Voting Instructions

Notice and Access Flyer

Dear Shareowner,

This year, we are distributing the 2015 annual report and proxy statement for GE's 2016 annual meeting of shareowners to some of our shareowners, including you, over the Internet by sending you the enclosed Notice of Internet Availability of Proxy Materials. The enclosed notice explains how you can access these materials and vote online.

Why is GE using this e-proxy process?

This e-proxy process, which was approved by the SEC in 2007, expedites our shareowners' receipt of these materials, lowers the costs of proxy solicitation and reduces the environmental impact of our annual meeting. Many other large companies have transitioned to this more contemporary way of distributing annual meeting materials.

What is included on the enclosed notice?

The enclosed notice explains how you can:

View and download the annual report and proxy statement online;

Vote your shares online, by mail or in person; and

Request an email or paper copy of the annual report and proxy statement at no cost to you (but before you do so, make sure you read "Will you receive any additional proxy materials from GE" below).

Will you receive any additional proxy materials from GE?

Yes, in a few days we will send you a paper copy of a new report that we call our integrated summary report. It combines in one concise document the most critical information from our annual report, proxy statement and sustainability website. To make it easier for you to vote, you will also receive a proxy card or voting instruction form. Please keep this in mind before requesting a copy of the full annual report and proxy statement.

Cordially,

Alex Dimitrief,
Secretary
