SAFE HARBOR STATEMENT

The foregoing contains certain forward-looking statements that involve risks and uncertainties, including uncertainties associated with economic conditions in the electronics industry, changes in customer requirements and in the volume of sales to principal customers, the ability of the company to obtain product components, assimilate acquired businesses and to achieve the anticipated benefits of such acquisitions, and competition and technological change. For a more detailed discussion of these and other factors, please refer to our most recent filings with the Securities Exchange Commission.

Shareholders of both companies should also carefully review the joint proxy statement/prospectus relating to the transaction which will be filed with the Securities and Exchange Commission. The joint proxy statement/prospectus will, when filed, be available at the SEC's website ([www.sec.gov](http://www.sec.gov)) and at the investor relations sections of Sanmina's and SCI's websites.
