Richardson Announces New Credit Facility

LaFox, IL, Monday December 9, 2002:

Richardson Electronics, Ltd. (NASDAQ: RELL) today announced that it has successfully negotiated a new \$102 million secured revolving credit facility with its current lending group.

The new credit facility replaces existing credit lines and is principally secured by the company's trade receivables and inventory. This new agreement provides significantly relaxed leverage and coverage ratios from the prior agreement while extending the maturity date 15 months to September 2005 with similar pricing. Terms of the agreement can be found in the company's 8-K filed today.

Dario Sacomani, Senior Vice President and Chief Financial Officer, said, "We are pleased to extend the relationship with our lending group. The new agreement adds significant operating flexibility as we continue to promote stability

in the current economic environment and focus on growth through market share gains."
