**IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR
THE STOCKHOLDER MEETING TO BE HELD ON MAY 14, 2014:**

Our official Notice of Annual Meeting of Stockholders, Proxy Statement and 2013 Annual Report to Stockholders are available at:

www.proxyvote.com

ABOUT THE ANNUAL MEETING

What is a proxy?

A proxy is another person that you legally designate to vote your stock. If you designate someone as your proxy in a written document, that document is also called a “proxy” or a “proxy card.” If you are a street name holder, you must obtain a proxy from your broker or nominee in order to vote your shares in person at the Annual Meeting.

What is a proxy statement?

A proxy statement is a document that regulations of the Securities and Exchange Commission (the “SEC”) require that we give to you when we ask you to sign a proxy card to vote your stock at the Annual Meeting.

What is the purpose of the Annual Meeting?

At our Annual Meeting, stockholders will act upon the matters outlined in the Notice, including the following:

- (1) Election of eight directors to serve on our board of directors for a term of one year or until their successors are elected and qualified.
- (2) An advisory vote on executive compensation as disclosed in these materials.
- (3) An advisory vote on whether an advisory vote on executive compensation should be held every one, two or three years.
- (4) Ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014.
- (5) Such other business as may properly come before the Annual Meeting.

What is “householding” and how does it affect me?

With respect to eligible stockholders who share a single address, we may send only one Proxy Statement to that address unless we receive instructions to the contrary from any stockholder at that address. This practice, known as “householding,” is designed to reduce our printing and postage costs. However, if a stockholder of record residing at such address wishes to receive a separate Proxy Statement in the future, he or she may contact Pioneer Power

Solutions, Inc., 400 Kelby Street, 9th Floor, Fort Lee, New Jersey 07024, Attn: Investor Relations or call (212) 867-0700 and ask for Investor Relations. Eligible stockholders of record receiving multiple copies of our Proxy Statement can request householding by contacting us in the same manner. Stockholders who own shares through a bank, broker or other nominee can request householding by contacting the nominee.

We hereby undertake to deliver promptly, upon written or oral request, a copy of the Proxy Statement to a stockholder at a shared address to which a single copy of the document was delivered. Requests should be directed to Investor Relations at the address or phone number set forth above.

SEC rules permit companies to send you a notice that proxy information is available on the Internet, instead of mailing you a complete set of materials. In the future, the Company may choose to distribute proxy information in this manner.

What should I do if I receive more than one set of voting materials?

You may receive more than one set of voting materials, including multiple copies of this Proxy Statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you will receive a separate voting instruction card for each brokerage account in which you hold shares. Similarly, if you are a stockholder of record and hold shares in a brokerage account, you will receive a proxy card for shares held in your name and a voting instruction card for shares held in street name. Please complete, sign, date and return each proxy card and voting instruction card that you receive, or vote by telephone or Internet in accordance with the instructions set forth thereon, to ensure that all your shares are voted.

What is the record date and what does it mean?

The record date to determine the stockholders entitled to notice of and to vote at the Annual Meeting is the close of business on April 2, 2014 (the "Record Date"). The Record Date is established by the board of directors as required by Delaware law. On the Record Date, 7,172,255 shares of common stock were issued and outstanding.

Who is entitled to vote at the Annual Meeting?

Holders of common stock at the close of business on the Record Date may vote at the Annual Meeting.

What are the voting rights of the stockholders?

Each holder of common stock is entitled to one vote per share of common stock on all matters to be acted upon at the Annual Meeting.

The presence, in person or by proxy, of the holders of a majority of the shares of the stock entitled to vote at the Annual Meeting is necessary to constitute a quorum to transact business. If a quorum is not present or represented at the Annual Meeting, the stockholders entitled to vote at the Annual Meeting, present in person or by proxy, may adjourn the Annual Meeting from time to time without notice or other announcement until a quorum is present or represented.

What is the difference between a stockholder of record and a “street name” holder?

If your shares are registered directly in your name with Action Stock Transfer Corporation, our stock transfer agent, you are considered the stockholder of record with respect to those shares. The Proxy Statement and proxy card have been sent directly to you by us.

If your shares are held in a stock brokerage account or by a bank or other nominee, the nominee is considered the record holder of those shares. You are considered the beneficial owner of these shares, and your shares are held in “street name.” The Proxy Statement and proxy card have been forwarded to you by your nominee. As the beneficial owner, you have the right to direct your nominee concerning how to vote your shares by using the voting instructions they included in the mailing or by following their instructions for voting by telephone or the Internet.

What is a broker non-vote?

A broker non-vote occurs when a broker holding shares for a beneficial owner does not vote on a particular proposal because the broker does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner. Your broker does not have discretionary authority to vote your shares with respect to the election of directors (Proposal 1), the advisory vote on executive compensation (Proposal 2) or the advisory vote on whether an advisory vote on executive compensation should be held every one, two or three years (Proposal 3) in the absence of specific instructions from you.

How do I vote my shares?

If you are a record holder, you may vote your voting securities at the Annual Meeting in person or by proxy. To vote in person, you must attend the Annual Meeting and obtain and submit a ballot. The ballot will be provided at the Annual Meeting. To vote by proxy, you must do one of the following:

- USE THE TOLL-FREE NUMBER shown on your proxy card;
- VISIT THE WEBSITE shown on your proxy card to vote via the Internet; or
- MARK, SIGN, DATE AND PROMPTLY RETURN the enclosed proxy card in the postage-paid envelope.

The telephone and Internet voting procedures are designed to authenticate stockholders' identities, to allow you to vote your shares and to confirm that your instructions have been properly recorded. Please refer to your proxy card or the information forwarded by your bank, broker or other nominee to see which options are available to you. The proxy card is fairly simple to complete, with specific instructions right on the card. By completing and submitting it, you will direct the designated persons (known as "proxies") to vote your stock at the Annual Meeting in accordance with your instructions. The board of directors has appointed Nathan J. Mazurek, president and chief executive officer, and Andrew Minkow, chief financial officer, treasurer and secretary to serve as the proxies for the Annual Meeting.

Your proxy card will be valid only if you sign, date and return it before the Annual Meeting. If you complete all of the proxy card except one or more of the voting instructions, then the designated proxies will vote your shares as to which you provide no voting instructions in the manner described under "What if I do not specify how I want my shares voted?" below. We do not anticipate that any other matters will come before the Annual Meeting, but if any other matters properly come before the meeting, then the designated proxies will vote your shares in accordance with applicable law and their judgment.

If you hold your shares in "street name," your bank, broker or other nominee should provide to you a request for voting instructions along with the Company's proxy solicitation materials. By completing the voting instruction card, you may direct your nominee how to vote your shares. If you complete the voting instruction card except one or more of the voting instructions, then your broker may be unable to vote your shares with respect to the proposal as to which you provide no voting instructions. See "What is a broker non-vote?" Alternatively, if you want to vote your shares in person at the Annual Meeting, you must contact your nominee directly in order to obtain a proxy issued to you by your nominee holder. Note that a broker letter that identifies you as a stockholder is not the same as a nominee issued proxy. If you fail to bring a nominee-issued proxy to the Annual Meeting, you will not be able to vote your nominee-held shares in person at the Annual Meeting.

Even if you currently plan to attend the Annual Meeting, we recommend that you also submit your proxy as described above so that your votes will be counted if you later decide not to attend the Annual Meeting or are unable to attend.

Who counts the votes?

All votes will be tabulated by Andrew Minkow, chief financial officer, treasurer and secretary, the inspector of election appointed for the Annual Meeting. Each proposal will be tabulated separately.

What are my choices when voting?

In the election of directors (Proposal 1), stockholders may vote for all director nominees or may withhold their votes as to one or more director nominees. With respect to the advisory vote on executive compensation and the ratification of the independent registered public accounting firm (Proposals 2 and 4), stockholders may vote for the proposal, against the proposal, or abstain from voting on the proposal. With respect to the advisory vote on whether an advisory vote on executive compensation should be held every one, two or three years (Proposal 3), stockholders may vote to hold an advisory vote on executive compensation every one, two or three years or abstain from voting on the proposal.

What are the board of directors' recommendations on how I should vote my shares?

The board of directors recommends that you vote your shares as follows:

Proposal 1—FOR the election of the nominees for director.

Proposal 2—FOR the advisory vote on executive compensation as disclosed in these materials.

Proposal 3—FOR an advisory vote on executive compensation every THREE years.

Proposal 4—FOR the ratification of the independent registered public accounting firm.

What if I do not specify how I want my shares voted?

If you return a signed proxy card and do not specify on your proxy card (or when giving your proxy by telephone or over the Internet) how you want to vote your shares, we will vote the shares in the following manner:

Proposal 1—FOR the election of the nominees for director.

Proposal 2—FOR the advisory vote on executive compensation as disclosed in these materials.

Proposal 3—FOR an advisory vote on executive compensation every THREE years.

Proposal 4—FOR the ratification of the independent registered public accounting firm.

If you are a street name holder and do not provide voting instructions on one or more proposals, your bank, broker or other nominee may be unable to vote those shares. See "What is a broker non-vote?"

Can I change my vote?

Yes. If you are a record holder, you may revoke your proxy at any time by any of the following means:

- Attending the Annual Meeting and voting in person. Your attendance at the Annual Meeting will not by itself revoke a proxy. You must vote your shares by ballot at the Annual Meeting to revoke your proxy.
- Completing and submitting a new valid proxy bearing a later date by Internet, telephone or mail.
- Giving written notice of revocation to the Company addressed to Andrew Minkow, chief financial officer, treasurer and secretary, at the Company's address above, which notice must be received before noon, New York time on May 13, 2014.

If you are a street name holder, your bank, broker or other nominee should provide instructions explaining how you may change or revoke your voting instructions.

What percentage of the vote is required to approve each proposal?

Assuming the presence of a quorum, the eight director nominees who receive the most votes cast in the election of directors will be elected.

Assuming the presence of a quorum, approval of the advisory vote on executive compensation (Proposal 2) and the ratification of the independent registered public accounting firm (Proposal 4) will require the affirmative vote of the holders of a majority of the shares of our common stock represented in person or by proxy at the Annual Meeting. For the advisory vote on how frequently our stockholders should vote on the compensation of our named executive officers (Proposal 3), the number of years (1, 2 or 3) that receives the highest number of votes will be deemed to be preferred by our stockholders. Please note that Proposals 2 and 3 are non-binding advisory votes.

How are abstentions and broker non-votes treated?

Abstentions or votes withheld are included in the determination of the number of shares present at the Annual Meeting for determining a quorum at the meeting. Votes withheld will have no effect with respect to the election of directors (Proposal 1). Abstentions will have the same effect as a vote against the advisory vote on executive compensation (Proposal 2) and the ratification of the independent registered public accounting firm (Proposal 4). Abstentions will have no effect with respect to the advisory vote on how frequently our stockholders should vote on the compensation of our named executive officers (Proposal 3).

Broker non-votes are included in the determination of the number of shares present at the Annual Meeting for determining a quorum at the meeting. Broker non-votes will have no effect upon Proposals 1 or 3. Broker non-votes will have the same effect as a vote against Proposal 2. Broker non-votes are not applicable to Proposal 4.

Do I have any dissenters' or appraisal rights with respect to any of the matters to be voted on at the Annual Meeting?

No. None of our stockholders has any dissenters' or appraisal rights with respect to the matters to be voted on at the Annual Meeting.

What are the solicitation expenses and who pays the cost of this proxy solicitation?

Our board of directors is asking for your proxy and we will pay all of the costs of asking for stockholder proxies. We will reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding solicitation material to the beneficial owners of common stock and collecting voting instructions. We may use officers and employees of the Company to ask for proxies, as described below.

Is this Proxy Statement the only way that proxies are being solicited?

No. In addition to the solicitation of proxies by use of the mail, officers and employees of the Company may solicit the return of proxies, either by mail, telephone, fax, e-mail or through personal contact. These officers and employees will not receive additional compensation for their efforts but will be reimbursed for out-of-pocket expenses. Brokerage houses and other custodians, nominees and fiduciaries, in connection with shares of the common stock registered in their names, will be requested to forward solicitation material to the beneficial owners of shares of common stock.

Are there any other matters to be acted upon at the Annual Meeting?

Management does not intend to present any business at the Annual Meeting for a vote other than the matters set forth in the Notice and has no information that others will do so. If other matters requiring a vote of the stockholders properly come before the Annual Meeting, it is the intention of the persons named in the accompanying form of proxy to vote the shares represented by the proxies held by them in accordance with applicable law and their judgment on such matters.

Where can I find voting results?

The Company expects to publish the voting results in a current report on Form 8-K, which it expects to file with the SEC within four business days following the Annual Meeting.

Who can help answer my questions?

The information provided above in this “Question and Answer” format is for your convenience only and is merely a summary of the information contained in this Proxy Statement. We urge you to carefully read this entire Proxy Statement, including the documents we refer to in this Proxy Statement. If you have any questions, or need additional material, please feel free to contact Andrew Minkow by email at info@pioneerpowersolutions.com or phone at (212) 867-0700.

CORPORATE GOVERNANCE AND BOARD OF DIRECTORS MATTERS

Director Independence

Our board of directors has determined that each of Yossi Cohn, Ian Ross, David Tesler and Jonathan Tulkoff satisfy the requirements for independence set out in Section 5605(a)(2) of the Nasdaq Stock Market Rules and that each of these directors has no material relationship with us (other than being a director and/or a stockholder). In making its independence determinations, the board of directors sought to identify and analyze all of the facts and circumstances relating to any relationship between a director, his immediate family or affiliates and our company and our affiliates and did not rely on categorical standards other than those contained in the Nasdaq Stock Market rule referenced above.

Because Nathan Mazurek, our president, chief executive officer and chairman of the board of directors, controls a majority of our outstanding voting power, we are a “controlled company” under the corporate governance rules of the Nasdaq Stock market. Therefore, we are not required to have a majority of our board of directors be independent, nor are we required to have a compensation committee or an independent nominating function. In light of our status as a controlled company, our small size and our desire to efficiently manage our financial and administrative resources, our board of directors has determined not to have a majority of independent directors or an independent nominating or compensation committee and to have the full board of directors be directly responsible for compensation matters and for nominating members of our board. However, only Messrs. Cohn, Ross, Tesler and Tulkoff satisfy the independence requirement that would apply to the members of such committees under the Nasdaq Stock Market Rules.

Board Committees

Our board of directors established an audit committee on March 24, 2011, which has the composition and responsibilities described below. We do not have a standing nominating and corporate governance committee or a compensation committee.

Audit Committee. The audit committee consists of Messrs. Cohn, Ross and Tulkoff, each of whom our board has determined to be financially literate and qualify as an independent director under Section 5605(a)(2) of the rules of the Nasdaq Stock Market. In addition, Mr. Ross is the chairman of the audit committee and qualifies as a financial expert as defined in Item 407(d)(5)(ii) of Regulation S-K. The audit committee’s duties are to recommend to our board of directors the engagement of independent auditors to audit our financial statements and to review our accounting and auditing principles. The audit committee will review the scope, timing and fees for the annual audit and the results of audit examinations performed by internal auditors and independent public accountants, including their recommendations to improve the system of accounting and internal controls. The audit committee held a total of

four meetings during the fiscal year ended December 31, 2013. The audit committee operates under a formal charter adopted by the board of directors that governs its duties and conduct. Copies of the charter can be obtained free of charge from the Company's web site, www.pioneerpowersolutions.com, by contacting the Company by mail at the address appearing on the first page of this Proxy Statement to the attention of Investor Relations, or by telephone at (212) 867-0700.

Meetings and Attendance

During the fiscal year ended December 31, 2013, the board of directors held six meetings, and each director attended at least 75 percent of the aggregate number of all (i) board meetings held during the period for which he was a director and (ii) committee meetings held during the period for which he was a committee member. We do not have a policy requiring director attendance at stockholder meetings, but members of our board of directors are encouraged to attend. We did not hold an annual meeting of stockholders during 2013.

Board Leadership Structure

The board of directors is committed to promoting effective, independent governance of the Company. The board strongly believes it is in the best interests of the stockholders and the Company for the board to have the flexibility to select the best director to serve as chairman at any given time, regardless of whether that director is an

independent director or the chief executive officer. Consequently, we do not have a policy governing whether the roles of chairman of the board and chief executive officer should be separate or combined. This decision is made by our board of directors, based on the best interests of the Company considering the circumstances at the time.

Currently, the board has determined that it is in the best interests of the stockholders and the Company for Nathan Mazurek to serve as our chairman as well as our chief executive officer and president.

The board believes that this structure has been effective for the Company and continues to be best for the Company at this point in time for several reasons. The board believes that as the Company's founder and as a significant equity holder, Mr. Mazurek is well qualified to serve as our chairman and chief executive officer and president, and his interests are sufficiently aligned with the stockholders he represents. Mr. Mazurek has extensive experience in the electrical equipment and components industry and a long tenure of executive leadership with us. The board believes the Company has been well-served by this leadership structure and by Mr. Mazurek's service. Mr. Mazurek is the person with primary responsibility for our day-to-day operations and the execution of our strategies. Since our performance is one of the most important topics at board meetings, it makes sense for Mr. Mazurek to chair such discussions. This allows him to highlight important issues without unnecessary procedural delay. It also allows him to provide the proper context and background, including access to members of management and Company and industry reports, for each issue considered by the board. Mr. Mazurek adheres to an "open door" policy in his communications with board members and talks frequently with board members. Furthermore, board members are encouraged to freely communicate with any member of management at any time. The board believes it has been beneficial, in terms of its relationship with employees, stockholders, customers, business partners, lenders and other, to provide a single voice for the Company through Mr. Mazurek. Having one person serve as both our chairman and chief executive officer and president demonstrates for our employees, stockholders, customers, business partners, lenders and others that the Company is under strong leadership, with a single person setting the tone and having primary responsibility for managing our operations. Having a single leader for both the Company and the board of directors eliminates the potential for confusion or duplication of efforts, and provides clear leadership for our Company. Although not required, a number of our board seats are held by independent directors. Each such director is highly qualified, with extensive experience in the industry, in finance and in other relevant fields. In Mr. Mazurek, the board has found an effective leader who is able to facilitate open and productive discussion, effectively utilize each individual director's unique perspective and expertise, lead the board in innovative and creative problem solving and, by virtue of his personal ownership in the Company, to represent the interests of our stockholders as a whole.

The board has not appointed a lead independent director. As described above, the board currently believes that Mr. Mazurek is able to facilitate open and productive discussion and decision-making, and elicit input, including dissent, from independent directors. Furthermore, the board believes that its independent directors have a strong voice and ample opportunity to meet and discuss Company matters outside the presence of Mr. Mazurek and the other employee directors without needing a formal leader to instigate such discussions or facilitate communication with Mr. Mazurek and other members of management.

Role in Risk Oversight

The board of directors takes a practical role in overseeing management of the Company's risks through its review of risks associated with our operations and strategic initiatives and through the board's audit committee. Our audit committee is comprised solely of independent directors and has responsibility to review certain risks as defined in its governing charter. The audit committee reviews and discusses with management our major financial risks, including any risk assessment or risk management policies. The audit committee provides input regarding such risk on a quarterly basis in connection with its review and approval of our quarterly Form 10-Q and annual Form 10-K filings. The board of directors also reviews information concerning other risks through updates from the audit committee members and from our employees at board meetings and via telephone calls scheduled on an as-needed basis.

Communications with the Board of Directors

We have no formal procedures to follow for stockholders to communicate with the board of directors. Any stockholder who wishes to communicate with our board of directors, any committee of our board of directors or any individual director, may do so by mailing or delivering a written communication to c/o Pioneer Power Solutions, Inc., 400 Kelby Street, 9th Floor, Fort Lee, New Jersey 07024, Attention: Andrew Minkow, Secretary. All appropriate communications received from stockholders at the designated address will be forwarded to the full board of directors, any committee thereof or individual director to whom the communication is addressed.

Director Nomination Policies

As discussed above, in light of our status as a controlled company, our board of directors has determined not to have a standing nominating and corporate governance committee consisting entirely of independent directors. Therefore, our full board of directors is directly responsible for selecting each director nominee.

The board of directors will consider all proposed nominees for the board of directors, including those put forward by stockholders. Stockholder nominations should be addressed to the board of directors in care of the Secretary, c/o Pioneer Power Solutions, Inc., 400 Kelby Street, 9th Floor, Fort Lee, New Jersey 07024, in accordance with the provisions of the Company's bylaws. The board of directors reviews the applicable skills and characteristics required of director nominees in the context of current board composition and Company circumstances. In making its selection of each director nominee, the board of directors evaluates all factors it considers appropriate, which may include experience, accomplishments, education, understanding of the business and the industry in which the Company operates, specific skills, general business acumen and the highest personal and professional integrity. Generally, the board of directors will first consider current board members because they meet the criteria listed above and possess an in depth knowledge of the Company, its history, strengths, weaknesses, goals and objectives. This level of knowledge has proven very valuable to the Company. In determining whether to recommend a director for re-election, the board of directors also considers the director's past attendance at meetings and participation in and contributions to the activities of the board.

The board of directors aims to assemble a diverse group of board members and believes that no single criterion such as gender or minority status is determinative in obtaining diversity on the board. The board defines diversity as differences of viewpoint, professional experience, education and skills such as a candidate's range of experience serving on other public company boards, the balance of the business interest and experience of the candidate as compared to the incumbent or other nominated directors, and the need for any particular expertise on the board or its audit committee.

Certain Related Transactions and Relationships

In connection with our acquisition of Jefferson Electric, Inc. on April 30, 2010, we advanced \$3.0 million to Jefferson Electric, Inc., which was utilized to partially repay the principal amount outstanding under Jefferson Electric, Inc.'s revolving credit facility with its bank and to partially repay the principal amount outstanding under Jefferson Electric, Inc.'s term loan facility. We subsequently advanced another \$1.75 million to Jefferson Electric, Inc., which was utilized to partially repay the principal amounts outstanding under its credit facilities with its bank. Thomas Klink, President of Jefferson Electric, Inc., was a guarantor under this facility. On June 28, 2013, Jefferson Electric, Inc.'s credit facility was paid in full and Mr. Klink's guarantee of the facility was terminated.

Mr. Klink was appointed to our board of directors effective upon our acquisition of Jefferson Electric, Inc. The merger agreement pursuant to which we effected our acquisition of Jefferson Electric, Inc. provided that, with certain exceptions, including resignation, termination or removal as a director, we would cause Mr. Klink to be nominated as a director of our company during the three year term of his employment agreement ending in April 2013. In addition, also upon our acquisition of Jefferson Electric, Inc., Mr. Klink entered into a voting agreement with Provident Pioneer Partners, L.P., pursuant to which Provident Pioneer Partners, L.P. agreed to vote all of its shares to elect Mr. Klink as a director of ours during the three year term of his employment agreement, subject to certain exceptions, including resignation, termination or removal as a director. The term of Mr. Klink's employment agreement was extended for an additional three years on April 30, 2013 and the terms of the merger agreement no longer require us to nominate Mr. Klink as a director.

Generally, we do not enter into related party transactions unless the members of the board who do not have an interest in the potential transaction have reviewed the transaction and determined that (i) we would not be able to obtain better terms by engaging in a transaction with a non-related party and (ii) the transaction is in our best interest. This policy applies generally to any transaction in which we are to be a participant and the amount involved exceeds the lesser of \$120,000 or one percent of the average of our total assets at year end for the previous two completed fiscal years, and in which any related person had or will have a direct or indirect material interest. This policy is not currently in writing. In addition, our audit committee, which was established on March 24, 2011, is required to pre-approve any related party transactions pursuant to its charter.

REPORT OF THE AUDIT COMMITTEE

The audit committee has reviewed and discussed the Company's audited financial statements and related footnotes for the fiscal year ended December 31, 2013, and the independent auditor's report on those financial statements, with management and with our former independent auditor, Richter LLP. The audit committee has also discussed with Richter LLP the matters required to be discussed by the statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The audit committee has also received the written disclosures and the letter from Richter LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding Richter LLP's communications with the audit committee concerning independence, and has discussed with Richter LLP that firm's independence.

Based on the review and the discussions referred to in the preceding paragraph, the audit committee determined that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2013 that was filed with the SEC.

EXECUTIVE COMPENSATION

Compensation Philosophy and Process

The responsibility for establishing, administering and interpreting our policies governing the compensation and benefits for our executive officers lies with our senior management, subject to the review and approval of our board of directors. Our board of directors has not retained the services of any compensation consultants.

The goals of our executive compensation program are to attract, motivate and retain individuals with the skills and qualities necessary to support and develop our business within the framework of our size and available resources. In 2013, we designed our executive compensation program to achieve the following objectives:

- attract and retain executives experienced in developing and delivering products such as our own;
- motivate and reward executives whose experience and skills are critical to our success;
- reward performance; and
- align the interests of our executive officers and other key employees with those of our stockholders by motivating our executive officers and other key employees to increase stockholder value.

As a “controlled company” under the corporate governance rules of the Nasdaq stock market, we are not required to have a compensation committee, nor have we engaged any compensation consultants to determine or recommend the amount and form of executive and director compensation during and for 2013. At this time, our board of directors has determined that the financial and administrative burden of engaging compensation consultants is not justified in light of our Company’s size, its resources and our relatively small number of executive officers and directors. Rather, the recommended level, components and rationale for our compensation program are developed and presented each year by our principal executive officers to the board of directors for its consideration and approval. Our board of directors has specific authority to limit cash bonus awards to our named executive officers, as provided for in their employment agreements, which authority may not be delegated to other persons at this time.

This agreement prohibited Mr. Mazurek from competing with us for a period of four years following the date of termination, unless he was terminated without cause or due to disability or he voluntarily resigned following a breach by us of this agreement, in which case he was prohibited from competing with us for a period of only two years.

The employment agreement also provided that Mr. Minkow receive incentive stock options to purchase 30,000 shares of our common stock under our 2009 Equity Incentive Plan, which were granted on August 12, 2010 at an exercise price of \$15.20 per share (as adjusted for the one-for-five reverse split of our common stock that occurred in June 2011). One-third of the stock options vested on each of August 12, 2011, August 12, 2012 and August 12, 2013. The stock options expire on August 12, 2020.

Under the August 12, 2010 agreement, if we terminated Mr. Minkow's employment without cause, he would have been entitled to: (i) the continued payment of his base salary for the remainder of the term of the employment agreement; (ii) annual bonus payments based on the average bonus compensation (as a percentage of base salary) paid to Mr. Minkow during the period prior to his termination without cause and (iii) the immediate vesting of all stock options previously awarded to Mr. Minkow. Mr. Minkow also agreed not to compete with us, or to solicit employees or customers from us, until the earlier of (a) August 12, 2013, (b) the date upon which Mr.

Minkow was terminated without cause, (c) the termination of Mr. Minkow's employment due to disability or (d) Mr. Minkow's voluntary termination of his employment following a breach by us of his employment agreement.

We entered into a new employment agreement with Mr. Minkow, dated as of March 30, 2012, pursuant to which he will serve as our as our chief financial officer, secretary and treasurer for a three year term ending on March 31, 2015. Pursuant to this new employment agreement, Mr. Minkow was entitled to receive an annual base salary of \$255,000 during the remainder of the 2012 calendar year, which increased to \$265,000 during the 2013 calendar year and then to \$275,000 for the remainder of his employment term. The other material terms of the new employment agreement are substantially similar to those under his previous agreement, except that (a) Mr. Minkow has agreed not to compete with us for one year following termination of his employment, for any reason and (b) upon Mr. Minkow's termination without cause, (i) his unvested options will expire immediately in accordance with his option agreements, (ii) his vested options will expire three months following his termination in accordance with his option agreements and (iii) he shall not be entitled to any bonus compensation.

Thomas Klink

On April 30, 2010, in connection with our acquisition of Jefferson Electric, Inc., Jefferson Electric, Inc. entered into an employment agreement with Thomas Klink pursuant to which Mr. Klink is serving as Jefferson Electric, Inc.'s president, subject to the authority of our chief executive officer, Mr. Mazurek, for an original term of three years. Mr. Klink was initially entitled to receive an annual base salary of \$312,000. Mr. Klink's employment may be terminated upon his death or disability, upon the occurrence of certain events that constitute "cause," and without cause. If terminated without cause, Mr. Klink will be entitled to receive as severance an amount equal to his base salary for the remainder of the employment period under the agreement, conditioned upon his execution of a release in form reasonably acceptable to counsel of Jefferson Electric, Inc. On April 30, 2013, Jefferson Electric, Inc. and Mr. Klink entered into an amendment to this employment agreement, pursuant to which the term was extended to April 30, 2016, unless terminated earlier in accordance with its terms, and Mr. Klink's annual base salary was reduced to \$250,000.

Change of Control Agreements

We do not currently have plans providing for the payment of retirement benefits to our officers or directors, other than as described under “Agreements with Executive Officers” above.

We do not currently have any change-of-control or severance agreements with any of our executive officers or directors, other than as described under “Agreements with Executive Officers” above. In the event of the termination of employment of the named executive officers, any and all unexercised stock options shall expire and no longer be exercisable after a specified time following the date of the termination, other than as described under “Agreements with Executive Officers” above.

2009 Equity Incentive Plan

On December 2, 2009, our board of directors and stockholders adopted the 2009 Equity Incentive Plan, pursuant to which 320,000 shares of our common stock were reserved for issuance as awards to employees, directors, consultants and other service providers. The purpose of the 2009 Equity Incentive Plan was to provide an incentive to attract and retain directors, officers, consultants, advisors and employees whose services were considered valuable, to encourage a sense of proprietorship and to stimulate an active interest of such persons in our development and financial success. Under the 2009 Equity Incentive Plan, we were authorized to issue incentive stock options intended to qualify under Section 422 of the Internal Revenue Code of 1986, as amended, non-qualified stock options, restricted stock, stock appreciation rights, performance unit awards and stock bonus awards. The 2009 Equity Incentive Plan is currently administered by our board of directors but may be subsequently administered by a compensation committee designated by our board of directors. The 2011 Long-Term Incentive Plan that we adopted in May 2011 replaced and superseded the 2009 Equity Incentive Plan in its entirety but any awards granted prior to May 21, 2011 that are still outstanding are subject to the 2009 Equity Incentive Plan.

2011 Long-Term Incentive Plan

On May 11, 2011, our board of directors adopted the 2011 Long-Term Incentive Plan, subject to stockholder approval, which was obtained on May 31, 2011. The 2011 Long-Term Incentive Plan replaces and supersedes the 2009 Equity Incentive Plan. Our outside directors and our employees, including the principal executive officer, principal financial officer and other named executive officers, and certain contractors are all eligible to participate in the 2011 Long-Term Incentive Plan. The 2011 Long-Term Incentive Plan allows for the granting of incentive stock options, non-qualified stock options, stock appreciation rights, restricted stock, restricted stock units, performance awards, dividend equivalent rights, and other awards, which may be granted singly, in combination, or in tandem, and upon such terms as are determined by the board or a committee of the board that is designated to administer the 2011 Long-Term Incentive Plan. Subject to certain adjustments, the maximum number of shares of our common stock that may be delivered pursuant to awards under the 2011 Long-Term Incentive Plan is 700,000 shares. The 2011 Long-Term Incentive Plan is currently administered by our board of directors but may be subsequently administered by a compensation committee designated by our board of directors.

(1) Amounts represent the aggregate grant date fair value, as determined in accordance with FASB ASC Topic 718, with the exception that the amounts shown assume no forfeitures. The assumptions used to calculate the value of share based awards are set forth in “Item 8. Financial Statements and Supplementary Data – Note 12. Stock-Based Compensation” contained in our Annual Report on Form 10-K for the year ended December 31, 2013. These amounts do not represent the actual value that may be realized by our non-employee directors, as that is dependent on the long-term appreciation in our common stock.

(2) On March 20, 2013, we granted each director non-qualified stock options to purchase 1,000 shares of our common stock. The grants were made under our 2011 Long-Term Incentive Plan at an exercise price of \$5.60 per share. All of the options vested on March 20, 2014 and will expire on March 20, 2023.

All of our directors, including our employee directors, are paid cash compensation of \$1,000 per meeting of the board of directors and reimbursed for reasonable out-of-pocket expenses incurred in connection with their attendance at such meetings.

PROPOSAL 2

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, enables our stockholders to approve, on an advisory basis, the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with the SEC's rules. The proposal, commonly known as a "say on pay" proposal, gives our stockholders the opportunity to express their views on the Company's executive compensation. Because this is an advisory vote, this proposal is not binding upon the Company, our board of directors or upon a designated compensation committee of the board; however, our board of directors values the opinions expressed by stockholders in their vote on this proposal. To the extent there is any significant vote against the compensation of our named executive officers as disclosed in this Proxy Statement, we will consider our stockholders' concerns and our board of directors will evaluate whether any actions are necessary to address these concerns.

As described under the heading "Compensation Philosophy and Process," our executive compensation program is administered with the aim of:

- attracting and retaining executives experienced in developing and delivering products such as our own;
- motivating and rewarding executives whose experience and skills are critical to our success;
- rewarding performance; and
- aligning the interests of our executive officers and other key employees with those of our stockholders by motivating executive officers and other key employees to increase stockholder value.

We are asking our stockholders to indicate their support for our named executive officer compensation program as described in this Proxy Statement in accordance with the compensation disclosure rules of the SEC. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this Proxy Statement. Accordingly, we ask our stockholders to vote "FOR" the following resolution at the Annual Meeting:

"Resolved, that the stockholders approve, on an advisory basis, the compensation of the Company's named executive officers as disclosed in the Company's proxy statement for the 2014 Annual Meeting including the compensation tables and the related narrative disclosure."

Vote Required

The affirmative vote of the holders of a majority of the shares of our common stock represented in person or by proxy at the Annual Meeting is required to approve the advisory vote on executive compensation. This is a non-binding advisory vote.

The Board of Directors recommends a vote FOR the advisory vote on executive compensation disclosed in the Company's proxy statement for the 2014 Annual Meeting including the compensation tables and the related narrative disclosure.

PROPOSAL 3

ADVISORY VOTE ON THE FREQUENCY OF AN ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Act also provides that stockholders must be given the opportunity to vote, on a non-binding, advisory basis, for their preference as to how frequently we should seek future advisory votes on the compensation of our named executive officers as disclosed in accordance with the compensation disclosure rules of the SEC, which we refer to as an advisory vote on executive compensation. By voting with respect to this proposal, stockholders may indicate whether they would prefer that we conduct future advisory votes on executive compensation once every one, two, or three years. Stockholders also may, if they wish, abstain from casting a vote on this proposal.

After careful consideration, the board of directors believes that a frequency of “every three years” for submitting the advisory “say on pay” vote on executive compensation is the optimal interval for the Company and its stockholders at this time. In determining to recommend that stockholders vote for a frequency of once every three years, the board considered how an advisory vote at this frequency will provide our stockholders with sufficient time to evaluate the effectiveness of our overall compensation philosophy, policies and practices in the context of our long-term business results for the corresponding period, while avoiding over-emphasis on short-term variations in compensation and business results. An advisory vote occurring once every three years will also permit our stockholders to observe and evaluate the impact of any changes to our executive compensation policies and practices that have occurred since the last advisory vote on executive compensation, including changes made in response to the outcome of a prior advisory vote on executive compensation. We will continue to engage with our stockholders regarding our executive compensation program during the period between advisory votes on executive compensation. Stockholders who have concerns about executive compensation during the interval between “say on pay” votes are welcome to bring their specific concerns to the attention of the board of directors. Please refer to “Corporate Governance and Board of Director Matters—Communication with the Board of Directors” in this Proxy Statement for information about communicating with the board.

We recognize that the stockholders may have different views as to the best approach for us, and therefore we look forward to hearing from our stockholders as to their preferences on the frequency of an advisory vote on executive compensation.

Although this advisory vote on the frequency of the “say on pay” vote is non-binding, the board of directors will take into account the outcome of the vote when considering the frequency of future advisory votes on executive compensation. The board may decide that it is in the best interests of our stockholders and the Company to hold an advisory vote on executive compensation more or less frequently than the frequency receiving the most votes cast by our stockholders.

Vote Required

For the advisory vote on how frequently our stockholders should vote on the compensation of our named executive officers, the number of years (1, 2 or 3) that receives the highest number of votes will be deemed to be preferred by our stockholders. This is a non-binding advisory vote.

The Board of Directors recommends a vote FOR the option of “every three years” for future advisory votes on executive compensation.

PROPOSAL 4

RATIFICATION OF APPOINTMENT OF BDO USA, LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee of our board of directors has appointed BDO USA, LLP as the independent registered public accounting firm for the fiscal year ending December 31, 2014, subject to stockholder ratification.

Effective as of March 18, 2014, the audit committee decided not to renew the engagement of Richter LLP and therefore dismissed Richter LLP as our independent registered public accounting firm. On March 18, 2014, the audit committee approved the engagement of BDO USA, LLP as our new independent registered public accounting firm for the fiscal year ending December 31, 2014.

The reports of Richter LLP on our consolidated financial statements for the two most recent fiscal years ended December 31, 2013 and December 31, 2012 contained no adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principle.

During the two most recent fiscal years ended December 31, 2013 and December 31, 2012 and the subsequent period through March 18, 2014, there were no (i) disagreements with Richter LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Richter LLP, would have caused Richter LLP to make reference to the subject matter of the disagreement(s) in connection with its reports on the financial statements for such years; or (ii) "reportable events" as defined in Item 304(a)(1)(v) of Regulation S-K.

We provided Richter LLP with a copy of the above disclosures and requested that Richter LLP furnish us with a letter addressed to the SEC stating whether or not it agrees with the above statements. A copy of Richter LLP's letter, dated March 18, 2014 is filed as Exhibit 16.1 to our Current Report on Form 8-K filed March 18, 2014.

During the fiscal years ending December 31, 2013 and December 31, 2012, and the subsequent interim period prior to the engagement of BDO USA, LLP, we did not consult BDO USA, LLP regarding (i) the application of accounting principles to any specified transaction, either completed or proposed, (ii) the type of audit opinion that might be rendered on the Company's financial statements, or (iii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv)) or a reportable event (as defined in Item 304(a)(1)(v)).

Representatives of BDO USA, LLP will be present at the Annual Meeting, will have the opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Representatives of Richter LLP will not be present at the Annual Meeting, will not have the opportunity to make a statement if they so desire and will not be available to respond to appropriate questions.

The following table presents aggregate fees for professional services rendered by Richter LLP for the fiscal years ended December 31, 2013 and 2012 (in thousands).

Pre-Approval of Independent Registered Public Accounting Firm Fees and Services Policy

Our audit committee, which was established on March 24, 2011, pre-approves all auditing and permitted non-audit services to be performed for us by our independent auditor, except for de minimis non-audit services that are approved by the audit committee prior to the completion of the audit. The audit committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services. The audit committee pre-approved all of the fees set forth in the table above.

Approval of Independent Registered Public Accounting Firm Services and Fees

The board of directors requests that stockholders ratify the appointment of BDO USA, LLP as the independent registered public accounting firm to conduct the audit of our financial statements for the fiscal year ending December 31, 2014. In the event that the stockholders fail to ratify the selection, the board of directors will reconsider whether or not to retain that firm. Even if the selection is ratified, the board of directors, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the fiscal year if the board of directors determines that such a change could be in the best interest of our stockholders.

Vote Required

The affirmative vote of the holders of a majority of the shares of our common stock represented in person or by proxy at the Annual Meeting is required to adopt the proposal to ratify the appointment of BDO USA, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014.

The board of directors recommends a vote FOR the ratification of the appointment of BDO USA, LLP.

OTHER BUSINESS

The board of directors knows of no other business to be brought before the Annual Meeting. If, however, any other business should properly come before the Annual Meeting, the persons named in the accompanying proxy will vote the proxy in accordance with applicable law and as they may deem appropriate in their discretion, unless directed by the proxy to do otherwise.

SUBMISSION OF FUTURE STOCKHOLDER PROPOSALS

Pursuant to rules of the SEC, a stockholder who intends to present a proposal at our next annual meeting of stockholders and who wishes the proposal to be included in the proxy statement for that meeting must submit the proposal to us in writing to the attention of the Secretary at Pioneer Power Solutions, Inc., 400 Kelby Street, 9th Floor, Fort Lee, New Jersey 07024. The proposal must be received no later than December 22, 2014, after which date such stockholder proposal will be considered untimely. With respect to other shareholder proposals, management will be able to vote proxies in its discretion without advising shareholders in the 2015 proxy statement about the nature of the matter and how management intends to vote if notice of the proposal is not received by us at our principal executive offices before March 7, 2015.

A copy of Pioneer Power Solutions, Inc.'s Annual Report on Form 10-K for the fiscal year ended December 31, 2013 is available without charge (except for exhibits, which are available upon payment of a reasonable fee) upon written request to Pioneer Power Solutions, Inc., 400 Kelby Street, 9th Floor, Fort Lee, New Jersey 07024.
