Letter from the Chief Executive Officer

To my fellow shareholders:

When I joined LifeVantage as President and Chief Executive Officer in May 2015, I saw opportunity. The opportunity was to leverage the Company's strong foundation of innovative products, the efficiency of its sales model and the future international growth opportunities inherent in the direct selling channel. First, we assembled a team of experienced sales and marketing executives and established a plan to energize sales. In our first year, we focused on engaging our customers and distributors, accelerating product innovation and incentivizing our distributor partners to drive sales. As fiscal 2016 progressed, sales growth began to materialize once again and we had broadened both our product offering and geographical reach. We seized upon the initial opportunity, but the larger opportunity still lies ahead.

Creating a cultural environment of accountability and increased transparency

We are now building a stronger infrastructure to support future opportunities. Some of this is apparent in the recent additions we have made to our international leadership team. We have made key hires of experienced leaders in Europe, Japan and most recently Greater China. Additionally, I have worked closely with our Board of Directors to reshape our executive leadership team. Recent announcements surrounding the departure of our Chief Operating Officer followed by our Chief Financial Officer were a reflection of this process. Each decision was timed to coincide with external support that we had identified to enhance our business practices, execution and organization. As we enhance our executive team, we are creating a cultural environment of accountability and increased transparency. Early in fiscal 2017, the Audit Committee of our Board of Directors completed a thorough review of our international business policies and procedures. The depth and diligence of this review reflected our focus on accountability and transparency. As we complete the final implementation of the new policies and procedures identified as a result of this review, we will benefit from an enhanced infrastructure upon which we can build future international growth opportunities. The review was somewhat disruptive in the short-term. However, it was necessary and the benefits should be apparent in the longer-term. Most importantly, this exercise will provide us with greater confidence when we initiate our next international expansion.

Seizing opportunities to enhance shareholder value

All of our constituents see the opportunity at LifeVantage. Our customers recognize the value of our products and confirm this with every purchase. Our distributors generally begin as our customers and their admiration for our products and innovation are the foundation of the business opportunity they have decided to pursue. Our investors also see the opportunity. Some are voracious consumers of our products, but all clearly recognize the opportunity for increased shareholder value given the product, sales model and financial characteristics of LifeVantage. Our management team, and our Board of Directors, are committed to capitalizing on our opportunities to enhance shareholder value. Our efforts to build a cultural environment of accountability and increased transparency at every level of the organization are focused on shareholder value and supporting all of our constituents.

Our product and innovation strategy is in place, we have improved our policies and procedures, we are enhancing our leadership team, and are executing against our strategic plan. Our recent actions, each of which evolve from creating a cultural environment of accountability and increased transparency, reflect our tenacious efforts to capitalize on our opportunities and enhance shareholder value.

I look forward to seeing you at the annual shareholder meeting at 1:00 PM MST on February 16, 2017 at the Hyatt House Salt Lake City/Sandy, 9685 South Monroe Street, Sandy, UT 84070. Our Board of Directors and executive officers will all be there to answer any of your questions. I encourage you to review our proxy materials and vote prior to attending the meeting. In the meantime, please join us for a detailed discussion of our second fiscal quarter financial results on February 8, 2017. We will host a conference call at 2:30 PM MST, which you can access via webcast at <http://investor.lifevantage.com/events.cfm>.

Sincerely,

Darren Jensen

President and Chief Executive Officer

The following supplemental information is set forth under separate captions below, identified by the corresponding, similarly-captioned section in the Proxy Statement, as well as the page number on which such section appears or begins, as applicable, in the Proxy Statement.

Proposal 2 – Adoption of the 2017 Long-Term Incentive Plan

The revised paragraphs set forth below replace in their entirety the original paragraphs contained in Proposal 2 of the Proxy Statement.

Proposal 2, third paragraph from the bottom of page 12 of the Proxy Statement:

The 2017 Plan contains certain limits on the size of awards that may be granted thereunder in a given fiscal year to any individual participant. The annual limit on the size of cash incentive awards granted under the 2017 Plan is \$5,000,000, which increases the annual limit that applies under the 2010 Plan. The annual limits on the size of share-based awards granted under the 2017 are also increased from the applicable limits in the 2010 Plan. These limits, as well as the annual limits that apply to the number of shares that may be granted to an individual participant during a single fiscal year, are designed to enable qualification of 2017 Plan awards as “performance-based compensation” under Code Section 162(m) and are discussed more fully below in “Performance Goals and Annual Grant Limits.”

Proposal 2, fourth paragraph on page 13 of the Proxy Statement:

During the fiscal year ended June 30, 2016, we did not grant stock options. We granted an aggregate of 60,001 shares subject to time-based restricted stock awards and an aggregate of 424,000 shares subject to PRSUs assuming at-target performance. Equity awards made to our named executive officers during fiscal 2016 are set forth in the Grant of Plan-Based Awards Table, and awards made to our non-employee directors are set forth in the Directors Compensation Table, included in this proxy statement. As of December 6, 2016, there were 326,726 shares issued and outstanding upon prior exercise or settlement of awards granted under the 2010 Plan. Assuming that all currently outstanding PRSUs vest and settle at target-level achievement, then as of December 6, 2016, there were approximately 800,804 shares subject to then-outstanding awards previously granted under the 2010 Plan and 372,471 shares available for future grant under that plan (with approximately 37,804 shares available if all outstanding PRSUs vest and settle at their maximum achievement level). If all outstanding PRSUs granted under the 2010 Plan were to vest and settle at their maximum achievement level (200% of target), we would need to issue a total of approximately 89,625 shares in settlement of these awards. Information regarding outstanding PRSUs granted to our NEOs is contained in the Compensation Discussion and Analysis and the compensation tables that follow that section. No awards will be granted under the 2017 Plan until we have obtained the shareholder approval sought in this Proposal No 2. As of December 6, 2016, the fair market value of a share of our common stock (as determined by the closing price as reported on the Nasdaq Capital Market on such date) was \$7.78.

Proposal No. 2, second paragraph on page 16 of the Proxy Statement:

In this regard, the 2017 Plan imposes the following annual grant limits on awards that are intended to constitute qualified performance-based compensation under Code Section 162(m). No individual employee may be granted awards covering more than 300,000 shares subject to each type of equity award specified under the 2017 Plan (stock options, SARs, restricted stock awards and stock units) during a single fiscal year, with such number doubled in the year in which the employee is, as applicable, first hired or promoted to a position such that their compensation would be subject to the deduction limitation imposed by Section 162(m). In addition, no individual employee may be granted awards covering more than 600,000 shares during any single fiscal year. These alternative annual limits applicable to share-based awards that may be granted under the 2017 Plan increase the annual limits under the 2010 Plan as follows: (1) the general annual limit increases from 178,571 shares to 300,000 shares, and the higher limit that applies during the first fiscal year an employee is a covered employee increases from 357,142 shares to 600,000 shares.

The complete amended text of the 2017 Plan is attached as Annex A to this Proxy Statement, and the following new paragraph is inserted as the fourth paragraph from the bottom of page 16, under the caption “Corporation Transaction”: For purposes of the 2017 Plan, “change in control” means generally the occurrence of any one or more of the following: (i) any merger, consolidation or business combination in which the shareholders of the Company immediately prior to the transaction do not own at least a majority of the outstanding equity interests of the surviving parent entity, (ii) the sale of all or substantially all of the Company's assets, (iii) the acquisition of beneficial ownership or control of

(including power to vote) a majority of the outstanding shares by any party, (iv) the dissolution or liquidation of the Company, or (v) a contested election of directors, as a result of which or in connection with which the persons who were directors of the Company before such election or their nominees cease to constitute a majority of the Board.

Compensation Discussion and Analysis

The paragraph below replaces in its entirety the first full paragraph on page 33 of the Compensation Discussion and Analysis, Part II - Compensation Components, Long-Term Incentive Plan:

In connection with his hiring in 2015, the Company committed to granting Mr. Jensen performance-based RSUs during fiscal year 2016. In the first calendar quarter of 2016, Mr. Jensen was granted 2016 PRSUs for 153,000 shares at target-level performance. Although our performance-based RSUs generally allow for payment of up to 200% of target, Mr. Jensen's 2016 PRSUs are capped under the terms of the 2010 Plan so that the maximum number of shares that might be issued upon over-achievement of the applicable performance objectives are 178,571 shares (equal to approximately 116.7% of target). Additional details regarding the 2016 PRSUs granted to our NEOs including Mr. Jensen in fiscal 2016 are detailed in the "Summary Compensation Table" and "Grants of Plan-Based Awards" table below.

Summary Compensation Table

The following replaces in its entirety Footnote 3 to the Summary Compensation Table. The Summary Compensation Table begins on page 36 of the Proxy Statement and footnote 3 thereto is on page 37.

Consists of \$1,731,960, the grant date fair value of the PRSUs granted to Mr. Jensen on January 4, 2016, and (3) \$299,880, which represents the aggregate incremental fair value calculated in accordance with FASB ASC Topic 718 in connection with the modification of Mr. Jensen's PRSUs on March 28, 2016. Assuming the highest level of performance conditions will be achieved, the value PRSUs awarded would be \$1,676,782 2,873,340.

Grant of Plan-Based Awards Table

Set forth below is an amended and restated Grant of Plan-Based Awards table, which replaces in its entirety the Grant of Plan-Based Awards table which begins on page 38 of the Proxy Statement, together with a new footnote 7.

GRANTS OF PLAN-BASED AWARDS

The following table sets forth information concerning the grants of non-equity incentive and equity incentive plan awards to our NEOs in fiscal 2016. Non-equity incentive plan awards are provided under our fiscal 2016 Annual Incentive Plan, or AIP. Equity incentive awards are provided under our 2010 Long Term Incentive Plan, or 2010 Plan. These non-equity and equity incentive plan awards are also described in "Compensation Discussion and Analysis-Part II-Compensation Components-Annual Incentive Plan" and "Compensation Discussion and Analysis-Part II-Compensation Components-Annual Incentive Plan-Long Term Incentive Plan." Mr. Colbert did not receive any grants of equity or non-equity incentive plan awards due to his termination of employment with the Company effective July 3, 2015.

“AIP” denotes that the award was made pursuant to our fiscal 2016 annual incentive plan. “RSA” denotes an award of restricted stock that was made pursuant to our 2010 Plan. “PRSU” denotes a performance-based restricted stock unit award that was made pursuant to our 2010 Plan. “SIP” denotes that the award was made pursuant to our fiscal 2016 sales incentive plan.

The annual incentive plan (AIP) is an annual incentive plan that pays a cash award for performance and is generally paid after the end of the performance year. See our “Compensation Discussion and Analysis-Part II-Compensation Components-Annual Incentive Plan” for a detailed description of annual incentive plan awards.

The amounts reported in the Threshold column reflect the potential payout if the Company’s revenue and diluted adjusted earnings per share for the fiscal year was at the minimum level required to receive a cash bonus. The amounts reported in the Target column reflect the at-target potential payout if the Company’s revenue and diluted adjusted earnings per share for the fiscal year was at the goal performance level. The amounts reported in the Maximum column reflect the maximum payout possible under the plan. Amounts for each NEO are based on a percentage of the NEO’s base salary set prior to the beginning of the fiscal year.

(3) Each NEO was granted PRSUs under the 2010 Plan on January 4, 2016, the vesting of which was tied to the Company's TSR during each of three consecutive annual performance periods. The PRSUs were subsequently amended on March 28, 2016, resulting in the deemed cancellation of the original PRSUs and grant of replacement PRSUs, the vesting of which is tied to the Company’s TSR during a three-year performance period commencing on January 1, 2016 and ending on December 31, 2018. We have included the sum of the grant date value of each individual’s PRSU plus the additional incremental value measured on the modification date in the above table. The fair value amounts for each of the January 4, 2016 original grant date and the March 28, 2016 modification date for each NEO are set forth below in the footnotes detailing their respective awards. Vesting of 50% of the PRSUs is based on the Company’s absolute TSR for the performance period as compared to a matrix of fixed numeric values, and the vesting of the other 50% of the PRSUs is based on a relative comparison of the Company’s TSR to the Vanguard Russell 2000 exchange traded fund. The number of PRSUs eligible to vest is 0% to 200% of the target.

Edgar Filing: Lifevantage Corp - Form DEFA14A

The number of PRSUs shown in the target column represents the number of PRSUs that will vest if achievement is at 100% for the performance period, and the maximum reflects achievement at 200%. No threshold is applicable to the PRSUs.

Messrs. Jaggi and Rose were granted restricted stock under our 2010 Plan. These awards vest over three years in equal installments based on continued employment with the Company on each such date. See our “Compensation (4) Discussion and Analysis -Part II-Compensation Components-Annual Incentive Plan-Long Term Incentive Plan” above and also the Outstanding Equity Awards table below for a description of restricted stock awards under our 2010 Plan.

We calculate the grant date fair value of each award in accordance with FASB ASC Topic 718 and as described in (5) Footnote 1 to the “Summary Compensation Table,” above. In accordance with SEC rules, the grant date fair value of an award that is subject to a performance condition is based on the probable outcome of the performance condition.

Mr. Rose participated during the year in our 2016 sales incentive plan. The sales incentive plan does not provide (6) for maximum amount that may be paid on annual basis for awards. See our “Compensation Discussion and Analysis-Part II-2016 Sales Incentive Plan” for a detailed description of his 2016 bonus.

Mr. Jensen’s award is subject to the fiscal year-based annual limit on the number of shares that may be made subject to awards granted to any one employee during a single fiscal year of 178,571 shares. As such, the (7) maximum level of over-achievement that might apply is approximately 116.7% rather than the 200% that applies generally under the Company’s PRSU program.

Securities Authorized for Issuance Under Equity Compensation Plans

The following replaces in its entirety Footnote 1 to the Securities Authorized for Issuance Under Equity Compensation Plans table, which is on page 46 of the Proxy Statement:

Includes 382,760 shares of our common stock that can be issued upon the exercise of outstanding options and (1) 693,307 shares of our common stock that can be issued upon vesting of restricted stock awards and PRSUs. If all outstanding PRSUs were to vest and settle at maximum achievement level, then this number would increase to approximately 1,410,734 shares (with a corresponding reduction in the number of shares set forth in column (d)). Except as described above, this Supplement does not modify, amend, supplement or otherwise affect the Proxy Statement. This Supplement should be read in conjunction with the Proxy Statement. From and after the date of this Supplement, any references to the “Proxy Statement” are to the Proxy Statement as supplemented hereby.

ANNEX A

LIFEVANTAGE CORPORATION

2017 LONG-TERM INCENTIVE PLAN

(Adopted on December 6, 2016,

Effective on _____, 2017)

SECTION 1. INTRODUCTION.

The Board adopted the LifeVantage Corporation 2017 Long-Term Incentive Plan on the Adoption Date conditioned upon and subject to obtaining Company shareholder approval.

The purposes of the Plan are to (i) attract and retain the services of persons eligible to participate in the Plan; (ii) motivate Selected Employees, by means of appropriate equity and performance based incentives, to achieve long-term performance goals; (iii) provide equity and performance based incentive compensation opportunities that are competitive with those of other similar companies; and (iv) further align Participants' interests with those of the Company's other shareholders and thereby promote the financial interests of the Company and its affiliates and enhancement of shareholder return.

The Plan seeks to achieve this purpose by providing for Awards in the form of Options (which may constitute Incentive Stock Options or Nonstatutory Stock Options), Stock Appreciation Rights, Restricted Stock Grants, Stock Units and/or Cash Awards, as well as any other form of equity award consistent with the terms of the Plan.

Capitalized terms shall have the meaning provided in Section 2 unless otherwise provided in this Plan or any related Award Agreement.

SECTION 2. DEFINITIONS.

(a) "Adoption Date" means December 6, 2016.

(b) "Affiliate" means any entity other than a Subsidiary, if the Company and/or one or more Subsidiaries own not less than 50% of such entity. For purposes of determining an individual's "Service," this definition shall include any entity other than a Subsidiary, if the Company, a Parent and/or one or more Subsidiaries own not less than 50% of such entity.

(c) "Award" means any award, under this Plan, to a Selected Employee of an Option, SAR, Restricted Stock Grant, Stock Unit or to a Covered Employee of any Cash Award.

(d) "Award Agreement" means a Stock Option Agreement, a SAR Agreement, a Restricted Stock Grant Agreement, a Stock Unit Agreement or such other agreement evidencing an Award granted under the Plan.

(e) "Board" means the Board of Directors of the Company, as constituted from time to time.

(f) "Cash Award" means an award of a bonus opportunity, under this Plan, to a Covered Employee that (i) is payable in cash, (ii) is not an Option, SAR, Restricted Stock Grant or Stock Unit, (iii) is paid based on achievement of Performance Goal(s) and (iv) may be intended to qualify as performance-based compensation under Code Section 162(m).

(g) "Cashless Exercise" means, to the extent that a Stock Option Agreement so provides and as permitted by applicable law and in accordance with any procedures established by the Committee, an arrangement whereby payment of some or all of the aggregate Exercise Price may be made all or in part by delivery of an irrevocable direction to a securities broker to sell Shares and to deliver all or part of the sale proceeds to the Company. Cashless Exercise may also be utilized to satisfy an Option's tax withholding obligations as provided in Section 14(b).

(h) "Cause" means, except as may otherwise be provided in a Participant's employment agreement or applicable Award Agreement (and in such case the employment agreement or Award Agreement shall govern as to the definition of Cause), (i) dishonesty or fraud, (ii) serious willful misconduct, (iii) unauthorized use or disclosure of confidential information or trade secrets, (iv) conviction or confession of a felony, or (v) any other act or omission by a Participant that, in the opinion of the Company, could reasonably be expected to adversely affect the Company's or a Subsidiary's or an Affiliate's business, financial condition, prospects and/or reputation. In each of the foregoing subclauses (i) through (v), whether or not a "Cause" event has occurred will be determined by the Company's chief human resources

officer or other person performing that function or, in the

case of Participants who are Directors or Officers or Section 16 Persons, the Board, each of whose determination shall be final, conclusive and binding. A Participant's Service shall be deemed to have terminated for Cause if, after the Participant's Service has terminated, facts and circumstances are discovered that would have justified a termination for Cause, including, without limitation, violation of material Company policies or breach of confidentiality or other restrictive covenants that may apply to the Participant.

(i) "Change in Control" means, except as may otherwise be provided in a Participant's employment agreement or applicable Award Agreement (and in such case the employment agreement or Award Agreement shall govern as to the definition of Change in Control), the occurrence of any one or more of the following: (i) any merger, consolidation or business combination in which the shareholders of the Company immediately prior to the merger, consolidation or business combination do not own at least a majority of the outstanding equity interests of the surviving parent entity, (ii) the sale of all or substantially all of the Company's assets, (iii) the acquisition of beneficial ownership or control of (including, without limitation, power to vote) a majority of the outstanding Shares by any person or entity (including a "group" as defined by or under Section 13(d)(3) of the Exchange Act), (iv) the dissolution or liquidation of the Company, or (v) a contested election of directors, as a result of which or in connection with which the persons who were directors of the Company before such election or their nominees cease to constitute a majority of the Board, or (vi) any other event specified by the Board or the Committee.

A transaction shall not constitute a Change in Control if its sole purpose is to change the state of the Company's incorporation or to create a holding company that will be owned in substantially the same proportions by the persons who held the Company's securities immediately before such transactions. In addition, if a Change in Control constitutes a payment event with respect to any Award which provides for a deferral of compensation and is subject to Code Section 409A, then notwithstanding anything to the contrary in the Plan or applicable Award Agreement the transaction with respect to such Award must also constitute a "change in control event" as defined in Treasury Regulation Section 1.409A-3(i)(5) to the extent required by Code Section 409A.

(j) "Code" means the Internal Revenue Code of 1986, as amended, and the regulations and interpretations promulgated thereunder.

(k) "Committee" means a committee described in Section 3.

(l) "Common Stock" means the Company's common stock, \$0.001 par value per Share, and any other securities into which such shares are changed, for which such shares are exchanged or which may be issued in respect thereof.

(m) "Company" means LifeVantage Corporation, a Colorado corporation.

(n) "Consultant" means a consultant or adviser who provides bona fide services to the Company, a Parent, a Subsidiary or an Affiliate, other than as an Employee, Director or Non-Employee Director and who qualifies as a consultant or adviser under Instruction A.1.(a)(1) of Form S-8 under the Securities Act.

(o) "Covered Employees" means those individuals whose compensation is subject to the deduction limitations of Code Section 162(m).

(p) "Director" means a member of the Board who is also an Employee.

(q) "Disability" means, except as may otherwise be provided in a Participant's employment agreement or applicable Award Agreement (and in such case the employment agreement or Award Agreement shall govern as to the definition of Disability), that the Participant is classified as disabled under a long-term disability policy of the Company or, if no such policy applies, the Participant is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months.

(r) "Employee" means any individual who is a common-law employee of the Company, or of a Parent, or of a Subsidiary or of an Affiliate.

(s) "Equity Award" means any Award other than a Cash Award.

(t) "Exchange Act" means the Securities Exchange Act of 1934, as amended.

(u) "Exercise Price" means, in the case of an Option, the amount for which a Share may be purchased upon exercise of such Option, as specified in the applicable Stock Option Agreement. "Exercise Price," in the case of a SAR, means an amount,

as specified in the applicable SAR Agreement, which is subtracted from the Fair Market Value in determining the amount payable to a Participant upon exercise of such SAR.

(v) "Fair Market Value" means the market price of a Share, determined by the Committee as follows:

(i) If the Shares are traded on a stock exchange (such as the New York Stock Exchange, NYSE MKT, the NASDAQ Global Market or NASDAQ Capital Market) at the time of determination, then the Fair Market Value shall be equal to the regular session closing price for such stock as reported by such exchange (or the exchange or market with the greatest volume of trading in the Shares) on the date of determination, or if there are no sales on such date, on the last date preceding such date on which a closing price was reported;

(ii) If the Shares are traded on the OTC Bulletin Board at the time of determination, then the Fair Market Value shall be equal to the last-sale price reported by the OTC Bulletin Board for such date, or if there are no sales on such date, on the last date preceding such date on which a sale was reported; and

(iii) If neither of the foregoing provisions is applicable, then the Fair Market Value shall be determined by the Committee in good faith using a reasonable application of a reasonable valuation method as the Committee deems appropriate.

Whenever possible, the determination of Fair Market Value by the Committee shall be based on the prices reported by the applicable exchange or the OTC Bulletin Board, as applicable, or a nationally recognized publisher of stock prices or quotations (including an electronic on-line publication). Such determination shall be conclusive and binding on all persons.

(w) "Fiscal Year" means the Company's fiscal year.

(x) "Incentive Stock Option" or "ISO" means an incentive stock option described in Code Section 422.

(y) "Net Exercise" means, to the extent that a Stock Option Agreement so provides and as permitted by applicable law, an arrangement pursuant to which the number of Shares issued to the Optionee in connection with the Optionee's exercise of the Option will be reduced by the Company's retention of a portion of such Shares. Upon such a net exercise of an Option, the Optionee will receive a net number of Shares that is equal to (i) the number of Shares as to which the Option is being exercised minus (ii) the quotient (rounded down to the nearest whole number) of the aggregate Exercise Price of the Shares being exercised divided by the Fair Market Value of a Share on the Option exercise date. The number of Shares covered by clause (ii) will be retained by the Company and not delivered to the Optionee. No fractional Shares will be created as a result of a Net Exercise and the Optionee must contemporaneously pay for any portion of the aggregate Exercise Price that is not covered by the Shares retained by the Company under clause (ii). The number of Shares delivered to the Optionee may be further reduced if Net Exercise is utilized under Section 14(b) to satisfy applicable tax withholding obligations.

(ee) "Parent" means any corporation (other than the Company) in an unbroken chain of corporations ending with the Company, if each of the corporations other than the Company owns stock possessing 50% or more of the total combined voting power of all classes of stock in one of the other corporations in such chain. Any Performance Goals that are included in an Award in order to make such Award qualify as performance-based compensation under Code Section 162(m) shall be limited to one or more of the following target objectives: (i) operating income; (ii) earnings before interest, taxes, depreciation and amortization, or EBITDA; (iii) earnings; (iv) cash flow; (v) market share; (vi) sales or revenue, including with respect to a particular product, business line, geography or market; (vii) expenses; (viii) cost of goods sold; (ix) profit/loss or profit margin; (x) working capital; (xi) return on equity or assets or investment; (xii) earnings per share; (xiii) economic value added, or EVA; (xiv) stock price including without limitation total shareholder return; (xv) price/earnings ratio; (xvi) debt or debt-to-equity; (xvii) accounts receivable; (xviii) writeoffs; (xix) cash; (xx) assets; (xxi) liquidity; (xxii) operations; (xxiii) research or related milestones; (xxiv) business development; (xxv) intellectual property (e.g., patents); (xxvi) product development; (xxvii) regulatory activity; (xxviii) information technology; (xxix) financings; (xxx) product quality control; (xxxi) management; (xxxii) human resources; (xxxiii) corporate governance; (xxxiv) compliance program; (xxxv) legal matters; (xxxvi) internal controls; (xxxvii) policies and procedures; (xxxviii) accounting and reporting; (xxxix) strategic alliances, licensing and partnering; (xl) site, plant or building development; (xli) corporate transactions including without limitation mergers, acquisitions, divestitures and/or joint ventures; (xlii) customer satisfaction; (xliii) capital expenditures and/or (xliv) Company advancement milestones. Awards issued to individuals who are not Covered Employees (or which are not intended to qualify as performance-based compensation under Code Section 162(m)) may take into account other (or no) factors.

(hh) "Performance Period" means any period of time as determined by the Committee, in its sole discretion. The Committee may establish different Performance Periods for different Participants, and the Committee may establish concurrent or overlapping Performance Periods.

(jj) "Prior Equity Compensation Plans" means the Company's 2010 Long-Term Incentive Plan (the "2010 Plan"), 2007 Long-Term Incentive Plan (as assumed from Lifeline Therapeutics, Inc., a Colorado corporation) and its predecessor plans and any other Company equity compensation plans.

(tt) "Service" means service as an Employee, Director, Non-Employee Director or Consultant. Service will be deemed terminated as soon as the entity to which Service is being provided is no longer either (i) the Company, (ii) a Parent, (iii) a Subsidiary or (iv) an Affiliate. A Participant's Service does not terminate if he or she is a common-law employee with respect

to the Company, a Parent, a Subsidiary or an Affiliate and goes on a bona fide leave of absence that was approved by the Company in writing and the terms of the leave provide for continued service crediting, or when continued service crediting is required by applicable law. However, for purposes of determining whether an Option is entitled to continuing ISO status, a common-law employee's Service will be treated as terminating ninety (90) days after such Employee went on leave, unless such Employee's right to return to active work is guaranteed by law or by a contract. Service terminates in any event when the approved leave ends, unless such Employee immediately returns to active work. The Committee determines which leaves count toward Service, and when Service commences and terminates for all purposes under the Plan. For avoidance of doubt, a Participant's Service shall not be deemed terminated if the Committee determines that (i) a transition of employment to service with a partnership, joint venture or corporation not meeting the requirements of a Subsidiary in which the Company or a Subsidiary is a party is not considered a termination of Service, (ii) the Participant transfers between service as an Employee and service as a Consultant or other personal service provider (or vice versa), or (iii) the Participant transfers between service as an Employee and that of a Non-Employee Director (or vice versa). The Committee may determine whether any company transaction, such as a sale or spin-off of a division or subsidiary that employs a Participant, shall be deemed to result in termination of Service for purposes of any affected Awards, and the Committee's decision shall be final and binding.

(uu) "Share" means one share of Common Stock.

A corporation that attains the status of a Subsidiary on a date after the Adoption Date shall be considered a Subsidiary commencing as of such date.

(ddd) "10-Percent Shareholder" means an individual who owns more than 10% of the total combined voting power of all classes of outstanding stock of the Company, its Parent or any of its Subsidiaries. In determining stock ownership, the attribution rules of Section 424(d) of the Code shall be applied.

SECTION 3. ADMINISTRATION.

(a) **Committee Composition.** A Committee appointed by the Board shall administer the Plan. Unless the Board provides otherwise, the Board's Compensation Committee (or a comparable committee of the Board) shall be the Committee. The Board may also at any time terminate the functions of the Committee and reassume all powers and authority previously delegated to the Committee.

To the extent required, the Committee shall have membership composition which enables (i) Awards to Section 16 Persons to qualify as exempt from liability under Section 16(b) of the Exchange Act and (ii) Awards to Covered Employees to be able to qualify as performance-based compensation as provided under Code Section 162(m) (to the extent such Awards are intended to qualify as performance-based compensation).

The Board may also appoint one or more separate committees of the Board, each composed of directors of the Company who need not qualify under Rule 16b-3 of the Exchange Act or Code Section 162(m), that may administer the Plan with respect to Selected Employees who are not Section 16 Persons or Covered Employees, respectively, may grant Awards under the Plan to such Selected Employees and may determine all terms of such Awards. To the extent permitted by applicable law, the Board may also appoint a committee, composed of one or more Officers, that may authorize Awards to Employees (who are not Section 16 Persons or Covered Employees) within parameters specified by the Board and consistent with any limitations imposed by applicable law.

The Committee shall comply with rules and regulations applicable to it, including under the rules of any exchange on which the Shares are traded.

Notwithstanding the foregoing, the Board shall constitute the Committee and shall administer the Plan with respect to all Awards granted to Non-Employee Directors.

(b) Authority of the Committee. Subject to the provisions of the Plan, the Committee shall have full authority and discretion to take any actions it deems necessary or advisable for the administration of the Plan. Such actions shall include without limitation:

- (i) determining Selected Employees who are to receive Awards under the Plan;
- (ii) determining the type, number, vesting requirements, Performance Goals (if any) and their degree of satisfaction, and other features and conditions of such Awards and amending such Awards;
- (iii) correcting any defect, supplying any omission, or reconciling or clarifying any inconsistency in the Plan or any Award Agreement;
- (iv) accelerating the vesting, or extending the post-termination exercise term, or waiving restrictions, of Awards at any time and under such terms and conditions as it deems appropriate;
- (v) interpreting the Plan and any Award Agreements;
- (vi) making all other decisions relating to the operation of the Plan; and
- (vii) adopting such plans or subplans as may be deemed necessary or appropriate to provide for the participation by non-U.S. employees of the Company and its Subsidiaries and Affiliates, which plans and/or subplans shall be attached hereto as appendices.

The Committee may adopt such rules or guidelines, as it deems appropriate to implement the Plan. The Committee's determinations under the Plan shall be final, conclusive and binding on all persons. The Committee's decisions and determinations need not be uniform and may be made selectively among Participants in the Committee's sole discretion. The Committee's decisions and determinations will be afforded the maximum deference provided by applicable law.

(c) Indemnification. To the maximum extent permitted by applicable law, each member of the Committee, or of the Board, or any persons (including without limitation Employees and Officers) who are delegated by the Board or Committee to perform oversight or administrative functions in connection with the Plan, shall be indemnified and held harmless by the Company against and from (i) any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan or any Award Agreement, and (ii) from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such claim, action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Articles of Incorporation or Bylaws, by contract, as a matter of law, or otherwise, or under any power that the Company may have to indemnify them or hold them harmless.

SECTION 4. GENERAL.

(a) General Eligibility. Only Employees, Consultants, Directors and Non-Employee Directors shall be eligible for designation as Selected Employees by the Committee.

(b) Incentive Stock Options. Only Selected Employees who are common-law employees of the Company, a Parent or a Subsidiary shall be eligible for the grant of ISOs. In addition, a Selected Employee who is a 10-Percent Shareholder shall not be eligible for the grant of an ISO unless the requirements set forth in Section 422(c)(5) of the Code are satisfied. If and to the extent that any Shares are issued under a portion of any Option that exceeds the \$100,000 limitation of Section 422 of the Code, such Shares shall not be treated as issued under an ISO notwithstanding any designation otherwise. Certain decisions, amendments, interpretations and actions by the Committee and certain actions by a Participant may cause an Option to cease to qualify as an ISO pursuant to the Code and by accepting an Option the Participant agrees in advance to such disqualifying action.

(c) Restrictions on Shares. Any Shares issued pursuant to an Award shall be subject to such Company policies, rights of repurchase, rights of first refusal and other transfer restrictions as the Committee may determine. Such restrictions shall apply in addition to any restrictions that may apply to holders of Shares generally and shall also comply to the extent necessary with applicable law. In no event shall the Company be required to issue fractional Shares under this Plan.

(d) Beneficiaries. A Participant may designate one or more beneficiaries with respect to an Award by timely filing the prescribed form with the Company. A beneficiary designation may be changed by filing the prescribed form with the Company at any time before the Participant's death. If no beneficiary was designated or if no designated beneficiary survives the Participant, then after a Participant's death any vested Award(s) shall be transferred or distributed to the Participant's estate.

(e) Performance Goals. The Committee may, in its discretion, include Performance Goals or other performance objectives in any Award. If Performance Goals are included in Awards to Covered Employees in order to enable such Awards to qualify as performance-based compensation under Code Section 162(m), then such Awards will be subject to the achievement of such Performance Goals that will be established and administered pursuant to the requirements of Code Section 162(m) and as described in this Section 4(e). If an Award is intended to qualify as performance-based compensation under Code Section 162(m) and to the extent required by Code Section 162(m), the Committee shall certify in writing the degree to which the Performance Goals have been satisfied before any Shares underlying an Award or any Award payments are released to a Covered Employee with respect to a Performance Period. Without limitation, the approved minutes of a Committee meeting shall constitute such written certification. With respect to Awards that are intended to qualify as performance-based compensation under Code Section 162(m), the Committee may adjust the evaluation of performance under a Performance Goal (to the extent permitted by Code Section 162(m)) to remove the effects of certain events including without limitation the following:

- (i) asset write-downs or discontinued operations,
- (ii) litigation or claim judgments or settlements,
- (iii) material changes in or provisions under tax law, accounting principles or other such laws or provisions affecting reported results,
- (iv) reorganizations or restructuring programs or divestitures or acquisitions, and/or
- (v) extraordinary non-recurring items as described in applicable accounting principles and/or items of gain, loss or expense determined to be extraordinary or unusual in nature or infrequent in occurrence.

Notwithstanding satisfaction of any completion of any Performance Goal, to the extent specified at the time of grant of an Award, the number of Shares, Options, SARs, Stock Units or other benefits granted, issued, retainable and/or vested under an Award on account of satisfaction of such Performance Goals may be reduced by the Committee on the basis of such further considerations as the Committee in its sole discretion shall determine. Awards with Performance Goals or performance objectives (if any) that are granted to Selected Employees who are not Covered Employees or any Awards to Covered Employees which are not intended to qualify as performance-based compensation under Code Section 162(m) need not comply with the requirements of Code Section 162(m).

(f) No Rights as a Shareholder. A Participant, or a transferee of a Participant, shall have no rights as a shareholder (including without limitation voting rights or dividend or distribution rights) with respect to any Common Stock covered by an Award until such person becomes entitled to receive such Common Stock, has satisfied any applicable withholding or tax obligations relating to the Award and the Common Stock has been issued to the Participant. No adjustment shall be made for cash or stock dividends or other rights for which the record date is prior to the date when

such Common Stock is issued, except as expressly provided in Section 11.

(g) Termination of Service. Unless the applicable Award Agreement or employment agreement provides otherwise (and in such case, the Award or employment agreement shall govern as to the consequences of a termination of Service for such

Awards), the following rules shall govern the vesting, exercisability and term of outstanding Awards held by a Participant in the event of termination of such Participant's Service (in all cases subject to the term of the Option or SAR as applicable):

(i) if the Service of a Participant is terminated for Cause, then all of the Participant's Options, SARs, unvested portions of Stock Units and unvested portions of Restricted Stock Grants shall terminate and be forfeited immediately without consideration as of the Termination Date (except for repayment of any amounts the Participant had previously paid to the Company to acquire Shares underlying the forfeited Awards);

(ii) if the Service of Participant is terminated for any reason other than for Cause and other due to the Participant's death or Disability, then the vested portion of the Participant's then-outstanding Options/SARs may be exercised by such Participant or his or her personal representative within three months after the Termination Date and all unvested portions of the Participant's outstanding Awards shall be forfeited without consideration as of the Termination Date (except for repayment of any amounts the Participant had previously paid to the Company to acquire Shares underlying the forfeited Awards); or

(iii) if the Service of a Participant is terminated due to the Participant's death or Disability, the vested portion of the Participant's then outstanding Options/SARs may be exercised within twelve months after the Termination Date and all unvested portions of any outstanding Awards shall be forfeited without consideration as of the Termination Date (except for repayment of any amounts the Participant had previously paid to the Company to acquire Shares underlying the forfeited Awards).

(h) Code Section 409A. Notwithstanding anything in the Plan to the contrary, the Plan and Awards granted hereunder are intended to comply with the requirements of Code Section 409A and shall be interpreted in a manner consistent with such intention. In the event that any provision of the Plan or an Award Agreement is determined by the Committee to not comply with the applicable requirements of Code Section 409A and the Treasury Regulations and other guidance issued thereunder, the Committee shall have the authority to take such actions and to make such changes to the Plan or an Award Agreement as the Committee deems necessary to comply with such requirements, provided that no such action shall adversely affect any outstanding Award without the consent of the affected Participant. Each payment to a Participant made pursuant to this Plan shall be considered a separate payment and not one of a series of payments for purposes of Code Section 409A. Notwithstanding the foregoing or anything elsewhere in the Plan or an Award Agreement to the contrary, if upon a Participant's Separation From Service he/she is then a Specified Employee, then solely to the extent necessary to comply with Code Section 409A and avoid the imposition of taxes under Code Section 409A, the Company shall defer payment of "nonqualified deferred compensation" subject to Code Section 409A payable as a result of and within six (6) months following such Separation From Service under this Plan until the earlier of (i) the first business day of the seventh month following the Participant's Separation From Service, or (ii) ten (10) days after the Company receives written confirmation of the Participant's death. Any such delayed payments shall be made without interest. In no event whatsoever shall the Company be liable for any additional tax, interest or penalties that may be imposed on a Participant by Code Section 409A or for any damages for failing to comply with Code Section 409A.

(i) Suspension or Termination of Awards. If at any time (including after a notice of exercise has been delivered) the Committee (or the Board), reasonably believes that a Participant has committed an act of Cause (which includes a failure to act), the Committee (or Board) may suspend the Participant's right to exercise any Option or SAR (or payment of a Cash Award or vesting of Restricted Stock Grants or Stock Units) pending a determination of whether there was in fact an act of Cause. If the Committee (or the Board) determines a Participant has committed an act of Cause, neither the Participant nor his or her estate shall be entitled to exercise any outstanding Option or SAR whatsoever and all of Participant's outstanding Awards shall then terminate without consideration. Any determination by the Committee (or the Board) with respect to the foregoing shall be final, conclusive and binding on all interested parties.

(j) Electronic Communications. Subject to compliance with applicable law and/or regulations, an Award Agreement or other documentation or notices relating to the Plan and/or Awards may be communicated to Participants by electronic media.

(k) **Unfunded Plan.** Insofar as it provides for Awards, the Plan shall be unfunded. Although bookkeeping accounts may be established with respect to Participants who are granted Awards under this Plan, any such accounts will be used merely as a bookkeeping convenience. The Company shall not be required to segregate any assets which may at any time be represented by Awards, nor shall this Plan be construed as providing for such segregation, nor shall the Company or the Committee be deemed to be a trustee of stock or cash to be awarded under the Plan.

(l) **Liability of Company.** The Company (or members of the Board or Committee) shall not be liable to a Participant or other persons as to: (a) the non-issuance or sale of Shares as to which the Company has been unable to obtain from any regulatory body having jurisdiction the authority deemed by the Company's counsel to be necessary to the lawful issuance and sale of any

Shares hereunder; and (b) any unexpected or adverse tax consequence or any tax consequence expected, but not realized, by any Participant or other person due to the grant, receipt, exercise or settlement of any Award granted hereunder.

(m) Reformation. In the event any provision of this Plan shall be held illegal or invalid for any reason, such provisions will be reformed by the Board if possible and to the extent needed in order to be held legal and valid. If it is not possible to reform the illegal or invalid provisions then the illegality or invalidity shall not affect the remaining parts of this Plan, and this Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

(n) Re-Pricing of Options or SARs. Notwithstanding anything to the contrary, outstanding Options or SARs may not be Re-Priced without the approval of Company shareholders.

(o) Successor Provision. Any reference to a statute, rule or regulation, or to a section of a statute, rule or regulation, is a reference to that statute, rule, regulation, or section as amended from time to time, both before and after the Adoption Date and including any successor provisions.

(p) Governing Law. This Plan and all Awards shall be construed in accordance with and governed by the laws of the State of Utah but without regard to its conflict of law provisions. The Committee may provide that any dispute as to any Award shall be presented and determined in such forum as the Committee may specify, including through binding arbitration. Unless otherwise provided in the Award Agreement, recipients of an Award under the Plan are deemed to submit to the exclusive jurisdiction and venue of the federal or state courts of Utah to resolve any and all issues that may arise out of or relate to the Plan or any related Award Agreement.

SECTION 5. SHARES SUBJECT TO PLAN AND SHARE LIMITS.

(a) Basic Limitations. The Common Stock issuable under the Plan shall be authorized but unissued Shares or treasury Shares. Subject to adjustment as provided in Section 11, the maximum aggregate number of Shares that may be issued under the Plan shall not exceed the sum of (i) 650,000 Shares, (ii) the number of Shares reserved under the 2010 Plan that are not issued or subject to outstanding awards under the 2010 Plan on the Shareholder Approval Date, (iii) any Shares subject to outstanding options or other awards under the 2010 Plan on the Shareholder Approval Date that subsequently expire or lapse unexercised and Shares issued pursuant to awards granted under the 2010 Plan that are outstanding on the Shareholder Approval Date and that are subsequently forfeited to or repurchased by the Company, and (iv) the additional Shares described in Section 5(b); provided, however, that no more than 475,000 Shares, in the aggregate, shall be added to the Plan pursuant to clauses (ii) and (iii). No more than 650,000 Shares plus the additional Shares described in Section 5(b) may be issued under the Plan upon the exercise of ISOs.

(b) Share Re-Use. If Equity Awards are forfeited or are terminated for any reason other than being exercised, then the Shares underlying such Equity Awards shall again become available for Equity Awards under the Plan. If SARs are exercised or Stock Units are settled in Shares, then only the number of Shares (if any) actually issued in settlement of such SARs or Stock Units shall reduce the number of Shares available under the Share limits stated in Section 5(a) and the balance shall again become available for Equity Awards under the Plan. If a Participant pays the Exercise Price by Net Exercise or by surrendering previously owned Shares (or by stock attestation) and/or, as permitted by the Committee, pays any withholding tax obligation with respect to an Equity Award by electing to have Shares withheld or surrendering previously owned Shares (or by stock attestation), the surrendered Shares and the Shares withheld to pay taxes shall be available for issuance under the Plan and shall not count toward the Share limits set forth in Section 5(a). Any Shares that are delivered and any Equity Awards that are granted by, or become obligations of, the Company, as a result of the assumption by the Company of, or in substitution for, outstanding awards previously granted by another entity (as provided in Sections 6(e), 8(f), 9(e) or 10(e)) shall not be counted against the Share limits specified in Sections 5(a) and 5(d).

(c) Dividend Equivalents. Any dividend equivalents distributed under the Plan shall not be applied against the number of Shares available for Equity Awards.

(d) Code Section 162(m) Limits. For so long as: (x) the Company is a “publicly held corporation” within the meaning of Code Section 162(m) and (y) the deduction limitations of Code Section 162(m) are applicable to Awards granted to the Company’s Covered Employees under this Plan, then the limits specified below in this Section 5(d) shall be

applicable to Awards issued under the Plan.

(i) Limits on Options. No Selected Employee shall receive Options to purchase Shares during any Fiscal Year that in the aggregate cover in excess of 300,000 Shares.

- (ii) Limits on SARs. No Selected Employee shall receive Awards of SARs during any Fiscal Year that in the aggregate cover in excess of 300,000 Shares.
 - (iii) Limits on Restricted Stock Grants. No Selected Employee shall receive Restricted Stock Grants during any Fiscal Year that in the aggregate cover in excess of 300,000 Shares.
 - (iv) Limits on Stock Units. No Selected Employee shall receive Stock Units during any Fiscal Year that in the aggregate cover in excess of 300,000 Shares.
 - (v) Limit on Total Amount of All Equity Awards. Notwithstanding anything to the contrary contained herein, no Selected Employee shall receive Equity Awards during any Fiscal Year in excess of the aggregate amount of 600,000 Shares, whether such Equity Awards are in the form of Options, SARs, Restricted Stock Grants and/or Stock Units.
 - (vi) Increased Limits for First Year of Employment. The numerical limits expressed in the foregoing subparts (i) through (iv) shall in each case be increased to 600,000 Shares with respect to Equity Awards granted to a Selected Employee during the Fiscal Year of the Selected Employee's commencement of employment with the Company or during the first Fiscal Year that the Selected Employee becomes a Covered Employee.
 - (vii) Dollar Limit for Cash Awards. The maximum aggregate value of Cash Awards that may be received by any one Selected Employee with respect to any individual Fiscal Year is \$5,000,000.
- SECTION 6. TERMS AND CONDITIONS OF OPTIONS.

- (a) Stock Option Agreement. Each Award of an Option under the Plan shall be evidenced by a Stock Option Agreement between the Optionee and the Company. Such Option shall be subject to all applicable terms and conditions of the Plan and may be subject to any other terms and conditions that are not inconsistent with the Plan (including without limitation any Performance Goals). The provisions of the various Stock Option Agreements entered into under the Plan need not be identical. The Stock Option Agreement shall also specify whether the Option is an ISO and if not specified then the Option shall be an NSO.
- (b) Number of Shares. Each Stock Option Agreement shall specify the number of Shares that are subject to the Option and is subject to adjustment of such number in accordance with Section 11.
- (c) Exercise Price. An Option's Exercise Price shall be established by the Committee and set forth in a Stock Option Agreement. Except with respect to outstanding stock options being assumed or Options being granted in exchange for cancellation of outstanding options granted by another issuer as provided under Section 6(e), the Exercise Price of an Option shall not be less than 100% of the Fair Market Value (110% for ISO Awards to 10-Percent Shareholders) on the date of Award.
- (d) Exercisability and Term. Each Stock Option Agreement shall specify the date when all or any installment of the Option is to become vested and/or exercisable. The Stock Option Agreement shall also specify the term of the Option; provided that the term of an Option shall in no event exceed ten years from the date of Award (and may be for a shorter period of time than ten years). No Option can be exercised after the expiration date specified in the applicable Stock Option Agreement. A Stock Option Agreement may provide for accelerated vesting in the event of the Participant's death, or Disability or other events. Notwithstanding the previous sentence, an ISO that is granted to a 10-Percent Shareholder shall have a maximum term of five years. Notwithstanding any other provision of the Plan, no Option can be exercised after the expiration date provided in the applicable Stock Option Agreement. In no event shall the Company be required to issue fractional Shares upon the exercise of an Option and the Committee may specify a minimum number of Shares that must be purchased in any one Option exercise.
- (e) Modifications or Assumption of Options. Within the limitations of the Plan, the Committee may modify, extend or assume outstanding Options or may accept the cancellation of outstanding stock options (whether granted by the Company or by another issuer) in return for the grant of new Options for the same or a different number of Shares and at the same or a different Exercise Price. For avoidance of doubt, the Committee may not Re-Price outstanding Options without approval from the Company's shareholders. No modification of an Option shall, without the consent of the Optionee, impair his or her rights or increase his or her obligations under such Option.
- (f) Assignment or Transfer of Options. Except as otherwise provided in the applicable Stock Option Agreement and then only to the extent permitted by applicable law, no Option shall be transferable by the Optionee other than by will or by the laws of descent and distribution. Except as otherwise provided in the applicable Stock Option Agreement, an

Option may be exercised during the lifetime of the Optionee only by Optionee or by the guardian or legal representative of the Optionee. No

Option or interest therein may be assigned, pledged or hypothecated by the Optionee during his or her lifetime, whether by operation of law or otherwise, or be made subject to execution, attachment or similar process.

SECTION 7. PAYMENT FOR OPTION SHARES.

(a) **General Rule.** The entire Exercise Price of Shares issued upon exercise of Options shall be payable in cash at the time when such Shares are purchased by the Optionee, except as follows and if so provided for in an applicable Stock Option Agreement:

(i) In the case of an ISO granted under the Plan, payment shall be made only pursuant to the express provisions of the applicable Stock Option Agreement. The Stock Option Agreement may specify that payment may be made in any form(s) described in this Section 7.

(ii) In the case of an NSO granted under the Plan, the Committee may, in its discretion at any time, accept payment in any form(s) described in this Section 7.

(b) **Surrender of Stock.** To the extent that the Committee makes this Section 7(b) applicable to an Option in a Stock Option Agreement, payment for all or a part of the Exercise Price may be made with Shares which have already been owned by the Optionee for such duration as shall be specified by the Committee. Such Shares shall be valued at their Fair Market Value on the date when the new Shares are purchased under the Plan.

(c) **Cashless Exercise.** To the extent that the Committee makes this Section 7(c) applicable to an Option in a Stock Option Agreement, payment for all or a part of the Exercise Price may be made through Cashless Exercise.

(d) **Net Exercise.** To the extent that the Committee makes this Section 7(d) applicable to an Option in a Stock Option Agreement, payment for all or a part of the Exercise Price may be made through Net Exercise.

(e) **Other Forms of Payment.** To the extent that the Committee makes this Section 7(e) applicable to an Option in a Stock Option Agreement, payment may be made in any other form that is consistent with applicable laws, regulations and rules and approved by the Committee.

SECTION 8. TERMS AND CONDITIONS OF STOCK APPRECIATION RIGHTS.

(a) **SAR Agreement.** Each Award of a SAR under the Plan shall be evidenced by a SAR Agreement between the Participant and the Company. Such SAR shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan (including without limitation any Performance Goals). A SAR Agreement may provide for a maximum limit on the amount of any payout notwithstanding the Fair Market Value on the date of exercise of the SAR. The provisions of the various SAR Agreements entered into under the Plan need not be identical.

(b) **Number of Shares.** Each SAR Agreement shall specify the number of Shares to which the SAR pertains and is subject to adjustment of such number in accordance with Section 11.

(c) **Exercise Price.** Each SAR Agreement shall specify the Exercise Price. Except with respect to outstanding stock appreciation rights being assumed or SARs being granted in exchange for cancellation of outstanding stock appreciation rights granted by another issuer as provided under Section 8(f), the Exercise Price of a SAR shall not be less than 100% of the Fair Market Value on the date of Award.

(d) **Exercisability and Term.** Each SAR Agreement shall specify the date when all or any installment of the SAR is to become exercisable. The SAR Agreement shall also specify the term of the SAR which shall not exceed ten years from the date of Award. No SAR can be exercised after the expiration date specified in the applicable SAR Agreement. A SAR Agreement may provide for accelerated exercisability in the event of the Participant's death, or Disability or other events and may provide for expiration prior to the end of its term in the event of the termination of the Participant's Service. A SAR may be included in an ISO only at the time of Award but may be included in an NSO at the time of Award or at any subsequent time, but not later than six months before the expiration of such NSO. A SAR granted under the Plan may provide that it will be exercisable only in the event of a Change in Control.

(e) **Exercise of SARs.** If, on the date when a SAR expires, the Exercise Price under such SAR is less than the Fair Market Value on such date but any portion of such SAR has not been exercised or surrendered, then such SAR may automatically be deemed to be exercised as of such date with respect to such portion to the extent so provided in the applicable SAR agreement.

Upon exercise of a SAR, the Participant (or any person having the right to exercise the SAR after the Participant's death) shall receive from the Company (i) Shares, (ii) cash or (iii) any combination of Shares and cash, as the Committee shall determine. The amount of cash and/or the Fair Market Value of Shares received upon exercise of SARs shall, in the aggregate, be equal to the amount by which the Fair Market Value (on the date of surrender) of the Shares subject to the SARs exceeds the Exercise Price of the Shares.

(f) **Modification or Assumption of SARs.** Within the limitations of the Plan, the Committee may modify, extend or assume outstanding SARs or may accept the cancellation of outstanding SARs (including stock appreciation rights granted by another issuer) in return for the grant of new SARs for the same or a different number of Shares and at the same or a different Exercise Price. For avoidance of doubt, the Committee may not Re-Price outstanding SARs without approval from the Company's shareholders. No modification of a SAR shall, without the consent of the Participant, impair his or her rights or increase his or her obligations under such SAR.

(g) **Assignment or Transfer of SARs.** Except as otherwise provided in the applicable SAR Agreement and then only to the extent permitted by applicable law, no SAR shall be transferable by the Participant other than by will or by the laws of descent and distribution. Except as otherwise provided in the applicable SAR Agreement, a SAR may be exercised during the lifetime of the Participant only by the Participant or by the guardian or legal representative of the Participant. No SAR or interest therein may be assigned, pledged or hypothecated by the Participant during his or her lifetime, whether by operation of law or otherwise, or be made subject to execution, attachment or similar process.

SECTION 9. TERMS AND CONDITIONS FOR RESTRICTED STOCK GRANTS.

(a) **Restricted Stock Grant Agreement.** Each Restricted Stock Grant awarded under the Plan shall be evidenced by a Restricted Stock Grant Agreement between the Participant and the Company. Each Restricted Stock Grant shall be subject to all applicable terms and conditions of the Plan and may be subject to any other terms and conditions that are not inconsistent with the Plan (including without limitation any Performance Goals). The provisions of the Restricted Stock Grant Agreements entered into under the Plan need not be identical.

(b) **Number of Shares and Payment.** Each Restricted Stock Grant Agreement shall specify the number of Shares to which the Restricted Stock Grant pertains and is subject to adjustment of such number in accordance with Section 11. Restricted Stock Grants may be issued with or without cash consideration under the Plan.

(c) **Vesting Conditions.** Each Restricted Stock Grant may or may not be subject to vesting. Vesting shall occur, in full or in installments, upon satisfaction of the conditions specified in the Restricted Stock Grant Agreement. A Restricted Stock Grant Agreement may provide for accelerated vesting in the event of the Participant's death, or Disability or other events.

(d) **Voting and Dividend Rights.** The holder of a Restricted Stock Grant (irrespective of whether the Shares subject to the Restricted Stock Grant are vested or unvested) awarded under the Plan shall have the same voting, dividend and other rights as the Company's other shareholders. However, any dividends received on Shares that are unvested (whether such dividends are in the form of cash or Shares) may be subject to the same vesting conditions and restrictions as the Restricted Stock Grant with respect to which the dividends were paid. Such additional Shares issued as dividends that are subject to the Restricted Stock Grant shall not reduce the number of Shares available for issuance under Section 5.

(e) **Modification or Assumption of Restricted Stock Grants.** Within the limitations of the Plan, the Committee may modify or assume outstanding Restricted Stock Grants or may accept the cancellation of outstanding Restricted Stock Grants (including stock granted by another issuer) in return for the grant of new Restricted Stock Grants for the same or a different number of Shares. No modification of a Restricted Stock Grant shall, without the consent of the Participant, impair his or her rights or increase his or her obligations under such Restricted Stock Grant.

(f) **Assignment or Transfer of Restricted Stock Grants.** Except as provided in Section 14, or in a Restricted Stock Grant Agreement, or as required by applicable law, a Restricted Stock Grant awarded under the Plan shall not be anticipated, assigned, attached, garnished, optioned, transferred or made subject to any creditor's process, whether voluntarily, involuntarily or by operation of law. Any act in violation of this Section 9(f) shall be void. However, this Section 9(f) shall not preclude a Participant from designating a beneficiary pursuant to Section 4(d) nor shall it preclude a transfer of Restricted Stock Grant Awards by will or pursuant to Section 4(d).

SECTION 10. TERMS AND CONDITIONS OF STOCK UNITS.

(a) **Stock Unit Agreement.** Each Award of Stock Units under the Plan shall be evidenced by a Stock Unit Agreement between the Participant and the Company. Such Stock Units shall be subject to all applicable terms of the Plan and may be subject to any other terms that are not inconsistent with the Plan (including without limitation any Performance Goals). The provisions of the various Stock Unit Agreements entered into under the Plan need not be identical.

(b) **Number of Shares and Payment.** Each Stock Unit Agreement shall specify the number of Shares to which the Stock Unit Grant pertains and is subject to adjustment of such number in accordance with Section 11. To the extent that an Award is granted in the form of Stock Units, no cash consideration shall be required of the Award recipients.

(c) **Vesting Conditions.** Each Award of Stock Units may or may not be subject to vesting. Vesting shall occur, in full or in installments, upon satisfaction of the conditions specified in the Stock Unit Agreement. A Stock Unit Agreement may provide for accelerated vesting in the event of the Participant's death, or Disability or other events.

(d) **Voting and Dividend Rights.** The holders of Stock Units shall have no voting rights. Prior to settlement or forfeiture, any Stock Unit awarded under the Plan may, at the Committee's discretion, carry with it a right to dividend equivalents. Such right entitles the holder to be credited with an amount equal to all cash or Common Stock dividends paid on one Share while the Stock Unit is outstanding. Dividend equivalents may be converted into additional Stock Units. Settlement of dividend equivalents may be made in the form of cash, in the form of Shares, or in a combination of both. Prior to vesting of the Stock Units, any dividend equivalents accrued on such unvested Stock Units may be subject to the same vesting conditions and restrictions as the Stock Units to which they attach.

(e) **Modification or Assumption of Stock Units.** Within the limitations of the Plan, the Committee may modify or assume outstanding Stock Units or may accept the cancellation of outstanding Stock Units (including stock units granted by another issuer) in return for the grant of new Stock Units for the same or a different number of Shares. No modification of a Stock Unit shall, without the consent of the Participant, impair his or her rights or increase his or her obligations under such Stock Unit.

(f) **Assignment or Transfer of Stock Units.** Except as provided in Section 14, or in a Stock Unit Agreement, or as required by applicable law, Stock Units shall not be anticipated, assigned, attached, garnished, optioned, transferred or made subject to any creditor's process, whether voluntarily, involuntarily or by operation of law. Any act in violation of this Section 10(f) shall be void. However, this Section 10(f) shall not preclude a Participant from designating a beneficiary pursuant to Section 4(d) nor shall it preclude a transfer of Stock Units pursuant to Section 4(d).

(g) **Form and Time of Settlement of Stock Units.** Settlement of vested Stock Units may be made in the form of (a) cash, (b) Shares or (c) any combination of both, as determined by the Committee. The actual number of Stock Units eligible for settlement may be larger or smaller than the number included in the original Award. Methods of converting Stock Units into cash may include (without limitation) a method based on the average Fair Market Value of Shares over a series of trading days. Except as otherwise provided in a Stock Unit Agreement or a timely completed deferral election, vested Stock Units shall be settled within thirty days after vesting. The distribution may occur or commence when all vesting conditions applicable to the Stock Units have been satisfied or have lapsed, or it may be deferred, in accordance with applicable law, to a later specified date. The amount of a deferred distribution may be increased by an interest factor or by dividend equivalents. Until an Award of Stock Units is settled, the number of such Stock Units shall be subject to adjustment pursuant to Section 11.

(h) **Creditors' Rights.** A holder of Stock Units shall have no rights other than those of a general creditor of the Company. Stock Units represent an unfunded and unsecured obligation of the Company, subject to the terms and conditions of the applicable Stock Unit Agreement.

SECTION 11. ADJUSTMENTS.

(a) **Adjustments.** In the event of a subdivision of the outstanding Shares, a declaration of a dividend payable in Shares, a declaration of a dividend payable in a form other than Shares in an amount that has a material effect on the price of Shares, a combination or consolidation of the outstanding Shares (by reclassification or otherwise) into a lesser number of Shares, a stock split, a reverse stock split, a reclassification or other distribution of the Shares without the receipt of consideration by the Company, of or on the Common Stock, a recapitalization, a combination, a spin-off or a similar occurrence, the Committee shall make equitable and proportionate adjustments to:

- (i) the number and kind of securities available for Equity Awards (and which can be issued as ISOs) under Section 5;
-

- (ii) the Share limits on Equity Awards issued under the Plan that are intended to qualify as performance-based compensation under Code Section 162(m) under Section 5(d);
 - (iii) the number and kind of securities covered by each outstanding Equity Award;
 - (iv) the Exercise Price under each outstanding SAR and Option, and the repurchase price, if any, applicable to the unvested portion of Restricted Stock Grants; and
 - (v) the number and kind of outstanding securities issued under the Plan.
- (b) Participant Rights. Except as provided in this Section 11, a Participant shall have no rights by reason of any issue by the Company of stock of any class or securities convertible into stock of any class, any subdivision or consolidation of shares of stock of any class, the payment of any stock dividend or any other increase or decrease in the number of shares of stock of any class. If by reason of an adjustment pursuant to this Section 11, a Participant's Equity Award covers additional or different shares of stock or securities, then such additional or different shares and the Equity Award in respect thereof shall be subject to all of the terms, conditions and restrictions which were applicable to the Equity Award and the Shares subject to the Equity Award prior to such adjustment.
- (c) Fractional Shares. Any adjustment of Shares pursuant to this Section 11 shall be rounded down to the nearest whole number of Shares. Under no circumstances shall the Company be required to authorize or issue fractional shares. To the extent permitted by applicable law, no consideration shall be provided as a result of any fractional shares not being issued or authorized.

SECTION 12. EFFECT OF A CHANGE IN CONTROL.

- (a) Merger or Reorganization. In the event that the Company is a party to a merger or other reorganization, outstanding Awards shall be subject to the agreement of merger or reorganization. Such agreement may provide, without limitation, that subject to the consummation of the merger or other reorganization, for the assumption (or substitution) of outstanding Awards by the surviving corporation or its parent, for their continuation by the Company (if the Company is a surviving corporation), for accelerated vesting and/or for their cancellation with or without consideration, in all cases without the consent of the Participant.
- (b) Acceleration. Except as otherwise provided in the applicable Award Agreement (and in such case the applicable Award Agreement shall govern), in the event that a Change in Control occurs and there is no assumption, substitution or continuation of Awards pursuant to Section 12(a), the Committee may in its discretion provide that all Awards shall vest and become exercisable as of immediately before such Change in Control. For avoidance of doubt, "substitution" includes, without limitation, an Award being replaced by a cash award that provides an equivalent intrinsic value (wherein for Equity Awards intrinsic value equals the difference between the market value of a Share and any per Share exercise price).

SECTION 13. LIMITATIONS ON RIGHTS.

- (a) Retention Rights. Neither the Plan nor any Award granted under the Plan shall be deemed to give any individual a right to remain in Service as an Employee, Consultant, Director or Non-Employee Director or to receive any other Awards under the Plan. The Company and its Parents and Subsidiaries and Affiliates reserve the right to terminate the Service of any person at any time, and for any reason, subject to applicable laws, the Company's Articles of Incorporation and Bylaws and a written employment agreement (if any).
- (b) Regulatory Requirements. Any other provision of the Plan notwithstanding, the obligation of the Company to issue Shares or other securities under the Plan shall be subject to all applicable laws, rules and regulations and such approval by any regulatory body as may be required. The Company reserves the right to restrict, in whole or in part, the delivery of Shares or other securities pursuant to any Equity Award prior to the satisfaction of all legal requirements relating to the issuance of such Shares or other securities, to their registration, qualification or listing or to an exemption from registration, qualification or listing.
- (c) Dissolution. To the extent not previously exercised or settled, Options, SARs, unvested Stock Units and unvested Restricted Stock Grants shall terminate immediately prior to the dissolution or liquidation of the Company and shall be forfeited to the Company.

(d) Clawback Policy. The Company may (i) cause the cancellation of any Award, (ii) require reimbursement of any Award by a Participant and (iii) effect any other right of recoupment of equity or other compensation provided under this Plan or otherwise in accordance with Company policies and/or applicable law (each, a “Clawback Policy”). In addition, a Participant

may be required to repay to the Company certain previously paid compensation, whether provided under this Plan or an Award Agreement or otherwise, in accordance with the Clawback Policy.

SECTION 14. TAXES.

(a) General. A Participant shall make arrangements satisfactory to the Company for the satisfaction of any withholding tax obligations that arise in connection with his or her Award. The Company shall not be required to issue any Shares or make any cash payment under the Plan until such obligations are satisfied.

(b) Share Withholding. The Committee in its discretion may permit or require a Participant to satisfy all or part of his or her withholding or income tax obligations by having the Company withhold all or a portion of any Shares that otherwise would be issued to him or her or by surrendering all or a portion of any Shares that he or she previously acquired (or by stock attestation). Such Shares shall be valued based on the value of the actual trade or, if there is none, the Fair Market Value as of the previous day.

Any payment of taxes by assigning Shares to the Company may be subject to restrictions, including, but not limited to, any restrictions required by rules of the SEC. The Committee may also, in its discretion, permit or require a Participant to satisfy withholding or income tax obligations (up to the maximum amount permitted by applicable law) related to an Equity Award through a sale of Shares underlying the Equity Award or, in the case of Options, through Net Exercise or Cashless Exercise.

SECTION 15. DURATION AND AMENDMENTS.

(a) Term of the Plan. The Plan, as set forth herein, is effective on the Adoption Date but is conditioned upon and subject to the approval of the Company's shareholders. No settlement of Awards or exercise of Options or SARs may occur before the Shareholder Approval Date. If the Company's shareholders do not approve the Plan on or before the first anniversary of the Adoption Date, then the Plan shall terminate and be null and void and any Awards granted under the Plan shall be forfeited without consideration (except for repayment of any amounts that Participants had previously paid to the Company to acquire Shares underlying the forfeited Awards). In any event, the Plan shall terminate no later than on the day before the tenth anniversary of the Adoption Date. The Plan may be terminated by the Board on any earlier date pursuant to Section 15(b). This Plan will not in any way affect outstanding awards that were issued under the Prior Equity Compensation Plans or other Company equity compensation plans.

(b) Right to Amend or Terminate the Plan. The Board may amend or terminate the Plan at any time and for any reason. No Awards shall be granted under the Plan after the Plan's termination. An amendment of the Plan shall be subject to the approval of the Company's shareholders only to the extent required by applicable laws, regulations or rules. In addition, no such amendment or termination shall be made which would impair the rights of any Participant, without such Participant's written consent, under any then-outstanding Award, provided that no such Participant consent shall be required with respect to any amendment or alteration if the Committee determines in its sole discretion that such amendment or alteration either (i) is required or advisable in order for the Company, the Plan or the Award to satisfy or conform to any law or regulation or to meet the requirements of any accounting standard, or (ii) is not reasonably likely to significantly diminish the benefits provided under such Award, or that any such diminishment has been adequately compensated. In the event of any conflict in terms between the Plan and any Award Agreement, the terms of the Plan shall prevail and govern.

SECTION 16. EXECUTION.

To record the adoption of this Plan by the Board, the Company has caused its duly authorized Officer to execute this Plan on behalf of the Company.
