

**ITEM 3.02. Unregistered Sales of Equity Securities**

On October 1, 2007 Cadiz Inc. (“Cadiz” or the “Company”) agreed to amend the earn-out provisions of the Reorganization Plan and Agreement for Purchase and Sale of Assets dated as of February 18, 1998, as amended (the "Reorganization Plan and Agreement"), pursuant to which the Company acquired the assets of Exploration Research Associates, Incorporated (“ERA”). The agreement is with Mark A. Liggett (“Liggett”) in his capacity as successor in interest to ERA. Liggett is currently an employee of Cadiz.

As amended, the Reorganization Plan and Agreement provides for the conditional issuance of up to 300,000 shares of Cadiz common stock to Liggett. The shares would be issued in two tranches only upon the satisfaction of certain conditions related to the Company’s properties and water storage projects. At the same time and in consideration for the amendment to the Reorganization Plan and Agreement, the Company and Liggett entered into an agreement to settle and release any potential claims or causes of action which the parties might otherwise have been able to assert related to the Reorganization Plan and Agreement.

The issuance of the Company's common stock, subject to the conditions set forth in the amended Reorganization Plan and Agreement, has not been registered under the Securities Act of 1933, as amended (the "Securities Act"), but is exempt from the registration requirements of the Securities Act by virtue of Section 4(2) of the Securities Act as the transactions (including the issuance of the Common Stock, subject to conditions) do not involve a public offering, the number of investors is limited, the investor was provided with information about us, and we are placing restrictions on the resale of the securities.
