Report of Independent Registered Public Accounting Firm

To the Participants and Plan Administrator
of the Citizens 401(k) Savings Plan:

We have audited the statements of net assets available for benefits of the Citizens 401(k) Savings Plan (the "Plan") as of December 31, 2005 and 2004, and the related statement of changes in net assets available for benefits for the year ended December 31, 2005. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these

Edgar Filing: CITIZENS COMMUNICATIONS CO - Form 11-K

financial statements based on our audits.

We conducted our audits in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2005 and 2004 and the changes in net assets available for benefits for the year ended December 31, 2005, in conformity with U.S. generally accepted accounting principles.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental Schedule H, Schedule of Assets (Held at End of Year), for the year ended December 31, 2005 is presented for the purposes of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. This supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

CITIZENS 401(k) SAVINGS PLAN

Notes to Financial Statements

December 31, 2005 and 2004

(1) Description of the Plan

General

The following description of the Citizens 401(k) Savings Plan (the "Plan") provides general information. Participants should refer to the Plan document for a more comprehensive description of the Plan's provisions.

(a) Background

The Plan is a defined contribution plan sponsored by Citizens Communications Company (the "Company"). Under the terms of the Plan, employees (other than Frontier union employees covered by collective bargaining agreements) are eligible to participate in the Plan on the first day of the month coincident with or next following his or her completion of three months of continuous service. Frontier union employees covered by collective bargaining agreements are eligible to participate in the Plan on the first day of the month coincident with or next following his/her completion of 30 days of employment. Leased employees, individuals not on the employer's payroll, per diem and casual workers, temporary employees, and scholarship students are ineligible to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

(b) Contributions

Eligible employees may contribute, in 1% increments, up to 75% of their annual eligible compensation in elective pre-tax deferrals through payroll deductions, subject to certain maximum contribution restrictions. The maximum contribution allowed for deferral for U.S federal income tax purposes in 2005 was \$14,000.

In addition, eligible Frontier union employees covered by collective bargaining agreements may also elect to make after-tax contributions, in 1% increments of their annual eligible compensation, through payroll deductions up to (i) 50% of the participant's eligible compensation reduced by (ii) the percentage of eligible compensation deferred through elective pre-tax deferrals.

All employees eligible to make contributions under the Plan and who have attained or will attain age 50 before the close of the Plan year shall be eligible to make catch-up contributions in accordance with,

Edgar Filing: CITIZENS COMMUNICATIONS CO - Form 11-K

and subject to the limitations of, Section 414(v) of the Internal Revenue Code ("IRC"). The maximum allowable catch-up contribution for 2005 as prescribed by the IRC was \$4,000. No matching contributions are made with respect to a participant's catch-up contributions.

The Company contributes 50% of each non-bargaining participant's contribution up to 6% of each participant's eligible compensation. Through December 31, 2005, the Company contribution rate was 75% (instead of 50%) for non-bargaining participants who were employed with a GTE business when the Company acquired that business in 2000. Company contributions for participants covered by collective bargaining agreements are determined based on the terms of those agreements. Through April 30, 2002, the Company contributions were invested entirely in the Citizens Communications Company stock fund unless a participant was age 55 or older in which case the participant could have elected to have the Company contribution invested in investments at his/her own discretion. In addition, at age 55 a participant could request to transfer previous Company contributions invested in the above common stock fund to other investment options. Effective March 1, 2004, the Company match made previously in the form of Company stock became unrestricted for certain collective bargaining employees. As of May 1, 2002, the Company contribution for non-union and certain union participants is no longer exclusively allocated to Citizens Communications Company common stock. The Company contributions for these participants made subsequent to May 1, 2002 are allocated to Plan investments following the same method of allocation as that for participant-directed investments.

4

For certain union employees covered by collective bargaining agreements, the Company may contribute Employer Fixed Contributions, Employer Matching Contributions, Discretionary Contributions, and Special Transition-Year Contributions (as defined by the Plan). Participants should refer to their respective bargaining agreements for all employer contribution requirements.

Supplemental Profit Sharing Matches may be contributed, contingent upon the Company exceeding certain financial targets. For each 1% above the Company's earnings before interest, taxes, depreciation and amortization ("EBITDA") goal approved by the Company's Board of Directors, the Company provides eligible employees with 0.5% of eligible pay in the form of a matching contribution into the 401(k) Plan, up to a maximum of 3%. For the year ended December 31, 2005, the Company exceeded its EBITDA goal and a 1.5% supplemental profit sharing match was made on behalf of 2,109 employees. For the year ended December 31, 2004, the Company exceeded its EBITDA goal and a 1.5% supplemental profit sharing match was made on behalf of 2,133 employees. Only non-union and certain union employees who have contributed at least 1% of their eligible pay during the year as elective deferrals are eligible for a Supplemental Profit Sharing Match.

(c) Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution and (b) Plan earnings or losses. Allocations are based on each participant's investment election(s). The benefit to which a participant is entitled is the amount that can be provided from the

Edgar Filing: CITIZENS COMMUNICATIONS CO - Form 11-K

participant's vested account.

(d) Vesting

Participants are vested immediately in their contributions plus the allocated earnings thereon. Participants become 100% vested in the Company contributions and the related earnings on the Company contributions upon disability, death, or attainment of normal retirement age while an employee. Except as otherwise noted, for any other termination of employment, the vesting schedule is as follows:

Years of service	Vested percentage of Company contributions and related earnings
Less than 2 years	0%
2 years but less than 3 years	40%
3 years but less than 4 years	60%
4 years but less than 5 years	80%
5 years or more	100%

Frontier union employees and certain other employees covered by collective bargaining agreements are immediately 100% vested in all contributions and allocated earnings thereon.

5

(e) Participant Loans

Participants in the Plan may request to borrow up to the lesser of 50% of their vested account balance or \$50,000. The interest rate paid by the participant is equal to the prime interest rate in effect at the beginning of the month in which the loan is processed and remains fixed at that rate for the term of the loan. Loan repayments are after tax, and are credited to each participant's account as the payments are made. A participant may repay a loan in full at any time by remitting his/her payment directly to the trustee of the Plan. Any distribution following a participant's termination of employment is reduced by any loan balance outstanding at the time of such distribution.

(f) Payment of Benefits

Inactive participants do not have the option to keep any portion of their account in the Plan beyond the attainment of age 70 1/2. Participants still employed by the Company at age 70 1/2, must take a full distribution of their balances on or before April 1st of the calendar year after they retire.

Upon termination of employment or permanent disability, a participant is entitled to receive payment in full of the vested portion of his/her account. If the value of the terminating participant's vested account balance does not exceed \$1,000 (\$5,000 prior to March 28, 2005), the participant's balance will be distributed automatically at that time.

(g) Forfeitures

For the year ended December 31, 2005 forfeited nonvested Company

Edgar Filing: CITIZENS COMMUNICATIONS CO - Form 11-K

contributions totaled \$259,061. These amounts are generally used to reduce the obligation of the Company to make contributions to the Plan and defray administrative costs. For the year ended December 31, 2005, \$0 of forfeited nonvested Company contributions were used to fund Plan administrative expenses, and \$342,234 (including amounts remaining from prior years) were used to fund the Company match.

(h) Administrative Costs

The majority of Plan administrative costs are paid by participants through investment management fees. There were no Plan administrative expenses charged by T. Rowe Price for the years ended December 31, 2005 and 2004.

(i) Investments

The Plan offered the following investment options as of December 31, 2005:

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

(b) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, changes therein, and disclosures of contingent assets and liabilities at the date of the financial statements. The preparation of these financial statements also requires the use of plan administrator estimates. Actual results may differ from these estimates.

(c) Investments

The Plan's investments are stated at fair value. Shares of registered investment companies (mutual funds) are valued at quoted market

Edgar Filing: CITIZENS COMMUNICATIONS CO - Form 11-K

prices, which represent the net asset value of shares held by the Plan. Investments in collective trusts are valued at fair value based on the underlying net assets of the trust as reported by the sponsor of the collective trust. Common stock is valued at its quoted market price as of the end of the Plan year. Participant loans are valued at cost, which approximates fair value. The net depreciation/appreciation in the fair value of investments consists of the net realized gains and losses on the disposal of investments during 2005 and the net unrealized appreciation/depreciation of the market value for the investments remaining in the Plan as of December 31, 2005.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the dividend date.

(d) Benefits Paid

Benefits are recorded when paid.

(e) Risks and Uncertainties

The Plan offers a number of investment options including the Company's common stock and a variety of pooled investment funds, some of which are registered investment companies. The investment funds principally include U.S. equities, international equities, and fixed income securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonable to expect that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances.

7

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across all participant-directed fund elections. Additionally, the investments within each participant-directed fund election are further diversified into varied financial instruments, with the exception of the Company common stock, which is invested in the security of a single issuer.

(3) Investments

The following presents investments that represent 5% or more of the Plan's net assets at the end of year:

	2005	
	-----	-----
Citizens Communications Company Common Stock:		
Participant-Directed, 4,430,828 and 4,565,627 shares, respectively	\$ 54,207,800	\$

During 2005, the Plan's investments (including gains and losses on investments bought and sold as well as held during the year) depreciated in value by \$3,013,353 as follows:

Common stocks	\$ (7,427,800)
Mutual funds	1,517,066
Collective trusts	2,897,381

	\$ (3,013,353)

(4) Nonparticipant-Directed Investments

Information about the assets available for benefits and significant components of the changes in assets available for benefits relating to the nonparticipant-directed investments is as follows:

	2005	2004
	-----	-----
Assets:		
Common Stock of the Company at December 31	\$ 3,162,152	\$ 3,777,173
	=====	=====
Changes in assets:

Distributions to participants	(458,524)	(572,621)
Transfers out	-	(15,182)
Transfer to participant-directed investments	-	(13,800,830)
Other	-	(3,031,717)
	-----	-----
Change in assets	\$ (615,021)	\$ (13,748,888)
	=====	=====

(5) Related Party Transactions

Certain Plan assets are invested in shares of mutual funds that are managed by T. Rowe Price. T. Rowe Price is the trustee as defined by the Plan, therefore these transactions qualify as party-in-interest transactions. There were no fees paid by the Company to T. Rowe Price for the years ended December 31, 2005 and 2004.

(6) Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to

Edgar Filing: CITIZENS COMMUNICATIONS CO - Form 11-K

terminate the Plan subject to the provisions of ERISA, Collective Bargaining Agreements and the National Labor Relations Board. In the event of plan termination, participants will become 100% vested in their accounts.

(7) Tax Status

As a result of the Company's internal audit of the Plan, the Company identified certain unintentional errors in the operation of the Plan. The Company completed its evaluation of the previously identified unintentional errors in the operation of the Plan, and amended and resubmitted the Plan to the Internal Revenue Service ("IRS") for a new determination letter and approval on June 18, 2004, as supplemented on February 18, 2005, and revised on July 15, 2005 and November 16, 2005, through the IRS's Voluntary Compliance Program, of the proposed remedies for such errors.

On January 9, 2006 the IRS issued a compliance statement approving the proposed remedies and a favorable determination letter with respect to the qualified status of the Plan under Section 401(a) of the IRC and the tax exemption of the related trusts under Section 501(a) of the IRC.

9

(8) Subsequent Events and Other Matters

During 2004, the United States District Court for the Southern District of New York approved a settlement of the class action suits brought on behalf of Plan participants whose accounts held Global Crossing common stock. The settlement included a plan of allocation under which the proceeds of \$20,771,420 were allocated to the Plan accounts of the class members on May 19, 2005.

Effective January 1, 2006, the Plan was amended to implement restrictions on a participant's ability to invest in Citizens Communications Company common stock if the value of company stock exceeds 15% of the total value of the participant's account. In addition, a participant is restricted from investing more than 15% of current contributions in company stock.

Effective January 1, 2006, each eligible employee not otherwise participating in the Plan shall become a participant as of the first day of the month (the "entry date") immediately following the employee's completion of 30 days of service, provided that the employee is employed by a participating employer in an eligible class of employees. For plan years beginning prior to January 1, 2006, each eligible employee not otherwise participating in the Plan shall become a participant as of the entry date immediately following (i) the employee's attainment of age 21 (this requirement is not applicable on or after August 1, 2003), and (ii) the employee's completion of three months of continuous service, provided that the employee is employed by a participating employer in an eligible class of employees.
