meeting.

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY

How To Vote

Holders of record may vote in person at the meeting by ballot. If your shares are not held of record in your name, you must obtain a proxy from the record holder, usually a broker or other nominee, in order to vote in person at the meeting.

3

Quorum

The presence at the annual meeting, in person or by proxy, of the holders of a majority of the shares of our common stock outstanding on the record date will constitute a quorum. Abstentions are counted as present for the purpose of determining the presence of a quorum. A broker who holds shares in nominee or “street name” for a customer who is the beneficial owner of those shares may be prohibited from voting those shares in person on any proposal to be voted on at the annual meeting without specific instructions from such customer with respect to such proposal.

Votes Needed

Proposal 1: Election of Directors. The affirmative vote of a plurality of the votes cast at the annual meeting is required for the election of each of the three director nominees. You may vote “FOR” one or more director nominees or you may withhold your vote as to one or more director nominees. A properly executed ballot marked “withhold” as to the election of one or more director nominees will not be counted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Stockholders do not have the right to cumulate their votes for directors. No New York Stock Exchange (NYSE) member broker who is the record holder of shares on behalf of a beneficial owner (the customer) can vote shares at the meeting with respect to the election of directors unless the broker receives instructions from the beneficial owner. These “broker non-votes” will not impact the results of the election, but will be counted for purposes of determining whether there is a quorum.

Proposal 2: Amendment to Certificate of Incorporation to Effectuate a Name Change from Smart Online, Inc. to MobileSmith, Inc. The affirmative “FOR” vote of the holders of a majority of all shares casting votes in person or by proxy at the annual meeting is required to amend the Certificate of Incorporation of the Company to change our name from Smart Online, Inc. to MobileSmith, Inc. You may vote “FOR” or “AGAINST” this proposal or abstain from voting. A properly executed ballot marked “abstain” with respect to this proposal will not be counted, although it will be counted for purposes of determining whether there is a quorum. Since abstentions are not considered votes cast, they will have no effect on the outcome of this proposal. NYSE member brokers have discretion to vote on behalf of beneficial owners with respect to this proposal; as a result, there will be no “broker non-votes” on this item.

Proposal 3: Advisory Vote on the Compensation of our Named Executive Officers. The affirmative “FOR” vote of the holders of a majority of all shares casting votes in person or by proxy at the annual meeting is required for the approval of the compensation of our named executive officers. You may vote “FOR” or “AGAINST” this proposal or abstain from voting. A properly executed ballot marked “abstain” with respect to this proposal will not be counted, although it will be counted for purposes of determining whether there is a quorum. Since abstentions are not considered votes cast, they will have no effect on the outcome of this proposal. No NYSE member broker who is the record holder of shares on behalf of a beneficial owner (the customer) can vote shares at the meeting with respect to the advisory vote on executive compensation unless the broker receives instructions from the beneficial owner. These “broker non-votes” will not impact the results of the vote on executive compensation, but will be counted for purposes of determining whether there is a quorum.

Proposal 4: Advisory Vote on the Frequency of the Advisory Vote on Compensation of our Named Executive Officers. The choice of frequency that receives the highest number of votes will be considered as the frequency that our stockholders are recommending for us to hold a non-binding, advisory vote on the compensation of our named executive officers. You may vote for “EVERY ONE YEAR,” “EVERY TWO YEARS,” OR “EVERY THREE YEARS” or abstain from voting on this proposal. A properly executed ballot marked “abstain” with respect to this proposal will not be counted, although it will be counted for purposes of determining whether there is a quorum. No NYSE member broker who is the record holder of shares on behalf of a beneficial owner (the customer) can vote shares at the meeting with respect to the vote on the frequency of votes on executive compensation unless the broker receives instructions from the beneficial owner. These “broker non-votes” will not impact the results of the vote on the recommendation of

frequency, but will be counted for purposes of determining whether there is a quorum.

Proposal 5: Ratification of the Appointment of the Independent Registered Public Accounting Firm. The affirmative “FOR” vote of the holders of a majority of all shares casting votes in person or by proxy at the annual meeting is required to ratify the appointment of Cherry Bekaert as our independent registered public accounting firm for the fiscal year ending December 31, 2013. You may vote “FOR” or “AGAINST” this proposal or abstain from voting. A properly executed ballot marked “abstain” with respect to this proposal will not be counted, although it will be counted for purposes of determining whether there is a quorum. Since abstentions are not considered votes cast, they will have no effect on the outcome of this proposal. NYSE member brokers have discretion to vote on behalf of beneficial owners with respect to this proposal; as a result, there will be no “broker non-votes” on this item.

As of the record date, our directors and executive officers and their affiliates owned and were entitled to vote approximately 82,500 shares of our common stock. All of these persons have indicated they and their affiliates will vote their shares in favor of: the three director nominees as described in Proposal No. 1; the amendment of the Company's Certificate of Incorporation to effectuate a name change of the Company from Smart Online, Inc. to MobileSmith, Inc., as described in Proposal No. 2; the approval of the compensation of our named executive officers, as described in Proposal No. 3; EVERY "THREE YEARS" for the frequency at which our stockholders will be asked to hold a nonbinding, advisory vote on the compensation of our named executive officers, as described in Proposal No. 4; and the ratification of the selection of Cherry Bekaert as our independent registered public accounting firm for the fiscal year ending December 31, 2013, as described in Proposal No. 5.

Other Matters

The Board does not know of any other matter that will be presented for your consideration at the annual meeting other than the five proposals described herein.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

At the annual meeting, three nominees will be elected as directors. Our Board currently consists of five members, three of whom are standing for re-election at the annual meeting. The directors elected at the annual meeting will serve until the next annual meeting of stockholders and until their respective successors are duly elected and qualified.

Our Board, based on the recommendation of the nominating and governance committee, has nominated each of Shlomo Elia, Amir Elbaz, and Ronen Shviki to stand for re-election at the annual meeting.

The bylaws of the Company provide that the number of directors on the Board will be no more than nine. We had three directors at the beginning of fiscal year 2011. In September 2011, we expanded the size of the Board to four directors and nominated our fourth director. In February 2013, we expanded the size of the Board to five directors and nominated our fifth director. Two of the current five members of the board of directors have notified the Company that they do not intend to run for re-election. We are therefore only proposing to elect three directors for fiscal year 2013. The three nominees that receive the most votes will be appointed to serve on our Board for the next year. You cannot vote for a greater number of persons than the number of nominees named. All three of the persons nominated for election to the Board at the annual meeting are currently serving as directors of the Company. The Company is not aware of any nominee who will be unable or will decline to serve as a director. If a nominee becomes unable or declines to serve, votes may be cast for a substitute nominee, if any, designated by the Board. The term of office of each person elected as a director will continue until the later of the next annual meeting of stockholders or until such time as his or her successor has been duly elected and qualified, or until his prior death, resignation or removal.

The following table lists the nominees for election and information about each director nominee:

Name	Age	Principal Occupation and Background
Shlomo Elia	70	<p>Director. Mr. Elia has served on the Company's Board since November 2006 and was originally recommended for appointment to the Board by Atlas Capital, SA, or Atlas, one of the Company's stockholders and lenders. Mr. Elia is currently a director and Chairman of the Board of NETZ Holding Ltd., a public Israeli company. Mr. Elia is the founder and a Director of 3Pen Ltd., 3Pen, a private holding company focusing on business opportunities in Internet infrastructure and telecommunications. Prior to founding 3Pen in 1999, Mr. Elia held several senior positions in the Israeli Defense Forces, I.D.F., including the post of the Military Governor of the West-Bank (1982-1984) and Commander of the Liaison Unit for South Lebanon (1984-1985). During his service, among other activities, General Elia was engaged for a year as a Research Fellow in the Institute of International Strategic Affairs at UCLA. Since his retirement from the I.D.F., he has been involved in communication projects in Nigeria and West Africa and construction projects in Romania. Among his civilian activities, Mr. Elia was Chairman of the National Tourist Board in Israel and currently is Chairman of 3Pen Technologies Ltd. and co-chairman of the Israeli Soldiers Welfare Association. Mr. Elia holds a B.A. in Modern History of the Middle-East from Tel Aviv University.</p> <p>We believe Mr. Elia's international business expertise and significant management experience will provide constructive insight and perspective to our Board and management.</p>
Amir Elbaz	36	<p>Director. Mr. Elbaz has served on the Company's Board since January 2010 and as the Chairman of the Board since November 2012. Mr. Elbaz currently serves as the Company's Chief Executive Officer since May 1, 2013 and as Chief Executive Officer of two other companies in the technology and media sectors. Mr. Elbaz also advises technology and renewable energy companies on business strategy, restructuring and business development initiatives. Mr. Elbaz served as the Executive Vice President & Chief Financial Officer of Lithium Technology Corporation until November 2008. Mr. Elbaz joined LTC in 2006 to oversee finances and marketing, as well as business development. Prior to joining LTC, Mr. Elbaz served as a Senior Associate of Arch Hill Capital NV, a Dutch venture firm, from 2005-2006. During 2004 and most of 2005, Mr. Elbaz served as Vice President of Corporate Finance at Yorkville Advisors, where Mr. Elbaz sourced, structured and managed investments in more than a dozen public and private companies. Prior to joining Yorkville Advisors, Mr. Elbaz served for several years as an analyst with the Economic Department in the Procurement Mission of the Israeli Ministry of Defense in New York City. In that capacity, Mr. Elbaz co-headed multi-million dollar negotiations with first tier technology companies, and was in charge of the financial aspects of the day-to-day operations. Mr. Elbaz holds a B.A. from the University of Haifa, Israel, and an MBA in Finance & Investments from Bernard Baruch College, CUNY, New York. Following his MBA graduation, Mr. Elbaz was elected to the International Honorary Finance Society of Beta Gamma Sigma.</p> <p>We believe Mr. Elbaz's significant experience in the technology sector, coupled with his extensive financial and economic background provide invaluable insight with respect to our business and technologies.</p>
Ronen Shviki	44	<p>Director. Mr. Shviki has served on the Company's Board since February 2013. Since January 2013, Mr. Shviki has served as the Vice President for Business Development of Mendelssohn</p>

Ltd., an Israeli distribution company. Prior to this, Mr. Shviki served in the Israel Defense Forces as a Colonel in the Army branch. Mr. Shviki holds a B.A. in Business Administration from Interdisciplinary Center Herzliya and an LLB from Interdisciplinary Center Herzliya.

We believe Mr. Shviki's extensive marketing and management experience, in addition to his knowledge of the international marketplace, contributes to the strategic composition of the Board.

Our Board unanimously recommends that you vote "FOR" the election of each of the director nominees named above.

PROPOSAL NO. 2

AMENDMENT TO CERTIFICATE OF INCORPORATION TO EFFECTUATE A NAME CHANGE FROM
SMART ONLINE, INC. TO MOBILESMITH, INC.

At the annual meeting, the stockholders will be asked to approve the filing of an amendment to the Company's Certificate of Incorporation to effectuate a name change of the Company from Smart Online, Inc. to MobileSmith, Inc.

The filing of an amendment to the Company's Certificate of Incorporation which is required to effectuate the change of the Company's name from Smart Online, Inc. to MobileSmith, Inc. was recommended by a majority of the Board and approved by a Board resolution dated April 22, 2013.

The management and the Board believe that the name change to MobileSmith, Inc. would be in the best interest of the Company and better and more accurately depict the Company's current focus on the use of mobile devices in business and government organizations. It would also present an improved and consistent brand-image and appeal.

Our Board unanimously recommends that you vote "FOR" the amendment of the Certificate of Incorporation and name change described above.

PROPOSAL NO. 3

ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

In accordance with the requirements of Section 14A of the Securities Exchange Act of 1934, as amended, or the Exchange Act, (which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010) and related rules of the U.S. Securities and Exchange Commission, or the SEC, we are including a separate proposal subject to stockholder vote to approve, on a non-binding, advisory basis, the compensation of those of our executive officers listed in the Summary Compensation Table appearing elsewhere in this Information Statement, or our named executive officers, as disclosed in this Information Statement pursuant to Item 402 of Regulation S-K. To learn more about our executive compensation, see "Executive Compensation" elsewhere in this Information Statement.

The vote on this proposal is not intended to address any specific element of compensation; rather, the vote relates to the compensation of our named executive officers, as described in this Information Statement in accordance with the compensation disclosure rules of the SEC. To the extent there is any significant vote against our named executive officer compensation as disclosed in this information statement, the compensation committee of our Board, or the Compensation Committee, will evaluate whether any actions are necessary to address the concerns of stockholders.

Based on the above, we request that you indicate your support for our executive compensation by voting in favor of the following resolution:

"RESOLVED, that the Company's stockholders approve, on a non-binding, advisory basis, the compensation of the Company's named executive officers as described in this Information Statement, including the "Executive Compensation" section, the compensation tables and the other narrative compensation disclosures."

The opportunity to vote on this Proposal No. 3 is required pursuant to Section 14A of the Exchange Act. However, as an advisory vote, the vote on Proposal No. 3 is not binding upon us and serves only as a recommendation to our Board. Nonetheless, the Compensation Committee, which is responsible for designing and administering our executive compensation program, and the Board value the opinions expressed by stockholders, and will consider the outcome of the vote when making future compensation decisions for our named executive officers.

Our Board unanimously recommends that you vote “FOR” the approval of the compensation of our named executive officers, as disclosed in this Information Statement.

7

PROPOSAL NO. 4

ADVISORY VOTE ON THE FREQUENCY OF THE ADVISORY VOTE ON COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

In accordance with the requirements of Section 14A of the Exchange Act and related rules of the SEC, we are including a separate proposal subject to stockholder vote to recommend, on a non-binding, advisory basis, whether a non-binding, advisory stockholder vote to approve the compensation of our named executive officers (that is, a vote similar to the non-binding, advisory vote in Proposal No. 3 above) should occur every one, two or three years.

By voting with respect to this Proposal No. 4, stockholders may indicate whether they would prefer that we conduct future advisory votes on our named executive officer compensation once every one, two, or three years. Stockholders also may, if they so wish, abstain from casting a vote on this proposal.

The Board has considered the frequency of the advisory vote on the compensation of our named executive officers that it should recommend. After considering the benefits and consequences of each alternative for the frequency of submitting the advisory vote on the compensation of our named executive officers to stockholders, the Board recommends submitting the advisory vote on the compensation of our named executive officers to our stockholders every three years.

In determining to recommend that stockholders vote for a frequency of once every three years, the Board considered how an advisory vote at this frequency will provide our stockholders with sufficient time to evaluate the effectiveness of our overall compensation philosophy, policies and practices in the context of our long-term business results for the corresponding period, while avoiding over-emphasis on short term variations in compensation and business results. An advisory vote occurring once every three years will also permit our stockholders to observe and evaluate the impact of any changes to our executive compensation policies and practices which have occurred since the last advisory vote on executive compensation, including changes made in response to the outcome of a prior advisory vote on executive compensation. We will continue to engage with our stockholders regarding our executive compensation program during the period between advisory votes on executive compensation.

For the above reasons, the Board recommends that you vote to hold a non-binding, advisory vote on the compensation of our named executive officers every three years. Your vote, however, is not to approve or disapprove the Board's recommendation.

When voting on this proposal, you have four choices: you may elect that we hold an advisory vote on the compensation of our named executive officers every year, every two years or every three years, or you may abstain from voting. If you properly complete your ballot and fail to indicate your preference or abstention, your shares will be voted to select every three years as the frequency with which our stockholders will be asked to hold a non-binding, advisory vote on the compensation of our named executive officers.

The choice of frequency that receives the highest number of votes will be considered as the frequency that our stockholders are recommending for us to hold a non-binding, advisory vote on the compensation of our named executive officers. The Board will consider the outcome of the vote when making future decisions on executive compensation. However, as an advisory vote, the vote on this Proposal No. 4 is not binding upon us, and the Board may decide that it is in the best interests of our stockholders and the Company to hold an advisory vote on executive compensation more or less frequently than the alternative approved by our stockholders. Our Board has not yet determined the frequency with which we will hold the stockholder advisory vote on named executive officer compensation required by Section 14A of the Exchange Act or when the next such stockholder advisory vote on named executive officer compensation will occur.

Our Board unanimously recommends vote to hold an advisory vote on the compensation of our named executive officers EVERY “THREE YEARS”.

8

PROPOSAL NO. 5

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Cherry Bekaert has acted as our independent registered public accounting firm to audit the consolidated financial statements of the Company for the fiscal year ended December 31, 2012. Cherry Bekaert has served the Company as its independent registered public accounting firm and independent auditors since April 2009. Representatives of Cherry Bekaert are not expected to be present at the annual meeting, but will be available to respond to appropriate questions and make any necessary statements, if required, at the meeting via conference call.

Although the appointment of Cherry Bekaert as independent registered public accounting firm is not required to be submitted to a vote by stockholders, the Board believes it appropriate, as a matter of policy, to request that the stockholders ratify the appointment. If stockholder ratification (by the affirmative vote of a majority of the shares of common stock present in person or represented by proxy at the annual meeting) is not received, the Audit Committee of the Board will reconsider the appointment. Even if the selection of Cherry Bekaert is ratified, the Audit Committee of the Board may, in its discretion, appoint a different firm at any time during the year if the Audit Committee feels that such a change would be in the best interests of the Company and its stockholders.

The Board recommends stockholders vote “FOR” the ratification of Cherry Bekaert as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2013.

Executive Officers

The Company’s executive officers are appointed by its Board to hold office until their successors are appointed. The following table lists the Company’s current executive officers:

Name	Age	Position
Amir Elbaz	36	Chief Executive Officer and Chairman of the Board
Gleb Mikhailov	33	Chief Financial Officer

Information regarding Mr. Elbaz is described above under PROPOSAL NO. 1 — ELECTION OF DIRECTORS, above.

Gleb Mikhailov, Chief Financial Officer

Chief Financial Officer since April 2013. From January 2013 to March 2013, Mr. Mikhailov served as the Manager of Financial Reporting and SEC Consulting in the SEC Solutions Group of Citrin Cooperman, LLP, an accounting firm providing business solutions and accounting services to middle market companies. From 2005 until 2012, Mr. Mikhailov was employed by EisnerAmper LLP, a full-service advisory and public accounting firm, in its Private Business Services Group and Audit and Assurance Group. He was a Manager at EisnerAmper LLP since 2010. Mr. Mikhailov holds a B.A. in Accounting from Rutgers, The State University of New Jersey and an M.B.A. from Rutgers Business School. Mr. Mikhailov holds a CPA license issued by the State of New Jersey.

Code of Ethics

The Company has adopted a Code of Ethics applicable to its executives, including the principal executive officer, principal financial officer, and principal accounting officer, as defined by applicable rules of the SEC. It is publicly available on the Company’s website at www.mobilesmith.com. If the Company makes any amendments to the Code of Ethics other than technical, administrative, or other non-substantive amendments, or grants any waivers, including

implicit waivers, from a provision of the Code of Ethics to the Company's Chief Executive Officer, Chief Financial Officer, or certain other finance executives, the Company will disclose the nature of the amendment or waiver, its effective date, and to whom it applies on the Company's website at www.mobilesmith.com.

Board Composition and Independence of Directors

The size of the Board is currently fixed at five members; however, only three persons have been nominated for election at the annual meeting. The Board believes that the current number of directors is appropriate at this time; however, the Board will consider adding additional members who can bring additional skills and professional connections that can benefit the Company.

The Company's stock is currently quoted on the OTC Bulletin Board, or OTCBB. The OTCBB does not have rules regarding director independence. Accordingly, we determined that the NASDAQ Stock Market, or Nasdaq, independence requirements are an appropriate standard to determine director independence.

The position of Chairman of the Board is currently held by Amir Elbaz, who is also the Company's principal executive officer, effective as of May 1, 2013. Robert M. Brinson, Jr. served as our principal executive officer from September 2012 through April 30, 2013. Nasdaq listing requirements mandate that a majority of the members of a listed company's board of directors be "independent directors" as defined under Nasdaq Stock Market Rule 5605. The Board has determined that two of the present directors — Messrs. Elia and Shviki — are "independent directors" within the meaning of Nasdaq Marketplace Rules. Messrs. Elia, Elbaz and Shviki are standing for re-election, and Mr. Elbaz has been appointed Chief Executive Officer as of May 1, 2013. Assuming all three nominees are elected at the annual meeting, two of the three directors — Messrs. Elia and Shviki — will be "independent directors" within the meaning of the Nasdaq Marketplace Rules. Mr. Elbaz will not be an "independent director" within the meaning of the Nasdaq Marketplace Rules, but the Board will have a majority of "independent directors" after the annual meeting. The Board believes this current leadership structure provides effective and clear leadership for the Company; however, the Company is currently looking at new leadership structure models in light of the resignation of Mr. Brinson as Chief Executive Officer and the appointment of Mr. Elbaz, the current Chairman of the Board, as Chief Executive Officer, effective as of May 1, 2013.

Risk Oversight

While our management is responsible for assessing and managing risks to the Company, the Board takes an active role, as a whole and also at the committee level, in overseeing the material risks facing the Company, including operational, financial, legal and regulatory and strategic and reputational risks. Risks are considered in virtually every business decision and as part of the Company's overall business strategy. Our board committees also regularly engage in risk assessment as a part of their regular function. The Board discusses with management the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures. The Board is also responsible for overseeing the management of risks relating to the Company's executive compensation plans and arrangements. Further, the Board manages risks associated with corporate governance, including risks associated with the independence of the board and reviews risks associated with potential conflicts of interest affecting directors and executive officers of the Company. These risk oversight responsibilities had previously been carried out by committees of our Board that reported to the full Board. Due to the expected decrease in the size of the Board from five to three members, the Board dissolved each of the Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee, and assumed the responsibilities of each in May 2013.

The Board regularly engages in discussion of financial, legal, technological, economic and other risks. Because overseeing risk is an ongoing process that is inherent in the Company's strategic decisions, our Board discusses risk throughout the year at other meetings in relation to specific proposed actions. Additionally, our Board exercises its risk oversight function in approving new product research and development projects, large marketing engagements, the annual budget and quarterly forecasts and in reviewing the Company's long-range strategic and financial plans with management.

Attendance at Meetings

The Board held five meetings during the fiscal year ended December 31, 2012. Each incumbent director attended or participated in at least 75% of the aggregate of (1) the number of meetings of the Board held in fiscal year 2012 during the period he served as a director and (2) the number of meetings of committees on which he served that were held during his period of his service as a director.

The Company's policy is that it expects all directors that are seeking re-election to attend each annual meeting of stockholders, absent good reason. All incumbent directors who held their positions during 2012 and are seeking re-election attended the annual meeting of stockholders in 2012.

Standing Committees

Until May 2013, the Company's Board had three standing committees: the Audit Committee, the Compensation Committee, and the Corporate Governance and Nominating Committee. Because these committees have been dissolved, there are no longer applicable committee charters.

Audit Committee. Due to the expected decrease in the size of the Board from five to three members, the Board dissolved the Audit Committee and assumed its responsibilities in May 2013.

Compensation Committee. The Compensation Committee was established by the Company's Board for the purpose of assisting it in discharging its duties with respect to (1) the formulation, implementation, review, and modification of the compensation of the Company's officers and directors and (2) the preparation of the annual report on executive compensation for inclusion in the Company's annual proxy or information statement, if required. The Compensation Committee's duties, which will now be performed by the full Board, included, among other things, setting the compensation for officers and directors, making recommendations with respect to incentive compensation plans and equity-based compensation plans, approving grants of stock options and other awards under the Company's 2004 Equity Compensation Plan, and administering the Company's defined benefit and defined contribution plans, if any.

In fulfilling its responsibilities, the Compensation Committee was entitled to delegate any or all of its responsibilities to a subcommittee of the Compensation Committee, to the extent consistent with applicable law, the Company's certificate of incorporation, bylaws, corporate governance guidelines, and rules of any exchange or market on which the securities of the Company are then traded if compliance with such rules is required to begin or continue trading.

As part of its review and establishment of the performance criteria and compensation of officers and directors of the Company, the Compensation Committee was required to separately meet at least annually with the Company's Chief Executive Officer, the principal human resources executive and compliance officer, and with any other corporate officers as the Compensation Committee deems appropriate. However, the Compensation Committee also met regularly without such officers present, and in all cases such officers could not be present at the meetings at which their performance and compensation was being discussed and determined. The Compensation Committee could consult with the Chief Executive Officer regarding compensation of the other officers of the Company. The Compensation Committee did not engage any compensation consultant to determine or recommend the amount or form of executive and director compensation. The Compensation Committee met one time during 2012.

Due to the expected decrease in the size of the Board from five to three members, the Board dissolved the Compensation Committee and assumed its responsibilities in May 2013.

Corporate Governance and Nominating Committee and Procedures for Director Nominations. The Corporate Governance and Nominating Committee was established by the Board for the purpose of assisting it in discharging its duties with respect to (1) the identification of individuals qualified to become directors and the selection or recommendation of candidates for directorships to be filled by the Board or the stockholders, and (2) the development, maintenance, and recommendation of a set of corporate governance principles applicable to the Company, and the periodic review of such principles. The Corporate Governance and Nominating Committee did not meet during 2012; the Board as a whole met to discuss issues relating to the Company's corporate governance and nominations.

The Corporate Governance and Nominating Committee was, and the Board currently is, responsible for identifying and selecting or recommending qualified candidates for membership on the Board. In identifying candidates, the Committee took into account such factors as it considers appropriate, which may include (a) knowledge in the technology industry generally, and Software-as-a-Service specifically, (b) experience in the areas of accounting and finance, (c) mature business judgment, (d) the candidate's management, leadership, and business strategy experience, (e) the candidate's ability to manage a crisis, and (f) the candidate's knowledge of proper corporate governance.

The Corporate Governance and Nominating Committee was responsible for evaluating suggestions concerning possible candidates for election to the Board submitted to the Company, including those submitted by Board members (including self-nominations) and stockholders. All candidates, including those submitted by stockholders, will be evaluated by the Board on the same basis as other candidates using the Board membership criteria described above

and in accordance with applicable procedures. The Board believes that the minimum qualifications for serving as a Company director are that a candidate demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of the Company's business and affairs and have an impeccable record and reputation for honest and ethical conduct in his or her professional and personal activities. Qualifications for consideration as a director nominee may vary according to the particular areas of expertise being sought as a complement to the existing Board composition.

Once candidates have been identified, the Board will determine whether such candidates meet the minimum qualifications for director nominees and will recommend qualified nominees to the Board. In accordance with the Company's bylaws, proposed nominees must tender, prior to nomination, an irrevocable, conditional letter of resignation that would be effective upon such person being charged with a felony or equivalent offense under the laws of any jurisdiction. The full Board will then approve qualified nominees for appointment or election to the Board. The three nominees for election at the meeting were recommended by and approved by the Board.

While the Board currently has no policy with respect to which it considers diversity in identifying nominees for director, one of our directors has a strong business development and marketing background and another of our directors has a background in accounting, finance, and management. We believe that the backgrounds and skills of our directors bring a diverse range of experience, opinion and perspectives to the Board. Details of each nominee's strengths are identified in the biographical presentation under PROPOSAL NO. 1 — ELECTION OF DIRECTORS, above.

Due to the expected decrease in the size of the Board from five to three members, the Board dissolved the Corporate Governance and Nominating Committee and assumed its responsibilities in May 2013.

Any stockholder desiring to present a nomination for consideration by the Board prior to the 2014 Annual Meeting of Stockholders must do so in accordance with the Company's bylaws. See "Stockholder Proposals for the 2014 Annual Meeting" below.

Section 16(a) Beneficial Ownership Reporting Compliance

The members of the Company's Board, its executive officers, and persons who hold more than 10% of its outstanding common stock are subject to the reporting requirements of Section 16(a) of the Exchange Act, which requires them to file reports with respect to their ownership of the Company's common stock and their transactions in such common stock. Based upon the Company's review of the Section 16(a) reports in its records for fiscal year 2012 transactions in the Company's common stock, the Company believes that all reporting requirements under Section 16(a) for fiscal year 2012 were met in a timely manner by its directors, executive officers, and greater than 10% beneficial owners, except that a Form 4 filed by Atlas on October 18, 2012 was filed one business day late.

Certain Relationships and Related Transactions

IDB Credit Facility. On December 6, 2010, the Company entered into (i) a \$6,500,000 Promissory Note, or the IDB Note, as borrower, and (ii) a Letter Agreement for a \$6,500,000 Term Loan Facility, each with Israel Discount Bank of New York, or IDB, as lender, and together, the IDB Credit Facility.

The total of all amounts borrowed under the initial IDB Credit Facility had to be drawn by June 10, 2011. The Company borrowed \$5,000,000 during the initial term of the loan, which was originally due May 31, 2012. On May 31, 2012, the Company extended its IDB Credit Facility for an additional one-year period for the \$5,000,000 already outstanding, and the Company deposited \$250,000 in a restricted cash account held at IDB for future interest payments. The balance in the restricted account as of December 31, 2012 was \$131,103 due to the payment of interest as stipulated in the IDB Credit Facility documents. All other terms remain the same. Our IDB Credit Facility is secured by an irrevocable standby letter of credit issued by UBS Private Bank with Atlas as account party.

Atlas. Until February 7, 2013, Atlas was a beneficial owner of 40% of the common stock of the Company, and the holder of a majority of the aggregate outstanding principal amount, or the Requisite Percentage Holder, of the Notes under the Convertible Secured Subordinated Note Purchase Agreement, dated November 14, 2007, as amended, or the Note Purchase Agreement, between the Company and the convertible noteholders, under which the Company is entitled to elect to sell to the convertible noteholders, and the convertible noteholders are obligated to buy, Notes. On February 7, 2013, Mr. Avy Lugassy, a principal with Atlas, and the beneficial owner of 7,330,269 shares of common stock of the Company, which shares represent approximately 40% of the Company's outstanding voting securities, transferred such shares from Atlas to Grasford Investments Ltd., a British Virgin Islands company, or Grasford, which is owned and controlled by Mr. Lugassy. Atlas remains the holder of a majority of the aggregate outstanding principal amount of the Company's Notes. The terms of the Note Purchase Agreement and the Notes are described in "Sale of Convertible Notes to Certain Affiliates" below.

Sale Leaseback of Company Equipment with Noteholders. On September 4, 2009, the Company entered into a sale-leaseback agreement with the current holders of the Notes. The noteholders paid a market rate cost of \$200,000 through the reduction of current outstanding debt under such Notes in exchange for all of the Company's office furniture, equipment and computers. The noteholders then leased all furniture, equipment and computers back to the Company over a ten (10) year period. The purchase price of \$200,000 represented the fair market value of the equipment based on an independent appraisal of the equipment by Dynamic Office Services and Coastal Computers, which are not affiliated with the Company.

Sale of Convertible Notes to Certain Affiliates. As of May 8, 2013, the Company had \$22.7 million of Convertible Notes outstanding, of which Atlas, an affiliated party, held \$14.0 million. The Notes sold to Atlas during 2012 are as follows:

Date of Purchase	Amount of Convertible Note	Interest Rate		Original Maturity Date
January 5, 2012	\$350,000	8	%	11/14/2016
February 10, 2012	\$350,000	8	%	11/14/2016
April 2, 2012	\$350,000	8	%	11/14/2016
May 25, 2012	\$200,000	8	%	11/14/2016
October 15, 2012	\$200,000	8	%	11/14/2016

On the earlier of the maturity date of November 14, 2016 or a merger or acquisition or other transaction pursuant to which our existing stockholders hold less than 50% of the surviving entity, or the sale of all or substantially all of our assets, or similar transaction, or event of default, each noteholder in its sole discretion shall have the option to:

convert the principal then outstanding on its Notes into shares of our common stock, or

receive immediate repayment in cash of the Notes, including any accrued and unpaid interest.

If a noteholder elects to convert its notes under the circumstances, the conversion price will be the lowest “applicable conversion price” determined for each Note. The “applicable conversion price” for each Note shall be calculated by multiplying 120% by the lowest of

the average of the high and low prices of the Company’s common stock on the OTCBB averaged over the five trading days prior to the closing date of the issuance of such Note,

if the Company’s common stock is not traded on the Over-The-Counter market, the closing price of the common stock reported on the Nasdaq National Market or the principal exchange on which the common stock is listed, averaged over the five trading days prior to the closing date of the issuance of such Note, or

the closing price of the Company’s common stock on the OTCBB, the Nasdaq National Market, or the principal exchange on which the common stock is listed, as applicable, on the trading day immediately preceding the date such Note is converted,

in each case as adjusted for stock splits, dividends or combinations, recapitalizations, or similar events.

We are obligated to pay interest on the Notes at an annualized rate of 8% payable in quarterly installments commencing three months after the purchase date of the Notes. We are not permitted to prepay the Notes without approval of the holders of at least a majority of the principal amount of the Notes then outstanding.

Payment of the Notes will be automatically accelerated if we enter voluntary or involuntary bankruptcy or insolvency proceedings.

The noteholders of the Notes include, among others, Atlas, an affiliate that originally recommended Shlomo Elia, one of our current directors, for appointment to the Board. The noteholders have designated Doron Roethler as bond representative to act as their agent. So long as the Notes are outstanding, the Company has agreed that it will not take certain actions without approval of the bond representative. Crystal Management Ltd., which owns \$750,000 aggregate principal amount of Notes, is owned by Doron Roethler, the former Chairman of the Board and former Interim Chief Executive Officer and who currently serves as the noteholders' bond representative.

If we propose to file a registration statement to register any of our common stock under the Securities Act of 1934, as amended, in connection with the public offering of such securities solely for cash, subject to certain limitations, we must give each noteholder who has converted its Notes into common stock the opportunity to include such shares of converted common stock in the registration. We have agreed to bear the expenses for any of these registrations, exclusive of any stock transfer taxes, underwriting discounts, and commissions.

Arrangements That May Result in a Change in Control

As described in detail under “Certain Relationships and Related Transactions” above, Mr. Avy Lugassy has certain relationships with the Company that, under certain circumstances, could result in Mr. Avy Lugassy obtaining a majority of the Company’s outstanding common stock in the future. As of May 8, 2013, Mr. Avy Lugassy held 7,330,269 shares of the Company’s common stock through Grasford, which represents approximately 40% of the number of shares issued and outstanding, and continues to purchase the Company’s common stock from time to time. As of May 8, 2013, Atlas holds \$13,975,000 aggregate principal amount of the Company’s Notes due November 14, 2016, which are convertible into the Company’s common stock on the earlier of November 14, 2016, certain change in control events, or an event of default. If the notes were converted at the conversion price applicable to the Notes as of May 8, 2013, Atlas would receive approximately 8,698,335 shares upon conversion of the Notes.

REPORT OF THE AUDIT COMMITTEE

The role of the Audit Committee is to assist the Board in its oversight of the quality and integrity of the Company's financial statements, compliance with legal and regulatory requirements, qualification and independence of the Company's independent registered public accounting firm, and performance of internal control over financial reporting. The full responsibilities of the Audit Committee are described in a written charter adopted by the Board, a copy of which is posted on the Company's website at www.mobilesmith.com. The management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements, the Company's accounting and financial reporting principles, internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent registered public accounting firm is responsible for auditing the Company's financial statements and expressing an opinion as to their conformity with US GAAP.

In the performance of its oversight function, the Audit Committee has reviewed and discussed with management and the independent registered public accounting firm the audited financial statements as of and for the year ended December 31, 2012. The Audit Committee has also discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. In addition, the Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and has discussed with the independent registered public accounting firm's independence.

The members of the Audit Committee in carrying out their duties are not engaged in the practice of accounting and do not act as auditors. Members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by management and the independent auditors. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with US GAAP, that the financial statements are presented in accordance with US GAAP or that the Company's independent registered public accounting firm are in fact independent.

Based upon the review and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Audit Committee Charter, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2012, as amended, for filing with the SEC.

THE AUDIT COMMITTEE*

Shlomo Elia

* Due to the expected decrease in the size of the Board from five to three members, the Board dissolved the Audit Committee and assumed its responsibilities in May 2013.

Principal Accountant

Cherry Bekaert's report on the financial statements of the Company for each of the fiscal years ended December 31, 2011 and December 31, 2012 did not contain any adverse opinion or disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope, or accounting principles, except that the reports on the financial statements of the Company for each of the fiscal years ended December 31, 2011 and December 31, 2012 contained an explanatory paragraph expressing substantial doubt about the Company's ability to continue as a going concern.

During the fiscal years ended December 31, 2011 and 2012, neither the Company nor anyone on the Company's behalf consulted with Cherry Bekaert regarding (i) either the application of accounting principles to a specific transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, and Cherry Bekaert did not provide any written report or oral advice to the Company that Cherry Bekaert concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing, or financial reporting issue; or (ii) any matter that was either the subject of a "disagreement" (as defined in Item 304(a)(1)(iv) of Regulation S-K) or a "reportable event" (as defined in Item 304(a)(1)(v) of Regulation S-K).

Principal Independent Registered Public Accounting Firm Fees and Services

All audit and permissible non-audit services provided by the Company's independent registered public accounting firm, as well as the fees for such services, must be pre-approved by the Audit Committee. The Audit Committee may delegate to one or more designated members of the Audit Committee the authority to pre-approve audit and permissible non-audit services, provided such pre-approval decisions are reported to the full Audit Committee at a later time. Any pre-approval is generally for the current fiscal year, and any pre-approval is detailed as to the particular service or category of services. All audit and non-audit services provided by the Company's independent registered public accounting firm during fiscal years 2011 and 2012 were pre-approved by or on behalf of the Audit Committee. We will not entertain any proposals or nominations at the annual meeting that do not meet these requirements.

If the stockholder does not also comply with the requirements of Rule 14a-4(c)(2) under the Exchange Act, we may exercise discretionary voting authority under proxies that we solicit, if any, to vote in accordance with our best judgment on any such stockholder proposal or nomination.
