Item 8.01 Other Events

IDT Corporation's (the "Registrant") subsidiary Interdirect Tel Ltd. has prevailed in its appeal against the Swedish Tax Authority ("STA"), with respect to value added tax ("VAT") claimed to be owing. In previous filings with the Securities and Exchange Commission, the Registrant disclosed that the County Administrative Court in Gothenburg, Sweden rejected Interdirect Tel Ltd.'s appeal and upheld the STA's imposition of a VAT assessment of approximately SEK 134 million (\$18.7 million at May 23, 2012) plus interest for the period from January 2004 through June 2008. The Registrant also disclosed that if the VAT for these periods was ultimately held payable, it was likely that the STA also would request VAT for subsequent periods. The Registrant previously noted that it had appealed this decision to the Administrative Court of Appeal (the "Court") in Gothenburg.

On March 27, 2012 the STA retracted from its position and filed a pleading with the Court changing its position and stating that it supported Interdirect Tel Ltd.'s appeal. On May 22, 2012, the Registrant was notified that the Court granted Interdirect Tel Ltd.'s appeal and thus revoked the STA's original decision and the County Administrative Court's judgment to impose VAT and penalties. The judgment clarifies that the Court did not find any reason to deviate from the common view of the parties. The judgment gains legal force if it is not appealed by the STA on or before July 16, 2012.
