Item 5.02 -Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers; Compensatory Arrangements of Certain Officers

Departure of Directors and Principal Officers

On January 23, 2012, Mr. Walter Romanchuk tendered his resignation to the Board of Directors of Fresh Traffic Group Inc. (the "Company").

On January, 26, 2012, Mr. Jeremy Booth resigned as President, Chief Executive Officer, and Treasurer of the Company.

On January 26, 2012, Ms. Kimberly Lewis resigned as Secretary of the Company.

On January 26, 2012, Mr. W. Scott Lawler, the Company's attorney was appointed as the sole officer and a director of the Company.

On January 27, 2012, Mr. Jeremy Booth resigned as a director of the Company.

Both Mr. Booth and Ms. Lewis will remain as directors and/or officers of the Company's wholly owned subsidiary, Fresh Traffic Group Corp.

Fresh Traffic Group Inc. had been reviewing other potential acquisitions for the Company and considering various restructure plans as the Company had been unable to raise any funds to grow the business of its wholly-owned subsidiary, Fresh Traffic Group Inc. Mr. Romanchuk has joined the board of directors to review various opportunities, some from Asia, which had been presented to the Company for consideration.

On January 21, 2012, management of Fresh Traffic Group Corp. began to experience additional activity on its web-site which is monitored constantly, and on January 23, 2012, they became aware of a paid newsletter dissemination campaign being undertaken by various newsletter writers and paid for by parties currently unknown. There had been a prior campaign undertaken subsequently, again without the knowledge of the Company and its management. The Company immediately, on January 23, 2012, took down the Company website and posted on the site a news release advising that the Company believed there was a possible spam campaign being undertaken and that management wished to advise the public of this fact and the fact that the Company was reviewing restructure options which might entail a reverse split of the shares of the Company.

Despite these actions, the paid for promotion continued and the volume of trading continued and various information being disseminated was incorrect and misleading based on the current business of the Company. Fresh Traffic Group Corp. is a company which offers SEO services and other internet related services. It has a well respected clientele and is aggressively seeking to expand its customer base. These types of activities impact on its credibility in the marketplace and may cause the loss of contracts, both new and existing. Further, the acquisitions under review by the Company cannot proceed to be negotiated while this type of market activity is ongoing.

Based on this, the directors and officers of the Company determined it was in the best interests of both the Company and its wholly-owned subsidiary to resign and to appoint legal counsel as the sole officer and director. Legal counsel has been charged to investigate the recent activity and look at the options of the Company in regard to the potential damage to the Company and its shareholders.
