PROXY STATEMENT

Our Board of Directors is sending you this proxy statement to ask for your vote as a shareholder of Associated Estates Realty Corporation on certain matters to be voted on at the upcoming annual meeting of shareholders, which will be held at The Forum, One Cleveland Center, 1375 E. Ninth St., Cleveland, Ohio 44114, on Wednesday, May 3, 2006, at 10:00 a.m., local time. We are mailing this proxy statement and the accompanying notice and proxy, along with our Annual Report to Shareholders, on or about April [5], 2006.

ABOUT THE MEETING

What Is the Purpose of the Annual Meeting of Shareholders?

At the Company's annual meeting of shareholders, shareholders will act upon matters outlined in the accompanying notice of meeting, including the election of seven directors, a proposal to amend the Company's Code of Regulations to allow the Company to notify shareholders of record of shareholder meetings by electronic or other means of communication authorized by the shareholder; a proposal to amend the Company's Code of Regulations to allow shareholders and others entitled to vote at annual meetings of shareholders to appoint proxies by electronic or other verifiable communications and a proposal to ratify the selection of PricewaterhouseCoopers LLP as the Company's independent accountants for the Company's fiscal year ending December 31, 2006. We are not aware of any other matter that will be presented for your vote at the meeting.

Who Is Entitled to Vote?

Only shareholders of record at the close of business on the record date, March 15, 2006, are entitled to receive notice of and to vote the common shares that they held on the record date at the meeting, or any postponement or adjournment of the meeting. Each outstanding common share entitles its holder to cast one vote on each matter to be voted on. As of the record date, the Company had outstanding 17,037,738 common shares.

Who Can Attend the Meeting?

Only shareholders as of the record date, or their duly appointed proxies, may attend the meeting. Please note that if you hold your shares in [street name] (that is, through a broker or other nominee), your name does not appear in the Company's records, and you will need to bring a copy of your brokerage statement reflecting your ownership of common shares as of the record date.

When and Where Is the Meeting?

The meeting will be held at The Forum, One Cleveland Center, 1375 E. Ninth St., Cleveland, Ohio 44114, on Wednesday, May 3, 2006, at 10:00 a.m., local time. Parking is available at One Cleveland Center. You can enter the parking garage from either St. Clair Ave. or Rockwell Ave. There will be a fee of approximately \$9.50 charged for parking in that garage. If that garage is full, there are other parking facilities within walking distance of One Cleveland Center.

1

What Constitutes a Quorum?

The presence at the annual meeting of shareholders, either in person or by proxy, of the holders of a majority of the common shares outstanding on the record date will represent a quorum, permitting the conduct of business at the meeting. Proxies received by the Company but marked as abstentions or broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting for purposes of establishing a quorum.

What Vote is Required to Approve each Proposal Assuming that a Quorum Is Present at the Annual Meeting of Shareholders?

Proposal One: Election of Directors. The seven director nominees who receive the greatest number of affirmative votes will be elected directors, and abstentions and broker non-votes will not count for or against any nominee for director.

Proposal Two: Amendment of the Company's Code of Regulations to Allow the Company to Notify Shareholders of Record of Shareholder Meetings by Electronic or Other Means of Communication Authorized by the Shareholder. If you do not provide instructions to your broker, it will have the same effect as a vote against Proposal Two. The Company's Code of Regulations may be amended by the affirmative vote of the holders of common shares entitling them to exercise a majority of the voting power of the Company on such proposal, and abstentions and broker non-votes will effectively be votes against such proposal.

Proposal Three: Amendment of the Company's Code of Regulations to Allow Shareholders and Others Entitled to Vote at Shareholder Meetings to Appoint Proxies by Electronic or Other Verifiable Communications. If you do not provide instructions to your broker, it will have the same effect as a vote against Proposal Three. The Company's Code of Regulations may be amended by the affirmative vote of the holders of common shares entitling them to exercise a majority of the voting power of the Company on such proposal, and abstentions and broker non-votes will effectively be votes against such proposal.

Proposal Four: Ratification of the Selection of PricewaterhouseCoopers LLP as the Company's Independent Accountants. The Audit Committee plans to reappoint PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm to audit our financial statements for calendar year 2006. Although ratification is not required, the Board is submitting this appointment to our shareholders for ratification as a matter of good corporate practice. See page 18 under [Proposal Four] for additional information.

How Do I Vote?

If you sign, date and return the enclosed proxy card, the common shares represented by your proxy will be voted as you specify in the proxy. If you return a signed and dated proxy, but do not make any such specification, the common shares represented by your proxy will be voted to elect the directors set forth under the caption "ELECTION OF DIRECTORS" and in favor of Proposal Two, Proposal Three and Proposal Four.

You may revoke or change your vote at any time before your proxy has been exercised by filing a written notice of revocation or a duly executed proxy bearing a later date with the Company at the Company's principal address indicated on the attached Notice of Annual Meeting of Shareholders, or by giving notice of revocation to the Company in open meeting. However, your presence at the annual meeting of shareholders alone will not be sufficient to revoke your previously granted proxy.

How Will the Proxy Solicitation Be Conducted?

This solicitation of proxies is made by and on behalf of the Board of Directors. The cost of the solicitation of your proxy will be borne by the Company. In addition to solicitation of proxies by mail and electronically, officers

2

and regular employees of the Company may solicit proxies in person, by telephone or facsimile. These officers and employees will not receive any additional compensation for their participation in the solicitation. The Company has also retained Georgeson Shareholder Communications Inc. at a cost not to exceed \$9,000, plus reimbursement of expenses, to assist in the solicitation of proxies.

PROPOSAL ONE: ELECTION OF DIRECTORS

At the annual meeting of shareholders, unless you specify otherwise, the common shares represented by your proxy will be voted to re-elect Messrs. Adams, Delaney, Friedman, Gibbons, Milstein and Schwarz and, to elect for the first time, Mr. Schoff. Each director elected will serve until the next annual meeting of shareholders and until his successor is elected and qualified.

If for any reason any of the nominees is not a candidate at the time of the election (which is not expected), the common shares represented by your proxy will be voted for the election of a substitute nominee designated by the Board of Directors as recommended by the Nominating and Corporate Governance Committee.

The following table contains information with respect to each nominee:

Nominees for Election at the Annual Meeting of Shareholders

Name	Age	Principal Occupation	Director Since
Albert T. Adams	55	Partner, Baker & Hostetler LLP	1996

Business Experience of Directors

Albert T. Adams has been a partner of the law firm of Baker & Hostetler LLP in Cleveland, Ohio, since 1984, and has been associated with the firm since 1977. Mr. Adams is a director of Boykin Lodging Company, a real estate investment trust.

James M. Delaney has served as a consultant to AON Risk Services, a risk management firm, since 1997. Mr. Delaney served as office managing partner of Deloitte & Touche, Cleveland, Ohio, from 1989 until his retirement in June 1997, having joined its predecessor firm in 1958.

Jeffrey I. Friedman has been Chairman of the Board and Chief Executive Officer of the Company since its organization in July 1993, and served as the Company's President from the Company's organization to February 2000 and again since December 2002. In 1974, Mr. Friedman joined the Company's predecessor, Associated Estates Corporation, an owner and manager of multifamily residential apartment communities. Mr. Friedman is the brother-in-law of Mark L. Milstein.

Mr. Gibbons has been the Senior Managing Director and Principal of Brown Gibbons Lang & Company L.P., a Cleveland-based investment banking firm, since its inception in 1989. Mr. Gibbons is a member of the Board of Directors of Lesco, Inc. and is Chairman of Lesco's Audit Committee.

3

Mark L. Milstein has been a project manager for J. Holden Construction, a construction company, since 1999. Mr. Milstein was President of Adam Construction Company, a general contractor, from 1993 to 1999 and a Senior Project Manager for Adam Construction Company from 1988 to 1993. Mr. Milstein is the brother-in-law of Jeffrey I. Friedman.

James A. Schoff has served as special advisor to the CEO of Developers Diversified Realty Corporation (["DDR"]), a shopping center real estate investment trust, since 2004. Mr. Schoff also served as Executive Vice President and Chief Operating Officer of DDR from 1993 to 1998, Vice Chairman and Chief Investment Officer of DDR from 1998 to 2002, and Senior Investment Officer of DDR from 2002 to 2003.

Richard T. Schwarz has been a limited partner of Edgewater Capital Partners, a private equity investment firm, and a member of its board of operating advisors since July 2003. In 1998, he co-founded Sycamore Partners LLC, a Cleveland-based investment and advisory firm focused on investing in businesses in northeast Ohio. Prior to forming Sycamore, he was Director and President of Laurel Industries, Inc., a privately held chemical manufacturer and a subsidiary of Occidental Petroleum Corporation. Mr. Schwarz is also a director Enpath Medical, Inc., a manufacturer of medical devices.

How Often Did the Board Meet During 2005?

The Board of Directors held five meetings in 2005. In 2005, each member of the Board of Directors attended at least 75 percent of the meetings of the Board of Directors and the committees of which he was a member. The Company has a policy requiring director attendance at all Board of Directors meetings, absent unusual circumstances. The Company expects its directors to attend the annual meeting of shareholders (which is usually held the same day as a meeting of the Board of Directors), and all of the Company's directors serving at the time attended the 2005 annual meeting of shareholders.

How Are Directors Compensated?

Employees of the Company who are also directors are not paid any director fees. In 2005, compensation for non-employee directors included the following:

- An annual retainer fee of \$30,000, paid on a quarterly basis;
- An additional annual retainer fee of \$5,000, paid on a quarterly basis, to the respective Chairs of the Executive Compensation, Finance and Planning and the Nominating and Corporate Governance

Committees;

- An additional annual retainer fee, paid on a quarterly basis, to the Chair of the Audit Committee, which on May 4, 2005, was increased from \$5,000 to \$7,500;
- An additional annual retainer of \$2,500, paid on a quarterly basis, to the lead director; and
- Reimbursement of expenses related to attending Board of Directors and committee meetings.

Non-employee directors are also eligible for restricted share grants and option grants, which may be awarded from time to time by the Board of Directors. Messrs. Adams, Delaney, Gibbons, Milstein, Mosier and Schwarz each received a restricted share grant of 3,000 shares on May 4, 2005.

Non-employee directors may defer all or a portion of their fees (and restricted share grants) under the Company's Directors' Deferred Compensation Plan. The plan is unfunded, and participants' contributions are converted to units, which fluctuate in value according to the market value of the Company's common shares. As of December 31, 2005, Mr. Adams held 51,995.9 units, Mr. Delaney held 25,563.0 units, Mr. Gibbons held 4,606.5 units and Mr. Schwarz held 17,280.0 units under the plan valued at approximately \$470,043, \$231,090, \$41,643 and \$156,211, respectively.

The Company adopted share ownership guidelines for members of the Board of Directors. The guidelines provide that each director own Company common shares or common share equivalents having a value at least equal to such director's annual retainer (including committee retainers) and that once achieved such guidelines shall be deemed to have been satisfied without regard to any fluctuation in value in the Company's common shares. All current directors of the Board have met this ownership guideline.

4

The Board of Directors recommends that the shareholders vote FOR the nominees for election set forth above.

CORPORATE GOVERNANCE

The Board of Directors adopted Corporate Governance Guidelines to assist the Board of Directors in the exercise of its responsibilities and to serve the best interests of the Company and its shareholders. A copy of the Company's Corporate Governance Guidelines is posted on the Company's web site www.aecrealty.com, under "Investor Relations."

Codes of Ethics

Code of Ethics for Senior Financial Officers. The Company has a Code of Ethics for Senior Financial Officers that applies to the principal executive officer, principal financial officer and director of financial reporting (collectively, "Senior Financial Officers") of the Company. The code requires Senior Financial Officers to act with honesty and integrity; to endeavor to provide information that is full, fair, accurate, timely and understandable in all reports and documents that the Company files with, or submits to, the Securities and Exchange Commission ("SEC") and other public filings or communications made by the Company; to endeavor to comply faithfully with all laws, rules and regulations of federal, state and local governments and all applicable private or public regulatory agencies; to proactively promote ethical behavior among peers and subordinates in the workplace and to promptly report to the Audit Committee any violation or suspected violation of the code. The code is posted on the Company's web site www.aecrealty.com, under "Investor Relations." Any waiver of any provision of the code granted to a Senior Financial Officer may only be made by the Audit Committee or the Board of Directors and will be promptly disclosed in a filing on Form 8-K with the SEC or, subject to satisfaction of any condition established by the SEC, by posting on the Company's web site.

Code of Business Conduct and Ethics. The Company has a Code of Business Conduct and Ethics that applies to all employees, officers and directors of the Company. The code includes provisions covering compliance with laws and regulations, insider trading practices, conflicts of interest, confidentiality, protection and proper use of Company assets, accounting and recordkeeping, corporate opportunities, fair competition and fair dealing, business gifts and entertainment, payments to government personnel and the reporting of illegal or unethical

behavior. The code is posted on the Company's web site www.aecrealty.com, under "Investor Relations." Any waiver of any provision of the code granted to an executive officer or director may only be made by the Board of Directors or a Committee of the Board authorized to do so and will be promptly disclosed as required by applicable laws or NYSE listing standards.

Independent Directors

The Board has determined that all of the nominees for director, except for Messrs. Friedman and Milstein, are "independent directors" within the meaning of the NYSE listing standards. Albert T. Adams is a partner in the law firm of Baker & Hostetler LLP, which has provided (and is expected to continue providing) legal services to the Company; however, the Board affirmatively determined that Mr. Adams is an "independent director" within the meaning of the NYSE listing standards and that his relationship with the Company does not interfere with his exercise of independent judgment as a director. James M. Delaney is a consultant to Aon Risk Management Services, which is a vendor of the Company; however, the Board affirmatively determined that Mr. Delaney is an "independent director" within the meaning of the NYSE listing standards and that his relationship with Aon Risk Management Services does not interfere with his exercise of independent judgment as a director.

Executive Session

The non-management directors of the Board regularly meet in executive session without management. Mr. Schwarz currently serves as lead director. The lead director serves as a liaison between the Chairman of the Board and other directors and presides at meetings of nonmanagement directors.

5

What Committees Has the Board Established?

The Board of Directors has an Audit Committee, an Executive Committee, an Executive Compensation Committee, a Finance and Planning Committee and a Nominating and Corporate Governance Committee. All of the members of the Board's Audit, Executive Compensation and Nominating and Corporate Governance Committees are independent directors under the NYSE listing standards.

Nominating and Corporate Governance Committee

Composition of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is comprised of Messrs. Adams (Chairman), Delaney and Schwarz, all of whom are independent under NYSE listing standards. The Committee held three meetings in 2005. This Committee was formed to assist the Board of Directors in identifying individuals qualified to become Board members; to recommend Board committee structure, membership and operations; to develop and recommend to the Board of Directors a set of effective corporate governance policies and procedures; and to lead the Board of Directors in its annual review of the Board's performance.

The Nominating and Corporate Governance Committee will consider suggestions forwarded by shareholders to the Secretary of the Company concerning qualified candidates for election as directors. To recommend a prospective nominee for the Nominating and Corporate Governance Committee's consideration, a shareholder may submit the candidate's name and qualifications to the Company's Secretary, Martin A. Fishman, at the following address: 5025 Swetland Court, Richmond Heights, Ohio 44143. The Nominating and Corporate Governance Committee has not established specific minimum qualifications a candidate must have in order to be recommended to the Board of Directors. However, in determining qualifications for new directors, it will consider a potential member's qualification as independent under the NYSE listing standards, as well as age, skill and experience in the context of the needs of the Board of Directors. The Nominating and Corporate Governance Committee will recommend a slate of nominees to the Board of Directors at the annual meeting of the Company's shareholders. Although the Nominating and Corporate Governance Committee may retain a Board search consultant to supplement the pool of Board candidates, it has not engaged a consultant at this time.

The Nominating and Corporate Governance Committee recommended to the Board of Directors each of the nominees identified in [Proposal One: Election of Directors] on page 3. The nomination of James A. Schoff was recommended to the Nominating and Corporate Governance Committee by the Board's lead director.

A current copy of the Committee's charter is available to shareholders on the Company's web site, www.aecrealty.com, under [Investor Relations].

Report of the Executive Compensation Committee

What Is the Company's Philosophy of Executive Officer Compensation?

Executive compensation decisions are guided by the Company's commitments to:

Create shareholder value and achieve performance objectives;

Attract and retain top organizational contributors and link their pay to their ability to influence financial and organizational objectives; and

Focus attention on the Company's current priorities and long-term goals.

What Are the Key Components of Executive Officer Compensation?

The key components of the Company's executive compensation program are base salary, annual incentives, longer-term, share-based incentives and retirement and welfare benefits. Each of these components operates within an integrated total compensation program to ensure that executives are compensated equitably. The total compensation mix attributable to the weighting of each of these components will reflect the competitive market and may be adjusted from time to time to best support the Company's business objectives.

The integrated total compensation package is intended to compensate the Company's executive officers between the median and the 75th percentile of the competitive peer group labor market and provide the opportunity for executives to earn incentive-based compensation driven by the accomplishment of performance expectations. The members of the competitive peer group include some, but not all, of the companies set forth in the NAREIT All Equity REIT Index. The Executive Compensation Committee believes the executive compensation program, in total, reflects the competitive market practices of the peer group.

Base Salary. Base salary serves as the cornerstone for the executive compensation program and recognizes the relative value that an individual's contribution brings to the Company. Executives' base salaries are reviewed annually and adjusted, as appropriate, to reflect changes in the competitive peer group labor market as well as individual performance, range of responsibilities relative to the Company's business plan, demonstrated competencies, value, contribution to the organization, experience, professional growth and development. Base

salary adjustments are also influenced by overall Company performance. Base salary increases for each of the executive officers were approved in 2005.

□ **Annual Incentives.** Annual incentives emphasize pay for performance and serve as a key means of driving current objectives and priorities. Executives are rewarded for increases in the Company's short-term financial performance and achievement of established corporate objectives. In 2005, annual incentive opportunities for all officers (including executive officers) were 100 percent linked to performance relative to a company-wide property net operating income (NOI) benchmark. NOI is determined by deducting property operating expenses from total property revenues. Target annual incentive opportunities are set at the beginning of each plan year for eligible participants and, for 2005, ranged from 40 percent to 80 percent of base salary for the executive officers.

Award payouts are delivered in a combination of cash and restricted shares that vest over a three-year period. Bonuses were paid under the plan for 2005 and such amounts are reflected in the Summary Compensation Table on page 8.

□ **Long-Term Incentives** Long-term incentives emphasize pay for performance and are linked to both the longer-term, strategic objectives of the Company and the interests of shareholders. In conjunction with the reformulation of the Company's strategic plan, which was finalized in 2005, the Executive Compensation Committee formalized a long-term incentive compensation component of the executive officers' total compensation package. In 2005, the Executive Compensation Committee approved two equity-based grants to the executive officers in the form of options and restricted share grants. The Executive Compensation Committee believes that equity-based awards serve as an important means of attracting and retaining executives who are in a position to most directly influence the long-term success of the Company. The Executive Compensation Committee also believes that equity-based awards align executives' interests with those of shareholders by reinforcing the risk of ownership and the importance of providing competitive long-term, total returns to shareholders.

Long-term incentive compensation is currently delivered through the Amended and Restated Equity-Based Award Plan (□equity-based plan□) and the long-term incentive plan. All executive officers are eligible to participate in these plans.

The Company's equity-based plan provides executive officers and other key employees of the Company the opportunity to earn equity-based incentives including common shares. Awards made under the equity-based plan may be in the form of share options, restricted shares or other equity-based awards. Share options are granted at no less than 100 percent of the current fair market value of the Company's shares on the date of the grant and will only be of value to the extent the Company's share price increases over time. Generally, share options and restricted share awards will vest in installments over no less than a three-year period. In determining whether and in what amounts to make grants under the equity-based plan, the Executive Compensation Committee considers, among other factors, competitive long-term incentive award levels and the scope of responsibility, the anticipated performance and the contribution to the Company of the proposed award recipient.

The Company's equity-based plan is administered by the Executive Compensation Committee.

□ **Supplemental Executive Retirement Plan.** The Company's Supplemental Executive Retirement Plan (the □SERP□) was adopted by the Board of Directors on January 1, 1997, and is administered by the Executive Compensation Committee. This non-qualified, unfunded, defined contribution plan extends to executive officers of the Company and other officers as recommended by the Chief Executive Officer and approved by the Executive Compensation Committee. The SERP provides for the Company to make a contribution to the account of each of the participating officers at the end of each plan year. The contribution, which is a percentage of eligible earnings (including base salary and payments under the annual incentive plan), is set by the Executive Compensation Committee prior to the beginning of each plan year. The contribution is treated by the Company as an unfunded liability until the benefits are paid. The account balances earn interest each year at a rate that is set by the Executive Compensation Committee prior to the beginning of each plan year. Contributions to the Plan for the 2005 plan year were made at a contribution rate of 6 percent and an earnings rate of 8.3 percent. For 2006, the contribution and earnings rates remain at 6 percent and 8.3 percent, respectively. Each participant's SERP account is scheduled to vest when the participant turns 55. Within 30 days of a Change in Control (as defined in the plan), the Company must make a cash contribution to an irrevocable □rabbi trust□ in an amount necessary to fully fund the SERP accounts.

How Is the Company's Chief Executive Officer's Compensation Determined?

The base compensation for Jeffrey I. Friedman was established and is administered pursuant to an employment agreement entered into between Mr. Friedman and the Company as of January 1, 1996. The three-year term of the employment agreement is automatically extended for an additional year at the end of each year of the agreement, subject to the right of either party to terminate by giving one year's prior written notice. Mr. Friedman received a base salary adjustment for 2005, consistent with adjustments given to other executive officers. In 2005, Mr. Friedman earned a base salary of \$425,000. Mr. Friedman's employment agreement provides for an annual performance bonus based upon the Company reaching certain financial objectives. For

2005, 100 percent of Mr. Friedman's performance bonus was based upon annual performance benchmarks tied to NOI, consistent with the annual incentive plan in which the other executive officers participate. Mr. Friedman received a bonus payment in 2005 consistent with this plan.

Employment and Severance Agreements

The Company has an employment agreement with Jeffrey I. Friedman to serve as the Company's President and Chief Executive Officer. This agreement, dated January 1, 1996, as amended, had an initial term of three years and is automatically extended for an additional year at the end of each year of the agreement, subject to the right of either party to terminate by giving one year's prior written notice. Under the agreement, Mr. Friedman must devote his entire business time to the Company and may participate in real estate activities only through the Company. In addition, Mr. Friedman is prohibited from competing with the Company for a period of three years following termination of employment. The agreement provides for (i) an annual base salary, which was set at \$425,000 in 2005 by the Executive Compensation Committee, (ii) the use of an automobile, (iii) memberships in a golf club and a business club, and (iv) an allowance of up to \$10,000 annually for financial planning and tax return preparation service. The agreement provides for an annual performance bonus of up to 120 percent of Mr. Friedman's annual base salary based on the Company achieving certain benchmarks. If Mr. Friedman's employment is terminated because of his death or disability, he or his estate will be paid an amount equal to two times his then-current annual base salary plus a prorata portion of the bonus applicable to the calendar year in which the termination occurs. If Mr. Friedman's employment is terminated for "cause" (as defined in the agreement), he is not entitled to any further compensation. If Mr. Friedman is terminated "without cause" (as defined in the agreement) or upon a Change in Control (defined identically to the change in control provision in the Supplemental Executive Retirement Plan), Mr. Friedman is entitled to severance pay in a lump sum equal to the greater of the amount of unpaid base salary for the then unexpired term of his employment agreement or one year's base salary at the then effective annual rate of salary, plus, in either case, pro rata bonus amounts and accrued benefits.

The Company has a policy of paying severance to each of the executive officers named in the Summary Compensation Table if the Company terminates such executive officer without cause other than Mr. Friedman, who has such provisions in his employment agreement. Under the severance policy, upon the executive officer's termination, he or she will receive as severance compensation an amount equal to one year's salary, a prorated portion of the executive officer's bonus, payment of his health benefits for one year and outplacement services. In consideration for this severance compensation, the Company enters into a standard severance agreement and release with the executive officer.

Compensation Committee Interlocks and Insider Participation

Messrs. Delaney, Schwarz and Mosier were the members of the Executive Compensation Committee in 2005 and there are no compensation committee interlocks.

PROPOSAL TWO: APPROVAL OF AN AMENDMENT TO THE COMPANY'S CODE OF REGULATIONS TO ALLOW THE COMPANY TO NOTIFY SHAREHOLDERS OF RECORD OF SHAREHOLDER MEETINGS BY ELECTRONIC OR OTHER MEANS OF COMMUNICATION AUTHORIZED BY THE SHAREHOLDER

The Board of Directors has approved, subject to the approval of the Company's shareholders, an amendment to the Company's Code of Regulations to allow the Company to notify shareholders of the time, place and purposes of each meeting of shareholders by electronic or other means of communication authorized by the shareholder. The Board of Directors recommends that shareholders approve the amendment.

The full text of Section 3 of Article I of the Code of Regulations reflecting this amendment is attached to this proxy statement as Exhibit A. The following description of the amendment is qualified in its entirety by reference to Exhibit A.

Current Code of Regulations Requirements

Section 3 of Article I of the Company's Code of Regulations currently requires the Company to issue written notices to shareholders of record, by personal delivery or by mail, setting forth the time, place and purposes of each shareholder meeting. These provisions require written notices even if the shareholder has consented in advance to receive notices and other materials from the Company by e-mail or some other means of communication. As of March 15, 2006, the Company had 923 shareholders of record.

The current requirements were consistent with Ohio law when the applicable provisions of the Code of Regulations were drafted. However, given recent developments in Ohio corporate law and advances in the area of electronic communication, including e-mail communication and use of the Internet, the Board of Directors believes that the written notice requirement is unduly restrictive and no longer justified if a shareholder authorizes an alternative means of communication.

Reason for and Effects of Proposed Amendment

Ohio law now permits the Company to adopt alternative methods of providing to shareholders of record notices regarding the time, place and purposes of shareholder meetings, including by overnight courier or by any other means which is authorized by the shareholder to whom the notice is given. Accordingly, the proposed amendment to Section 3 of Article I of the Code of Regulations would allow the Company, if authorized by the shareholder in advance, to send notices of shareholder meetings to such shareholder by alternative means of communication, such as e-mail.

Shareholders will not be compelled to receive such notices by e-mail or other electronic means; rather, such alternative means of communication may be used only if authorized in advance by the individual shareholder,

as required by Ohio law. Ohio law further provides that shareholders must have the right to revoke any authorization that they have previously given, and the Company will accordingly be required to provide a mechanism for shareholders to revoke their authorizations. In addition, if a shareholder has authorized delivery by a means other than in writing and the Company has unsuccessfully attempted on two consecutive occasions to deliver the required notice to such shareholder by such authorized means at the address provided by the shareholder and has received notice that delivery was unsuccessful, the shareholder's authorization will be deemed revoked under Ohio law. After such a revocation or deemed revocation, the Company would begin again delivering notices of shareholder meetings by mail, personal delivery or overnight delivery to the shareholder's record address, as required by Ohio law, until the shareholder authorizes some other form of communication.

If shareholders authorize these optional methods of delivery of notices of shareholder meetings, the Company would be able to respond better to the needs and desires of its shareholders of record, would be able to provide notices of shareholder meetings to shareholders more quickly as compared with mail delivery, and would be able to take advantage of cost-savings that may result from the use of e-mail or other communications media instead of paper delivery.

In addition, the proposed amendment to Section 3 of Article I of the Code of Regulations would allow the Company to use electronic delivery formats for shareholders who have chosen to receive proxy statements and annual reports to shareholders in electronic form, as currently permitted under the federal securities laws. The SEC now allows companies to deliver their proxy statements and annual reports in electronic format, subject to certain conditions, if the shareholder has affirmatively approved such a delivery mechanism in advance. Accordingly, a shareholder who agrees to electronic delivery of proxy materials under the federal securities laws would also be able to receive the notice of the meeting electronically, instead of by a separate mailing as currently required.

Likewise, many shareholders who own the Company's common shares in "street name" through a brokerage account are currently able to elect to receive such notices electronically through mechanisms instituted by their brokerage firms. By allowing shareholders of record to receive such notices by electronic or other means of communications, the Company could offer shareholders of record the same level of service currently enjoyed by many "street name" shareholders.

The Board of Directors believes that allowing the delivery of notices of shareholder meetings by electronic or other means, when approved by the shareholder, would improve the Company's communications to such shareholder and benefit both the Company and the shareholder.

The Board of Directors recommends that shareholders vote FOR this proposal to amend the Company's Code of Regulations to allow the Company to notify shareholders of record of shareholder meetings by electronic or other means of communication authorized by the shareholder.

PROPOSAL THREE: APPROVAL OF AN AMENDMENT TO THE COMPANY'S CODE OF REGULATIONS TO ALLOW SHAREHOLDERS AND OTHERS ENTITLED TO VOTE AT SHAREHOLDER MEETINGS TO APPOINT PROXIES BY ELECTRONIC OR OTHER VERIFIABLE COMMUNICATIONS

The Board of Directors has approved, subject to the approval of the Company's shareholders, an amendment to the Company's Code of Regulations to allow the Company to give shareholders and others entitled to vote at shareholder meetings the right to appoint proxies by electronic or other verifiable communications, such as by e-mail, over the Internet or by telephone. The Board of Directors recommends that shareholders approve the amendment.

The full text of Section 7 of Article I of the Code of Regulations reflecting this amendment is attached to this proxy statement as Exhibit B. The following description of the amendment is qualified in its entirety by reference to Exhibit B.

Current Code of Regulations Requirements

Article I, Section 7 of the Company's Code of Regulations currently requires that, if a shareholder or another person entitled to vote, give consent or take other action at shareholder meetings desires to appoint a proxy or proxies, the proxy may be appointed only in a writing signed by the shareholder or other person making the appointment. These requirements apply even if the shareholder or other person would consent to another means of appointing proxies, such as by an electronic means of communication.

The current requirements were consistent with Ohio law when the applicable provisions of the Code of Regulations were drafted. However, recent developments in Ohio law and advances in the area of electronic communication and proxy voting technology, including e-mail and Internet-based and telephone-based voting mechanisms, the Board of Directors believes that the limitations contained in the existing Code of Regulations provisions are unduly restrictive and no longer justified if shareholders desire to appoint their proxies by alternative verifiable communications.

Reason for and Effects of Proposed Amendments

Since the applicable provisions in the Company's Code of Regulations were drafted, Ohio corporate law has been expanded to allow proxies to be appointed not only in writing, but also by a verifiable communication authorized by the shareholder or other person entitled to vote. Accordingly, the Board of Directors proposes to amend Section 7 of Article I of the Code of Regulations, as permitted by Ohio law, to allow the Company to permit shareholders and others to appoint proxies by a verifiable communication authorized by the person.

This verifiable communication might be in the form of e-mail, other Internet-based communication, a telephone-based system or some other means of communication. In each case, the Company must use some verifiable means, such as a unique code or PIN (personal identification number) or other identifying information, to provide reasonable assurance that the person appointing the proxy is the shareholder or person authorized to take such action. A shareholder's use of these alternative means of appointing proxies, however, will be voluntary. Shareholders will continue to have the right, if they so choose, to appoint proxies in writing.

The Board of Directors believes that permitting proxies to be appointed electronically by verifiable means, with shareholder authorization, will benefit both the Company and its shareholders. This change will provide shareholders of record and other persons entitled to vote at shareholder meetings with additional choices for appointing proxies, other than the currently required written proxy card, allowing more convenient ways for some shareholders to exercise their right to vote their common shares, which may result in more active participation by the Company's shareholders. In addition, shareholders of record will have the ability to use similar voting methods as shareholders who own their common shares in "street name", many of whom are currently permitted to give their voting instructions to their brokerage firms telephonically or electronically through means arranged by the brokerage firms. Furthermore, by allowing proxies to be appointed telephonically or electronically through verifiable communications, the Company may be able to reduce the administrative work associated with shareholder meetings, potentially realizing cost savings.

The Board of Directors recommends that shareholders vote FOR this proposal to amend the Company's Code of Regulations to allow shareholders and others entitled to vote at shareholder meetings to appoint proxies by electronic or other verifiable communications.

**PROPOSAL FOUR: RATIFICATION OF THE SELECTION OF
PRICEWATERHOUSECOOPERS LLP AS THE COMPANY'S INDEPENDENT
ACCOUNTANTS**

PricewaterhouseCoopers LLP served as independent registered public accounting firm to the Company in 2005 and is expected to be retained by the Company's Audit Committee to do so in 2006. The Board of Directors has

18

directed that management submit the selection of the Company's independent registered public accounting firm for ratification by the shareholders at the annual meeting of shareholders. A representative of PricewaterhouseCoopers LLP is expected to be present at the annual meeting of shareholders, will have an opportunity to make a statement if the representative so desires and will be available to respond to appropriate questions from shareholders.

Shareholder ratification of the selection of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm is not required by Ohio law, the Company's Code of Regulations or otherwise. However, the Board of Directors is submitting the selection of PricewaterhouseCoopers LLP to the shareholders for ratification as a matter of good corporate practice. If the shareholders do not ratify the selection, the Audit Committee will consider the shareholder vote in determining whether or not to retain the firm. The Audit Committee may retain PricewaterhouseCoopers LLP, notwithstanding the fact that the shareholders did not ratify the selection, or select another nationally recognized accounting firm without re-submitting the matter to the shareholders. Even if the selection is ratified, the Audit Committee reserves the right in its discretion to select a different nationally recognized accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its shareholders.

The aggregate fees billed for assurance and related services rendered by PricewaterhouseCoopers LLP that are reasonably related to the performance of the audits or reviews of the Company's financial statements and are not reported under "Audit Fees" above for the years ended December 31, 2005 and 2004 were \$17,203 and \$104,358, respectively. Tax Fees. The aggregate fees billed for professional services rendered by PricewaterhouseCoopers LLP for tax compliance and tax consulting services for the years ended December 31, 2005 and 2004 were \$96,950 and \$61,452, respectively, which consisted of \$74,700 and \$61,452 in tax compliance services, respectively.

All Other Fees. For the years ended December 31, 2005 and 2004, there were no other fees billed by PricewaterhouseCoopers LLP for products and services other than those reported above.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors. The Audit Committee pre-approves, on an individual basis, all audit and permissible non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services.

Auditor Independence. The Audit Committee believes that the non-audit services provided by PricewaterhouseCoopers LLP are compatible with maintaining the accountant's independence.

The Board of Directors recommends that the shareholders vote FOR the proposal to ratify the selection of PricewaterhouseCoopers LLP as the Company's independent accountant for the Company's fiscal year ending December 31, 2006.

SHAREHOLDER PROPOSALS FOR 2007 ANNUAL MEETING OF SHAREHOLDERS

If a shareholder desires to have a proposal included in the Company's proxy statement and form of proxy for the 2007 annual meeting of shareholders, the proposal must conform to the applicable proxy rules of the SEC concerning the submission and content of proposals and must be received by the Company prior to the close of business on December 6, 2007. In addition, if a shareholder intends to present a proposal at the Company's 2007 annual meeting of shareholders without the inclusion of the proposal in the Company's proxy materials and written notice of the proposal is not received by the Company on or before February 19, 2007, proxies solicited by the Board of Directors for the 2007 annual meeting of shareholders will confer discretionary authority to vote on the proposal if presented at the meeting. Shareholders should submit proposals to the executive offices of the Company, 5025 Swetland Court, Richmond Heights, Ohio 44143, Attention: Secretary. The Company reserves the right to reject, rule out of order or take other appropriate action with respect to any proposal that does not comply with these and other applicable requirements.

HOUSEHOLDING

The SEC permits a single set of annual reports and proxy statements to be sent to any household at which two or more shareholders reside if they appear to be members of the same family. Each shareholder continues to receive a separate proxy card. This procedure, referred to as householding, reduces the volume of duplicate information shareholders receive and reduces mailing and printing costs. A number of brokerage firms have instituted householding. In accordance with a notice sent during 2002 to certain beneficial shareholders who share a single address, only one copy of this proxy statement and the attached annual report will be sent to that address, unless any shareholder residing at that address gave contrary instructions.

If any beneficial shareholder residing at such an address desires at this time to receive a separate copy of this proxy statement and the attached annual report, a copy can be obtained by calling toll-free 1-800-440-2372, extension 8752, or by writing to Associated Estates Realty Corporation, Investor Relations, 5025 Swetland Court, Richmond Heights, OH 44143. In addition, if any such shareholder wishes to receive a separate proxy statement and annual report in the future, the shareholder should provide such instructions by calling toll-free 1-800-440-2372, extension 8752, or by writing to Associated Estates Realty Corporation, Investor Relations, 5025 Swetland Court, Richmond Heights, OH 44143.

Also, shareholders that share an address and that receive multiple copies of annual reports or proxy statements can request that only one copy be sent to that address in the future by providing instructions by calling toll-free 1-800-440-2372, extension 8752, or by writing to Associated Estates Realty Corporation, Investor Relations, 5025 Swetland Court, Richmond Heights, OH 44143.

OTHER MATTERS

Shareholders may send written communications to the Board of Directors, an individual director, the lead director, or the non-management directors as a group by mailing them to the Board of Directors, individual director, lead director, or group of non-management directors (as applicable), c/o Secretary, Associated Estates Realty Corporation, 5025 Swetland Court, Richmond Heights, OH 44143. All communications will be forwarded to the Board of Directors, individual director, lead director or group of non-management directors, as applicable, although the Secretary will not forward the communication if it is primarily commercial in nature or if it relates to an improper or irrelevant topic.

Management does not know of any other matters that will be presented for action at the meeting other than the items referred to in this proxy statement. If any other matters properly come before the meeting, the persons named in the proxy will vote on those matters in accordance with their judgment. For each other item that properly comes before the meeting, the vote required will be determined by applicable law, NYSE requirements and the Company's governing documents.
