20, "Accounting Changes," and SFAS No. 3, "Reporting Accounting Changes in Interim Financial Statements -- An Amendment of APB Opinion No. 28". SFAS No. 154 provides guidance on accounting for and reporting changes in accounting principle and error corrections. Management believes the adoption of SFAS No. 154 was reported properly in the financial statements ending December 31, 2005.

In December 2004, the Financial Accounting Standards Board issued Statement of Financial Accounting Standards No. 153, "Exchange of Nonmonetary Assets an amendment of ARB Opinion No. 29." This statement addresses the measurement of

Edgar Filing: CYBERADS INC - Form 10KSB/A

exchanges of nonmonetary assets. The guidance in APB Opinion No. 29, "Accounting for Nonmonetary Transactions," is based on the principle that exchanges of nonmonetary assets should be measured based on the fair value of the assets exchanged. The guidance in that opinion, however, included certain exceptions to that principle. This statement amends Opinion 29 to eliminate the exception for nonmonetary exchanges of similar productive assets and replaces it with a general exception for exchanges of nonmonetary assets that do not have commercial substance. A nonmonetary exchange has commercial substance if the future cash flows of the entity are expected to change significantly as a result of the exchange. Management believes the adoption of this statement had no immediate impact on the financial statements of the Company.

In December 2004, the Financial Accounting Standards Board issued to Statement of Financial Accounting Standards No. 123 (R), "Accounting for Stock Based Compensation" (hereinafter "SFAS No. 123 (R)"). This statement supersedes APB Opinion No. 25, "Accounting for Stock Issued to Employees," and its related implementation guidance. This statement establishes standards for the accounting for transactions in which an entity exchanges its equity instruments for goods or services. It also addresses transactions in which an entity incurs liabilities in exchange for goods or services that are based on the fair value of the entity's equity instruments or that may be settled by the issuance of those equity instruments. This statement focuses primarily on accounting for transactions in which an entity obtains employee services in share-based payment transactions. This statement does not change the accounting guidance for share-based payment transactions with parties other than employees provided in SFAS No. 123. This statement does not address the accounting for employee share ownership plans, which are subject to AICPA Statement of Position 93-6, "Employers' Accounting for Employee Stock Ownership Plans." The Company has determined that there was no impact to its financial statements from the adoption of this statement, as the Company has been reporting its option grants under SFAS No. 123 (R).

F-13

CYBERADS, INC
(A Development Stage Company)
CONSOLIDATED NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2005

In November 2004, the Financial Accounting Standards Board issued Statements of Financial Accounting Standards No. 151, "Inventory Costs-- an amendment of ARB No. 43, Chapter 4." This statement amends the guidance in ARB No. 43, Chapter 4, "Inventory Pricing," to clarify the accounting for abnormal amounts of idle facility expense, freight, handling costs, and wasted material (spoilage). Paragraph 5 of ARB 43, Chapter 4, previously stated that ". . . under some circumstances, items such as idle facility expense, excessive spoilage, double freight, and rehandling costs may be so abnormal as to require treatment as current period charges. . . ." This statement requires that those items be recognized as current-period charges regardless of whether they meet the criterion of "so abnormal." In addition, this statement requires that allocation of fixed production overheads to the costs of conversion be based on the normal capacity of the production facilities. Management does not believe the adoption of this statement will have any immediate material impact on the Company as the Company maintains no inventory.

Reclassifications

Certain amounts from prior periods have been reclassified to conform to the current period presentation. This reclassification has resulted in no changes to the Company's accumulated deficit or net losses presented.

Edgar Filing: CYBERADS INC - Form 10KSB/A

Revenue Recognition

The Company will recognize revenue from contracts (1) upon actual sale (disposition) of such contracts and (2) upon actual cash collections for ongoing contracts. With these two types of revenue sources, revenue will thereby be recorded when there is persuasive evidence that an arrangement exists, services have been rendered, the contract price is determinable, and collectibility is reasonably assured (or, in the case of ongoing contracts, actually collected).

Use of Estimates

The process of preparing financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues, and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

NOTE 3 - BANK OVERDRAFTS

Bank overdrafts consist of checks written in excess of funds on deposit. The underlying bank is used as an imprest account with automatic transfers from the Company's general account as checks are presented.

NOTE 4 - INCOME TAXES

At December 31, 2005, the Company had net deferred tax assets calculated at an expected rate of 34% of approximately \$27,018,516 principally arising from net operating loss carryforwards for income tax purposes. As management of the Company cannot determine that it is more likely than not that the Company will realize the benefit of the net deferred tax asset, a valuation allowance equal to the net deferred tax asset has been established at December 31, 2005. The significant components of the deferred tax asset at December 31, 2005 and 2004 were as follows:

	=====	=====

At December 31, 2005, the Company has net operating loss carryforwards of approximately \$27,018,000 which expire in the years 2015 through 2021. The

Edgar Filing: CYBERADS INC - Form 10KSB/A

change in the allowance account from December 31, 2005 and December 31, 2004 was \$2,609,000. For federal income tax purposes certain expenses may be required to be capitalized and amortized over five years, which would only affect the timing of the available losses.

NOTE 5 - CAPITAL STOCK

Preferred Stock

The Company is authorized to issue 5,000,000 shares of preferred stock with a par value of \$0.001. As of December 31, 2005 the company has issued 833,555 shares of preferred A, and 1,000,000 shares of preferred B.

On June 26, 2005, the Company issued 1,000,000 shares of its preferred class B stock in exchange for partial payment of accrued salary to an officer of the Company. The shares were measured at \$0.10, which was a fair price average during the period of accrual. The Company recorded a reduction in accrued salary liability as a result of this issuance. Each share of Series B preferred is entitled to 100 votes per share.

Common Stock

The Company is authorized to issue 500,000,000 shares of common stock. All shares have equal voting rights, are non-assessable and have one vote per share. Voting rights are not cumulative and, therefore, the holders of more than 50% of the common stock could, if they choose to do so, elect all of the directors of the Company.

During the year ended December 31, 2005, the Company issued 99,626,000 shares of its common stock in exchange for consulting services for approximately \$6,946,000. The services were measured at the fair market value of the shares received.

During the year ended December 31, 2005, the Company issued 500,000 shares of its common stock in exchange for debt of \$60,000 and recorded a gain to forgiveness of debt of \$2,500 for this exchange. The services were measured at the fair market value of the shares received.

On May 19, 2004, the Company issued 50,000 shares of its common stock to a former officer of the Company in lieu of compensation. The shares were valued at \$1.59, the closing bid price of the Company's common stock on the date of issuance. The Company recorded compensation expense of \$79,500 as a result of the issuance.

On August 31, 2004, the Company issued 2,000,000 shares of its common stock to a major shareholder of Novanet Media, Inc. in exchange for consulting services. The shares were measured at the value of the services received because management of the Company considered that value to be a more reliable measure than the fair value of the common stock issued. The Company recorded professional fees of \$250,000 as a result of the issuance.

On November 1, 2004, the Company issued 300,000 shares of its common stock in exchange for consulting services. The shares were measured at the value of the services received because management of the Company considered that value to be a more reliable measure than the fair value of the common stock issued. The Company recorded professional fees of \$57,000 as a result of the issuance.

CYBERADS, INC
 (A Development Stage Company)
 CONSOLIDATED NOTES TO THE FINANCIAL STATEMENTS
 DECEMBER 31, 2005

In April 2004, the Company agreed to indemnify a former officer of the Company for any loss he sustained in a settlement reached with a cellular phone service provider against IDS and him personally. Under the indemnification, the Company was obligated to pay an aggregate of \$72,261 in installments of \$5,000 each on or before August 1, 2004 and September 1, 2004 with the balance due October 1, 2004. The indemnification had no effect on the accompanying financial statements as the amount owed to the cellular phone service provider was previously recorded as accounts payable in the records of IDS. The Company is currently in negotiations with an individual who has threatened a lawsuit against the Company, a former officer and a cellular phone service provider. The Company has offered to issue the individual 250,000 shares of common stock to settle any claims he may have against the Company. This individual has verbally accepted the settlement offer. The offer had no effect on the accompanying consolidated financial statements as consulting services totaling \$27,500 owed this individual was previously recorded as accounts payable in the records of Cyberads. The Company has reserved 250,000 shares of common stock to be issued under this settlement offer.

A claim against the Company of approximately \$500,000 has been threatened by the Creditors Committee of World Com. The Company does not believe that they owe the amount and intends to vigorously defend the claim. The claim has not been pursued and the Company is not subject to any legal action pursuing this claim. Any claims would have been offset by counter balancing claims of the Company concerning funds owed to Cyberads for its prior trade relationship with World Com. The claim has not been recorded in the accompanying consolidated financial statements due to the uncertainty of the matter.

NOTE 8 - LOAN PAYABLE

Notes payable consisted of the following at December 31:

	=====	=====

As of December 31, 2005, the Company had accrued \$60,195 of interest for related party notes payable.

NOTE 10 - CONVERTIBLE DEBT

Loans payable - convertible debentures consist of unsecured loans from two individuals whereby the principal of the note is convertible into the Company's common stock at the option of the holder. Interest on borrowings is payable quarterly at a rate of 20% per annum. The notes were originally convertible on or after May 13, 2003 at a conversion rate of 75% of the closing bid price of the Company's common stock one trading day prior to conversion. The beneficial conversion feature of the convertible debentures was valued at \$20,000 on the date of issuance and was amortized over the original one-year life of the debentures.

The due date of the convertible debentures was extended to February 13, 2004. In consideration for the extension, the repayment of one of the notes was increased by \$5,000 representing additional interest and the Company issued the holders an aggregate of 26,000 shares of its common stock for unpaid interest.

The notes were due in installments of \$15,000 on November 13, 2003, \$13,750 on December 13, 2003 and January 13, 2004, with final payment due February 13,

2004. The Company is currently in default with respect to the agreement. Interest expense was approximately \$4,000 for the year ended December 31, 2004. These loans were converted to common stock in February 2005.

NOTE 11 - CORRECTION OF AN ERROR

During 2005 the accompanying financial statements for December 31, 2004, were restated to correct an error in the accounting for an investment in real estate that was determined not to be in the best interest of the Company . The effect of the restatement was to decrease previously reported total assets and net capital deficiency by \$10,700,000. They have also been restated to correct an error in accounting for an issuance of common stock in payment of a payable. The effect of the restatement was an increase of \$440,000 in previously reported current liabilities, and a decrease of \$440,000 in previously reported net capital deficiency, and a decrease of \$440,000 of previously reported net cash provided by operating activities. The adjustments did not have any effect on previously reported net loss or net loss per share.
