**Item 3.01.**

**Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

On June 19, 2015, Saratoga Resources, Inc. (the Company) received a letter from the staff of NYSE Regulation, Inc. stating that it has determined to commence proceedings to delist the Company's common stock from the NYSE MKT LLC (NYSE MKT or the Exchange). Trading in the Company's common stock was suspended prior to the open of the market on June 19, 2015.

NYSE MKT determined that the Company was no longer suitable for listing in light of the filing by the Company and certain of its subsidiaries of voluntary petitions for relief under Chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Western District of Louisiana and the resulting uncertainty as to the timing and outcome of the bankruptcy process as well as the ultimate effect of the process on the value of the Company's common stock.

The Company does not presently anticipate exercising its right to appeal the Staff's delisting determination.

On June 23, 2015, the Company issued a press release relating to the notice, a copy of which is attached hereto as Exhibit 99.1.

***Cautionary Statements***

The Company's securityholders are cautioned that trading in the Company's securities during the pendency of the Reorganization will be highly speculative and will pose substantial risks. Trading prices for the Company's securities may bear little or no relationship to the actual recovery, if any, by holders thereof in the bankruptcy case. Accordingly, the Company urges extreme caution with respect to existing and future investments in its securities.

A plan of reorganization or liquidation may result in holders of the Company's capital stock receiving little or no distribution on account of their interests and cancellation of their existing stock. If certain requirements of the Bankruptcy Code are met, a Chapter 11 plan of reorganization can be confirmed notwithstanding its rejection by the Company's equity securityholders and notwithstanding the fact that such equity securityholders do not receive or retain any property on account of their equity interests under the plan.
