EXHIBIT 1

Euroseas Ltd. Announces One Year Time Charter Agreement for one of its Container Ships

April 16th , 2008, Maroussi, Athens, Greece - Euroseas Ltd. (NASDAQ: ESEA), an owner and operator of drybulk carriers, container ships and multipurpose vessels and provider of seaborne transportation for dry bulk and containerized cargoes, announced today that a subsidiary of the Company has entered into a one year time charter period agreement for one of its containership vessels, the M/V Manolis P with the third largest global liner operator.

The M/V "Manolis P," a 1,452 teu, 1995 built handysize container ship, will enter a time charter agreement for about 18 months at a gross daily rate of \$15,800, representing a daily increase of \$2,350 from its current charter. The new charter will commence upon completion of its present charter on or about May 15, 2008.

Following this charter, approximately 80% of Euroseas total fleet days in 2008 and 30 % for 2009 are fixed under period charters, already concluded spot charters, or, otherwise protected from market fluctuations.

Aristides Pittas, Chairman and CEO of Euroseas, commented: We are very pleased to announce that we have secured another one of our containerships at a profitable time charter, thus increasing our container coverage for 2008 to over 90% and also providing coverage for 2009 with one of the most respectable names in the market.
