1. the election of five nominees named in this proxy statement as members of the board of directors of the Company (“the Board”) to serve until the Annual Meeting of Shareholders in 2016;
2. the approval of a Restated Certificate of Formation in order to conform the Company's Articles of Incorporation to the requirements of the Texas Business Organizations Code and generally update the Company's current Articles of Incorporation (the “restated certificate of formation”);
3. the ratification of the appointment by our Audit Committee of Ernst & Young LLP (“EY”) to serve as the independent registered public accounting firm for the Company for the year ending December 31, 2013; and
4. the transaction of such other business that may properly come before the Annual Meeting or any adjournment thereof.

This Proxy Statement and a proxy card, as well as the Annual Report of the Company for the year ended December 31, 2012, including financial statements, are first being sent to shareholders on or about March 21, 2013.

You are encouraged to review all of the information contained in the proxy materials before voting.

VOTING OF PROXY

If your proxy is executed and returned, it will be voted as you direct. If no direction is provided, the proxy will be voted in accordance with the Board’s recommendations, as follows:

FOR the election of all the nominees named in this proxy statement as directors;
FOR the approval of the restated certificate of formation; and
FOR the ratification of the appointment of EY.

The proxies will use their discretion with respect to voting on any other matters presented for a vote. Additionally, if your proxy is executed and returned, it will be voted to approve the minutes of the last Annual Meeting. This vote will not amount to a ratification of the action taken at that meeting nor will it indicate approval or disapproval of that action.

If your shares are registered in your name as the shareholder of record, you may vote by mail, telephone or the Internet by following the instructions below. Voting instructions appear on your proxy card. If you grant a proxy by telephone or by Internet, please have your proxy card available.

To vote by mail, complete, sign, and return the enclosed proxy card in the envelope provided to: Proxy Services, c/o Computershare Investor Services, P.O. Box 43102, Providence, RI, 02940-5068.

To vote by telephone, call toll free 1-800-652-VOTE (8683) within the United States, U.S. territories and Canada any time on a touch tone telephone and follow the instructions provided by the recorded message. There is NO CHARGE to you for the call.

To vote using the Internet, access the voting site at www.investorvote.com/SBSI and follow the voting instructions set forth on the secure website.

The telephone and Internet procedures are designed to authenticate the shareholder's identity and to allow shareholders to vote their shares and confirm that their voting instructions have been properly recorded. Shareholders who vote by telephone or Internet do not need to return the proxy card. Proxies submitted by telephone or Internet must be recorded by 6:00 a.m. Central time on April 18, 2013.

If you hold your shares in "street name" in a stock brokerage account or through a bank, trust or other nominee, the broker or other nominee is considered the record holder and you are the beneficial owner of the shares. Beneficial owners vote their street name shares by instructing their broker or other nominee how to vote using the voting instruction form provided by the broker or nominee. Brokers have authority to vote in their discretion on "routine" matters if they do not receive voting instructions from the beneficial owner of the shares.

Please note that neither the proposal to elect directors nor the proposal to approve the restated certificate of formation is considered a routine matter. Consequently, if you do not give your broker or nominee specific voting instructions with respect to those proposals, your street name shares will be treated as broker non-votes with respect to those proposals (see "Quorum, Voting Rights and Procedures" below).

Table of Contents

If you hold your shares in street name and want to vote in person at the Annual Meeting, you must obtain from your broker or nominee a legal proxy issued in your name giving you the right to vote the shares directly at the meeting. You will not be entitled to vote at the meeting unless you present such a proxy to the Company at that time.

REVOCABILITY OF PROXY

Your proxy may be revoked prior to the Annual Meeting by providing notice in writing to the Corporate Secretary at the Company's principal office, located at 1201 South Beckham Avenue, Tyler, Texas 75701, at any time, or by advising the Corporate Secretary at the Annual Meeting that you wish to revoke your proxy and vote your shares in person. Your attendance at the Annual Meeting will not constitute automatic revocation of the proxy.

PERSONS MAKING THE SOLICITATION

The Company's Board is soliciting the proxy. The expense of soliciting your proxy will be borne entirely by the Company and no other person or persons will bear such costs either directly or indirectly. Proxies will be solicited principally by mail, but may also be solicited by personal interview, telephone and email by directors, officers and employees of the Company who will receive no additional compensation. The Alliance Advisors, L.L.C. has been retained by the Company to assist in the solicitation of proxies for a fee of \$6,500, plus expenses.

RECORD DATE AND OUTSTANDING SHARES

The Company's Board has fixed the close of business on February 26, 2013, as the record date for determining the holders of common stock of the Company entitled to notice of and to vote at the Annual Meeting. At the close of business on February 26, 2013, there were approximately 16,976,698 shares of common stock outstanding and eligible to be voted on each matter.

QUORUM, VOTING RIGHTS AND PROCEDURES

The approval of all proposals brought before the Annual Meeting, requires that a quorum be present at the Annual Meeting. The presence, in person or by properly submitted proxy, of the holders of a majority of the shares of common stock entitled to vote at the Annual Meeting is necessary to constitute a quorum. In the event that a quorum is not represented in person or by proxy at the Annual Meeting, a majority of shares represented at that time may adjourn the Annual Meeting to allow the solicitation of additional proxies or other measures to obtain a quorum. Each shareholder is entitled to one vote on each proposal per share of common stock held as of the record date.

Proposal 1, the election of five directors to serve until the 2016 Annual Meeting, requires approval by a "plurality" of the votes cast by the shares of common stock entitled to vote in the election. This means that the five nominees for director who receive the highest number of properly cast votes will be elected as directors even if those nominees do not receive a majority of the votes cast.

Proposal 2, the approval of a Restated Certificate of Formation, requires the affirmative vote, in person or by proxy, of the holders of at least two-thirds of the outstanding shares of common stock entitled to vote.

Proposal 3, the ratification of EY as the Company's independent registered public accounting firm, and any other matter that may properly come before the Annual Meeting, require approval by a majority of the shares of common stock entitled to vote on, and voted for or against, or expressly abstained from voting, with respect to the matter.

EFFECT OF WITHHOLD VOTES, ABSTENTIONS AND BROKER NON-VOTES

Shares represented at the Annual Meeting that are withheld or abstained from voting and broker non-votes will be considered present for the purpose of determining a quorum at the Annual Meeting.

For Proposal 1, shares represented by proxies that are marked "withhold" for the election of one or more director nominees will not be counted in determining the number of votes cast for those persons.

For Proposal 2, the approval of a Restated Certificate of Formation, express abstentions and broker non-votes will have the same effect on proposal as a vote against such proposal.

For Proposal 3, and for any other matter that may properly come before the meeting, express abstentions will be included in vote totals and, as such, will have the same effect on proposals as a vote against such proposals.

For Proposals 1 and 3 and for any other matter that may properly come before the meeting, broker non-votes (i.e., the submission of a proxy by a broker or nominee specifically indicating the lack of discretionary authority to vote on the matter), if any, will not be included in vote totals and, as such, will have no effect on such proposals.

CORPORATE GOVERNANCE

Board Leadership Structure

Our Board of Directors functions in a collaborative fashion that emphasizes active participation by all of its members. Our business is conducted day-to-day by our officers, under the direction of our CEO, Sam Dawson, with oversight from the Board, to enhance the long-term value of the company for its shareholders. Mr. Dawson also serves as a member of the Board, which enables him to communicate the Board's strategic findings and guidance to management. Our Board of Directors determines who to appoint as our Chairman based on the knowledge and experience of the people then serving on our Board of Directors and chooses the person whom it believes best meets the needs of our company. In January 2012, when Mr. B.G. Hartley retired as CEO, our Board of Directors determined that he should continue to serve as Chairman of the Board with Mr. Dawson serving as CEO. These individuals have worked together for over 36 years. As a result, the Board believes there will continue to be consistent communication and coordination throughout the organization and this will continue to result in an effective and efficient implementation of corporate strategy.

Board of Directors Meeting Attendance

The Board of the Company met 16 times during the fiscal year. No member of the Board attended less than 75% of the aggregate meetings of the Board and all committees on which such director served during 2012. All of the Company's directors were in attendance at the Company's 2012 Annual Meeting. Although the Company has not adopted a formal written policy with respect to director attendance at meetings, we encourage our directors to attend each annual meeting of shareholders and all meetings of the Board and committees on which the directors serve.

Board Oversight of Risk

The Company's Board of Directors recognizes that, although day-to-day risk management is primarily the responsibility of the Company's management team, the Board plays a critical role in the oversight of risk. The Board believes that an important part of its responsibilities is to assess the major risks the Company faces and review the Company's options for monitoring and controlling these risks. The Board assumes responsibility for the Company's overall risk assessment. The Audit Committee has specific responsibility for oversight of risks associated with financial accounting and audits, as well as internal control over financial reporting. This includes the Company's risk assessment and management policies, the Company's major financial risk exposure and the steps taken by management to monitor and mitigate such exposure. The Compensation Committee oversees the risks relating to the Company's compensation policies and practices, as well as management development and leadership succession, in the Company's various business units. The Board as a whole examines specific business risks including but not limited to credit risk, interest rate risk and operations risk, in its regular strategic reviews on a company-wide basis.

In addition to periodic reports from the Audit Committee and Compensation Committee about the risks over which they have oversight, the Board receives presentations throughout the year from management that include discussions of significant risks specific to their area as necessary. Periodically, at Board meetings, management discusses matters of particular importance or concern, including any significant areas of risk requiring Board attention. We believe that our risk oversight structure is also supported by our current Board leadership structure, with the Chairman of the Board working together with the independent Audit Committee and other standing committees.

The Audit Committee reviewed with the independent registered certified public accounting firm, Ernst & Young LLP ("EY"), which is responsible for expressing an opinion on the conformity of those audited consolidated financial statements with U.S. generally accepted accounting principles and an audit on the effectiveness of internal control over financial reporting in accordance with the standards of the Public Company Accounting Oversight Board (the "PCAOB") (United States), its judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee by Rule 3526, by the PCAOB, other standards of the PCAOB, rules of the SEC, and other applicable regulations.

Nominating Committee of Southside Bancshares, Inc.

The Nominating Committee is responsible for identifying, screening and nominating candidates for election to the Board. The Committee is comprised of Messrs. Buie (Chairman), Cade, Norton, Powell and Sheehy, each of whom is an independent director of the Company, as defined by the current NASDAQ listing rules, and a director of Southside Bank. The Nominating Committee did not meet in 2012.

The Nominating Committee seeks to create a Board that is, as a whole, strong in its collective knowledge and diversity of skills and experience and background with respect to accounting and finance, management and leadership, business judgment, industry knowledge and corporate governance. When the Nominating Committee reviews a potential new candidate, it looks specifically at the candidate's qualifications in light of the needs of the Board and the Company at that time, given the then-current mix of director attributes.

The Company's Board of Directors has established the following process for the identification and selection of candidates for director. The Nominating Committee, in consultation with the Chairman of the Board, annually reviews the appropriate experience, skills and characteristics required of Board members in the context of the current

membership of the Board to determine whether the Board would be better enhanced by the addition of one or more directors. In considering board of director candidates, the Nominating Committee takes into consideration all factors that it deems appropriate, including, but not limited to, the individual's character, education, experience, knowledge, skills and ownership of the Company's stock. The Nominating Committee will also consider the extent of the individual's experience in business, education or public service, his or her ability to bring a desired range of skills, diverse perspectives and experience to the Board and whether the individual possesses high ethical standards, a strong sense of professionalism and is capable of serving the interests of shareholders. A candidate should possess a working knowledge of the Company's current local market areas. Additionally, the Nominating Committee will consider the number of boards the candidate currently serves on when assessing whether the candidate has the appropriate amount of time to devote to serving on the Company's Board. The Nominating Committee, when considering diversity, gives strong consideration to a wide range of diversity factors as a matter of practice when evaluating candidates to the Board and incumbent directors, but the Committee does not have a formal policy regarding Board diversity.

The Nominating Committee identifies candidates to the Board by introduction from management, members of the Board, employees or other sources, and shareholders that satisfy the Company's policy regarding shareholder recommended candidates. The Nominating Committee does not evaluate director candidates recommended by shareholders differently than director candidates recommended by other sources. Shareholders wishing to submit recommendations for the 2014 Annual Meeting should write to the Nominating Committee in care of the Assistant Corporate Secretary, Southside Bancshares, Inc., Post Office Box 8444, Tyler, Texas 75711. Any such shareholder must follow the procedures set forth in the Company's bylaws and the Nominating Committee charter. Our bylaws provide that proposals that comply with all rules and requirements of the SEC and are included in our proxy statement are deemed to comply with the advance notice procedures in our bylaws. Recommendations must be filed with the Assistant Corporate Secretary, on or before November 21, 2013 in order to be included in the proxy statement for the 2014

EXECUTIVE OFFICER AND DIRECTOR COMPENSATION

Compensation Discussion and Analysis

Overview of Compensation Program

In the paragraphs that follow, we will give an overview and analysis of our compensation programs and policies, the material compensation decisions we have made under those programs and policies, and the material factors that we considered in making those decisions. Later in this proxy statement under the heading "Executive Compensation" you will find a series of tables containing specific information about the compensation earned or paid in 2012 to the Company's CEO, former CEO, CFO and our other executive officers for fiscal year 2012, who are referred to as the "named executive officers" or "NEOs."

The Compensation Committee of the Board ("the Committee") has responsibility for reviewing and establishing the Company's compensation programs, consistent with the Company's compensation philosophy. The Committee attempts to ensure that the total compensation paid to the NEOs is fair, reasonable, and competitive. The Committee conducts an annual base salary and bonus compensation level review of the NEOs and engages outside consultants, as discussed below. When determining compensation, the Company typically does not establish specific performance goals for the NEOs, but instead evaluates and reviews each NEO's contribution to the overall performance of the Company, taking into account any changes in duties or responsibilities, the overall banking environment, skills and talents demonstrated during the year and leadership skills.

During 2012, the Committee reviewed with management the design and operation of the incentive compensation arrangements for the NEOs and other employees of Southside Bank for the purpose of determining whether such programs might encourage inappropriate risk-taking that could have a material adverse effect on the Company. The Committee concluded the incentive plans and policies do not encourage the NEOs or other employees to take risks that are reasonably likely to have a material adverse effect on the long-term well-being of the Company.

The Committee also reviews and develops recommendations for director compensation, including committee service fees.

Compensation Philosophy and Objectives

The Committee believes that the most effective executive compensation program is one that is designed to reward long-term and strategic performance, and which aligns executives' interests with those of the shareholders with the ultimate objective of improving long-term shareholder value. The Committee evaluates both performance and compensation to ensure that the Company maintains its ability to attract and retain superior officers in key positions and that compensation provided to key officers remains competitive relative to the compensation paid to similarly situated executives of our peer companies (as discussed below). To that end, the Committee believes executive compensation provided by the Company to its NEOs should include both cash and other benefits that reward both Company and executive performance. Performance is evaluated in a number of ways. First and most importantly, the committee evaluates the overall performance of the Company during the year and over a longer term, typically three years. Performance metrics evaluated include profitability, return on equity, ability to pay dividends to shareholders, overall asset quality, capital levels and earnings per share. The Company's performance is measured against its peers utilizing outside independently produced peer group data. The committee also takes into consideration the results of outside examinations and audits. The committee evaluates individual performance of each NEO in their areas of responsibility and to the Company as a whole, taking into consideration the overall banking environment. Using this information as a guide the committee then works through its process of evaluating and setting compensation.

Table of Contents

Role of Executive Officers in Compensation Decisions

The Committee makes recommendations to the Board regarding all compensation decisions for the NEOs. The CEO provides input regarding the performance of the other NEOs and makes recommendations for compensation amounts payable to the other NEOs. These recommendations are based on the CEO's personal observation of each NEO's performance, commitment and contribution to the Company. The CEO is not involved with any aspect of determining his own pay.

Setting Executive Compensation

Based on the compensation objectives noted above, the Committee has structured the NEOs' annual compensation to be competitive and to motivate and reward the NEOs for their performance.

In furtherance of this, the Committee occasionally engages an outside consulting firm to conduct a peer review of its overall compensation program for the NEOs. A peer review was conducted in 2011. During Committee discussions regarding setting NEO compensation for 2012, the Committee engaged Pearl Meyer & Partners ("PM&P") to serve as an independent outside consultant to Southside Bancshares, Inc., reporting directly to the Committee. PM&P was engaged to prepare an Executive Compensation Review specifically for the Committee. This Executive Compensation Review was based on a custom peer group selected by PM&P based on asset size, location and performance (the "Compensation Peer Group"). PM&P provided the Committee a letter with a statement of independence and the procedures they follow to remain independent. The Compensation Peer Group is comprised of seventeen public commercial banks in Texas, Oklahoma, Arkansas, Arizona, Colorado, Mississippi and Missouri, against which PM&P and the Committee believes the Company competes for talent. At the time of the study the Compensation Peer Group assets ranged from \$1.0 billion to \$6.7 billion with a median asset size of approximately \$2.9 billion. The companies comprising the Compensation Peer Group were:

Texas Capital Bancshares, Inc.	Southwest Bancorp, Inc.
Western Alliance Bancorporation	Centrue Financial Corporation
First Financial Bankshares, Inc.	CoBiz Financial Inc.
BancFirst Corporation	First M&F Corporation
Reliance Bancshares, Inc.	Enterprise Financial Services Corp
Simmons First National Corporation	Encore Bancshares, Inc.
Renasant Corporation	MetroCorp Bancshares, Inc.
Hawthorn Bancshares, Inc.	Home Bancshares, Inc.
Great Southern Bancorp, Inc.	

The Compensation Peer Group data is used for comparative purposes only. We do not target executive officer pay opportunities at any particular percentile relative to our Compensation Peer Group. The Committee evaluates the NEO's compensation and reviews and discusses performance, job responsibilities and tenure for each NEO position. Based on this review and discussion of each NEO, the Committee determines the NEO's total compensation. There is no pre-established policy or target for the allocation among different types of compensation. In determining the appropriate mix of compensation for 2012, the Committee took into consideration that the Company would likely begin to utilize equity-based compensation as part of its executive officer compensation program.

2012 In Review

On January 5, 2012, long-time CEO B.G. Hartley retired as both CEO of Southside Bancshares, Inc. and Southside Bank. Sam Dawson was elected CEO of both Southside Bancshares, Inc. and Southside Bank on January 5, 2012, and

his salary for 2012 was set at \$450,000 in recognition of this promotion.

Southside Bancshares, Inc. financial results for 2012, included a return on average shareholders' equity of 12.83% and a return on average assets of 1.05%. 2012 Executive Compensation Components

For the fiscal year ended December 31, 2012, the principal components of compensation for NEOs were:

Base salary;
Annual bonus;
Long-term equity incentive awards;
Retirement benefits;
Perquisites and other personal benefits; and
Health and welfare benefits.

Table of Contents

Base Salary

The Company provides NEOs and other employees with a base salary to compensate them for services rendered during the fiscal year. Base salary ranges for NEOs are determined for each executive based on their position and responsibility by using available market data adjusted for duties and responsibilities.

During the review of base salaries for executives, the Committee primarily considers:

- Compensation Peer Group data;
- internal review of the executive's compensation, both individually and relative to our other officers;
- overall individual performance of the executive;
- scope of responsibilities;
- experience; and
- tenure with the Company.

Salary levels are typically considered annually as part of the Company's performance review process as well as upon a promotion or other change in job responsibility. Merit-based increases to salaries of NEOs are based on the Committee's assessment of performance after considering recommendations of the CEO. The NEO salaries were approved by the Committee for 2012 based on the CEO's recommendations for the other NEOs and company performance. In making its final decision the Committee also considered that equity incentives would likely be offered as part of the NEOs compensation package sometime during 2012. Equity awards for the NEOs were awarded in August 2012.

After considering all of the relevant factors and the performance of each executive, the Committee decided that Mr. Dawson's salary for 2012 would be set at \$450,000 in recognition of his promotion to CEO and President of both Southside Bancshares, Inc. and Southside Bank on January 5, 2012. Messrs. Gibson and Story received a 4.2% increase in base salary for 2012, and Mr. Coogan and Mr. Boyd received increases in base salary of 4.0% and 7.2%, respectively, for 2012.

Annual Bonus

All officers and employees of the Company have historically been paid an annual bonus equal to 12.5% of base salary. While referred to as a bonus, the 12.5% has been paid to all employees for over 30 years and is considered by most employees as part of their base salary even though it is approved as a bonus by the Board. The Committee has in prior years recommended a special year-end bonus in excess of the 12.5% bonus for NEOs, based on a combination of individual and company performance. For Messrs. Dawson, Gibson, Story and Coogan the Committee determined that a special year-end bonus was warranted based on overall company performance during 2012. The Committee considered overall financial performance including capital levels, nonperforming asset levels, net income, earnings per share, return on shareholders' equity and other performance metrics, combined with overall company objectives achieved and individual NEO performance. In determining the bonus amounts for Messrs. Dawson, Gibson, Story, and Coogan the committee considered the financial performance results achieved during 2012, including net income, return on equity, return on assets, and the increase in the dividend payout to the shareholders. Specifically, the Committee considered that although the Company had a solid year overall and asset quality remained sound, there was an 11.3% decrease in net income and, in its final analysis, the Compensation Committee decided to reduce the special bonuses for Messrs. Dawson, Gibson, Story, and Coogan when compared to the special bonuses paid during 2011.

After considering all of the factors, the Committee recommended the following special year-end bonuses for the NEOs for 2012: Messrs. Dawson, Gibson and Story each \$80,000, a decrease of approximately 22% from 2011, and Mr. Coogan \$75,000, a decrease of 42.3% from 2011. Mr. Coogan's bonus for 2012 did not include an additional amount as it did in 2011, for his contribution in the area of security execution and management. Bonuses for Messrs. Dawson, Gibson, Story and Coogan reflected leadership and the resulting performance in each of the areas of the Company for which they were responsible. Mr. Boyd receives an incentive bonus in his capacity as a commercial lender that is tied to the amount of net revenue he produces. During 2012, Mr. Boyd's incentive bonus was \$141,801.

Long-Term Equity Incentive Awards

The Southside Bancshares, Inc. 2009 Incentive Plan provides for the grant of equity awards to our employees, officers or directors. The primary purpose of the 2009 Incentive Plan is to promote our success by linking the personal interests of our employees, officers, directors and consultants to those of our shareholders, and by providing participants with an incentive for outstanding performance. During 2010 the Compensation Committee approved a Long-Term Equity Plan (the "Plan") that provides for the grant of equity consistent with the directives in the 2009 Incentive Plan. The Committee engaged the services of PM&P to assist in guiding the Committee as to what is comparable and customary related to long-term equity plans. The Plan outlines the type of incentive awards to be granted under the 2009 Incentive Plan and establishes proposed amounts for participants, subject to final approval by the Committee. We believe these awards align executive performance and achievement with shareholder interests.

NEOs were awarded long-term equity awards with a value equal to a specified percentage of their base salaries, as follows: Mr. Dawson, 50%; Mr. Gibson, 40%; Mr. Story, 40%; Mr. Coogan, 25%; and Mr. Boyd, 25%. These awards were granted 50% in the form of stock options and 50% in the form of restricted stock units (RSUs). Details of the equity awards granted to the NEOs are set forth in the tables following the Compensation Discussion and Analysis. We anticipate additional grants will be made during 2013.

Retirement Benefits

Retirement benefits fulfill an important role within the Company's overall executive compensation program because they provide a financial security component which promotes retention. We place great value on the long-term commitment that many of our employees and the NEOs have made to us and aim to incent those individuals to remain with the Company and to act in a manner that will provide longer-term benefits to the Company. The Company believes that its retirement program is comparable to those offered by the banks in our Compensation Peer Group and, as a result, is needed to ensure that our executive compensation remains competitive.

Our retirement plans are designed to encourage employees to take an active role in planning, saving and investing for retirement. The Company maintains a 401(k) plan (the "401(k) Plan"), a tax-qualified, defined contribution plan in which substantially all of our employees, including the NEOs, are eligible to participate. The Company also maintains a tax-qualified, defined benefit pension plan (the "Pension Plan") pursuant to which participants are entitled to benefits based on final average monthly compensation and years of credited service. In addition, the Company maintains a non-qualified supplemental retirement plan (the "Restoration Plan") which provides benefits in addition to the Pension Plan. The Pension Plan and the Restoration Plan are described in more detail under the Pension Benefits table in this Proxy Statement.

The Company has entered into deferred compensation agreements with each of the NEOs, with the exception of Mr. Coogan, that provide for the payment of a stated amount over a specific period of years. These deferred compensation agreements are described in more detail under the Pension Benefits table in this Proxy Statement.

The Company has also entered into split dollar agreements with each of the NEOs, with the exception of Mr. Coogan, which allow the executives to designate the beneficiaries of death benefits under a life insurance policy. These agreements are described in more detail under the summary compensation table in this Proxy Statement.

Perquisites and Other Personal Benefits

The Company provides NEOs with perquisites and other personal benefits that the Company and the Committee believe are reasonable and consistent with its overall compensation program to better enable the Company to attract and retain superior employees for key positions. The committee periodically reviews the levels of perquisites and other personal benefits provided to NEOs. The Committee did not review perquisites during 2012, and there were no changes in the types of perquisites provided in 2012. Perquisites provided to NEOs during 2012 were Company paid club dues and a Company provided automobile, with the exception of Mr. Coogan and Mr. Boyd who received a fixed monthly car allowance. Club memberships are made available to various officers who are expected to routinely need a place to entertain customers or prospective customers.

Health and Welfare Benefits

The Company offers a standard range of health and welfare benefits on a uniform basis and subject to insurance policy limitations to employees, including NEOs, and their eligible dependents. The benefits are designed to attract and retain employees and provide security to employees for their health and welfare needs. The benefits include: medical, prescription, dental, employee life, group life and flexible spending accounts. NEOs participate in these employee benefit plans, which are generally available to full-time employees on the same terms as a similarly situated employee. Another benefit available to officers at or above the Vice President level and meeting a salary requirement, is a bank provided long-term disability insurance policy which includes accidental death and travel insurance plans and programs.

Severance

The Company entered into Employee Agreements with Sam Dawson, President and CEO, and Lee R. Gibson, Senior Executive Vice President and CFO in October 2007. The Board determined that it was in the best interests of the Company to retain the services and encourage the continued attention and dedication of Messrs. Dawson and Gibson to their assigned duties. The severance and change in control termination amounts were negotiated based on these NEOs' tenure, scope of responsibilities and other provisions in the agreement.

For a further discussion of the terms of the Employment Agreements, please see the discussion on page 18.

Tax and Accounting Considerations

Section 162(m) of the Internal Revenue Code places a limit of \$1 million on the amount of compensation that we may deduct in any year with respect to any one of our NEOs. This limitation does not apply to compensation that meets the requirements under Section 162(m) for “qualifying performance-based” compensation. The committee intends to maximize deductibility of executive compensation while retaining some discretion needed to compensate executives in a manner commensurate with performance and the competitive landscape for executive talent.

Mr. Hartley was paid a tax gross-up bonus of \$38,164 in accordance with the terms of his split dollar agreement once he retired. The Board has discontinued the payment of any tax gross-up bonuses for officers as well as taking them out of future agreements related to retirement. This was a legacy agreement and not reflective of current Board policy.

Mr. Dawson, Mr. Hartley, Mr. Gibson, and Mr. Story have use of a Company-provided automobile. The incremental cost to the Company during 2012 included fuel, maintenance costs and insurance. The Board approved as a part of Mr. Hartley's Board compensation, to continue to provide him an automobile. Messrs. Coogan and Boyd received auto allowances of \$21,600 and \$19,500, respectively.

The incremental cost of Company-provided club dues to the NEOs. The Board approved as part of Mr. Hartley's Board compensation, to continue to provide him with country club memberships.

Mr. Coogan is an eligible participant in the Company's 401(k) plan, in which he is 60% vested. During 2012, Mr. Coogan was eligible to receive \$6,250 in matching 401(k) contributions.

Mr. Hartley received \$310,000 as Chairman of the Board of the Company.

Employment Agreements

The Company maintains employment agreements with Sam Dawson, President and CEO, and Lee R. Gibson, Senior Executive Vice President and CFO (the "Employment Agreements"). The Employment Agreements were entered into as of October 22, 2007 and initially extended through October 22, 2010, with automatic one year term extensions beginning on the first anniversary of the effective date, until a party gives 90 days' notice of non-renewal. The agreements are now in effect until October 22, 2015.

Mr. Dawson's Employment Agreement initially provided for an annual base salary of \$300,500 and Mr. Gibson's Employment Agreement initially provided for an annual base salary of \$277,500, each to be reviewed no less frequently than annually by the Committee. The Employment Agreements entitle Messrs. Dawson and Gibson to receive an annual incentive payment of not less than 12.5% of base salary. The amount actually awarded and paid to the executives each year will be determined by the Committee and may be based on specific performance criteria.

The Employment Agreements entitle Messrs. Dawson and Gibson to participate in all incentive, savings and retirement plans or programs and welfare and fringe benefits which are generally available to officers of the Company of comparable levels. Finally, the Employment Agreements state that the Company may pay country club annual dues and expenses for each of Messrs. Dawson and Gibson.

The Employment Agreements also provide Messrs. Dawson and Gibson with severance benefits in the event of certain terminations of employment. These benefits are described in "Potential Payments upon Termination or Change in Control" on page 24 of this proxy statement.

Split Dollar Agreements

In 2004, the Company entered into split dollar agreements with Messrs. Dawson, Hartley, Gibson, Story, and Boyd. The agreements provide that the Company will be the beneficiary of Bank Owned Life Insurance (commonly referred to as BOLI) insuring the executives' lives. The agreements provide the executives with the right to designate the beneficiaries of the death benefits guaranteed in each agreement. The agreements originally provided for death benefits of an initial aggregate amount of \$3.6 million. The individual amounts are increased annually on the anniversary date of the agreement by an inflation adjustment factor of 5% for Messrs. Dawson, Gibson, and Story and 3% for Mr. Boyd. As of December 31, 2012, the expected death benefits totaled \$4.7 million. The agreements also state that after the executive's retirement date, the Company will pay an annual gross-up bonus to the executive in an amount sufficient to enable the executive to pay federal income tax on both the economic benefit and on the gross-up bonus itself. The expense associated with the post retirement liability was \$17,000 for the year ended December 31, 2012.

As a result of Mr. Hartley's retirement on January 5, 2012, he began receiving payments in accordance with the terms of his deferred compensation agreement. In January 2012, the Company paid Mr. Hartley \$468,412, and on (1) February 1, 2012, the Company began paying Mr. Hartley \$9,000 per month, in accordance with his deferred compensation agreement. Monthly payments under his retirement agreement began on August 1, 2012.

(2) Mr. Coogan is not eligible to participate in the Pension Plan or the Restoration Plan and does not have a Deferred Compensation Agreement.

Pension Plan

The Pension Plan is a tax-qualified, defined benefit pension plan pursuant to which participants are entitled to benefits based on final average monthly compensation and years of credited service.

Entrance into the Pension Plan by new employees was frozen effective December 31, 2005. Employees hired after December 31, 2005 are not eligible to participate in the plan. All participants in the Plan are fully vested. All of our NEOs at December 31, 2012 were participants in the Plan, with the exception of Mr. Coogan. Benefits are payable monthly commencing on the later of age 65 or the participant's date of retirement. Eligible participants may retire at reduced benefit levels after reaching age 55.

The benefits under the Pension Plan are determined using the following formula, stated as a single life annuity with 120 payments guaranteed, payable at normal retirement age, which is defined as 65 under the Pension Plan.

Table of Contents

Formula (1) and Formula (2), calculated using Credit Service at Normal Retirement Date, multiplied by a service ratio and summed as described below:

Formula (1)	x	The fraction in which the numerator is Credited Service as of 12/31/05 and the denominator is Credited Service at Normal Retirement Date
	plus	
Formula (2)	x	The fraction in which the numerator is Credited Service earned after 12/31/05 and the denominator is Credited Service at Normal Retirement Date

Formula (1) is an amount equal to:

2% of Final Average Monthly Compensation times Credited Service up to 20 years, PLUS

1% of Final Average Monthly Compensation times Credited Service, if any, in excess of 20 years, PLUS

0.60% of that portion of Final Average Monthly Compensation which exceeds Monthly Covered Compensation times Credited Service up to 35 years

Formula (2) is an amount equal to:

0.90% of Final Average Monthly Compensation times Credited Service, PLUS

0.54% of that portion of Final Average Monthly Compensation which exceeds Monthly Covered Compensation times Credited Service up to 35 years

Benefit Formula Definitions

Credit Service

A participant's years of credited service are based on the number of years an employee works for the Company. The Company has no policy to grant extra years of credited service.

Final Average Monthly Compensation (FAMC)

The monthly average of the 60 consecutive months' compensation during the participant's period of credited service that gives the highest average. Compensation generally includes all gross income received by the participant for services actually rendered in the course of employment, with certain exclusions, plus any elective deferrals under Section 125 and Section 404(g)(c). Compensation in the Pension Plan is limited as required.

Covered Compensation

A rounded 35-year average of the Maximum Taxable Wages (MTW) under social security. The table in effect during the calendar year proceeding termination or retirement is used.

Mr. Hartley began receiving payments out of the Pension Plan without retiring upon reaching age 65 under prior language in the plan that allowed all participants to begin receiving payments at age 65, regardless of their employment status. The Pension Plan was amended several years ago and participants must now retire to be eligible to receive payments out of the plan. All participants receiving payments out of the Pension Plan at the time of the

amendment were grandfathered so as to allow them to continue receiving payments out of the plan, which included Mr. Hartley. None of the other NEOs were in pay status under the Pension Plan at the time of the amendment, and thus were not grandfathered.

Restoration Plan

The annual retirement income benefit of NEOs under the Pension Plan is subject to certain limitations imposed by the Internal Revenue Code. Under one such limitation, in determining the benefit accrued for a year under the Pension Plan, the benefit formula excludes a NEOs compensation above a specified compensation limit. In 2012, for example, the ceiling was \$250,000, which means that the compensation of NEOs in excess of that amount was not considered in the benefit formula for purposes of determining benefits under the Pension Plan. The Company maintains the Restoration Plan, a non-qualified supplemental retirement plan which provides additional benefits by taking into account the excess compensation not taken into account under the Pension Plan. The Restoration Plan is unfunded and noncontributory, which means that benefits are paid from the general assets of the Company and the NEOs are not required to make any contributions. The formula and assumptions used to calculate the benefit payable pursuant to the Restoration Plan are the same as those used under the Pension Plan described above, except that the amounts payable under the Restoration Plan are reduced by the amounts payable under the Pension Plan.

Deferred Compensation Agreements

The Company entered into a deferred compensation agreement with Mr. Hartley effective February 13, 1984. The Company entered into deferred compensation agreements with each of Messrs. Dawson, Gibson and Story effective June 30, 1994 and Mr. Boyd effective January 8, 2009. The deferred compensation agreements provide additional compensation to the executives upon retirement or other qualifying termination of service.

Mr. Hartley's deferred compensation agreement provides that upon a termination of employment by reason of death, retirement or an involuntary termination by the Company other than for cause, he will be entitled to receive \$468,412 in a lump sum and \$800,000 payable monthly over 15 years, plus an additional \$4,000 per month payable until death. Mr. Hartley retired on January 5, 2012, and consistent with his deferred compensation agreement, he was paid the

\$468,412 during January 2012, and he began receiving \$9,000 per month on February 1, 2012.

Under the terms of their deferred compensation agreements, Messrs. Dawson, Gibson, Story, and Boyd are entitled to receive \$500,000, \$400,000, \$400,000 and \$300,000, respectively, payable monthly over 10 years, if the executive remains in the employment of Southside Bank until his retirement (on or after age 65), or upon permanent disability or death, whichever occurs first. If the executive's employment is involuntarily terminated by the Company for any reason other than for "good cause" (as defined in the agreements), such termination shall be treated the same as a retirement, and the executive shall be entitled to receive the payments. If, prior to a Change in Control (as defined in the agreements), the executive terminates his employment prior to attainment of age 65 for any reason other than death or disability, no amounts shall be due such executive under his deferred compensation agreement. If, after a Change in Control, the executive terminates employment prior to attainment of age 65 for any reason other than death, disability, or for "good reason" (as defined in the agreements), no amounts shall be due to the executive under his agreement. After a Change in Control, a termination by the executive for "good reason" shall be treated the same as a retirement, and the executive shall be entitled to receive the payments.

Retirement Agreement with Mr. Hartley

On November 7, 2008, the Company, Southside Bank and Mr. Hartley, entered into a Retirement Agreement (which replaced a previous retirement arrangement with Mr. Hartley).

The Retirement Agreement provides that if Mr. Hartley voluntarily retires as an employee and officer of the Company, he shall simultaneously retire as an employee and officer of Southside Bank, but that the parties expect that he shall continue his services on the boards of directors of the Company and Southside Bank.

The Retirement Agreement provides that in each of the five years after his “separation from service” (as defined under Section 409A of the Internal Revenue Code of 1986), regardless of whether the separation is by reason of retirement, death or otherwise, the Company shall pay Mr. Hartley \$250,000 per year, subject to a 5% increase per year after the first year. The Company shall continue to make payments to Mr. Hartley’s estate or beneficiaries in the event of his death during the five year period. In addition, Mr. Hartley shall be entitled to participate in all plans, programs, practices and policies maintained by the Company at that time with respect to retirement or termination of employment.

Mr. Hartley retired on January 5, 2012, and in accordance with this agreement, Mr. Hartley began receiving monthly payments on August 1, 2012.

Potential Payments Upon Termination or Change in Control

The following discussion summarizes the compensation benefits payable to the NEOs in the event of a termination of employment under various circumstances, assuming that a termination of employment occurred on December 31, 2012.

Employment Agreements

Upon termination of their employment, Messrs. Dawson, Gibson, Story, Coogan and Boyd would receive compensation and benefits for which they had already vested. This would include accrued but unpaid salary, accrued and unused vacation pay, any balance under the 401(k) plan. In addition, Messrs. Dawson, Gibson, Story and Boyd would receive benefits under the Pension Plan and Restoration Plan, plus amounts payable under their deferred compensation agreements.

In addition the Company has employment agreements with Messrs. Dawson and Gibson, which govern the terms of each executive’s payments and benefits upon termination or Change in Control, as summarized below.

Termination by the executive except for Good Reason; termination by the Company with Cause. If an executive terminates his employment without Good Reason (as defined in the Employment Agreements) or the Company terminates the executive’s employment with Cause (as defined in the Employment Agreements), the executive will be entitled to receive his accrued salary and previously vested benefits. In this event, no special severance benefits are payable.

Termination by the executive for Good Reason; termination by the Company without Cause. If an executive terminates his employment for Good Reason or the Company terminates the executive’s employment without Cause, the executive will be entitled to receive a single lump sum equal to:

• a severance payment equal to the executive’s monthly salary multiplied by the number of months remaining in the term of the Employment Agreement (which would be between 24 and 36 months), plus \$10,000;

a pro-rata bonus equal to the product of (i) the executive's Target Bonus (as defined in the Employment Agreements) for the termination year and (ii) a fraction, the numerator of which is the number of days in the current fiscal year through the termination date, and the denominator of which is 365;

his accrued salary;

accrued pay in lieu of unused vacation; and

any vested compensation deferred by the executive (unless otherwise required by an agreement).

Additionally, all equity awards will become immediately vested and exercisable as of the date of termination. Finally, the executive will be entitled to any other amounts or benefits under any other plan pursuant to which the executive is eligible to receive benefits, to the extent officers of a comparable level at the Company received such benefits prior to the date of termination ("Other Benefits").

Termination due to death or Disability. If an executive's employment is terminated due to death or Disability (as defined in the Employment Agreements), he (or his estate) will receive accrued salary and Other Benefits.

Table of Contents

Change in Control. If an executive's employment is terminated due to a Change in Control, he will be entitled to the same payments and benefits as if he had been terminated without Cause. However, instead of the severance payment described above, the severance payment will be calculated as follows:

(a) if the termination occurs more than six (6) months prior to a Change of Control or more than two (2) years after the occurrence of a Change of Control, the severance payment shall be the product of two times the sum of (1) the executive's salary in effect as of the termination (ignoring any decrease in the salary unless consented to by the executive), and (2) the greater of the average of the annual bonuses earned by the executive for the two fiscal years in which annual bonuses were paid immediately preceding the year in which the termination occurs, or the executive's Target Bonus for the year in which the termination occurs; or

(b) if the termination occurs within six months prior or within two years after the occurrence of a Change of Control, the severance payment shall be the product of 2.99 times the sum of (1) the executive's salary in effect as of the termination, and (2) the greater of the average of the annual bonuses earned by the executive for the two fiscal years in which annual bonuses were paid immediately preceding the year in which the termination occurs, or the executive's Target Bonus for the year in which the termination occurs.

Restrictive Covenants. The Employment Agreements contain confidentiality provisions and subject Messrs. Dawson and Gibson to certain non-compete and non-solicitation obligations during the term of employment with the Company and for a one-year period following termination of employment.

Reduction in Certain Benefits. The Employment Agreements also state that in the event that any of the severance benefits described above are subject to federal excise taxes under the "golden parachute" provisions under Section 280G of the Internal Revenue Code, the payments will be reduced to the extent necessary to avoid such excise taxes, but only if such reduction would result in a greater net benefit for the executive.

The following table quantifies the severance payments payable to Messrs. Dawson and Gibson pursuant to their employment agreements in the event their employment is terminated without Cause for Good Reason, or in connection with a Change in Control, and assumes a termination date of December 31, 2012.

Reason for Termination	Dawson	Gibson
By the Company without Cause or By the Executive for Good Reason	\$1,274,000	\$1,091,000
Termination in connection with a Change in Control	\$1,776,000	\$1,564,000

Split Dollar Agreements

Under the terms of the split dollar agreements with Messrs. Hartley, Dawson, Gibson, Story and Boyd, upon a termination of employment by reason of death, disability (as defined in the split dollar agreements), or retirement at or after age 65, or a termination following a Change in Control (as defined in the split dollar agreements), payment of the specified death benefits under the split dollar agreements would be triggered. If the executive's employment is terminated for Cause (as defined in the split dollar agreements), he will forfeit benefits under the split dollar agreements. Mr. Coogan does not have a split dollar agreement.

The following table quantifies the death benefit payable to the beneficiaries of Messrs. Hartley, Dawson, Gibson, Story and Boyd pursuant to their split dollar agreements in the event their employment is terminated due to death while still employed by the Company, or in connection with death after termination from the Company due to termination without cause, retirement after age 65 or a change in control. This assumes the event occurred on

December 31, 2012.

Reason for Termination	Dawson	Hartley	Gibson	Story	Boyd
Death benefit while still employed by the Company at time of death (1)	\$1,108,000	\$—	\$1,034,000	\$1,034,000	\$405,000
Death benefit after termination from Company without cause, retirement after age 65, or a change in control	\$900,000	\$1,092,000	\$770,000	\$770,000	\$400,000

(1) As a result of Mr. Hartley's retirement on January 5, 2012, Mr. Hartley is no longer eligible for this death benefit.

TRANSACTIONS WITH DIRECTORS, OFFICERS AND ASSOCIATES

The board of directors reviews and discusses each potential transaction with a director, executive officer, significant shareholder or any of their immediate family members and votes to approve or disapprove the transaction. Directors or executive officers who are interested in a particular transaction do not vote on the transaction with respect to which they are interested. The Company's Board has adopted a Conflict of Interest Policy that addresses transactions with related persons.

Certain of the executive officers and directors of the Company and Southside Bank (and their associates) have been customers of Southside Bank and have been granted loans in the ordinary course of business. Southside Bank is subject to Federal Reserve Regulation O, which governs loans to directors, executive officers and certain shareholders of banks and bank holding companies. All loans or other extensions of credit made by Southside Bank to executive officers and directors of the Company and Southside Bank were made in the ordinary course of business on substantially the same terms, including interest rates, maturities and collateral, as those prevailing at the time for comparable transactions with persons not related to the Company or Southside Bank and did not involve more than the normal risk of collection or present other features that are unfavorable to Southside Bank. Prior approval by a majority of the board of directors, with the interested party abstaining, must be obtained for any loan to a director or a director's related interest(s) which, when aggregated with all loans to the director and/or to that director's related interest(s) exceed 10% of Southside Bank's capital plus unimpaired surplus. Prior approval requirements for individual advances for the board of directors will be satisfied by annual Board approval of a line of credit for a director's personal borrowing and similar approval of a line of credit for director-owned or controlled business borrowing. All advances made pursuant to an approved line of credit within 12 months of the date of approval shall be treated as approved. Loans to persons employed by Southside Bank who are considered under Regulations of the Federal Reserve Board to be executive officers shall be subject to prior approval by the board of directors. The Company expects similar transactions to occur in the future with its executive officers and directors as well as directors and officers of Southside Bank. In addition, Billie Boyd Hartley, the spouse of B. G. Hartley, and Jane Hartley Coker, the daughter of B. G. Hartley are employed by Southside Bank and received compensation of \$161,801 and \$440,519, respectively, in 2012. RESTATE CURRENT ARTICLES OF INCORPORATION
(PROPOSAL 2)

On February 21, 2013, the Board unanimously adopted resolutions (i) approving, subject to the approval of the Company's shareholders, a restated certificate of formation which conforms the Company's current Articles of Incorporation (the "current articles") to the provisions of the Texas Business Organizations Code (the "TBOC") and updates the current articles, and (ii) recommending that the Company's shareholders approve the restated certificate of formation.

The TBOC was promulgated to modernize and consolidate the existing law governing Texas business entities. The TBOC took effect on January 1, 2006. However, Texas entities formed prior to January 1, 2006 were not subject to the TBOC until January 1, 2010. After January 1, 2010, all entities formed in Texas, regardless of their date of formation, became governed by the TBOC. The Company was incorporated in Texas in 1982, and thus did not become subject to the TBOC until January 1, 2010. The TBOC provides that any Texas corporation formed prior to January 1, 2006 is not considered to have failed to comply with the TBOC if the corporation's certificate of formation did not comply with the requirements of the TBOC as of January 1, 2010. However, any such corporation must conform its certificate of formation to the TBOC when the corporation next files an amendment to its certificate of formation.

One of the most significant impacts of the TBOC was the standardization of the statutory terminology relating to Texas corporations and other business entities. For example, the TBOC provides that the primary governing document for a corporation is referred to as a "certificate of formation," whereas the charter of a corporation such as the Company was previously referred to as "articles of incorporation." As a result, the majority of the amendments to the current articles made by the restated certificate of formation relate to the new terminology created by the TBOC.

The Board believes it is in Company's best interests to adopt the restated certificate of formation at the Annual Meeting as opposed to waiting to do so when the Company might otherwise seek to amend the current articles. The restated certificate of formation will modernize the current articles and conform the current articles to the provisions of the TBOC. In addition, the restated certificate of formation will conform the current articles to the Company's Amended and Restated Bylaws, which the Company adopted in order to conform the Company's bylaws to the TBOC and to generally modernize the Company's bylaws.

If the Company's shareholders vote to approve the restated certificate of formation, the Company will have the authority to file the restated certificate with the Texas Secretary of State, and the restated certificate of formation will become effective upon its filing. The table below sets forth the material amendments to the current articles made by the restated certificate of formation. The full text of the restated certificate of formation is set forth in Appendix A.

Section of Current Articles	Section of Restated Certificate	Change Effected by the Restated Certificate
One, Three	One, Three	Article One and Three have been revised to state that the Company is a "for-profit" corporation in accordance with the TBOC requirement that the certificate of formation of a Texas corporation must specify the corporation's entity type.
Eleven	Eleven	The reference to the number of the Company's directors has been changed from ten (10) to fourteen (14) to reflect the current number of directors comprising the Board and the list of the Company's directors has been updated to reflect the names of the current directors.

The provision describing the terms of the Company's three classes of directors has been revised to remove outdated references to the years in which the terms of the initial directors in each class expired and to conform to the same provision in the Company's Amended and Restated Bylaws.

Relationships with Independent Registered Public Accounting Firm

As previously disclosed, on August 2, 2012, the Audit Committee dismissed PwC as the Company's independent registered public accounting firm, effective as of the date of PwC's completion of its interim, quarterly review services for the second quarter ended June 30, 2012 and the filing of the Company's Quarterly Report on Form 10-Q.

The audit reports of PwC on the consolidated financial statements as of and for the years ended December 31, 2010 and 2011 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the years ended December 31, 2010 and 2011 and during the subsequent periods through August 7, 2012, there were no disagreements with PwC on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures, which, if not resolved to the satisfaction of PwC would have caused it to make reference to the subject matter of the disagreements in connection with its report. During the same periods, there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K, other than with respect to the ineffectiveness of the Company's internal control over financial reporting due to the material weaknesses mentioned below that were previously disclosed in the Company's Annual Report on Form 10-K for the year ended December 31, 2011 and Current Report on Form 8-K filed with the SEC on March 13, 2012. The audit reports of PwC on the effectiveness of internal control over financial reporting as of December 31, 2010 and 2011 did not contain any adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles, except that PwC's report on the effectiveness of internal control over financial reporting as of December 31, 2011 included an adverse opinion on the Company's internal control over financial reporting due to the effect of material weaknesses identified during the audit of the financial statements for the fiscal year ended December 31, 2011 related to (1) security price verification controls and (2) controls to evaluate impairment of FHLB advance option fees.

The Audit Committee discussed these material weaknesses with PwC and has authorized PwC to respond fully to inquiries of the successor independent registered public accounting firm concerning this matter.

Newly Engaged Independent Registered Public Accounting Firm

As previously disclosed, on August 2, 2012, the Audit Committee approved the appointment of EY as the Company's new independent registered public accounting firm, effective immediately, to perform independent audit services for the fiscal year ended December 31, 2012 (including with respect to the Company's quarterly period ending September 30, 2012). During the two fiscal years ended December 31, 2011 and 2010 and through August 7, 2012, neither the Company, nor anyone on its behalf, consulted EY regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered with respect to the consolidated financial statements of the Company, and no written report or oral advice was provided to the Company by EY that was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue; or (ii) any matter that was the subject of a disagreement (as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) or a "reportable event" (as that term is defined in Item 304(a)(1)(v) of Regulation S-K).

EY has been selected by the Audit Committee as the Company's independent registered public accounting firm for the year ending December 31, 2013. The Company's Audit Committee makes the appointment of the independent registered public accounting firm annually. The decision of the Audit Committee is based on both the audit scope and estimated audit fees. Representatives of EY are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so, and to respond to appropriate questions.

Auditor Fees Pre-Approval Policy

The Audit Committee has a formal policy concerning approval of audit and non-audit services to be provided by the independent registered public accounting firm to the Company, currently EY. The Policy requires that all services EY may provide to the Company, including audit services and permitted audit-related and non-audit services, be pre-approved by the Audit Committee. The Audit Committee pre-approved all audit and non-audit services provided by PwC and EY during 2012.

**RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM
(PROPOSAL 3)**

The Audit Committee of the Board has selected EY to serve as the Company's independent registered public accounting firm for the year ending December 31, 2013. EY has served as the Company's independent registered public accounting firm since 2012. We have been advised by EY that neither it nor any of its members had any financial interest, direct or indirect, in us nor has it had any connection with us or any of our subsidiaries in any capacity other than independent auditors. The Board recommends that you vote for the ratification of the selection of EY. Shareholder ratification of the selection of EY as our independent registered public accounting firm is not required by our certificate of formation, bylaws or otherwise. Nevertheless, the Board is submitting this matter to the shareholders as what we believe is a matter of good corporate practice. If the shareholders do not ratify the appointment of EY, then the appointment of an independent registered public accounting firm will be reconsidered by our Audit Committee. Even if the appointment is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it is determined that such a change would be in the best interest of the Company and its shareholders. Representatives of EY are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so, and to respond to appropriate questions.

The Board of Directors recommends a vote FOR the ratification of Ernst & Young LLP as the Company's independent registered public accounting firm for the year 2013.

ANNUAL REPORT TO SHAREHOLDERS

The Company's Annual Report on Form 10-K, as integrated into the Annual Report to Shareholders for the fiscal year ended December 31, 2012, accompanies this Proxy Statement. The Annual Report does not constitute outside solicitation materials. Additional copies of Form 10-K are available at no expense; exhibits to Form 10-K are available for a copying expense to any shareholder by sending a written request to the Corporate Secretary of the Company, Post Office Box 8444, Tyler, Texas 75711. The Company's public filings with the SEC may also be obtained free at the Company's website: www.southside.com/investor, under the topic Documents.

SHAREHOLDER PROPOSALS

SEC rules establish the eligibility requirements and the procedures that must be followed for a shareholder's proposal to be included in the Board's proxy solicitation materials. Under those rules, any shareholder wishing to have a proposal considered for inclusion in the Board's proxy solicitation materials for the 2014 Annual Meeting must set forth his or her proposal in writing and file it with the Secretary of the Company on or before November 21, 2013. Proposals must comply with all applicable SEC rules. The Board will review any proposals received by that date and will determine whether applicable requirements have been met for including the proposal in the 2014 proxy solicitation materials.

In addition, the Company's bylaws establish advance notice procedures that must be followed for a shareholder proposal to be presented at an Annual Meeting but not included in the Board's proxy solicitation materials. Any shareholder wishing to have a proposal considered for the 2014 Annual Meeting, but who does not submit the proposal for inclusion in the Board's proxy statement, assuming that the 2014 Annual Meeting occurs on a date that is not more than 30 days before or 60 days after the anniversary of the Annual Meeting, must submit the proposal as set forth above not earlier than December 19, 2013 and no later than January 18, 2014.

For any proposal that is not submitted for inclusion in next year's proxy solicitation materials, but is submitted for presentation at the 2014 Annual Meeting, SEC rules permit the persons named as proxies in the proxy solicitation materials to vote proxies in its discretion if: (1) the proposal is received before January 18, 2014 and we advise shareholders in the 2014 proxy solicitation materials about the nature of the matter and how management intends to vote on such matter, or (2) the proposal is not received before January 18, 2014.

GENERAL

The Board does not know of any other business, other than that set forth above, to be transacted at the Annual Meeting. However, if any other matters requiring a vote of the shareholders properly come before the Annual Meeting, the persons designated as Proxies will vote the shares of common stock represented by the proxies in accordance with their best judgment on such matters. If a shareholder specifies a different choice on the proxy, those shares of common stock will be voted in accordance with the specification so made.
