Item 1.01 Entry Into a Material Definitive Agreement

On May 17, 2018, at an in-person meeting, the board of directors (the “Board”) of Apollo Investment Corporation (the “Company”) approved the Second Amended and Restated Investment Advisory Management Agreement (the “New Investment Management Agreement”) between the Company and Apollo Investment Management, L.P. (the “Investment Adviser”). The New Investment Management Agreement is substantially the same as the prior investment management agreement except for the management and incentive fees, which are reduced. Beginning April 1, 2018, contractual management fee is calculated at an annual rate of 1.5% of the Company's average gross assets (excluding cash or cash equivalents but including other assets purchased with borrowed amounts) at the end of each of the two most recently completed calendar quarters; provided, however, the contractual management fee is calculated at an annual rate of 1.00% of the average value of our gross assets (excluding cash or cash equivalents but including other assets purchased with borrowed amounts) that exceeds the product of (i) 200% and (ii) the value of our net asset value at the end of the most recently completed calendar quarter. In addition, beginning, January 1, 2019, the incentive fee on income will be subject to a twelve-quarter lookback hurdle rate of 1.75% as opposed to a one quarter lookback. The incentive fees have otherwise effectively stayed the same. As a result, the new contractual fee rate structure will not result in higher fees (on a cumulative basis) payable to the Investment Adviser than the contractual fees payable to the Investment Adviser under the prior investment advisory management agreement (excluding current voluntary fee waivers).

The description above is only a summary of the material provisions of the New Investment Management Agreement and does not purport to be complete and is qualified in its entirety by reference to the provisions in such amendment, a copy of which is attached hereto as Exhibit 10.1.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Item 5.03 Amendments to Articles of Incorporation or Bylaws.

Effective as of May 17, 2018, the Board amended and restated the Company’s bylaws (the “Fifth Amended and Restated Bylaws”) to increase the size of the Board from nine directors to ten.
