Item 1.01. Entry Into a Material Definitive Agreement.

On May 7, 2015, Greenlight Reinsurance, Ltd., a Cayman Islands company (the "Company") entered into an amended and restated letter of credit facility agreement (the "Amended and Restated Facility Agreement") and related hypothecation agreement, custodial services agreement and securities account control agreement (collectively, the "Amended and Restated Master Agreements") with Bank of America, N.A. (the "Bank"). The Amended and Restated Facility Agreement amends and replaces the facility agreement dated January 18, 2011 and reduces the maximum amount of available facility to US\$120,000,000 from US\$200,000,000 (the "Facility") effective as of May 7, 2015. The Company will pay fees and commissions as set forth in the Amended and Restated Facility Agreement. The Facility will be available until July 11, 2015 (the "Facility Termination Date"), and will be extended annually by 364 days unless either party delivers a written notice of cancellation 90 days before the then effective Facility Termination Date. Termination of the Facility shall not terminate any outstanding letters of credit at the Facility Termination Date. The Facility is secured by pledges by the Company of cash and securities selected by the Company.

The Amended and Restated Master Agreements contain certain customary events of default and covenants, including, but not limited to, limitations on liens on collateral, letter of credit collateralization requirements and a change of control default provision.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant.
