**PART III - NARRATIVE**

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

(Attach extra Sheets if Needed) Petroleum Development Corporation (the "Company") files this report for a five calendar day extension, from November 9 to November 14, 2005, for filing its Quarterly Report on Form 10-Q for the period ended September 30, 2005. The Company will not file its Form 10-Q by November 9, 2005 because additional time is needed to complete the preparation and review by its independent auditors of the Company's financial statements. The Company determined on October 17, 2005 that the Restatement of prior period financial statements was required. See news release of October 17, 2005 and Form 8-K. The Company and its auditors, KPMG, are currently working on a restated Form 10-K/A for 2004, a restated Form 10-Q/A for the first quarter of 2005, the original filing of the second quarter Form 10-Q for 2005 and the third quarter Form 10-Q for 2005. Due to the nature of the restatement, the prior financial statements whether restated or being filed for the first time must be filed in the following order: 2004 Form 10-K/A, 2005 first quarter Form 10-Q/A, 2005 second quarter Form 10-Q and 2005 third quarter Form 10-Q. The Registrant and its auditors, KPMG, are working diligently to file these documents as quickly as possible; however, because of the strict order in which these forms must be filed, filing the third quarter Form 10-Q by November 14, 2005 may not be possible.
