PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD ON MAY 7, 2015

About the 2015 Annual Meeting

This Proxy Statement is being furnished to the shareholders of Heritage-Crystal Clean, Inc. (the "Company") on or about April 10, 2015 in connection with the solicitation of proxies on behalf of the Board of Directors of the Company for use at the Annual Meeting of Shareholders (the "Annual Meeting") to be held on May 7, 2015 at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting, and at any adjournments or postponements of that meeting. The Annual Report to Shareholders for fiscal 2014 accompanies this Proxy Statement. If you did not receive a copy of the Annual Report, you may obtain one by writing to the Secretary of the Company. This Proxy Statement and the Annual Report are also available on the Company's website at www.crystal-clean.com under "Investor Relations."

Voting Procedures

Voting Rights. Only shareholders who owned common stock of the Company at the close of business on March 16, 2015 (the "record date") may attend and vote at the Annual Meeting or any adjournment or postponement of the Annual Meeting. On the record date, 22,262,722 shares of common stock were outstanding. Shareholders are entitled to one vote per share of common stock that they own as of the record date on each matter that may properly come before the Annual Meeting.

If your shares are registered directly in your name with our transfer agent, you are considered the shareholder of record with respect to those shares, and these proxy materials are being sent directly to you. As the shareholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Annual Meeting. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in "street name," and these proxy materials are being forwarded to you by your broker, bank, or nominee who is considered the shareholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank, or nominee on how to vote and are also invited to attend the Annual Meeting. However, since you are not the shareholder of record, you may not vote these shares in person at the Annual Meeting, unless you request, complete, and deliver a legal proxy from your broker, bank, or nominee. Your broker, bank, or nominee has enclosed a voting instruction card for you to use in directing the broker, bank, or nominee regarding how to vote your shares.

Quorum. The presence, in person or by properly executed proxy, of a majority of the outstanding common stock as of the record date is necessary to constitute a quorum at the Annual Meeting. If a quorum is not present at the time the Annual Meeting is convened, the Company may adjourn or postpone the Annual Meeting. Shares that are represented at the Annual Meeting but abstain from voting on any or all matters will be counted as shares present and entitled to vote in determining the presence of a quorum. If a broker indicates on a proxy that it lacks discretionary authority as to certain shares to vote on particular matters, commonly referred to as "broker non-votes," those shares will still be counted for purposes of determining the presence of a quorum at the meeting. A broker non-vote occurs when a broker holding shares registered in street name is permitted to vote, in the broker's discretion, on routine matters without receiving instructions from the client, but is not permitted to vote without instructions on non-routine matters, and the broker returns a proxy card with no vote on the non-routine matter. Under the rules and regulations of the primary trading markets applicable to most brokers, the ratification of the appointment of Grant Thornton LLP ("Grant

Thornton") as our independent registered public accounting firm for fiscal 2015 is considered a routine matter on which a broker has the discretion to vote if instructions are not received from the client. All other items being considered at the Annual Meeting are considered non-routine matters. Because brokers do not have discretionary authority to vote on these proposals, broker non-votes will not be counted for purposes of determining the number of votes cast on these proposals and will not affect the outcome of these non-routine matters.

The inspector of election appointed for the Annual Meeting will determine the number of shares of our common stock present at the Annual Meeting, determine the validity of proxies and ballots, determine whether or not a quorum is present, and count all votes and ballots.

Required Vote. Directors are elected by a plurality of all of the votes cast, in person or by proxy. A “plurality” means that the individuals who receive the largest number of votes are elected as directors up to the maximum number of directors to be elected at the meeting. Abstentions and broker non-votes have no effect on the election of directors, except to the extent that the failure to vote for a director nominee results in another nominee receiving a larger number of votes.

The proposals to approve the ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm for fiscal 2015 and the advisory vote on named executive officer compensation for fiscal 2014 will be approved if holders of a majority of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the proposal are voted in favor of the proposal. Abstentions will have the effect of a no vote and broker non-votes will have no effect on the outcome of these proposals.

All common stock represented at the Annual Meeting by properly executed proxies received prior to or at the Annual Meeting and not properly revoked will be voted at the Annual Meeting in accordance with the instructions indicated in such proxies. If no instructions are indicated, such proxies will be voted FOR all proposals listed in the Notice of Annual Meeting attached to this Proxy Statement. The Board of Directors of the Company does not know of any matters, other than the matters described in the Notice of Annual Meeting attached to this Proxy Statement that will come before the Annual Meeting.

Any proxy given by a holder of record pursuant to this solicitation may be revoked by the person giving it at any time before it is voted. Such proxies may be revoked by:

filing with the Secretary of the Company, at or before the Annual Meeting, a written notice of revocation bearing a date later than the date of the proxy;

duly executing and dating a subsequent proxy relating to the common stock and delivering it to the Secretary of the Company at or before the Annual Meeting; or

attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute a revocation of proxy).

Any written notice revoking a proxy should be sent to: Heritage-Crystal Clean, Inc., 2175 Point Boulevard, Suite 375, Elgin, Illinois 60123, Attention: Secretary. If you hold your shares in “street name,” you must follow the directions provided by your broker, bank, or nominee to revoke your proxy.

Other

The proxies are solicited by the Board of Directors of the Company. In addition to the use of the mail, proxies may be solicited personally, over the Internet, or by telephone or facsimile transmission, by directors, officers, or employees of the Company or persons employed by the Company for the purpose of soliciting proxies. It is contemplated that brokerage houses, custodians, nominees, and fiduciaries will be requested to forward the soliciting material to the beneficial owners of common stock held of record by such persons and will be reimbursed for expenses incurred therewith. The cost of solicitation of proxies will be borne by the Company.

The date of this Proxy Statement is April 10, 2015.

PROPOSAL 1:

ELECTION OF DIRECTORS

At the Annual Meeting, our shareholders will vote on the nomination of two directors to be elected as Class I Board Members for three-year terms expiring at the 2018 Annual Meeting. The Board is divided into three classes, denominated as Class I, Class II, and Class III. Members of each class hold office for staggered three-year terms. The terms of the current Class I Board Members expire on the date of the 2015 Annual Meeting. It is the intention of the persons named in the accompanying form of proxy to nominate as directors and, unless otherwise specified in a proxy by a shareholder, to vote such proxy for the election of the persons named below as nominees. In the event any of the nominees should become unable or unwilling to serve as a director, proxies may be voted for another nominee recommended by the Board.

Directors are elected by a plurality of all of the votes cast, in person or by proxy. This means that the two nominees receiving the highest number of votes at the Annual Meeting will be elected, even if these votes do not constitute a majority of the votes cast.

CORPORATE GOVERNANCE

General

Our business and affairs are managed under the direction of our Board of Directors. Our bylaws specify that the Board shall initially consist of seven directors, with such number thereafter to be determined from time to time by the Board. We currently have seven directors. Our Board of Directors has an audit committee, a compensation committee, and a nominating and governance committee (the "nominating committee"). Fred Fehsenfeld, Jr. serves as the Chair of our Board.

Director Independence

Our Board of Directors is comprised of a majority of independent directors. In general, the Board of Directors determines whether a director is independent by following the listing standards of the Nasdaq Global Select Market (the "Nasdaq listing standards"), the SEC, and, with respect to members of the Compensation Committee, the definition of "outside director" within the meaning of Section 162(m) of the Internal Revenue Code, in addition to other factors it may deem relevant. The Board of Directors has determined that each of the following directors is independent: Bruce Bruckmann, Carmine Falcone, Brian Recatto, Charles E. Schalliol, and Robert W. Willmschen, Jr.

Board Meetings

The Board of Directors met eight times during fiscal 2014. Each director attended at least 90% of all Board and applicable committee meetings held during fiscal 2014.

The Audit Committee

The audit committee met five times in fiscal 2014. The audit committee has functions that include appointing, terminating, evaluating, and setting the compensation of our independent registered public accounting firm; meeting with the independent registered public accounting firm to review the scope, accuracy, and results of the audit; making inquiries as to the adequacy of our accounting, financial, and operating controls; and reviewing all material related party transactions. Mr. Willmschen is the Chair, and Messrs. Falcone and Schalliol are the other members of the audit committee. The Board of Directors has determined that Messrs. Willmschen, Falcone, and Schalliol are independent in accordance with Nasdaq listing standards and the rules and regulations of the SEC. In addition, the Board of Directors has also determined that Mr. Willmschen is an "audit committee financial expert" in accordance with the standards established by the SEC. The audit committee charter is available both on our website and in print. See "Availability of Certain Documents."

The Compensation Committee

The compensation committee met two times during fiscal 2014. Mr. Schalliol is the Chair, and Messrs. Falcone and Bruckmann are the other members of the compensation committee. All members of the compensation committee are independent in accordance with Nasdaq listing standards.

The compensation committee's responsibilities include, among other duties, the responsibility to:

review and approve corporate goals and objectives relevant to the compensation of executive officers, evaluate the performance of executive officers in light of those goals and objectives, and recommend the compensation level of executive officers based on this evaluation. The compensation and performance of the Chief Executive Officer is also then reviewed with and subject to approval by the Board;

- administer incentive compensation plans and equity-based plans established or maintained by the Company from time to time, including the 2008 Omnibus Incentive Plan;
- review succession plans concerning positions held by corporate officers; and
- recommend to the Board the compensation for Board members; and

retain and terminate (or obtain the advice of) any adviser to assist it in the performance of its duties, in its sole discretion, but only after taking into consideration factors relevant to the adviser's independence from management as specified under Nasdaq listing standards. The compensation committee shall be directly responsible for the appointment, compensation, and oversight of the work of any adviser retained by the Committee, and shall have sole authority to approve the adviser's fees and other terms and conditions of the adviser's retention.

The compensation committee charter is available both on our website and in print. See "Availability of Certain Documents."

A description of the Company's processes and procedures for the consideration and determination of executive compensation is included in the section entitled "Compensation Discussion and Analysis" below.

The Nominating Committee

The nominating committee met one time during fiscal 2014. Mr. Falcone is the Chair, and Messrs. Recatto and Schalliol are the other members of the nominating committee. All the members of the nominating committee are independent in accordance with Nasdaq listing standards. The role of the nominating committee is to develop and recommend to our Board criteria for Board and committee membership, review the qualifications of candidates for director, nominate candidates for election to our Board, oversee our corporate governance policies and practices, develop and recommend to our Board corporate governance guidelines, and oversee a review of the performance of our Board and its committees at least annually. The nominating committee charter is available both on our website and in print. See "Availability of Certain Documents."

Annual Meeting Attendance Policy

We expect all Board members to attend the annual meeting of shareholders, but from time to time other commitments may prevent all directors from attending each meeting. All of our directors attended our annual meeting of shareholders in fiscal 2014.

Compensation Committee Interlocks and Insider Participation

During fiscal 2014, no executive officer of the Company served on the Board of Directors or compensation committee of any other company with respect to which any member of the compensation committee was engaged as an executive officer. No member of the compensation committee was an officer or employee of the Company during fiscal 2014, and no member of the compensation committee was formerly an officer of the Company.

Director Nominations

The nominating committee is responsible for screening potential director candidates and recommending qualified candidates to the Board for nomination. The nominating committee considers recommendations of potential candidates from current directors, management, and shareholders. Shareholders' nominations for directors must be made in writing and include the nominee's written consent to the nomination and sufficient background information on the candidate to enable the nominating committee to assess his or her qualifications.

For consideration at the 2016 Annual Meeting, director nominations must be delivered to the Secretary of the Company no later than the close of business on February 25, 2016, but no earlier than the close of business on January 26, 2016.

Article II, Section 9 of our bylaws sets forth the process for submitting director nominations. Notice of nomination must include: (i) with respect to each proposed nominee, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (including such person's written consent to being named in the Proxy Statement as a nominee and to serving as a director if elected); (ii) the name and address of the shareholder who intends to make the nomination (including the beneficial owner, if any, on whose behalf the proposal is made) as they appear on the Company's books, (iii) the number of shares of common stock owned beneficially and of record by such shareholder submitting the nomination (including those owned by the beneficial owner, if any, on whose behalf the proposal is made) as of the date such notice is given, (iv) a representation that such shareholder intends to appear in person or by proxy at the meeting to propose such business; and (v) if the shareholder intends to solicit proxies in support of such shareholder's proposal, a representation to that effect.

Although neither the nominating committee nor the Board has a diversity policy, the Board is committed to a diversified membership in terms of both the individuals involved and their various experiences and areas of expertise. The nominating committee has not established specific minimum age, education, years of business experience, or specific types of skills for potential director candidates but, in general, expects qualified candidates will have ample experience and a proven record of business success and leadership. Nominees for director shall be selected on the basis of experience, integrity, ability to make independent analytical inquiries, understanding of the Company's business environment, and willingness to devote adequate time to Board duties. Board members are expected to diligently prepare for, attend, and participate in all Board and applicable committee meetings. Each Board member is expected to ensure that other existing and planned future commitments do not materially interfere with the member's service as a director. The Board applies these criteria in evaluating candidates nominated by stockholders as well as in evaluating those recommended by other sources. The committee also considers whether candidates would be "independent" for purposes of the Nasdaq listing standards and SEC rules and regulations. These general criteria are reviewed annually by the nominating committee and the Board to ensure they remain pertinent and robust.

As provided in its charter, the nominating committee follows procedures which the committee deems reasonable and appropriate in the identification of candidates for election to the Board and in evaluating the background and qualifications of those candidates. Those processes can include consideration of nominees suggested by an outside search firm, incumbent Board members, and shareholders.

We have not received any shareholder recommendations of director candidates with regard to the election of directors covered by this Proxy Statement.

Communications with the Board

Shareholders and other interested parties may communicate with one or more members of the Board or the non-management directors as a group in writing by regular mail to either the Board of Directors, an individual director or directors, or Chair of the nominating committee with respect to the non-management directors c/o Corporate Secretary, 2175 Point Boulevard, Suite 375, Elgin, Illinois 60123.

The Board has instructed the Corporate Secretary to review all communications so received and to exercise his discretion not to forward to the Board correspondences that are inappropriate such as business solicitations, frivolous communications and advertising, routine business matters (i.e. business inquiries, complaints, or suggestions), and personal grievances. However, any director may at any time request the Corporate Secretary to forward any and all communications received by the Corporate Secretary but not forwarded to the directors.

With oversight from the Audit Committee, we have established procedures to receive, retain, and address employee complaints submitted to Heritage-Crystal Clean, Inc. regarding accounting, internal accounting controls, or auditing matters (collectively, "Accounting Matters") and the confidential, anonymous submission by employees of concerns regarding Accounting Matters. The Policy on Complaint Procedures for Accounting and Audit Matters is available on our website at www.crystal-clean.com under "Investor Relations" and "Corporate Governance." See "Availability of Certain Documents."

Code of Business Conduct and Ethics

We adopted a Code of Business Conduct and Ethics that applies to all executive officers, directors, and employees. The Code of Business Conduct and Ethics defines each individual's obligations when representing the Company. Our Code of Business Conduct and Ethics is available both on the Company's website and in print upon request. See "Availability of Certain Documents."

Board Leadership Structure and Risk Oversight

We separate the roles of Chief Executive Officer and Chairman of the Board of Directors in recognition of the differences between the two roles. The Chief Executive Officer is responsible for setting the strategic direction for the Company and the day to day leadership and performance of the Company, while the Chairman of the Board of Directors provides guidance to the Chief Executive Officer and sets the agenda for Board meetings and presides over meetings of the full Board. We also believe that separation of the positions reinforces the independence of the Board of Directors in its oversight of the business and affairs of the Company and creates an environment that is more conducive to objective evaluation and oversight of management's performance, increasing management accountability, and improving the ability of the Board of Directors to monitor whether management's actions are in the best interests of the Company and its shareholders. We do not have a lead independent director.

We have established a risk management committee composed of four to five members of senior management. The goal of the risk management committee is to continually evaluate the risks of the business, including operational, financial, legal and regulatory, and strategic and reputational risks, in order to ensure potential exposure is addressed in a timely manner. The committee meets three to four times per year and provides regular updates to the Audit Committee on areas of material risk to the Company. The Audit Committee receives reports from the risk management committee to enable it to understand our risk identification, risk management, and risk mitigation strategies. The Audit Committee may periodically ask our executives to discuss the most likely sources of material future risks and how we are addressing any significant potential vulnerability. At times, another committee may receive updated reports concerning risks to the Company.

Our compensation committee is responsible for overseeing the management of risks relating to our executive compensation plans and arrangements. We have reviewed our compensation policies and practices for our employees, and we do not believe such policies and practices encourage individuals to take unreasonable risks, and we have determined that any risks arising from the compensation programs are not reasonably likely to have a material adverse effect on the Company.

Our nominating committee manages risks associated with the independence of the Board of Directors.

While each committee is responsible for evaluating certain risks and overseeing the management of such risks, at their discretion they may inform the entire Board of Directors of significant risks through committee reports. This enables the Board and its committees to coordinate the risk oversight role, particularly with respect to risk interrelationships.

In addition to our formal compliance program, the Board of Directors encourages management to promote a corporate culture that understands risk management and incorporates it into the overall corporate strategy and day-to-day business operations. Our risk management structure also includes an ongoing effort to assess and analyze the most likely areas of future risk for the Company.

Stock Ownership or Anti-Hedging Policy

We do not have any equity or other security ownership guidelines or any anti-hedging policy. Each of our executive officers owns equity in our Company.

COMPENSATION DISCUSSION AND ANALYSIS

Executive Compensation Objective

The objective of our executive compensation program is to attract and retain the best suited individuals with the knowledge and capability to run our business to achieve the performance expectations set by our shareholders. Our philosophy is to keep the executive officer compensation program well-defined and easily understood and to link each executive's compensation to the success of the business, with a focus on continuous growth and development of sustainable shareholder value. Our compensation committee determines the amount of each element of compensation, as well as the overall mix of compensation elements, based on our objective of recruiting and retaining valuable employees and remaining competitive within our industry. Our compensation committee makes compensation determinations in accordance with information that its members have gathered in their many years of industry experience supplemented with the engagement from time to time of outside consultants.

Named Executive Officers

In this Compensation Discussion and Analysis, we discuss the compensation packages and fiscal 2014 compensation of Joseph Chalhoub, our Founder, President, and Chief Executive Officer ("CEO"); Gregory Ray, our Chief Operating Officer and Secretary; John Lucks, our Senior Vice President of Sales and Marketing; Mark DeVita, our Chief Financial Officer; and Ellie Bruce, our Vice President of Sales and Vice President of Oil. These officers constituted our "named executive officers" for fiscal 2014. Further details relating to the compensation paid to our named executive officers in fiscal 2014 and their employment arrangements with the Company can be found in the "Summary Compensation Table" and the supplemental tables that follow it.

Compensation Committee

The compensation committee determines and approves the compensation of our executive officers. The compensation committee is appointed by the Board, in part, to oversee the programs under which performance is evaluated and compensation is paid or awarded to our executive officers.

The agenda for each meeting of the compensation committee is determined by its Chair. The compensation committee had two meetings in fiscal 2014. In addition, a subset of the compensation committee met three times to interview senior management, including Mr. Ray and Mr. Lucks, about the performance of senior and executive management and the direction of the Company during fiscal 2014. Mr. Chalhoub, our Founder, President, and CEO, participated in compensation committee meetings, other than when his compensation was discussed, to provide an assessment of the performance of each named executive officer and other senior management and to provide recommendations of compensation. Once the compensation committee determined Mr. Chalhoub's compensation for fiscal 2014, Mr. Chalhoub had the opportunity to discuss his compensation with the compensation committee.

Our compensation committee annually reviews the compensation of each of our executive officers and makes recommendations to our Board of Directors for approval. The compensation committee did not engage any consultant in determining 2014 compensation. To establish compensation for each named executive officer, the members of the compensation committee used their collective knowledge and experience, together with the experience of other Board members and our CEO, regarding the compensation standards in the industry in which the Company operates.

In 2012, the compensation committee engaged Towers Watson and Buck Consultants to conduct an extensive analysis of the executive compensation. The compensation consultant compared the compensation against two sets of peer groups. The first group was an industry peer group representing companies in the environmental and facilities services industry. The companies selected were of similar size and scope as us while also reflecting the growth aspirations in our business plan. The industry peer group was a small group as there are a limited number of direct competitors of similar size. Consequently, the consultant created a second peer group. The second peer group consisted of similarly sized companies with business models of selling or renting and servicing equipment on a regular basis as well as being in the market for executives with similar talents and skills geared to high-growth companies.

The first peer group consisted of the following companies:

Casella Waste Systems Inc. CECO Environmental Corp. Perma-fix Environmental Services
US Ecology, Inc.

The second peer group consisted of the following companies:

3D Systems Corp	Exterran Partners, L.P.	Mitcham Industries Inc.	Symyx Technologies Inc.
Armtech Systems Inc.	Fortress International Group, Inc.	Natural Gas Services Group	T-3 Energy Services, Inc.
Atwood Oceanics	Industrial Services Amer Inc.	Omni Energy Services Corp.	Tesco Corp.
Drill-Quip Inc.	LMI Aerospace Inc.	Standard Parking Corp.	

The compensation committee did not use any benchmarks or metrics from the fiscal 2012 information with respect to these peer groups when determining the fiscal 2014 compensation of the Company's executive officers. Rather the 2012 peer group information was reviewed to confirm that the compensation for the executive officers of the Company was not significantly out of line with the information obtained in 2012.

Components of Executive Compensation

Our executive officer compensation program has the following components:

Base Pay

Base pay is intended to provide our executives with recurring compensation that reflects our size as well as the employment market for our executive officers. Each executive's individual experience, responsibilities, and

performance are also taken into consideration. Base salary also takes total compensation into consideration to ensure that our philosophy regarding overall compensation is maintained. The base pay component of compensation is reviewed annually by the compensation committee. The compensation committee generally bases salary increases on the growth and performance of the Company, individual job performance, and the Company's objectives described above under "Compensation Discussion and Analysis - Executive Compensation Objective." The allocation of total compensation between base salary and other components of compensation is determined by the compensation committee in accordance with information that the members have gathered in their many years of industry experience and based upon the compensation committee's assessment of what form of compensation will more effectively motivate the performance of each named executive officer to generate growth of the Company. In fiscal 2014, after

taking into account the total compensation package of each executive officer, the compensation committee increased the base salary of the named executive officers. In addition, Mr. Chalhoub provided an assessment of the performance of each named executive officer and provided recommendations of compensation.

Non-Equity Incentive Plan Compensation

In connection with our initial public offering in fiscal 2008, we adopted the Heritage-Crystal Clean, Inc. Performance-Based Annual Incentive Plan, which we refer to as the Annual Incentive Plan. The Annual Incentive Plan is administered by the compensation committee. Under the Annual Incentive Plan, the compensation committee has the authority to grant annual incentive awards to our executive officers or other key employees. Each annual incentive award will be paid out of an incentive pool established for a performance period. Typically, the performance period is our fiscal year. The compensation committee will establish a target bonus amount to each designated participant for each performance period as a percentage of his or her base pay and attainment of specified performance measures subject to adjustment in the sole discretion of the compensation committee. In no event may the target as a percentage of base pay for a participant who is a covered employee for purposes of Section 162(m) of the Code be increased in any way after it has been allocated, but such portion may be decreased by the compensation committee.

In fiscal 2014, the compensation committee set target cash bonuses as a percentage of each executive officer's base pay. The compensation committee determined that bonuses under the 2014 Annual Incentive Plan should be based upon net income of the Company.

	Threshold	Target	Maximum
Net Income	\$4.6 million	\$5.0 million	\$7.6 million
Award Payout (Percentage of Target)	—%	100%	150%

In fiscal 2014, the compensation committee allocated Annual Incentive Plan bonuses based upon the following target percentages of base pay to the named executive officers: 58% to Joseph Chalhoub, 48% to Gregory Ray, 48% to John Lucks, 35% to Mark DeVita, and 43% to Ellie Bruce. The target percentages of base pay were similar to those in fiscal 2013.

A bonus pool of up to \$50,000 was allocated for discretionary bonuses to officers of the Company, including named executive officers, based upon the recommendations of Mr. Chalhoub. In fiscal 2015, Mr. Lucks received \$25,000 as a discretionary bonus for his performance in fiscal 2014 and his leadership during the acquisition and integration of FCC Environmental. No other named executive officers received a discretionary bonus for fiscal 2014 performance.

In fiscal 2014, the Company's net loss was \$7.0 million, and no annual incentive bonus was awarded to the Company's named executive officers.

The following table sets forth the allocations and amounts paid out as a cash bonus under the Annual Incentive Plan to the named executive officers in fiscal 2013 and fiscal 2014:

	Fiscal 2013	Total	Fiscal 2014	Fiscal 2014 Annual Incentive Bonus				
	Non-discretionary Percentage of Employee's Base Pay	Annual Incentive Bonus Fiscal 2013	Non-discretionary Percentage of Employee's Base Pay	Threshold	Target	Maximum	Actual	Other ⁽¹⁾
Joseph Chalhoub	58%	\$311,968	58%	—	\$259,761	\$389,642	—	—
Gregory Ray	48%	\$149,833	48%	—	\$124,759	\$187,139	—	—
John Lucks	48%	\$173,806	48%	—	\$144,720	\$217,080	—	\$25,000

Edgar Filing: Heritage-Crystal Clean, Inc. - Form DEF 14A

Mark DeVita	35%	\$88,323	35%	—	\$73,542	\$110,313	—	—
Ellie Bruce	43%	\$117,974	43%	—	\$98,231	\$147,347	—	—

⁽¹⁾ Includes \$25,000 awarded to Mr. Lucks under the \$50,000 bonus pool under the Annual Incentive Plan allocated for discretionary bonuses to officers of the Company for fiscal 2014 performance based upon the recommendations of Mr. Chalhoub.

In March 2015, the compensation committee established incentive targets for fiscal 2015. The compensation committee determined that the aggregate amount of 2015 cash bonuses would be awarded on a sliding scale and based upon certain EBITDA performance goals. The compensation committee allocated 2015 Annual Incentive Plan bonuses to be based on the same target percentages of base salary to the named executive officers as from the 2014 Annual Incentive Plan, except that if the Company achieved 100% of the targeted goal, the named executive officers would be awarded an additional bonus equal to 50% of their targeted 2014 Annual Incentive bonus.

Long-Term Equity Compensation

We are committed to long-term incentive programs for our executives that promote our long-term growth and encourage employee retention and stock ownership. As co-owners of our business, we believe that each of our executive officers has a significant financial interest in the long-term success of our company. We have encouraged employees to purchase equity interests in our Company, and we determine the amount of long-term equity compensation to be offered to the employee based upon job responsibilities, years of service, and employee reviews. We believe that our executive officers should be rewarded with a proprietary interest in the Company for continued long-term performance and to attract, motivate, and retain qualified and talented executives.

We believe that our long-term equity compensation program achieves the goal of aligning the executives' compensation with our long-term growth, and thus aligns the executives' interests with our stockholders' interests. We adopted the 2008 Omnibus Incentive Plan (the "Omnibus Plan") in connection with our initial public offering in fiscal 2008. The Omnibus Plan permits the issuance of long-term incentive awards to our employees, non-employee directors, and employees of our subsidiaries to promote the interests of our company and our stockholders. It is designed to promote these interests by providing such employees and eligible non-employee directors with a proprietary interest in pursuing the long-term growth, profitability, and financial success of our company. The Omnibus Plan is administered by our compensation committee. The aggregate number of shares of our common stock that may be issued under the Omnibus Plan can not exceed 1,902,077 (subject to the adjustment in the event of a stock split, stock dividend, recapitalization, reorganization, or similar transaction). No participant may receive in any calendar year awards relating to more than 500,000 shares of our common stock. Awards may consist of stock options (incentive stock options or nonqualified stock options), stock appreciation rights (SARs), restricted stock, restricted stock units (RSUs), deferred stock units (DSUs), performance shares, performance cash awards, and other stock or cash awards. The exercise price of any stock option must be equal to or greater than the fair market value of the shares on the date of the grant, unless it is a substitute or assumed stock option, restricted stock, restricted stock unit or deferred stock unit, performance share, performance cash award, stock award, or other stock or cash award. The term of any award made under this plan cannot be longer than ten years. As of March 16, 2015, there were 635,437 shares available for issuance under the Omnibus Plan.

We intend to make annual grants of equity to our executive officers under our Omnibus Plan. We do not have any formal policy with respect to allocations between stock options and restricted stock awards. We believe that stock options and restricted stock awards align employees' interests with stockholders. For the 2014 Long Term Incentive Plan ("LTIP"), the compensation committee allocated a pool for granting stock awards based on the fair market value of the awards on the date of grant. Based on the fair market value of the Company's common stock on the date of grant, the actual shares awarded under the 2014 LTIP would change, but the pool would remain a set dollar amount based on the financial performance of the Company in fiscal 2014.

In the first quarter of fiscal 2014, the compensation committee set targets for the fiscal 2014 LTIP, and each LTIP participant was given a target amount of the pool as a percentage of his or her base pay. The long-term incentive award targets were based upon the Company's business plan for net income of the Company. The compensation committee allocated the following LTIP bonus amounts based upon target percentages of base salary for the named executive officers: 85% to Joseph Chalhoub, 65% to Gregory Ray, 65% to John Lucks, 40% to Mark DeVita, and 45% to Ellie Bruce.

	Threshold	Target	Maximum
Net Income	\$4.6 million	\$5.0 million	\$7.6 million
Award Payout (Percentage of Target)	—%	100%	150%

In fiscal 2014, the Company had a net loss of \$7.0 million, and no LTIP was awarded to the Company's named executive officers.

The following table sets forth the percentage of the 2014 LTIP that was designated to each of the named executive officers compared to certain information from 2013.

	Fiscal 2013 Percentage of Employee's Base Pay	Fiscal 2013 Restricted Stock Awards	Fiscal 2014 Percentage of Employee's Base Pay	Fiscal 2014 Dollar Value of Restricted Shares to be Awarded			
				Threshold	Target	Maximum	Actual
Joseph Chalhoub	85%	27,682	85%	—	\$383,994	\$575,991	\$—
Gregory Ray	65%	12,307	65%	—	\$170,723	\$256,085	\$—
John Lucks	65%	14,277	65%	—	\$198,038	\$297,057	\$—
Mark DeVita	40%	6,059	40%	—	\$84,048	\$126,072	\$—
Ellie Bruce	45%	7,498	45%	—	\$104,009	\$156,014	\$—

In March 2015, the compensation committee established incentive targets for fiscal 2015 LTIP. The compensation committee determined that the aggregate amount of 2015 LTIP would be awarded on a sliding scale and be based on certain EBITDA performance goals. The compensation committee allocated 2015 LTIP amounts based upon the same target percentages of base salary to the named executive officers as from the 2014 LTIP, except that if the Company achieved 100% of the targeted goal, the named executive officers would be awarded an additional bonus equal to 50% of their targeted 2014 LTIP.

Other Compensation

Our Non-Qualified Deferred Compensation Plan

In connection with our initial public offering in fiscal 2008, we adopted the Heritage-Crystal Clean, Inc. Non-Qualified Deferred Compensation Plan, which is designed to provide a select group of highly compensated employees and non-employee directors the benefits of a non-qualified, unfunded plan of deferred compensation subject to Section 201(2) of ERISA and the provisions of Section 409A of the Internal Revenue Code. Under the plan, all non-employee directors will be permitted to make an irrevocable election to defer the receipt of all or a portion (not less than 25%) of their annual retainer and/or meeting fees into a nonqualified, unfunded deferred compensation plan. In addition, select employees will be entitled to make an irrevocable election to defer receipt of up to 75% of base salary and up to 100% of any bonus. We may make discretionary contributions to participants' deferred accounts. The plan administrator shall select one or more investment funds that will be used to credit participants' deferral accounts with income and gains and charge deferral accounts with losses, expenses, and distributions. Distribution of funds from deferral accounts to participants shall be made according to distribution dates specified by the participant. Payment of the vested portion of a participant's deferral account shall be made in cash in the form of a single lump sum or a series of annual installments over a period not exceeding ten years. None of our executive officers are currently participating in the deferred compensation plan.

Employment Agreements and Severance Benefits

We have entered into employment agreements with each of Messrs. Chalhoub, Lucks, and Ray. These agreements provide for severance payments and continuation of benefits upon termination of employment. See "Employment Agreements and Potential Payments upon Termination or Change-In-Control."

Internal Revenue Code Section 162(m)

Favorable accounting and tax treatment of the various elements of our compensation program is an important consideration in its design, but it is not the sole consideration. Section 162(m) of the Internal Revenue Code limits the deductibility of certain items of compensation paid to the named executive officers to \$1,000,000 annually, unless the compensation qualifies as "performance based compensation" or is otherwise exempt under Section 162(m). To maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals, we have not adopted a policy that all compensation must be deductible. Section 162(m) did not prevent us from receiving a tax deduction in fiscal 2014 for the compensation paid to our named executive officers. At the Annual Meeting, we are asking stockholders to approve the new Annual Incentive Plan for purposes of complying with Section 162(m). While we consider the potential impact of Section 162(m) on our compensation decisions, we may approve compensation for an executive officer that does not meet the deductibility requirements of Section 162(m) in the future in order to maintain competitive compensation packages and attract talented leaders.

We expense equity awards in accordance with FASB ASC Topic 718. Like many of the companies with whom we compete, we have taken measures to ensure that our equity granting practice remains competitive.

Advisory Votes on Executive Compensation

At the Annual Meeting, shareholders are being asked to consider a resolution to approve the compensation paid to our named executive officers as disclosed in this Proxy Statement. This advisory vote, commonly referred to as a “say-on-pay” advisory vote, will not be binding on the Board. However, the Board will review and thoughtfully consider the voting results when determining compensation policies and making future decisions concerning the compensation of our named executive officers. Any impact from the 2015 voting results will be disclosed in the proxy statement to be filed in connection with the 2016 annual meeting of shareholders. At the 2014 Annual Meeting of Shareholders, in an advisory vote, the shareholders approved the compensation paid to our named executive officers in fiscal 2013, and the compensation committee took this shareholder approval into account when determining fiscal 2014 compensation.

Amounts for fiscal 2013 reflect restricted stock awards granted in February 2014 based on the Company's fiscal 2013 performance. See "- Compensation Discussion and

The Chair of the audit committee receives an additional \$15,000 annual cash retainer, and the Chairs of the compensation and nominating committees each receive an additional \$10,000 cash retainer. The restricted stock awarded to directors vests one year after the date of grant. We also reimburse the directors for reasonable expenses that they incur in attending Board or committee meetings. We have entered into indemnification agreements with each of our directors.

RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Procedures for Approval of Related Party Transactions

Our Board of Directors adopted written related party transaction policies and procedures which require that all “interested transactions” with “related parties” (each as defined below) be subject to approval or ratification by the audit committee in accordance with the procedures set forth therein. The audit committee reviews the material facts of all interested transactions and either approves or disapproves of the entry into the transaction. If advanced approval of an interested transaction is not feasible, the transaction is reviewed and, if the audit committee determines it to be appropriate, ratified at that committee's next scheduled meeting. In determining whether to approve or ratify an interested transaction, the audit committee takes into account, among other appropriate factors, the extent of the related party's interest in the transaction and whether the interested transaction is on terms no less favorable than terms generally available to unaffiliated third parties under similar circumstances. Directors may not participate in any discussion or approval of an interested transaction for which they are a related party.

The audit committee has pre-approved or ratified the following categories of interested transactions:

Any employment by the Company of an executive officer of the Company if:

The related compensation is required to be reported in the Company's Proxy Statement under the SEC's compensation disclosure requirements or the executive officer is not an immediate family of another executive officer or director of the Company;

The related compensation would be reported in the Company's Proxy Statement under the SEC's compensation disclosure requirements if the executive officer was a named executive officer and the compensation committee approved (or recommended that the Board approve) such compensation;

Any compensation paid to a director if the compensation is required to be reported in the Company's Proxy Statement under the SEC's compensation disclosure requirements;

Any charitable contribution by the Company to a charitable organization, foundation, or university at which a related person's only relationship is as a non-executive employee or director if the amount involved does not exceed the lesser of \$100,000 or 2% of the charitable organization's total annual receipts;

Any transaction where the related person's interest arises solely from the ownership of the Company common stock, and all holders of common stock received the same benefit on a pro rata basis; and

Any transaction with a related party involving services as a bank depository of funds, transfer agent, registrar, trustee under an indenture, or similar services.

In addition, the Board has delegated to the Chair of the audit committee the authority to pre-approve or ratify any interested transaction with a related party in which the aggregate amount is expected to be less than \$1,000,000.

An "interested transaction" is any transaction, arrangement, or relationship, or series of similar transactions, arrangements, or relationships, in which:

The aggregate amount involved will or may be expected to exceed \$100,000 in any calendar year;

The Company is a participant; and

Any "related party" has or will have a direct or indirect interest (other than solely as a result of being a director or less than 10% beneficial owner of another entity).

A "related party" covered by the policy is:

A person who was or is (since the beginning of the last fiscal year for which the Company has filed an Annual Report on Form 10-K or Proxy Statement) an executive officer, director, or nominee for election as a director;

A greater than 5% beneficial owner of common stock; or

An immediate family member of the foregoing, which includes a person's spouse, parents, stepparents, children, stepchildren, siblings, mothers- and fathers-in-law, sons- and daughters-in-law, and brothers- and sisters- in law, and anyone residing in such person's home (other than tenants or employees).

Transactions with Related Persons

The following transactions involved an aggregate amount exceeding \$120,000 in value and were reviewed and approved by our audit committee under the Related Party Transaction Policies and Procedures.

Relationship with The Heritage Group

Our operating subsidiary, Heritage-Crystal Clean, LLC, was spun out of Heritage Environmental Services, an affiliate of our largest stockholder, The Heritage Group ("Heritage"), in 1999. Since 1999, we have had many transactions with affiliates of Heritage. In fiscal 2014, we generated revenues of \$0.6 million from product sales and services to Heritage Environmental Services and made payments of \$1.7 million for waste transportation and disposal services,

rent for facility use, and various advisory and administrative services performed by Heritage Environmental Services.

In fiscal 2014, as a result of sales from our used oil re-refinery, we generated revenues of \$8.0 million to Calumet Specialty Products Partners, LP, an affiliate of Heritage.

In addition, in fiscal 2014, we generated revenues of \$2.0 million and made payments of \$1.6 million with other affiliates of Heritage. We believe that the aggregate price we pay and price we charge Heritage for services and revenue is approximately what we would pay and receive for such services from third parties in arms-length transactions.

In fiscal 2011, in order to add used oil collection volume in Michigan, we acquired certain assets of Crystal Flash Limited Partnership of Michigan ("Crystal Flash"), a Heritage affiliate, in exchange for \$1.7 million in cash at the time of closing. In addition we recorded at their net present value future payments to be tied to the continued performance of the acquired assets through the end of fiscal 2014. In fiscal 2014, we made payments of \$0.4 million for the performance of the acquired assets.

Employee Benefit Plan

The employees of our operating subsidiary Heritage-Crystal Clean, LLC participate in a defined contribution 401(k) benefit plan sponsored by an affiliate of Heritage. Participants in this plan are allowed to contribute 1% to 70% of their pre-tax earnings up to relevant IRS limitations to the plan. The Company matches 100% of the first 3% contributed by the participant and 50% of the next 2% contributed by the participant for a maximum contribution of 4% per participant. The matching expense for this plan was \$1.2 million in fiscal 2014.

Workers' Compensation

We participate in a workers' compensation group insurance program with affiliates of Heritage. In connection with our insurance program for workers' compensation, we contribute payments to an affiliate of Heritage. Payments under the group insurance program for workers' compensation totaled \$1.3 million in fiscal 2014, \$0.9 million in fiscal 2013, and \$0.8 million in fiscal 2012.

Employment of Certain Individuals

In fiscal 2014, we employed certain individuals who were immediate family members of a director or executive officer of the Company. Including salary, bonus, commissions, and 401k match, the following individuals were paid more than \$120,000 in fiscal 2014:

• Jeff Carpenter, the son of John Lucks, Senior Vice President of Sales & Marketing, was employed by us as a Branch Sales Manager and was paid \$137,000 in fiscal 2014; and

• Pierre Chalhoub, the son of Joe Chalhoub, the President and Chief Executive Officer, was employed by us as Controller - Oil Business and was paid \$128,000 in fiscal 2014.

• Robert Chalhoub, the son of Joe Chalhoub, the President and Chief Executive Officer, was employed by us as Assistant Facility Manager and was paid \$127,000 in fiscal 2014.

We believe that the total compensation paid to these individuals is approximately what we would pay for such services from unrelated individuals with similar experience in the same roles.

Heritage Participation Rights

Simultaneous with the completion of the initial public offering in fiscal 2008, we entered into a Participation Rights Agreement with Heritage, pursuant to which Heritage received the option to participate, pro rata based on its percentage ownership interest in our common stock, in any future equity offerings for cash consideration, including (i) contracts with parties for equity financing (including any debt financing with an equity component) and (ii) issuances of equity securities or securities convertible, exchangeable or exercisable into or for equity securities (including debt securities with an equity component). If Heritage exercises its rights with respect to all future offerings, it will be able to maintain its percentage ownership interest in our common stock. The Participation Rights Agreement does not have an expiration date. Heritage will not be required to participate or exercise its right of participation with respect

to any future offerings. Heritage's right to participate will not apply to certain future offerings of securities that are not conducted to raise or obtain equity capital or cash such as stock issued as consideration in a merger or consolidation, in connection with strategic partnerships or joint ventures, or for the acquisition of a business, product, license, or other assets by us.

REPORT OF THE AUDIT COMMITTEE

The audit committee oversees our financial reporting process on behalf of the board. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls. In fulfilling its oversight responsibilities, the audit committee has reviewed and discussed our audited consolidated financial statements for fiscal year 2014 and the reports of Grant Thornton LLP, our independent registered public accounting firm, on those financial statements, with management and Grant Thornton LLP, including a review and discussion of the quality, not just the acceptability, of our accounting principles; the reasonableness of significant estimates and judgments; and the clarity of disclosures in our financial statements, including the disclosures relating to critical accounting policies.

In addition, the audit committee has reviewed and discussed with Grant Thornton LLP the matters required to be discussed by Statement on Auditing Standards No. 16, as amended (AICPA, Professional Standards, Vol. 1 AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. In addition, the audit committee has discussed with Grant Thornton LLP their independence from management and us, and has received the written disclosures and the letter from Grant Thornton LLP required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence and has discussed with the independent accountant the independent accountant's independence, including whether the services rendered by Grant Thornton LLP or its affiliates with respect to tax and non-audit services are compatible with maintaining their independence.

The audit committee also reviewed management's report on its assessment of the effectiveness of our internal control over financial reporting and the independent registered public accounting firm's report on the effectiveness of our internal control over financial reporting.

The audit committee discussed with our independent registered public accounting firm the overall scope and plans for its audit. The audit committee meets with our independent registered public accounting firm, with and without management present, to discuss the results of their examinations, their evaluations of our internal control, including internal control over financial reporting, and the overall quality of our financial reporting.

In reliance on the reviews and discussions referred to above, the audit committee recommended to the Board of Directors and the Board has approved the inclusion of the audited financial statements and management's assessment of the effectiveness of our internal control over financial reporting in the Annual Report on Form 10-K for the year ended January 3, 2015, for filing with the SEC.

Fees Paid to Independent Registered Public Accounting Firm

	2014	2013
Audit Fees	\$838,497	\$407,286

In fiscal 2014, audit fees increased compared to fiscal 2013 due to the acquisition of FCC Environmental. Audit fees primarily consist of professional services rendered for the audit of our annual financial statements and the review of our quarterly financial statements included in our Quarterly Reports on Form 10-Q. Audit fees also include professional services rendered in connection with periodic reports and registration statements we filed with the SEC.

Approval of Services Provided by Independent Registered Public Accounting Firm

The audit committee is responsible for the appointment, compensation, and oversight of the work of our independent registered public accounting firm. The audit committee has adopted a policy requiring the pre-approval of any audit services and non-audit services performed by the Company's independent registered public accounting firm to ensure that such services do not impair the firm's independence. This policy requires that, unless a proposed service has received general pre-approval by the audit committee, it will require specific pre-approval if it is to be performed by the Company's independent registered public accounting firm. The audit committee may pre-approve for up to one year in advance the provision of particular types of permissible routine and recurring audit-related, tax, and other non-audit services, in each case described in reasonable detail and subject to a specific annual monetary limit also approved by the audit committee. The audit committee must be informed about each such service that is actually provided. In cases where a service is not covered by one of those approvals, the service must be specifically pre-approved by the audit committee no earlier than one year prior to the commencement of the service. In addition, the audit committee has delegated to the Chair of the audit committee the authority to grant the approvals required by this policy for services that are estimated to cost no more than \$25,000. All requests or applications for services to be provided by the independent auditor must be submitted to our chief financial officer, who determines whether such services are included within the list of services that have received general pre-approval or whether they require specific pre-approval by the audit committee.

The audit committee has considered whether the nature of the services provided by Grant Thornton for tax and non-audit services are compatible with maintaining the nature of the firm's independence and has determined that such services are compatible with the provision of independent audit services. All of the services performed by Grant Thornton in fiscal year 2014 were pre-approved in accordance with the policy adopted by the audit committee as described above.

PROPOSAL 2:

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee has appointed Grant Thornton LLP ("Grant Thornton") as our independent registered public accounting firm for fiscal 2015. The Board and the audit committee recommend that shareholders ratify the appointment of Grant Thornton as our independent registered public accounting firm for fiscal year 2015. Although we are not required to do so, we believe that it is appropriate to request that shareholders ratify this appointment. If shareholders do not ratify the appointment, the audit committee will investigate the reasons for the shareholders' rejection and reconsider the appointment. Representatives of Grant Thornton will be at the Annual Meeting, will be given the opportunity to make a statement, and will be available to respond to questions.

Unless otherwise instructed, the proxy holders will vote the proxies received by them FOR approval of the ratification of the appointment of Grant Thornton. The ratification of the appointment will be approved by our shareholders if, at the Annual Meeting, a quorum is present and a majority of the shares present in person or represented by proxy and entitled to vote on the proposal are voted in favor of the proposal.

The Board recommends a vote FOR approval of the ratification of the appointment of Grant Thornton as our independent registered public accounting firm for the fiscal year 2015.

PROPOSAL 3:

ADVISORY VOTE ON COMPENSATION OF NAMED EXECUTIVE OFFICERS

The Company is requesting shareholder approval, on an advisory basis, of the compensation of the Company's named executive officers for fiscal 2014 as listed in the Summary Compensation Table (appearing on page 19 of this Proxy Statement). The Board and the compensation committee have developed and administer an executive compensation program that is described more fully under the "Compensation Discussion and Analysis" section of this Proxy Statement, including the related compensation tables and narrative. This proposal, commonly known as a "say on pay" proposal, gives shareholders the opportunity to approve, reject, or abstain from voting with respect to the Company's executive compensation program and the compensation paid to the named executive officers for fiscal 2014.

As discussed in the "Compensation Discussion and Analysis" section of this Proxy Statement, the primary objective of the Company's executive compensation program is to link each executive's compensation to the success of the business, with a focus on continuous growth and development of sustainable shareholder value. Our philosophy is also to keep the executive officer compensation program well-defined and easily understood. The advisory vote will serve as an additional tool to guide the Board and the compensation committee in aligning the executive compensation program with the interests of the Company and its shareholders and is consistent with the Board's commitment to the observance of high standards of corporate governance. The Company is accordingly requesting the vote of the shareholders on the following resolution:

RESOLVED, that the compensation paid to the Company's named executive officers for fiscal 2014, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED.

Because the vote on this proposal is advisory in nature, it will not affect any compensation already paid or awarded to any named executive officer and will not be binding on or overrule any decision by the Board; nor will it create or imply any additional fiduciary duty on the part of the Board. The Board and the Compensation Committee value the opinions of the shareholders and will take into account the outcome of the advisory vote when considering future compensation arrangements for the named executive officers.

The Board recommends a vote FOR approval, on an advisory basis, of the compensation of the named executive officers for fiscal 2014 as disclosed in this Proxy Statement.
