On September 14, 2006, Dycom Industries, Inc., a Florida corporation ("Dycom") announced that it acquired Cable Express Holding Company and its subsidiaries ("Cable Express"), including Broadband Installation Services, Inc, through an agreement and plan of merger dated September 14, 2006 ("Merger Agreement"). Cable Express installs and maintains customer premise equipment, including set top boxes and cable modems, for leading cable multiple system operators. Dycom purchased Cable Express for cash of approximately \$54.7 million and \$8.7 million of assumed indebtedness. Dycom and Cable Express made certain representations and warranties to each other as part of the Merger Agreement. Subject to certain limitations, the stockholders of Cable Express have agreed to indemnify Dycom against losses from breaches of the representations and warranties of Cable Express contained in the Merger Agreement.
