(1) The terms of this Phantom Unit award specify payments in cash rather than in common shares. The value of each vested unit is equal to the economic value of one share of Callon Petroleum Company common stock at its closing price on the vesting date.

(2) The number of shares indirectly held by the reporting person are reported on this Form 4 for the purpose of disclosing beneficial ownership.

The number of shares reported is calculated by dividing the total market value of the reporting person's 401(k) account balance invested in the Employer Stock Fund on the date of the earliest transaction reported on this Form 4 by the closing market price-per-share on that date.

(4) The award terms specify cliff vesting three years from the date of the award.

(5) The award terms specify cliff vesting on December 31, 2019.

This Performance Based Unit award is subject to a variable number of units vesting based on a performance criteria related to the total shareholder return of the company compared to a group of peer companies. The number of units subject to vest under this award can range from 0% to as much as 200%. The award terms also specify that upon vesting 50% of the vested units will be payable in common shares and 50% will be payable in cash.

(7) Each unit is the economic equivalent of one share of the company's common stock.
