- Shares held following the reported transactions include 41,408 shares of Class A common stock underlying restricted stock units, which are subject to forfeiture until they vest.
- (5) Shares held following the reported transactions include 36,533 shares of Class A common stock underlying restricted stock units, which are subject to forfeiture until they vest.
- The vesting of this performance-based stock option ("PSO") award is dependent upon achievement of performance criteria measured during a three-year performance period beginning on December 15, 2017 and ending December 15, 2020. The number of shares reported is at the target award amount. The reporting person may potentially earn from 0% to 125% of the target award amount based on total shareholder return at the end of the three-year performance period.
