The following discussion is qualified by reference to the Agreement, a copy of which is attached hereto as Exhibit 10.1 and incorporated herein by reference, and the Change in Control Agreement, the form of which is attached hereto as Exhibit 10.2 and incorporated herein by reference.

Under the Agreement, the Company will provide the following:

- (i) An annual base salary of \$325,000;

- (iii) An award of 30,000 shares of restricted stock of the Company, which award will cliff vest on the third anniversary date of Mr. Korb's employment, or in the event of a change in control of the Company;
- (iv) An option to purchase 100,000 shares of the Company's Common Stock pursuant to the terms and conditions of the Plan, to be granted at a grant price equal to the closing price of the Company's common stock on August 1, 2008. This option will vest in thirds on the first, second and third employment anniversary dates, or will fully vest in the event of a change in control of the Company;
- (v) Other benefits to the same extent and same cost as may be provided to other Company employees and officers in accordance with Company policies then in effect and subject to the terms and conditions of such benefit plans.

Under the Change in Control Agreement, the Company will provide the following benefits in the event that Mr. Korb's employment is terminated following a Change in Control of the Company (as defined in the Change in Control Agreement), if such termination is (x) by the Company for any reason other than occurrence of an Event of Termination for Cause, or (y) by Mr. Korb after the occurrence of an Event of Termination for Good Reason (as defined in the Change in Control Agreement):

- (i) The Company will pay to Mr. Korb his base salary, bonus and benefits accrued through the termination date but not previously paid;

- (iii) The Company will pay to Mr. Korb an amount equal to three (3) times the sum of (x) the Highest Bonus and (y) the amount of base salary that would have been paid during the fiscal year in which the termination date occurs based on the assumption that Mr. Korb's employment would have continued throughout that fiscal year at the base salary rate in effect in the fiscal year in which the termination date occurs, or in the immediately preceding fiscal year, whichever is higher; and
