Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On March 2, 2016, NASDAQ notified the Escalon Medical Corp. (the "Company") that the bid price of its listed security had closed at less than \$1 per share over the previous 30 consecutive business days, and, as a result, did not comply with Listing Rule 5550(a)(2) (the "Rule"). In accordance with Listing Rule 5810(c)(3)(A), the Company was provided 180 calendar days, or until August 29, 2016, to regain compliance with the Rule. If at any time during this 180 day period the closing bid price of the Company's security is at least \$1 for a minimum of ten consecutive business days, the Company will be provided written confirmation of compliance.

However, if it appears to the Staff that the Company will not be able to cure the deficiency, or if the Company is otherwise not eligible, the Staff will notify the Company that its securities will be delisted from the NASDAQ Capital Market. The Company may still appeal the Staff's determination to delist its securities to a Hearing Panel. During any appeal process, the Company's common stock would continue to trade on the NASDAQ Capital Market. The NASDAQ notification letter has no immediate effect on the listing or trading of the Company's common stock on the NASDAQ Capital Market. The Company is currently looking at all of the options available with respect to regaining such compliance.
