**Section 1 Registrant's Business and Operations**

**Item 1.01 Entry into a Material Definitive Agreement.**

At the 2006 Annual Meeting of Shareholders of Infinity Property and Casualty Corporation (the Registrant) held on May 23, 2006, the Registrant's shareholders voted to approve the 2006 Annual Executive Bonus Plan (the Plan) which had been previously adopted by the Compensation Committee of the Registrant's Board of Directors on February 7, 2006, subject to shareholder approval. On approval of the Registrant's shareholders, the plan became effective as of January 1, 2006.

The Plan is administered by the Compensation Committee of the Registrant. Performance goals are established based on revenue, earnings and profitability goals derived from the Company's annual business plan, such as earnings per share, combined ratio and premium growth. Goals may also include objectively measurable areas of performance such as stock price, return on equity, return on average assets, expense management and other criteria determined by the Compensation Committee in its sole discretion. The Plan was designed so that all awards under Plan are considered performance-based compensation within the meaning of Section 162(m)(4)(C) of the Internal Revenue Code of 1986, as amended, and the regulations thereunder.

As soon as practicable after the end of a calendar year, the Compensation Committee will certify whether or not the performance goals of the participants have been attained and shall report to the full Board of Directors the amount of the bonus, if any, to be awarded to each participant. Bonuses are payable in cash, subject to the ability of the Compensation Committee, in its discretion, to provide for the payment of awards in any combination of cash, restricted stock or other equity securities of the Registrant, provided that such equity securities are issued in accordance with the terms of shareholder approved equity plans.

The foregoing description of the Plan is not complete and is qualified in its entirety by reference to the full text of the Plan, which is attached to this Form 8-K as Exhibit 10.
