If answer is no, identify report(s).

Yes  No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes  No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

We anticipate our financial results for the three and six months ended June 30, 2015, will differ significantly from the same periods of the prior year due to the Agreement of Exchange of Stock by and between us, AllCom, a Nevada corporation ( AllCom ) and Genie Gateway, a California corporation ( Genie ), dated as of January 30, 2015, as amended, pursuant to which we acquired 100% of Genie from AllCom. The transaction closed on April 9, 2015. Unlike the three and six months ended June 30, 2014, our financial statements for the three and six months ended June 30, 2015 will reflect the operations of Genie for a portion of the periods reported, which relate to being a unified communications and payment processing platform that blends business products and services - traditionally purchased from multiple vendors into one seamless service, on the Genie Gateway Platform. The operations we acquired as a result of our acquisition of Genie will significantly impact our revenue and cost of goods sold, operating expenses, as well as change our net profit/loss for the three and six months ended June 30, 2015 when compared to the same periods a year ago. The exact impact will not be known until our financial statements for the three and six months ended June 30, 2015 are completed.
