Explanatory Note

On May 11, 2018, Alpha and Omega Semiconductor Limited, a Bermuda limited liability company (the “Company”), filed a Current Report on Form 8-K (the “Original Form 8-K”) disclosing in Item 1.01 thereof that the Company’s joint venture subsidiary, Chongqing Alpha and Omega Semiconductor Limited (the “JV Company”), entered into a lease finance agreement and a security agreement (the “Agreements”) with YinHai Leasing Company and China Import/Export Bank (the “Lenders”). Due to a clerical error, the Original Form 8-K disclosed, in the third sentence in Item 1.01 thereof, that “the Company will make quarterly lease payments to the Lenders consisting of principal and interest based on a repayment schedule mutually agreed by the parties.” Instead, the Agreements provide that it was the “JV Company” that is required to make such quarterly lease payments. Accordingly, this Form 8-K/A amends and restates the third sentence in Item 1.01 of the Original Form 8-K in its entirety as follows:

“In exchange for the Lease Financing, the JV Company agrees to transfer title of its assembly and testing equipment to the Lenders, and the Lenders will lease such equipment to the JV Company under a five-year lease arrangement, pursuant to which the JV Company will make quarterly lease payments to the Lenders consisting of principal and interest based on a repayment schedule mutually agreed by the parties.”

Except as amended herein, the Original Form 8-K is not amended and revised in any way.
