Item 1.01 Entry into a Material Definitive Agreement

On October 6, 2014, Stage Stores, Inc. and its subsidiary Specialty Retailers, Inc. (collectively, the "Company") entered into a Second Amended and Restated Credit Agreement for a \$350 million senior secured revolving credit facility (the "Credit Facility"). The Credit Facility replaces the Company's former \$250 million senior secured revolving credit facility (the "Existing Credit Facility"), which was set to mature on June 30, 2016. The Credit Facility (i) increases availability to \$300 million, with a seasonal increase to \$350 million, (ii) includes a \$50 million letter of credit subfacility, (iii) provides better pricing terms, and (iv) extends the maturity date to October 6, 2019.

The Credit Facility agreement was entered into by and among Specialty Retailers, Inc., as borrower, Stages Stores, Inc., as guarantor, Wells Fargo Bank, National Association, as administrative and collateral agent, JPMorgan Chase Bank, N.A. and Regions Bank, as co-documentation agents, and Bank of America, N.A. as syndication agent; Wells Fargo Bank, National Association, Merrill Lynch, Pierce, Fenner & Smith Incorporated, JPMorgan Securities LLC and Regions Bank, as the joint lead arrangers and joint bookrunning managers; and Wells Fargo Bank, National Association, JPMorgan Chase Bank, N.A., Regions Bank, and Bank of America, N.A., as the lenders.

The Existing Credit Facility agreement was entered into by and among Specialty Retailers, Inc., as borrower, Stages Stores, Inc. and Specialty Retailers (TX) LLC, as guarantors, and the same banks as are a party to the Credit Facility agreement. The Company did not incur any material early termination penalties in connection with the termination of the Existing Credit Facility. As of October 6, 2014, the Company had total indebtedness of \$110.3 million, including \$9.8 million in letters of credit under the Existing Credit Facility. Outstanding borrowings under the Existing Credit Facility were repaid with the Credit Facility.

The Credit Facility is used by the Company to provide financing for working capital and general corporate purposes, as well as to finance capital expenditures and to support the Company's letters of credit requirements. The daily interest rates under the Credit Facility are determined by a prime rate or LIBOR, plus an applicable margin, as set forth in the Credit Facility agreement. Borrowings under the Credit Facility are limited to the availability under a borrowing base that is determined principally on eligible inventory as defined by the Credit Facility agreement. Inventory, cash and cash equivalents are pledged as collateral under the Credit Facility.

The Credit Facility agreement contains covenants which, among other things, restrict, based on required levels of excess availability, (i) the amount of additional debt or capital lease obligations, (ii) the payment of dividends and repurchase of common stock under certain circumstances and (iii) related party transactions. The Credit Facility agreement also contains a fixed charge coverage ratio covenant in the event excess availability is below a defined threshold or an event of default has occurred.

A copy of the Credit Facility agreement is filed as Exhibit 10.1 to this Form 8-K. The foregoing description of the Credit Facility agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the agreement which is incorporated herein by reference.

The Credit Facility agreement included as an exhibit to this Form 8-K is intended to provide the reader with information regarding its terms and is not intended to provide any other factual or disclosure information about the Company or the other parties to the agreement. The Credit Facility agreement contains representations, warranties and covenants by the parties to the agreement, and those representations, warranties and covenants:

- were made solely for purposes of the agreement and for the benefit of the parties specified therein;
- have been qualified by disclosures that were made to the other party in connection with the negotiation of the agreement, including being qualified by confidential disclosures made by one party to the other for the purpose of allocating contractual risk between them that differ from those applicable to investors;
- may apply standards of materiality in a way that is different from what may be viewed as material to the reader or other investors;
- were made only as of the date of the agreement or such other date(s) specified in the agreement and are subject to more recent developments; and
- may not describe the actual state of affairs as of the date they were made or at any other time.

Investors should not rely on the representations, warranties and covenants in the Credit Facility agreement, or any description thereof, as characterizations of the actual state of facts or condition of the Company. Investors should review the Credit Facility agreement, or any description thereof, not in isolation, but only in conjunction with the other information about the Company that it includes in reports, statements and other filings it makes with the SEC.
