Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Fiscal 2012 Annual Incentive Plan Awards

On March 29, 2011, the Compensation Committee (the "Committee") of the Board of Directors (the "Board") of Exide Technologies (the "Company") approved fiscal 2012 short-term cash incentive plan awards pursuant to the Company's 2010 AIP (as amended, the "AIP") for certain employees and named executive officers other than the chief executive officer. The Board of Directors also approved the fiscal 2012 AIP award for the chief executive officer on March 29, 2011.

The AIP was amended to include additional corporate and regional performance goals established by the Committee. Corporate goals under the AIP include the following performance measures: GAAP earnings per share ("EPS"); operating income ("Operating Income"), which is defined as net sales of the Company reduced by cost of sales, restructuring and impairment charges and further reduced by the sum of all selling, administrative and research, development and engineering expenses; and free cash flow ("FCF"), which is defined as cash from operating activities less cash used for investing activities, both determined from the statement of cash flows in the audited financial statements. Regional goals include Operating Income and FCF for each of the Americas, Europe and Asia regions.

For each named executive officer serving as a regional president, awards are weighted as follows:

Regional Operating Income: 50%
Regional FCF: 25%
EPS: 15%
Consolidated Operating Income: 10%

For corporate named executive officers, awards are weighted as follows:

EPS: 50%
Consolidated Operating Income: 30%
Consolidated FCF: 20%

Individual awards will also be subject to an individual performance modifier that consists of a rating of each individual's performance against individual goals, objectives and leadership ("Employee Goals").

No employee or named executive officer may receive any fiscal 2012 AIP award if the threshold Consolidated Operating Income established by the Committee is not met.

Each named executive officer will achieve an award of 100% of his or her targeted bonus level if the Company's consolidated corporate results and the named executive officer's respective regional results achieve target levels. Payments as a percentage of annual base salary at the target levels under this plan for named executive officers, assuming both regional and consolidated corporate results achieve the targets, are as follows:

Named Executive Officer (Target)

James R. Bolch (125%)
Phillip A. Damaska (50%)
Michael Ostermann (50%)

Performance above or below the target will result in a proportional payment above or below the target payout. Named executive officers receive 50% of their regional and/or corporate target award upon achievement of 80% of the performance targets; and up to 200% of their target award based on achievement of 120% of the performance targets. Based on an individual's performance against the Employee Goals, each employee's award may be eliminated, reduced or increased to 125% of the earned award. All awards under the AIP are capped at the achievement of 200% of target award.

Performance Share and Performance Unit Awards

On March 29, 2011, the Committee approved Performance Share Awards and Performance Unit Awards for Mr. Damaska and Mr. Ostermann and the Board approved such awards for Mr. Bolch, all under the Exide Technologies 2009 Stock Incentive Plan (the "Plan"). Performance Shares granted pursuant to the Performance Share Award represents a contingent right to receive one share of the Company's common stock. Each Performance Unit represents a contingent right to receive \$1.00.

Edgar Filing: EXIDE TECHNOLOGIES - Form 8-K

The Performance Share Awards are payable to each of the named executive officers based on the achievement of relative total shareholder return for the period beginning on April 1, 2011 and ending on March 31, 2014 compared to the components of the Russell 2000 ("Relative TSR").

Upon reaching the twenty-fifth percentile of Relative TSR, each named executive officer will receive 25% of their target Performance Share Award; 100% of such target upon achieving the fiftieth percentile and 150% of such target upon achieving the seventy-fifth percentile. No additional shares can be earned for performance above the seventy-fifth percentile.

Upon reaching 80% of target cumulative Operating Income, each named executive officer will be entitled to receive 50% of their target Performance Unit Award; 100% upon achieving the target Operating Income; and 150% of the target award upon achieving 120% of target Operating Income.
