Explanatory Note

We originally filed our Quarterly Report on Form 10-Q for the quarterly period ended March 31, 2013 (the “Original Filing”) with the Securities and Exchange Commission (“SEC”) on May 2, 2013. We are filing this Amendment No. 1 to our Quarterly Report on Form 10-Q (the “Form 10-Q/A” and together with the Original Filing, the “Form 10-Q”) solely to re-file Exhibit 10.20 to the Original Filing (Second Addendum to Collaborative Development Program Agreement, dated March 27, 2013, by and among Toshiba Corporation, SanDisk Corporation and Intermolecular, Inc. (the “Agreement”)) in response to certain comments we received from the SEC in connection with our confidential treatment request that we made for certain portions of the Agreement. As a result of the filing of this Form 10-Q/A, we are also filing as exhibits to this Form 10-Q/A currently-dated certifications pursuant to Section 302 of the Sarbanes-Oxley Act of 2002.

Except for the foregoing, this Form 10-Q/A does not amend the Original Filing in any way and does not modify or update any disclosures contained in the Form 10-Q, which continues to speak as of the original date of the Original Filing (including, but not limited to, any forward-looking statements made in the Original Filing, which have not been revised to reflect events that occurred or facts that became known after the Original Filing, and such forward-looking statements should be read in their historical context). Accordingly, this Form 10-Q/A should be read in conjunction with the Original Filing and our other filings made with the SEC subsequent to the Original Filing.
