Borrowings/investments marked with (*) represent borrowings/investments through the Money Pool from NU s External Funds. The interest rate on such funds matches the interest rate paid by NU to its external lender. All other borrowings/investments are borrowings/investments of surplus funds of money pool participants.

^{**}Average interest rate for loans to the Money Pool calculated at Fed Funds rate.

4. Short-Term Interest Rate Hedging Transactions entered into during the quarter.
