The Registrant is in the process of negotiating extensions and waivers from its principal lenders as well as exploring alternative sources of capital. There have been severe demands on the Registrant's accounting staff due to their involvement in this process. Management of the Registrant believes that the outcome of this process is material to the disclosures contained in the Registrant's Annual Report on Form 10-K and expects the situation to be sufficiently resolved within the time period prescribed by Rule 12b-25 to permit filing of the Registrant's Annual Report on Form 10-K. However, there can be no assurance that the Company will be able to arrange a new senior credit facility.
