**INFORMATION STATEMENT**

**DATED MAY 30, 2008**

**We are not asking you for a proxy and you are requested not to send us a proxy.**

**The action described below has already been approved by the written consent of holders of a majority of the outstanding shares of the company's common stock. A vote of the remaining stockholders is not necessary.**

This Information Statement is being mailed on or about May 30, 2008, to all holders of record of the shares of Common Stock, par value \$0.01 per share (the "Common Stock"), and Series A Convertible Preferred Stock, par value \$1.00 per share (the "Series A Preferred") of Issuer Direct Corporation (the "Company"), as of the close of business on May 6, 2008 (the "Record Date"), in connection with the adoption of a Certificate of Amendment (the "Increase Amendment") to the Company's Certificate of incorporation increasing the number of authorized shares of our Common Stock from 25,000,000 to 100,000,000. The Increase Amendment has been approved by the written consent of the holders of a majority of the outstanding shares of the Company.

On May 9, 2008, the Company's Board of Directors unanimously declared the advisability of, and recommended that the stockholders adopt, the Increase Amendment. On May 9, 2008, the Increase Amendment was adopted by the written consent of holders of a majority of the Company's outstanding shares of stock entitled to vote thereon in accordance with Delaware law. The Board of Directors decided to obtain the written consent of the holders of a majority of the voting rights represented by the Company's outstanding shares entitled to vote upon the Amendments in order to eliminate the costs and management time required to hold a special meeting of the stockholders and to implement the increase in the number of authorized shares in a timely manner.

On May 9, 2008, the day of the approval of the Increase Amendment, there were 17,177,723 shares of our Common Stock issued and outstanding. Holders representing 11,752,277 shares of our Common Stock (or 68.62%) signed the written consent approving and adopting the Increase Amendment. On May 6, 2008, there were seven shares of Series A Preferred Stock issued and outstanding. The Series A Preferred votes on an as-converted basis together with the holders of the Common Stock. On an as-converted basis, the seven shares of Series A Preferred constitute 1.98% of our total issued and outstanding stock.

Although the Company currently has no plans to issue the additional shares, its management believed it prudent to have the additional shares authorized pursuant to the Increase Amendment as consideration for potential acquisitions by the Company, and it may also issue the additional shares in capital-raising transactions in the future.

The Increase Amendment will become effective on the date it is filed with and accepted by the Delaware Secretary of State. Pursuant to the regulations promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the Increase Amendment may not be effected until at least 20 calendar days after this Information Statement is sent or given to the stockholders of the Company. Accordingly, promptly following the expiration of such 20-day period, we intend to file the Increase Amendment with the Delaware Secretary of State and the increase in the number of authorized shares will become effective on the date of such filing.

All necessary corporate approvals in connection with the matters referred to herein have been obtained, and this Information Statement is furnished solely for the purposes of (1) informing stockholders, in the manner required under Delaware law, of this transaction, and (2) informing stockholders, in the manner required under the Exchange Act, of this transaction before it takes effect. The Company is not seeking written consent from any of its other stockholders.

The Company will bear all of the costs associated with the preparation and dissemination of this Information Statement and the accompanying materials. No consideration has been or will be paid to any officer, director or employee of the Company in connection with the Increase Amendment or the preparation and dissemination of this Information Statement and the accompanying materials.

**EFFECT OF THE INCREASE AMENDMENT**

Adoption of the amendment would enable our board of directors from time to time to issue additional shares of our common stock authorized by the amendment for such purposes and such consideration as our board of directors may

approve without further approval of our stockholders, except as may be required by law or the rules of any national securities exchange on which our shares of common stock are at the time listed. As is true for shares presently authorized, common stock authorized by the amendment may, when issued, have a dilutive effect on the equity and voting power of existing holders of common stock.

The effective increase in the number of authorized, unissued shares of our common stock may be construed as having an anti-takeover effect by permitting the issuance of shares to purchasers who might oppose a hostile takeover bid or oppose any efforts to amend or repeal certain provisions of our certificate of incorporation or by-laws. Such a use of these additional authorized shares could render more difficult, or discourage, an attempt to acquire control of our company through a transaction opposed by our board of directors. Our management could use the additional shares to resist or frustrate a third-party transaction providing an above-market premium that is favored by a majority of the stockholders. In addition, certain provisions of the Delaware General Corporation Law, as embodied in our certificate of incorporation, could have the effect of making it more difficult or more expensive for a third party to acquire, or of discouraging a third party from attempting to acquire, control of our company. We do not currently have any plans or proposals to adopt other provisions or enter into other arrangements that may have material anti-takeover consequences.

Although the Company currently has no plans to issue the additional shares, its management believed it prudent to have the additional shares authorized pursuant to the Increase Amendment as consideration for potential acquisitions by the Company, and its may also issue the additional shares in capital-raising transactions in the future.

There are no preemptive rights with respect to our Common Stock. The additional authorized shares of Common Stock would have the identical powers, preferences and rights as the shares of Common Stock now authorized.
