AMERICAN INSURED MORTGAGE INVESTORS

NOTES TO FINANCIAL STATEMENTS

(Unaudited)

1. ORGANIZATION

American Insured Mortgage Investors (the "Partnership") was formed under the Uniform Limited Partnership Act in the state of California on July 12, 1983. The Partnership Agreement ("Partnership Agreement") states that the Partnership will terminate on December 31, 2008, unless previously terminated under the provisions of the Partnership Agreement.

CRIIMI, Inc. (the "General Partner") holds a partnership interest of 2.9% and is a wholly owned subsidiary of CRIIMI MAE Inc. ("CRIIMI MAE"). AIM Acquisition Partners L.P. (the "Advisor") serves as the advisor to the Partnership. The general partner of the Advisor is AIM Acquisition Corporation ("AIM Acquisition") and the limited partners include, but are not limited to, AIM Acquisition, The Goldman Sachs Group, L.P., Sun America Investments, Inc. (successor to Broad, Inc.) and CRI/AIM Investment, L.P., an affiliate of CRIIMI MAE. AIM Acquisition is a Delaware corporation that is primarily owned by Sun America Investments, Inc. and The Goldman Sachs Group, L.P.

Under the Advisory Agreement, the Advisor will render services to the Partnership, including but not limited to, the management of the Partnership's portfolio of mortgages and the disposition of the Partnership's mortgages. Such services will be subject to the review and ultimate authority of the General Partner. However, the General Partner is required to receive the consent of the Advisor prior to taking certain significant actions, including but not limited to the disposition of mortgages, any transaction or agreement with the General Partner, or its affiliates, or any material change as to policies regarding distributions or reserves of the Partnership. The Advisor is permitted to delegate the performance of services pursuant to a sub-advisory agreement (the "Sub-Advisory Agreement"). The delegation of such services will not relieve the Advisor of its obligation to perform such services. CRIIMI MAE Services Limited Partnership ("CMSLP"), an affiliate of CRIIMI MAE, manages the Partnership's portfolio, pursuant to the Sub-Advisory Agreement. The general partner of CMSLP is CMSLP Management Company, Inc., an affiliate of CRIIMI MAE.

The Partnership's investment in mortgages consists of participation

Edgar Filing: AMERICAN INSURED MORTGAGE INVESTORS - Form 10-Q

certificates evidencing a 100% undivided beneficial interest in government insured multifamily mortgages issued or sold pursuant to Federal Housing Administration (FHA) programs (FHA-Insured Certificates) and FHA-insured mortgage loans (FHA-Insured Loans, and together with FHA-Insured Certificates referred to herein as Insured Mortgages). The mortgages underlying the FHA-Insured Certificates and FHA-Insured Loans are non-recourse first liens on multifamily residential developments.

On October 5, 1998, CRIIMI MAE, the parent of the General Partner, and CRIIMI MAE Management, Inc., an affiliate of CRIIMI MAE and provider of personnel and administrative services to the Partnership, filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"). On November 22, 2000, the United States Bankruptcy Court for the District of Maryland, in Greenbelt, Maryland (the "Bankruptcy Court") confirmed CRIIMI MAE's and CRIIMI MAE Management, Inc.'s Third Amended Joint Plan of Reorganization (as amended and supplemented by praecipes filed with the Bankruptcy Court on July 13, 14 and 21, and November 22, 2000). On April 17, 2001, CRIIMI MAE and CRIIMI MAE Management, Inc. announced the completion of their confirmed joint plan of reorganization and emerged from bankruptcy. This marks the conclusion of CRIIMI MAE's and CRIIMI MAE Management, Inc.'s financial reorganization.

2. BASIS OF PRESENTATION

In the opinion of the General Partner, the accompanying unaudited financial statements contain all adjustments of a normal recurring nature necessary to present fairly the financial position of the Partnership as of September 30, 2001 and December 31, 2000, the results of its operations for the three and nine months ended September 30, 2001 and 2000 and its cash flows for the nine months ended September 30, 2001 and 2000.

These unaudited financial statements have been prepared pursuant to the rules and regulations of the Securities and Exchange Commission. Certain information and note disclosures normally included in annual financial statements prepared in accordance with generally accepted accounting principles have been condensed or omitted. While the General Partner believes that the disclosures presented are adequate to make the information not misleading, these financial statements should be read in conjunction with the financial statements and the notes to the financial statements included in the Partnership's Annual Report filed on Form 10-K for the year ended December 31, 2000.

Comprehensive Income

Comprehensive income is the change in Partners' equity during a period from transactions from non-owner sources. This includes net income as currently reported by the Partnership adjusted for unrealized gains and losses related to the Partnership's mortgages accounted for as available for sale. Unrealized gains and losses are reported in the equity section of the Balance Sheet as Accumulated Other Comprehensive Income.

3. INVESTMENT IN FHA-INSURED LOANS

Listed below is the Partnership's aggregate investment in FHA-Insured Loans as of September 30, 2001 and December 31, 2000:

September 30, 2001	December 31, 2000
-----	-----

Edgar Filing: AMERICAN INSURED MORTGAGE INVESTORS - Form 10-Q

Number of		
Acquired Insured Mortgages	3	3
Originated Insured Mortgages	1	1

Face Value	14,496,566	14,694,371
Fair Value	14,400,773	14,222,808

As of November 1, 2001, all of the FHA-Insured Loans are current with respect to payment of principal and interest.

In addition to base interest payments from originated insured mortgages, the Partnership is entitled to additional interest based on a percentage of the net cash flow from the underlying development and of the net proceeds from the refinancing, sale or other disposition of the underlying development (referred to as Participations). During the three and nine months ended September 30, 2001 and 2000, the Partnership received nothing from the Participations. These amounts, if any, are included in mortgage investment income on the accompanying statements of income and comprehensive income.

9

4. INVESTMENT IN FHA-INSURED CERTIFICATES

Listed below is the Partnership's aggregate investment in FHA-Insured Certificates as of September 30, 2001 and December 31, 2000:

	September 30, 2001 -----	December 31, 2000 -----
Number of mortgages (1)	6	7
Amortized Cost	\$ 8,446,109	\$ 9,536,007
Face Value	10,087,747	11,433,137
Fair Value	10,146,911	11,258,675

- (1) In September 2001, the mortgage on Berryhill Apartments was prepaid. The Partnership received net proceeds of approximately \$1.2 million and recognized a gain of approximately \$190,000 for the nine months ended September 30, 2001. A distribution of approximately \$0.12 per Unit related to the prepayment of this mortgage was declared in September and paid to Unitholders in November 2001.

All of the FHA-Insured Certificates were current with respect to the payment of principal and interest as of November 1, 2001, except for the mortgage on Westbrook Apartments, which is delinquent with respect to the October payment of principal and interest.

Most of the Insured Mortgages held by the Partnership apply to the Section 221 program of the National Housing Act of 1937, as amended, (the "Section 221 program"). Under the Section 221 program a mortgagee has the right to assign a mortgage ("put") to FHA at the expiration of 20 years from the date of final endorsement if the mortgage is not in default at such time. Any mortgagee electing to assign an FHA-insured mortgage to FHA will receive, in exchange therefor, HUD debentures having a total face value equal to the then outstanding principal balance of the FHA-insured mortgage plus accrued interest to the date of assignment. These HUD debentures will mature 10 years from the date of assignment and will bear interest at the "going Federal rate" at such date. This assignment procedure is applicable to an insured mortgage which had a firm or conditional FHA commitment for insurance on or before November 30, 1983. The Partnership anticipates that each eligible insured mortgage, for which a prepayment has not occurred and which has not been sold, will be assigned to FHA at the expiration of 20 years from the date of final endorsement. The Partnership, therefore, does not anticipate holding any eligible insured

Edgar Filing: AMERICAN INSURED MORTGAGE INVESTORS - Form 10-Q

mortgage beyond the expiration of 20 years from final endorsement of that insured mortgage. The Partnership has initiated its request to put these mortgages to FHA as they become due. Once the servicer of a mortgage has filed an application for insurance benefits under Section 221, the Partnership will no longer receive the monthly principal and interest on the applicable mortgage.

The servicer of the mortgage on Fox Run Apartments filed an application for insurance benefits under the Section 221 program of the National Housing Act of 1937 in May 2000. In December 2000, HUD issued assignment proceeds in the form of a 7.125% debenture for this mortgage. The mortgage was owned 50% by AIM 84 and 50% by an affiliate of the Partnership, American Insured Mortgage Investors - Series 85, L.P. (AIM 85). The debenture, with a face value of \$2,385,233 as of September 30, 2001, was issued to AIM 85 and earns interest semi-annually on January 1 and July 1. The Partnership expects to receive net proceeds of approximately \$1.2 million. The net proceeds and accrued interest are included on the Balance Sheet in Due from affiliate. In August 2001, HUD issued a call notice for redemption of this debenture on January 1, 2002, at par, plus accrued interest. A distribution will be declared at that time.

10

5. DISTRIBUTIONS TO UNITHOLDERS

The distributions paid or accrued to Unitholders on a per Unit basis for the nine months ended September 30, 2001 and 2000 are as follows:

Quarter Ended	2001	2000
-----	-----	-----
March 31,	\$ 0.05	\$ 0.05
June 30,	0.05	0.05
September 30,	0.17 (1)	0.05
	-----	-----
	\$ 0.27	\$ 0.15
	=====	=====

- (1) This amount includes approximately \$0.12 per Unit representing net proceeds from the prepayment of the mortgage on Berryhill Apartments.

The basis for paying distributions to Unitholders is net proceeds from mortgage dispositions, if any, and cash flow from operations, which includes regular interest income and principal from Insured Mortgages. Although Insured Mortgages yield a fixed monthly mortgage payment once purchased, the cash distributions paid to the Unitholders will vary during each period due to (1) the fluctuating yields in the short-term money market where the monthly mortgage payment receipts are temporarily invested prior to the payment of quarterly distributions, (2) the reduction in the asset base resulting from monthly mortgage payments received or mortgage dispositions, (3) variations in the cash flow attributable to the delinquency or default of Insured Mortgages and (4) changes in the Partnership's operating expenses. As the Partnership continues to liquidate its mortgage investments and investors receive distributions of return of capital and taxable gains, investors should expect a reduction in earnings and distributions due to the decreasing mortgage base.

11

6. TRANSACTIONS WITH RELATED PARTIES

The General Partner and certain affiliated entities have, during the nine months ended September 30, 2001 and 2000, earned or received compensation or payments for services from the Partnership as follows:

Edgar Filing: AMERICAN INSURED MORTGAGE INVESTORS - Form 10-Q

- (1) The General Partner, pursuant to the Partnership Agreement, is entitled to receive 2.9% of the Partnership's income, loss, capital and distributions, including, without limitation, the Partnership's adjusted cash from operations and proceeds of mortgage prepayments, sales or insurance (both as defined in the Partnership Agreement).
- (2) The Advisor, pursuant to the Partnership Agreement, is entitled to an Asset Management Fee equal to 0.95% of Total Invested Assets (as defined in the Partnership Agreement). CMSLP is entitled to a fee equal to 0.28% of Total Invested Assets from the Advisor's Asset Management Fee. Of the amounts paid to the Advisor, CMSLP earned a fee equal to \$16,713 and \$50,139 for the three and nine months ended September 30, 2001, respectively and \$17,481 and \$52,443 for the three and nine months ended September 30, 2000, respectively. The limited partner of CMSLP is a wholly owned subsidiary of CRIIMI MAE Inc.
- (3) In December 2000, HUD issued assignment proceeds in the form of a 7.125% debenture for the mortgage on Fox Run Apartments. This mortgage was owned 50% by AIM 84 and 50% by an affiliate of the Partnership, American Insured Mortgage Investors - Series 85, L.P. (AIM 85). The debenture, with a face value of \$2,385,233, was issued to AIM 85 and earns interest semi-annually on January 1 and July 1. The Partnership expects to receive net proceeds of approximately \$1.2 million. In August 2001, HUD issued a call notice for redemption of this debenture in January 2002.

Results of Operations, (2) information included or incorporated by reference in future filings by the Partnership with the Securities and Exchange Commission including, without limitation, statements with respect to growth, projected revenues, earnings, returns and yields on its portfolio of mortgage assets, the impact of interest rates, costs and business strategies and plans and (3) information contained in written material, releases and oral statements issued by or on behalf of, the Partnership, including, without limitation, statements with respect to growth, projected revenues, earnings, returns and yields on its portfolio of mortgage assets, the impact of interest rates, costs and business strategies and plans. Factors which may cause actual results to differ materially from those contained in the forward-looking statements identified above include, but are not limited to (i) regulatory and litigation matters, (ii) interest rates, (iii) trends in the economy, (iv) prepayment of mortgages and (v) defaulted mortgages. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only of the date hereof. The Partnership undertakes no obligation to publicly revise these forward-looking statements to reflect events or circumstances occurring after the date hereof or to reflect the occurrence of unanticipated events.

General

As of September 30, 2001, the Partnership had invested in 10 Insured Mortgage Investments, with an aggregate amortized cost of approximately \$21 million, face value of approximately \$25 million and fair value of approximately \$25 million.

As of November 1, 2001, all of the FHA-Insured Loans and FHA-Insured Certificates are current with respect to payment of principal and interest, except for the mortgage on Westbrook Apartments, which is delinquent with respect to the October payment of principal and interest.

Most of the Insured Mortgages held by the Partnership apply to the Section 221 program of the National Housing Act of 1937, as amended, (the "Section 221 program"). Under the Section 221 program a mortgagee has the right to assign a mortgage ("put") to FHA at the expiration of 20 years from the date of final endorsement if the mortgage is not in default at such time. Any mortgagee electing to assign an FHA-insured mortgage to FHA will receive, in exchange therefor, HUD debentures having a total face value equal to the then outstanding principal balance of the FHA-insured mortgage plus accrued interest to the date of assignment. These HUD debentures will mature 10 years from the date of assignment and will bear interest at the "going Federal rate" at such date. This assignment procedure is applicable to an insured mortgage which had a firm or conditional FHA commitment for insurance on or before November 30, 1983. The Partnership anticipates that each eligible insured mortgage, for which a prepayment has not occurred and which has not been sold, will be assigned to FHA at the expiration of 20 years from the date of final endorsement. The Partnership, therefore, does not anticipate holding any eligible insured mortgage beyond the expiration of 20 years from final endorsement of that insured mortgage. The Partnership has initiated its request to put these mortgages to FHA as they become due.

13

Results of Operations

Net earnings increased for the three and nine months ended September 30, 2001, as compared to the corresponding periods in 2000, primarily due to the gain on mortgage disposition, as discussed below.

Mortgage investment income decreased for the three and nine months ended

Edgar Filing: AMERICAN INSURED MORTGAGE INVESTORS - Form 10-Q

September 30, 2001, as compared to the corresponding periods in 2000, primarily due to a reduction in the mortgage base. The mortgage base decreased due to two mortgage dispositions with a principal balance of approximately \$2.4 million, representing an approximate 9% decrease in the aggregate principal balance of the total mortgage portfolio since November 2000.

Interest and other income increased for the three and nine months ended September 30, 2001, as compared to the corresponding periods in 2000. This increase is primarily due to an increase in interest earned on debenture due from affiliate, as discussed below.

Asset management fee to related parties decreased for the three and nine months ended September 30, 2001, as compared to the corresponding periods in 2000, primarily due to a reduction in the mortgage base, as previously discussed.

General and administrative expense decreased for the three and nine months ended September 30, 2001, as compared to the corresponding periods in 2000, primarily due to a decrease in payroll expense and other general and administrative expenses as a result of the decrease in mortgage base.

Gain on mortgage disposition increased for the three and nine months ended September 30, 2001, as compared to the corresponding periods in 2000. During the nine months ended September 30, 2001, the Partnership recognized a gain of approximately \$190,000 from the prepayment of the mortgage on Berryhill Apartments. During the nine months ended September 30, 2000, the Partnership recognized no gains or losses.

In December 2000, HUD issued assignment proceeds in the form of a 7.125% debenture for the mortgage on Fox Run Apartments. This mortgage was owned 50% by AIM 84 and 50% by an affiliate of the Partnership, American Insured Mortgage Investors - Series 85, L.P. (AIM 85). The debenture, with a face value of \$2,385,233 as of September 30, 2001, was issued to AIM 85 and earns interest semi-annually on January 1 and July 1. The Partnership expects to receive net proceeds of approximately \$1.2 million. The net proceeds and accrued interest are included on the Balance Sheet in Due from affiliate. In August 2001, HUD issued a call notice for redemption of this debenture on January 1, 2002, at par, plus accrued interest. A distribution will be declared at that time.

14

Liquidity and Capital Resources

The Partnership's operating cash receipts, derived from payments of principal and interest on insured mortgages, plus cash receipts from interest on short-term investments, were sufficient for the nine months ended September 30, 2001 to meet operating requirements. The basis for paying distributions to Unitholders is net proceeds from Insured Mortgage dispositions, if any, and cash flow from operations, which includes regular interest income and principal from Insured Mortgages. Although Insured Mortgages yield a fixed monthly mortgage payment once purchased, the cash distributions paid to the Unitholders will vary during each period due to (1) the fluctuating yields in the short-term money market where the monthly mortgage payment receipts are temporarily invested prior to the payment of quarterly distributions, (2) the reduction in the asset base resulting from monthly mortgage payments received or mortgage dispositions, (3) variations in the cash flow attributable to the delinquency or default of Insured Mortgages and (4) changes in the Partnership's operating expenses. As the Partnership continues to liquidate its mortgage investments and investors receive distributions of return of capital and taxable gains, investors should expect a reduction in earnings and distributions due to the decreasing mortgage base.

Edgar Filing: AMERICAN INSURED MORTGAGE INVESTORS - Form 10-Q

Net cash provided by operating activities did not change significantly for the nine months ended September 30, 2001, as compared to the corresponding period in 2000.

Net cash provided by investing activities increased for the nine months ended September 30, 2001, as compared to the corresponding period in 2000, due to an increase in proceeds received from mortgage prepayments and the receipt of mortgage principal from scheduled payments due to the normal amortization of the mortgages.

Net cash used in financing activities decreased for the nine months ended September 30, 2001, as compared to the corresponding period in 2000, due to a decrease in the amount of distributions paid to partners during the first nine months of 2001 as compared to the same period in 2000.
