Section 1 — Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

On December 5, 2018, Brookdale Senior Living Inc. (the "Company") entered into a Fifth Amended and Restated Credit Agreement with Capital One, National Association, as administrative agent, lender and swingline lender and the other lenders from time to time parties thereto (the "Amended Agreement"). The Amended Agreement amends and restates in its entirety the Company's Fourth Amended and Restated Credit Agreement dated as of December 19, 2014 (the "Original Agreement").

The Amended Agreement provides commitments for a \$250 million revolving credit facility with a \$60 million sublimit for letters of credit and a \$50 million swingline feature. The Company has a one-time right under the Amended Agreement to increase commitments on the revolving credit facility by an additional \$100 million, subject to obtaining commitments for the amount of such increase from acceptable lenders. The Amended Agreement provides the Company a one-time right to reduce the amount of the revolving credit commitments, and the Company may terminate the revolving credit facility at any time, in each case without payment of a premium or penalty.

The Amended Agreement extends the maturity date of the Original Agreement from January 3, 2020 to January 3, 2024 and decreases the interest rate payable on drawn amounts. Amounts drawn under the facility will continue to bear interest at 90-day LIBOR plus an applicable margin; however, the Amended Agreement reduces the applicable margin from a range of 2.50% to 3.50% to a range of 2.25% to 3.25%. The applicable margin varies based on the percentage of the total commitment drawn, with a 2.25% margin at utilization equal to or lower than 35%, a 2.75% margin at utilization greater than 35% but less than or equal to 50%, and a 3.25% margin at utilization greater than 50%.

A quarterly commitment fee continues to be payable on the unused portion of the facility at 0.25% per annum when the outstanding amount of obligations (including revolving credit and swingline loans and letter of credit obligations) is greater than or equal to 50% of the revolving credit commitment amount or 0.35% per annum when such outstanding amount is less than 50% of the revolving credit commitment amount.

The credit facility will continue to be secured by first priority mortgages on certain of the Company's communities. In addition, the Amended Agreement permits the Company to pledge the equity interests in subsidiaries that own other communities and grant negative pledges in connection therewith (rather than mortgaging such communities), provided that not more than 10% of the borrowing base may result from communities subject to negative pledges. Availability under the revolving credit will vary from time to time based on borrowing base calculations related to the appraised value and performance of the communities securing the credit facility and the Company's consolidated fixed charge coverage ratio.

The Amended Agreement contains typical affirmative and negative covenants, including financial covenants with respect to minimum consolidated fixed charge coverage and minimum consolidated tangible net worth. Amounts drawn on the credit facility may be used for general corporate purposes.

The foregoing summary of certain provisions of the Amended Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Amended Agreement filed as Exhibit 10.1 hereto, which is incorporated herein by reference.
